How come the clouds float in the sky?

## CONGRATULATIONS!

It probably seems as if it has taken an eternity to reach this point in your life, but to those of us who have known you from the beginning, the years have literally flown by. We are proud of you and what you have accomplished in life thus far; however, we are even more excited about what your tomorrow will bring.

Some believe success stems from hard work and determination, others say it is a matter of destiny or luck, but you know otherwise. You know all true success and blessings come from God, and it is His grace and mercy that will keep you forever. You also understand how God blesses you so that you can bless Him. But most importantly, you know a personal relationship with Jesus Christ as Lord and Savior is more important than life itself. Such wisdom and understanding makes success inevitable—congratulations.

He giveth power to the faint; and to them that have no might he increaseth strength.

Even the youths shall faint and be weary, and the young men shall utterly fall:

But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.

Isaiah 40:29-31.
