Thanks to all of you for making available your talents where ever needed. Underwriters for Scholarships to the Luncheon Forum are welcome. Some of our less fortunate Brothers and Sisters could benefit from our Law Forum, but may not have the money to attend. Why not all of us act as a Committee of One, find such a person or persons and invite them as our guest. Did not Jesus say, ***"Where little is given, little is required, and where much is given, much is required"?*** That applies to us.

Men please help us by contributing $50.00. All women are asked to contribute $100.00. Quarterly installment payments will be welcomed.
