CONFERENCES AND CONVENTIONS

The Church and Sunday School has entertained the Sunday School Conventions a number of times. The Illinois Annual Conference has met here in 1897, 1922 and 1936.

PASTORS

Bethel has been fortunate in the assignment of Pastors over the period of years of its history. An Appended list will follow this history, probably incomplete for the years before 1870, but complete thereafter. Eight pastors were previously or afterwards, Presiding Elders. Six pastors purchased property here. Five resided here after their pastorate.
