Janelle,

You have grown into a very beautiful young lady, who is worthy of this honor. You have excelled both academically and athletically and you are a shining star in all your achievements. We took time to reflect on the many ways you very graciously gave of your time and yourself to our daughter—"playing with Barbies", invitations to basketball games, or even when you worked on a piece of piano music together. These are just a few precious moments in which you shared your interest and your talents. We hope that you will continue to inspire, motivate, encourage and mentor others, in particular those who are less fortunate than yourself, so that they may have greater success. Janelle, "in all thy getting, get thee understanding" (Psalms).

Valena -

Remember this picture? You were 4 yrs. old, a flower girl in Sherry Howell's wedding. You were so frightened I had to escort you down the aisle and throw the pedals. The years have flown by so fast. We have experienced many of life's situations together that have brought us closer together. With Gods help I have given you love & guidance. And in return you have also given me strength to carry on. It seems like only yesterday you had me reading book after book to you or "tea time" with your Princess table service. Then came day care, P.T.A. mtgs., classroom parties, park district parties, Mom can I do this or go there and don't forget your "why nots?" I have watched you stumble and fall only to get up and brush yourself off. Remember, Valena the stumbles will continue some more painful than others. Stand Up. Brush yourself off. Pray and Keep the Faith! Proverbs 4:5-15

Valena,

Amazing, isn't it, now some people see the basket half empty and others see it half full. Some see life hopeless; others hopeful. Even when things are less than perfect, if you can think of the good, the beautiful, the hopeful, you'll be more than sustained - you'll conquer.

CONGRATULATIONS!

láRufus Mitchell

God desires you to "prosper and have good success" (Joshua 1:8). There are no secrets of success and happiness.

SUCCESS is doing the things you know you should do. Success is discovering your best talents, skills and abilities. It is having the courage to meet failure without being defeated. Success is accepting the challenge of the difficult.

HAPPINESS is an inside job. Be determined to be cheerful and happy in whatever situation you may be. Don't let circumstances dictate your disposition, development, or destination. It must be conceded they will either defeat you or you will overcome them. your strength and determination, not their impact, will decide which.

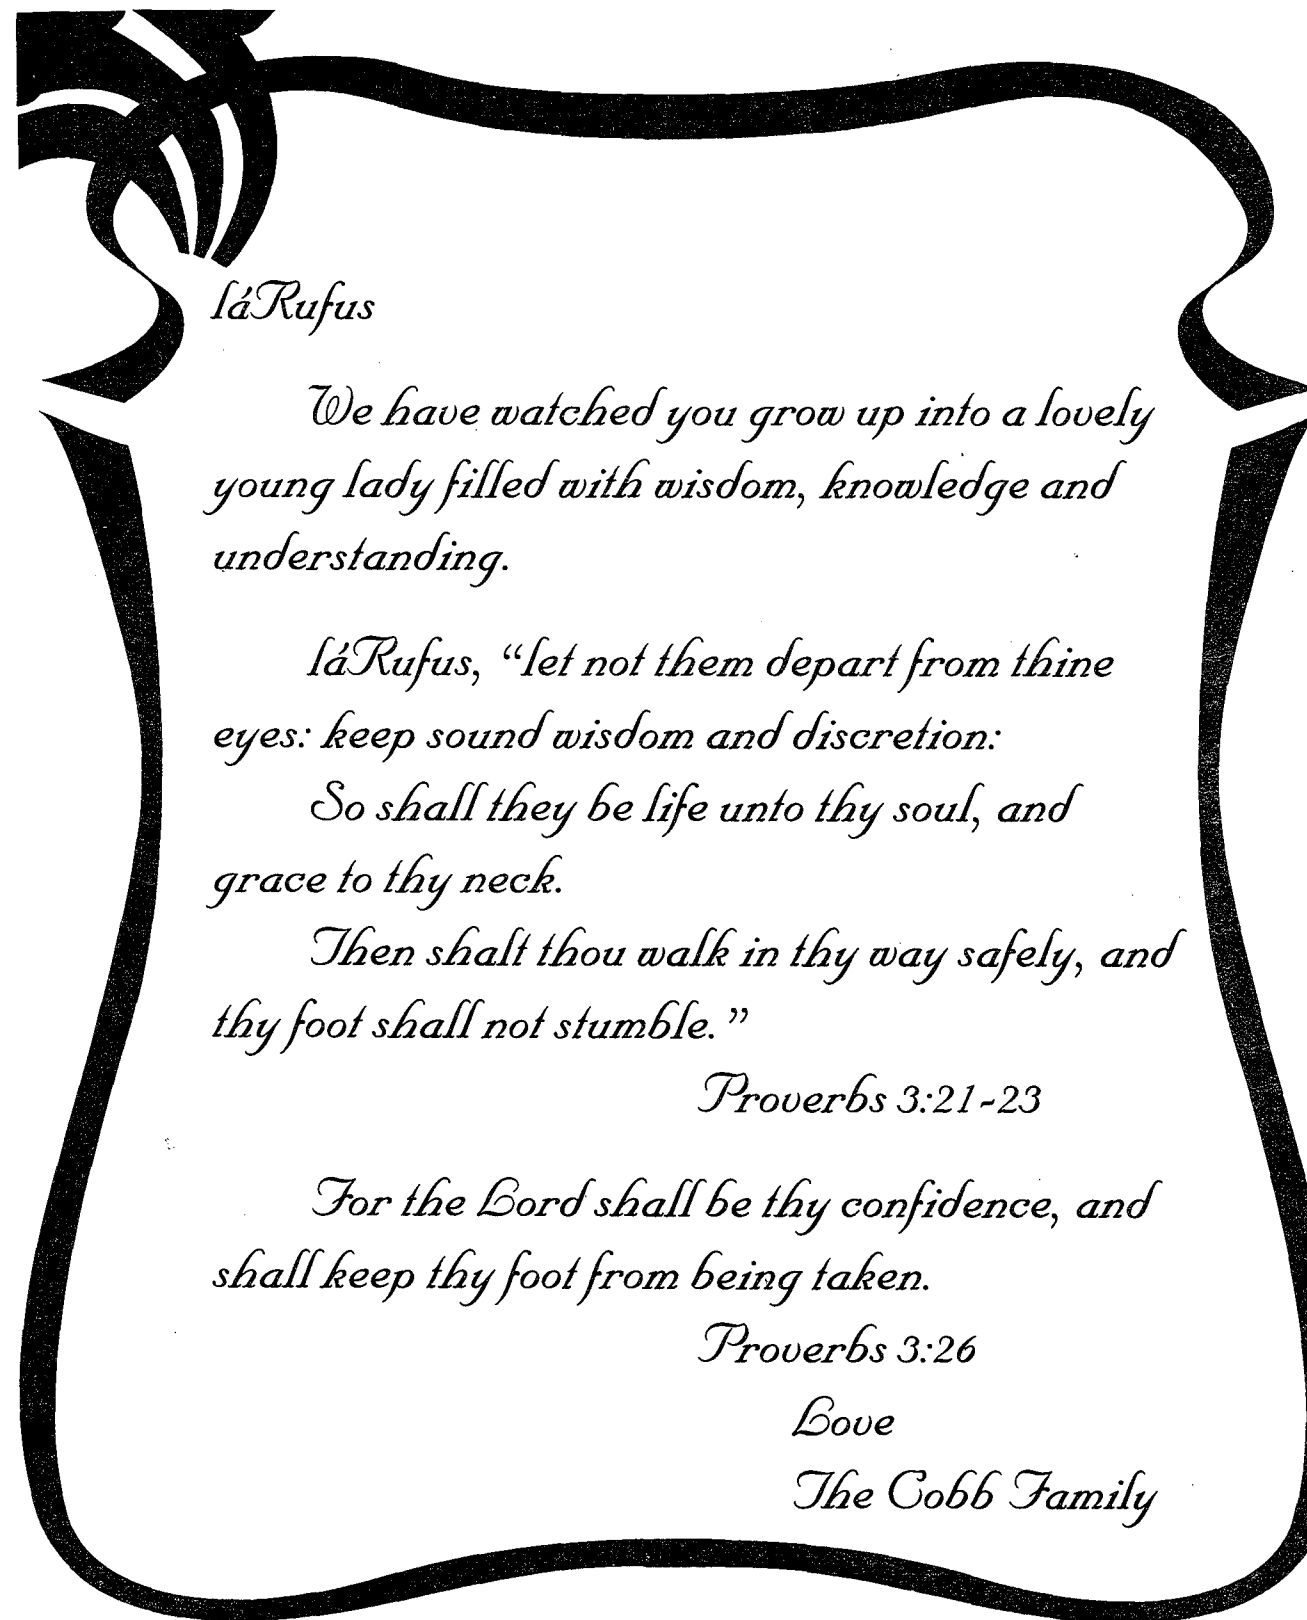

SUCCESS AND HAPPINESS are not dependent on circumstances but upon one's determination and disposition. Don't wait for circumstances to give you a break. You were not created to be a puppet dangling on the strings of circumstances. You have a free will and can affect circumstances.

God has blessed you to have creative powers. Whatever you do, don't rush by today to get to tomorrow! Plan your schedule, prioritize your plans, and commit your schedule to the Lord. Establish a good motivational pattern, and always remember that persistence and determination are omnipotent.
