Jennifer Cierra,

My first born, my sweetie, my princess, my baby girl, I am very proud of you. You have grown into a wonderful young woman.

As you spread your wings in this journey of life please remember to keep God first in your life. Let Him guide your every foot-step. When you think of me remember the Prayer of Serenity.

"God grant me the serenity to accept the things I cannot change. Courage to change the things I can and the wisdom to know the difference."

Your brother and I will always be here for you.

**Love,
Mom and Jordan**

Jennifer,

You are truly a beautiful, creative and caring young woman. Nevertheless, the world will not always be fair to you. In the tough times of life, when the days aren't going the way you'd like them to, I want you to remember your family and friends who care deeply for you. Protect your spirit and seek God in all that you do. I thank God for blessing us with your presence.

Love you,
Dad

In Loving Memory
of my
Grandma Ella. . . .

Grandma I love you. I wish you were here to see the young lady I have become. I am who I am today because of you. The love and wisdom you have passed on to Grandma Leona, Grandma Charlene and my Dad live on through me. . . .and because of it, you will always live within me.

Thanks!

Love,
Jennifer

To our loving Granddaughter:

When you feel lost, pause and look closely around you. Somewhere, somehow an Angel will be waiting to guide you home. Good luck in all your endeavors.

Sunshine, it has been a blessing watching you blossom into the intelligent, beautiful, and determined young woman that you have become. Your personality, spirit, and stunning smile are like sunshine; they add warmth and light to people's lives.

Do not let anyone or anything dim the radiant light within your soul, **remember Mathew 5:16: "Let your light so shine before men, that they may see your good works, and glorify your father which is in heaven."**

Love Always,  
Your Adoptive Mother Dionne Brown

Jennifer,  
Never forget what a phenomenal young woman you are.  
When times are difficult, seek Maya Angelou's  
encouragement in her poem "Phenomenal Woman."

Excerpt from "Phenomenal Woman"

Now you understand

Just why my head's not bowed

I don't shout or jump about

Or have to talk real loud

When you see me passing

It ought to make you proud.

I say

It's in the click of my heels

The bend of my hair

The palm of my hand

The need for my care.

'Cause I'm a woman

Phenomenally

Phenomenal woman

That's me.

Sincerely,

Reginald Alston

*Good luck Jennifer!*

*May all your dreams and wishes come true.  
Think positively and you will go far.*
