My Dearest Candy

You know I can still hear you saying "Uh Oh" for the first time. I will never forget the echoes of the most talented 3 year old singing "One In a Million" while a little doll named "Miss Molly" sang back-up. It was once said, that Precious Memories of yesterday can be precious moments of today. Watching you grow up has been a privilege God blessed us with. From a baby in my arms to a beautiful, talented, and strong young woman. Remember the love always that Grandmaw left in your heart, and always remember to stay strong and give your honest effort in all you strive to do. Keep God first in EVERYTHING and you will always make the right decisions.

May God Forever Bless and Watch Over you.

Love,

Mommy, Dad, Justin, & Kalee

Honest Effort

Sometimes we're so afraid we'll fail,
 We fail to even try.
 We bury possibilities,
 And let our efforts die . . .

We often don't remember
 A fact that's widely known—
 A mistake that brings a lesson
 Is a handy stepping-stone . . .

So trust in God and trust yourself,
 Don't be afraid to try
 To broaden your horizon
 And to reach up for the sky

CONGRATULATIONS!

To a beautiful young lady from Canaan's Youth Ministry

CANDACE PHILLIPS

As you make your debut into the world of opportunities, make the Church a part of your life. The Church may be likened to the dressing room of a great theater. Here is where you put on the garments of praise and find the props that are needed out on the stage of life. The Church is where you are equipped, prepared, and cued for the next act along life's way.

William Shakespeare said, "All the world is a stage and all the people in it are players." The world is a stage, but don't walk out on the play. The world needs those who play the small parts, for usually it is to those who play them well that the larger more important parts are given.

As you travel along the road of life, at frequent intervals enter the Church to worship God and depart with a determination to serve the people whom God loves. Above all, "Remember your Creator in the days of your youth." Reflect on the blessings that are yours, blessings you didn't earn but received because of God's love for you. The greatest blessing of all is the Gift of Eternal Life. May you ever be reminded that God's Holy Spirit indwells you to empower, energize, and enable you to accomplish your goals as you obediently follow His directions.

CONGRATULATIONS, CANDACE PHILLIPS

Some things have to be dug for; some things have to be waited for; some things have to be called for; and some things have to be worked for. But there are other things that have to be prayed for. Many of the highest values and greatest riches of life lie behind the door to the Great Vault that will open only when you insert your key of prayer.

Always remember that "With God, all things are possible" (Matthew 19:26).

**YOU CAN EVEN CHANGE
TOMORROW**

You can even change tomorrow
By the thoughts you think today,
For we form and shape our future
By our thoughts along the way.

Sometimes we never even dream
We can lose some long-sought good
Even throw away our future
By not thinking as we should.

So don't fret about your future.
You're deciding it, right now,
And it's shaping up within you
Let God's wisdom show you how.

Choose just what you want to happen
Dwell upon it. Give it love.
Picture it in vivid detail
As you're guided from above.

Yes, you can change your tomorrow
By the way you think today.
You need never fear your future—
Choose and shape it in this way.
