To My Lovely Daughter

Terrece

You have excelled so very
well in all aspects of
your young life.

You've done so much for so
many and it's always been
done with a smile.

I'm proud of you, Rece,
may you continue on your
path of goodness and the
Lord will continue to
bless you throughout
your life! I love you
and always want the best

for you--because you deserve the best life has to offer.

Terrece

This is an opportunity for me to tell you how proud I am of you and how much I love you.

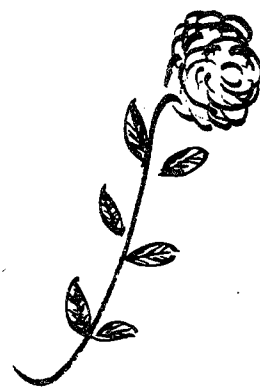

You can do anything you think you can.

Stay a "good girl", do what you know is right, and life will have no treasures that you cannot enjoy.

Love,

Daddy

We would like to extend CONGRATULATIONS to all the debutantes showing the initiative to further their education.

WE BELIEVE: An education isn't how much you have committed to memory, or even how much you know. It's being able to differentiate what you know and what you don't.

When learning stops, so does progress. Strive to be the BEST.
