

SEVENTH ANNUAL

COTILLION BALL

Saturday, April 1, 1978

7:00 p.m. - 11:00 p.m.

RAMADA INN CONVENTION CENTER

Champaign, Illinois

our theme this year is taken from the the Broadway hit production
of "The Wiz" when Dorothy has explored all avenues of getting
home Glinda, the good witch, gives her the secret of looking within.
We can do anything if we believe in ourselves. Our Subs
are ^{beginning} ~~beginning~~ into new endeavors, that will require them
to ~~not~~ believe in them ^{Proudly Presents} ~~themselves.~~ ^{GAMMA UPSILON PSI SOCIETY} ~~themselves.~~ All avenues are open to them
while if they depend on someone else to provide the way they
can fail. ^{Cotillion '78}

Live each day to the fullest. Get the most from each hour, each day, and each age of your life. Then you can look forward with confidence, and back without regrets.

Be yourself--but be your best self. Dare to be different and to follow your own star.

And don't be afraid to be happy. Enjoy what is beautiful. Love with all your heart and soul. Believe that those you love, love you.

Forget what you have done for your friends, and remember what they have done for you. Disregard what the world owes you, and concentrate on what you owe the world.

When you are faced with a decision, make that decision as wisely as possible --then forget it. The moment of absolute certainty never arrives.

Above all, remember that God helps those who help themselves. Act as if everything depended upon you, and pray as if everything depended upon God.

THERE'S SUNSHINE IN A SMILE

Life is a mixture of sunshine and rain,
Laughter and pleasure,
teardrops and pain,
All days can't be bright, but it's certainly true,
There was never a cloud
the sun didn't shine through—
So just keep on smiling whatever betide you,
Secure in the knowledge
God is always beside you,
And you'll find when you smile
your day will be brighter
And all of your burdens
will seem so much lighter—
For each time you smile
you will find it is true
Somebody, Somewhere will Smile Back At You,
And nothing on earth
can make life more worthwhile
Than the sunshine and warmth
of a Beautiful Smile.

Do Not Be Conformed to This World

It is quite tempting to conform to the values of the world rather than to the values of God. For young people, it is particularly difficult to know the right path to follow. The values of "the crowd" are very important at this age. That is why it is so valuable for parents to instill religious values at an early age before children can be influenced by others. Regular church attendance can help to teach God's values rather than those of the world. As it says in Romans 12:1-2, "Do not be conformed to the world but be transformed by the renewal of your mind, that you may prove what is the will of God, what is good and acceptable and perfect."
