"The Priceless Gift"

The priceless gift of life is love,
For with the help of God above
Love can change the human race
And make this world a better place-
For love dissolves all hate and fear
And make our vision bright and clear
So we can see and rise above
Our pettiness on wings of love.

~Helen Steiner Rice

"The Joy of Unselfish Giving"

Time is not measured
by the years that you live
But by the deed that you do
and the joy that you give-
And each day as it comes
brings a chance to each one
To love to the fullest,
leaving nothing undone
That would brighten the life
or lighten the load
Of some weary traveler
lost on life's road-
So what does it matter
how long we mat live
If as long as we live
we unselfishly give.

Thought for Life

"IF YOU THINK YOU CAN, YOU CAN"
You can be total winner even if you're a beginner
If you think you can, you can.
You can wear the gold medallion
You can ride your own black stallion
It's not your talent or the gift at birth
It's not your bank book that determines worth
And it isn't the color of your skin
It's your attitude that lets you win
You can upset Connors or Austin
Or win the marathon at Boston
If you think you can win, you can.
You can profit through inflation
You can redirect the nation
It doesn't matter if you 've won before
It makes no difference what's the half time score
It's never over until the final gun
So keep on trying and you'll find you've won
You grab your dream and then believe it
Go out and work and you'll achieve it.
If YOU think YOU can, YOU CAN!

Congratulations Debutante Tiffany Moreland.
Love you for your Perserverance!

THE REASON WHY I FUSS

To: Tiffany L. Moreland

From: Earl B. Johnson

I fuss because I know what you can do. I fuss because I believe in you. Now sometimes I may fuss and push you so much that you might want to give up. But I'm glad that you hang in there and understand that I fuss out of love. When I see you achieving and succeeding, I can say that my fussing was not in vain. Congratulations in your achievements. I'm proud of you. So remember if I see you slipping you better believe that you will hear me fussing again, making sure that you do your best to succeed. Also remember that if you feel like no one is on your side, that you always have two, God and me. I will always support you. I'm proud of you and Congratulations again keep succeeding.

Believe in your dreams
Don't ever underestimate
The power of your dreams,
For anything is possible,
No matter how it seems

In each of us there lies the strength
To make our dreams come true,
To do what seems impossible
And to make a difference too.

It only takes a simple dream
To start us on our way
Our achievements of tomorrow
Are the dreams we have today.

There Are four rungs on the ladder of success:

Plan Purposefully,
Prepare Prayerfully,
Proceed Positively,
Pursue Persistently!

Jesus sums up common-sense carefulness in a
disciple as infidelity. If we have received the
Spirit of God, He will press through and say -
Now where does God come in in this relation-
ship, in this mapped out holiday, in these new
books? He always presses the point until we
learn to make Him our first consideration.
Whenever we put other things first, there is
confusion.

Good Luck Tiffany!!

Love,
Jean

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."
Jeremiah 29:11

Dear FayFay,

When you were born on Sept. 1, 1985, you were given the name "Faith" because there was so little "faith" in the world at that time.

Looking back over the years, there have been many events, in just the short time that your generation has been alive, where God has tested the faith of our nation. Don't ever forget the tragedies that our nation has endured during these years, and remember also the personal encounters that you have witnessed yourself where God performed a miracle right before your eyes. For you know that *"the testing of your faith develops perseverance."* — James 1:3

God has a plan for you and it was not "accident" that your name is "Faith". Your faith in God thus far has brought you many blessings as well as being a witness to those around you. So, as you continue on your journey through life, remember to keep your faith in God no matter what trials and tribulations you may go through. For *"without faith it is impossible to please God."* — Hebrews 11:6

To Debutante
Phelicia Faith Elavette Puryear,

I Am Enough

When it seems I want to quit,
Because things are tough,
The Savior gently says to me,
"My child I am enough.
I am enough my child,
To take you through this test,
And later you will understand,
It was really for your best.
So my child do not quit,
When things do get tough,
As you will always find,
Indeed I am enough."

Congratulations

CONGRATULATIONS!

PHELICIA "FAITH" PURYEAR

As you make your debut into the world of opportunities, make the Church a part of your life. The Church may be likened to the dressing room of a great theater. Here is where you put on the garments of praise and find the props that are needed out on the stage of life. The Church is where you are equipped, prepared, and cued for the next act along life's way.

William Shakespeare said, "All the world is a stage and all the people on it are players." The world is a stage, but don't walk out on the play. The world needs those who play the small parts, for usually it is to those who play them well that the larger more important parts are given.

As you travel along the road of life, at frequent intervals enter the Church to worship God and depart with a determination to serve the people whom God loves. Above all, "Remember your Creator in the days of your youth." Reflect on the blessings that are yours, blessings you didn't earn but received because of God's love for you. The greatest blessing of all is the Gift of Eternal Life. May you ever be reminded that God's Holy Spirit indwells you to empower, energize, and enable you to accomplish your goals as you obediently follow His directions.

You are a very unique person because of God's exclusive design for your life. No one can stand where you stand, know what you know, feel what you feel, be what you are, or do what you do because there is no duplicate of you! If there is to be any competition in life, compete with your own yesterdays and rise above them in knowledge, skills, and abilities.

You will never have to compete for success because it is relative, individual, and personal. Success is a personal relationship with God, a progressive responsibility to God, and a perpetual reliance on God.

Always remember that a successful life is 100% unshakable faith in the constant presence of God. We pray that you will talk with Him frequently about your plans, your needs, and the desires of your heart.

Love,

Some things have to be dug for; some things have to be waited for; some things have to be called for; and some things have to be worked for. But there are other things that have to be prayed for. Many of the highest values and greatest riches of life lie behind the door to the Great Vault that will open only when you insert your key of prayer.
God bless you!
