*UNDERSTANDING that you are growing up and changing very fast.  
It must be difficult to keep pace with yourself, but please try.*

*LISTEN to yourself and give brief, clear answers to you questions.  
As I will keep sharing my thoughts and feelings.*

*REWARD yourself for telling the truth.  
Then you'll not be frightened into lying.*

*TELL yourself when you make mistakes and see what you learned from them.  
Then you can accept that you're okay even when you blunder.*

*DO the things that you want to do. Then you'll be a good role model.*

*PAY ATTENTION to yourself and believe you're very important and worthwhile to yourself.*

*COMPLIMENT & APPRECIATE yourself. Then you'll feel good and want to please others.*

*HELP explore your unique interests, talents, and potential in order for you to be happy.  
You need to be yourself, not someone else.*

*Different from the rest...yes, indeed!*

*If Papa were here today he would see the young lady you have become.*

*You make this family proud and you are definitely a leaf on the family tree that those after us will talk about and pass on to their children.*

*On this day, know we are proud of you for always having in your heart the time to smile, always thinking of others.*

Listen to the old folks,  
Remember what they say.  
While you're on your journey,  
Don't forget to pay your way.

Keep your eyes wide open  
To see everything that's there.

Don't move too fast,  
and please don't go too slow.  
Listen to the old folks,  
cause the old folks know.

Take life with a grain of salt,  
If you stumble and fall, try again.  
Listen to the old folks,  
cause where you're going,  
They've already been.

*Patrice, you have grown and matured into an intelligent young lady.*

*You are entering into a world that will offer you both fortunate and unfortunate opportunities in life. The way you handle these opportunities will affect your outcome in life. If you encounter an advantageous opportunity, then view it as life is not all that bad. If you experience an ill-fated opportunity, then channel your anger into a positive mode, and God will see you through.*

*Along with these opportunities, there are bridges you must cross. There are so many bridges you have already crossed and you will confront many more bridges in the future. The bridges you have already maneuvered should not be burned behind you for you never know when you might need to revisit them or if you should need to retreat or regroup. When approaching impending bridges along life's highway, always acknowledge God first and he will direct your path.*

*Even though we do not have the same views about life, under the surface we both care deeply. You will always have a place in our hearts. We wish you well in all your future endeavors and which ever path your life take.*

# Angel Perkins,

*When life seems to bring nothing but a string of defeats and disappointments, you've got to have faith that something good is still in store for you. With this faith, you can forge ahead and continue to put forth your best effort. Without it, you give up and accept what comes your way, good or bad. Your precious dreams begin to seem absurd.*

*It is imperative that you see yourself as worthy and deserving of a good life. There may be rejections; it may take awhile; but as long as you stay in the game, there's every chance you'll score. On the sidelines, you can only watch as others do the work and the winning.*

*Amber, It has been said that "a baby is God's

Young Lady you have brought true love and sunshine

willingness to conquer life and its challenges. Always  
practice the morals and values we instilled in you to

*Love, Respect and Admiration for a Beautiful Young Lady  
Amber, Happy is the man that findeth wisdom, and man that getteth  
understanding. For the merchandise of it is better than the merchandise for  
silver, and the gain thereof than fine gold. She is more precious than rubies:  
and all the things thou canst desire are not to be compared unto her. Length  
of days is in her right hand; and in her left hand riches and honor, her  
ways of pleasantness, and all her paths are peace. She is a tree of life to  
them that lay hold upon her; and happy is every one that retaineth her.  
Proverbs 3:13-18 Remember Amber, what you are is God's gift to you,  
and what you make of yourself is your gift to God!*

*GIVE GOD YOUR BEST!!!*

# Debutante: Amber Roberts

*A Life Worth Living*

*To pray and not give up,  
To work and not give out,  
To wait and not grow weary,  
that's what life's all about.  
To love and not to hate,  
To heal and not to leave scars,  
That's what your life is for.  
To laugh and not complain,  
To give and keep on giving,  
To hope and not despair,*

*That's what makes life worth living.*

*Amber, allow God to always do His best in your  
life and He will always allow you to give your  
best. We hope these words will be an  
encouragement to you. Strive always for  
excellence!*

*Fred, Minnie and Qiana McNary*

## Rhonda Michelle ("Punkin")

*Time has gone swiftly. Seems like yesterday you were just a little girl.  
Today you are a very charming, beautiful young lady of whom I am very proud.  
Follow your dreams. Take one step at a time and don't settle for less. Just  
continue to climb. If you stumble, don't stop and lose sight of your goal.  
Remember to always trust in God and put Him first in your life.*

*When things go wrong, as they sometimes will, when the road you're trudging seems all uphill, when the funds are low and debts are high, and you want to smile, but you have to sigh, when care is pressing you down a bit, rest, if you must-but don't you quit. Success is failure turned inside out-The silver tint of the clouds of doubt- And you never can tell how close you are, it may be near when it seems afar; So stick to the fight when you're hardest hit- its when things seem worst that you must not quit!!!*
