By Stephanie Tyrell, Steve Tyrell, and Joe Sample

YOU HAVE A CHOICE  
YOUR HEART WILL KNOW  
YOU GOTTA LOOK BACK SOMETIMES  
TO KNOW WHERE TO GO

YOU HAVE A VOICE  
LONG AS YOU LIVE  
IT'S NEVER TOO MALL  
WHENEVER YOU GOT TO GIVE

WHEN YOUR LIFE IS LOW (HOLD ON)  
AND YOU WANT TO LET GO (BE STRONG -- HOLD ON)

REMEMBER THE DREAM WE HAD  
WHEN THERE WAS NOTHING ELSE  
REMEMBER THE LIGHT THAT SHINES  
AND FIND IT IN YOURSELF

DON'T EVER SAY  
YOU JUST DON'T CARE  
THE CHANCES YOU TAKE  
WILL TAKE YOU AS FAR AS YOU DARE

DON'T BE AFRAID  
HOLD YOUR HEAD HIGH  
THERE'S STRENGTH IN YOUR SOUL  
YOU NEVER KNOW 'TIL YOU TRY

WHEN YOUR LIFE IS LOW (HOLD ON)  
AND YOU WANT TO LET GO (BE STRONG -- HOLD ON)

YOU'RE NOT ALONE . . . SOMEBODY CARES  
(HOLD ON -- BE STRONG)  
WHEN YOU'RE WALKIN' THE ROAD  
WITH THOSE WHO'VE BEEN THERE  
(YOU'RE NOT ALONE)

REMEMBER THE DREAM IS YOURS  
SO LET IT GUIDE YOUR WAY  
AND KEEP IT ALIVE WITH YOU EACH AND EVERY DAY

A MESSAGE FROM THE PRESIDENT  
OF GAMMA UPSILON PSI SOCIETY . . .

Dear Cotillion Supporter,

Twenty years ago the men of Phi Beta Sigma Fraternity, Inc., Epsilon Mu Sigma Chapter pursued a dream that evolved into the Cotillion in the Champaign-Urbana area. In 1974, a group of interested women began assisting the Sigmas. In 1975, the women's group adopted the name of Gamma Upsilon Psi Society, and in 1977, the Gammas have been the sole sponsor of the Cotillion.

Patricia McKinney Lewis

We are thankful to the illustrious men of Phi Beta Sigma Fraternity that they had the foresight to capture their vision and bring their dream to reality.

Today, with the grace of God, we are remembering the dream and celebrating the 20th debutante cotillion ball. We are very proud that more than 200 debutantes have made their entrance into society through our Cotillion.

You can feel proud, too. The financial assistance we have provided each debutante has been made possible because of your continued support. Your support comes in the form of advertisements, patrons, and the purchasing of tickets. We thank you and appreciate your continued support.

We also genuinely appreciate the dedication and commitment we've had from parents and other family members who have assisted the debutantes over the years.

As president of Gamma Upsilon Psi Society, I would like to thank each Gamma member for her diligence, persistence, and hard work. Gamma members have worked untiringly for years to produce a quality Cotillion. This year we expect nothing less than the exhilarating, effervescent, magnificently electrifying pageantry of which we are accustomed!

Thank you for helping keep the dream alive. We can do all things through Christ who strengthens us.

HAVE A FANTASTIC EVENING!

Sincerely,

Best Wishes to two young ladies from Canaan's Youth Department:

G E N N I F E R F O W L E R  
V E N E S S A H A L L

As you embark upon life, we pray that you will always rely upon the Word of God and the power of the Holy Spirit as you mature in the following areas:

- FREEDOM** -- This requires *DECISION, DISCERNMENT, and DEDICATION*. In your new found freedom, you can't live a straight A+ life. Expect some failures, but do not accept any as defeats. You may fail, but that does mean you are a failure.
- FRIENDS** -- Many of your long time, close friends will drift out of your life, so it is very important that you choose the right new friends. Friendship is the by-product of love. A wholesome love of self shows itself in a balanced love for others. "A friend loveth at all times." (Proverbs 17:17)
- FINANCE** -- Smart money management will help you have peace of mind. "Remember the Lord thy God: for it is He that giveth thee power to get wealth." (Deuteronomy 8:18)
- FRAMEWORK** -- In shaping your lifestyle framework, budget your time. If you don't plan your schedule, others will. Be a thinker. When possible, deliberately think things through before making major decisions.

Avoid fatigue. You can never do your best when physically, emotionally, or intellectually exhausted. "It is vain for you to rise up early, to sit up late, to eat the bread of sorrows: for He giveth His beloved sleep." (Pslams 127:2)

Your Canaan Family,

Work hard: hard work is the best investment a person can make.  
Study hard: knowledge enables a person to work more intelligently and effectively. Have the spirit of conquest: thus you can successfully battle and overcome difficulties. In all things do your best: the person who has done their best has done everything. The person who has done less than their best has done nothing.

# Between Sisters There Is A Special Bond of Love

Being sisters means sharing a lot of things throughout life . . .

Being sisters means knowing certain things about each other and feeling special feelings for one another. It is a relationship we have seen change with time, and yet, in many ways, it remains the same.

I know there have been times when being sisters wasn't easy, because our differences pulled us in new directions. But we always knew that we cared about one another. That's the beautiful part of being sisters. Even though life is full of changes, we will always have each other, and we will always share a special bond of love.

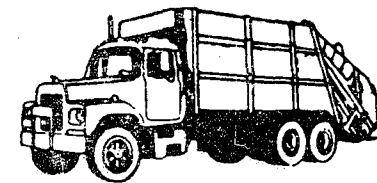

I will always be here for you, Rody,  
because I love you baby sister,

Our Niece and Cousin

The ladder of success is waiting, braced against the wall of time. If you wish to reach the top, now is the time to climb. When you've reached the top, don't throw the ladder down. Reach down and help some struggling youth climb up the rungs.

We have watched you grow into a fine young lady. Trust in God and He will help you to succeed.

"Delight thyself also in the Lord; and he shall give thee the desires of thine heart."

Congratulations Gennifer

This is a time of tremendous change in your life, but it is only the beginning. Change is a way of life, and it is important to use it as an occasion for improvement. Don't let circumstances dictate your DISPOSITION, DEVELOPMENT, or DESTINATION. They will either defeat you, or you will overcome them. Your strength and determination -- not their impact -- will decide which.

I can do all things through Christ which strengtheneth me.

-- Philippians 4:13

It's in your hands!

You are the daughter for which  
I always wished. I have known  
and loved you from infancy; as  
you evolved into a curious  
toddler; as a precocious  
youngster; a responsible  
adolescent, and now the confident  
young woman at the threshold  
of adulthood.

GO  
FOR  
IT!

I am very proud and pleased

*In order to be successful, you must always do the following:*

- choose a goal that leads to worthiness
- select people as friends who will help, not hinder
- be willing to give and share good deeds because it is self-rewarding
- try smiling when troubled, it is comforting in ill times
- treat those around you as though you know that you will see them again -- and you will discover the welcome mat
- remember it is better to be a part of the solution than a part of the problem
- believe in yourself and reach for the Wealth of Life; this is God's greatest and the world's best

*P.S. You are more than lucky, for if ever there is a proper time to be born, it is now. The time for change is here: no more Berlin Wall, drugs will fade, the computer has modernized our lives. Choose well my dear. I will always be proud to know Sadirah.*

**Support Our**  
**Advertisers!**

Gamma Upsilon Psi Society does hereby solemnly affirm that we shall continue to aid in encouraging young women of our community to enroll in an institution of higher education, to develop their goals and fulfill their potential.

Whereas, we shall strive to assure the pursuance of quality education through their inclusion in various social, religious, cultural and educational organizations, and

Whereas we graciously express our gratitude to each patron, advertiser, well-wisher, relative, and friend who has helped us sponsor the scholarships which our debutantes have so earnestly merited and achieved, and

Whereas we shall always give you the praise for your continuing support.

**SUPPORT BLACK-OWNED BUSINESSES & BLACK PROFESSIONALS -- HELP BUILD THE BLACK COMMUNITY**

*Brought To You By*

**PHENOMENAL WOMAN IMAGE COMMUNICATIONS**

At the top of this page is a symbol representing what the Black community should begin doing around the country in 1990. The symbol is a pyramid that has Black business on one side, Black organizations on the other side, and the Black community as the base. This symbol simply means that if the Black community increases its support to Black businesses, Black businesses can be influenced by the Black community to finance Black-controlled organizations whose goals will be to address and seek to eliminate the social ills facing our community.

There is no reason for us not to be able to eliminate hunger and homelessness in our community if all it takes is money. There is no reason that we cannot develop recreational outlets and meaningful educational opportunities for our youth, if all it takes is money. There is no reason that should stop us from bringing our elders back into the community to provide us with the knowledge and wisdom of their years. . . if all it takes is money.

We have plenty of money in our community. White people know we have money. Arab people know we have money. Asian (Japanese, Chinese, Korean, etc.) people know we have money. And you know the dope man knows we have money. It is time we begin to spend our money wisely.

America has told us that we need to pull ourselves up by our bootstraps and it's time to do just that. Nobody has time to feel sorry for us anymore; and we no longer have time to feel sorry for ourselves.

It is very important that we, as Black people, make a concerted effort to spend at least 10% of the money that we receive from our paychecks, public aid checks, general assistance checks, SSI checks, Social Security checks with Black-owned businesses. We should also support Black salespeople working for companies not Black-owned when we buy from those companies.

It is equally important that we, as Black people, begin to go into all kinds of little businesses even if we're only selling one item. By doing this we can build our economy by keeping dollars in our community.

It is time for Black elders, Black adults, Black teenagers and Black children to make a conscious effort to support each other in business so that we can bring about a new day in our community.
