THE 1963 ROSEMARY PRESENTS Urbana High School—  
 a kaleidoscope arranged so that changes of pages exhibit its  
 contents in an endless variety of activities and personalities.  
 Urbana High is ever-changing to meet Today's variable  
 and increased social and technical demands. New and  
 modern equipment has been installed to aid the teachers  
 in every possible way in educating the students and  
 in preparing them for the future. All this is part  
 of the complex pattern that is Urbana High School.

Loaded with textbooks, notebooks, filled inkpens, and high resolutions, Marty Wagner opens the door to the new school year.

## Summer Just a Sun-Tanned

Renting books in August was a reminder to Lee Harshbarger and Jack Guillou that school would be starting soon.

Empty—difficult to imagine packed, screaming crowds—tired, muddy football players—confetti.

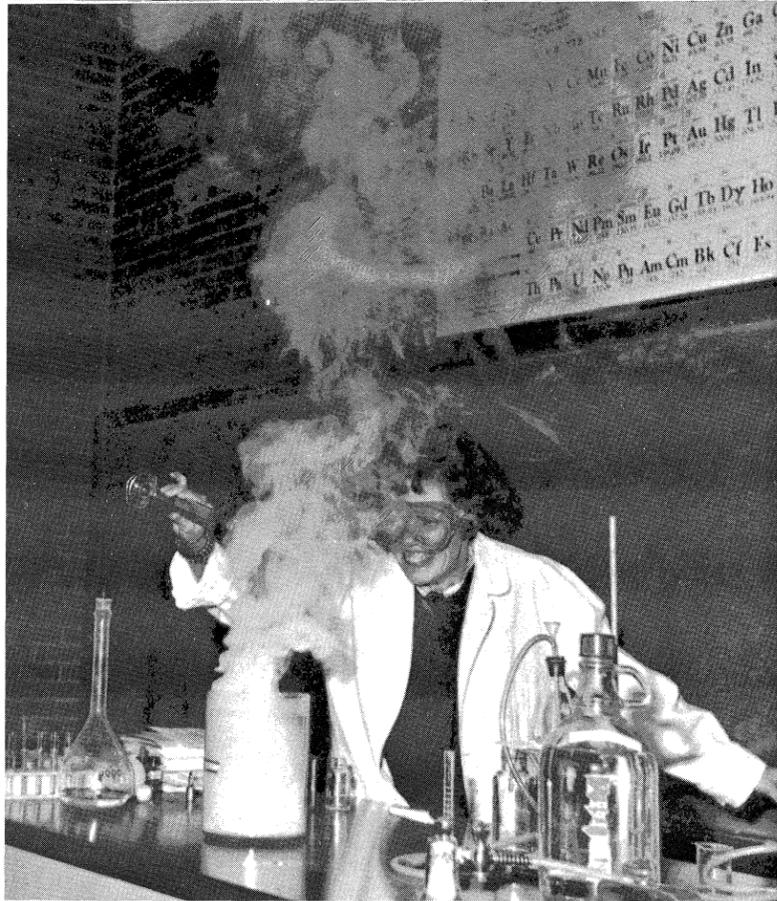

BEFORE THE DOORS of Urbana High School were again pushed open for classes last fall by eager students, the students went through the usual procedure of renting the books from which they would glean much important knowledge. They walked through the empty, echoing halls with the glistening floors and realized that soon nearly one thousand rushing students would fill the halls with noise and scuff the newly-waxed tile. They glanced into some of the classrooms and vowed to study arduously for the year '62-'63. They looked over the empty football field and wondered "What kind of year will this one be? Will it be a happy, fruitful one for scholastics, for athletics, for the school, for me?"

## Memory, Students Come Back to U. H. S.

THE NEW CHEMISTRY LABORATORY was a challenge to students: Would it ever be as blackened, scarred, and spotted as the old one had been? Hopefully not. The sparkling formica table tops and shining bunsen burners provided atmosphere for many exciting experiments throughout the year. Staff and students can be justly proud of the modern equipment and increased space found in the new lab.

Seniors Chris Frey and Jack Keller use the new equipment to determine the percentage of oxygen in the air.

## Laboratories Provided

In the physics lab, Martha Pettings demonstrates to Ken Luckhardt how to find the length of light rays.

Mad scientist Conrad makes bubbling brew to prove to students that they should carefully follow directions.

CURIOUS NOISES AND CHOKING GASES emerged from the science laboratories at intervals during the year. The physics lab makes it possible to visually demonstrate involved laws and to give the students a chance to perform experiments themselves. The chemistry lab—modernized this year.....is essential for the comprehensive study of chemistry.

Songs were learned, poems admired, and grammar painfully repeated many times by the French and Spanish students in the year-old language lab. Use of the lab also helped to increase vocabulary and speech proficiency. The modern lab is another aid for up-to-date teaching.

## Exciting, Stimulating Challenges for Students

Mrs. Nash makes use of the modern language laboratory to help students learn grammar and correct idiomatic Spanish.

Pictures and photographs add extra interest to Mrs. Jackson's English Literature classes.

## Students Explored the Mysteries of

"A jug of wine, a loaf of bread . . ."

MATH-IMPORTANT because of the advanced technology of our times. For those having special skill who wished to take more than the basic courses, there was an advanced math class. These students were allowed to work at their own rate of speed. Whizzing through Urbana High's courses, six seniors—Gary Hughes, John Fritzen, Byron Balbach, Carolyn Leach, Marilyn Tinkham, and Bruce Williams—were enrolled this year as part-time students at the University of Illinois. Three studied chemistry; three took math.

Gary Hughes, John Fritzen, and Carolyn Leach wait for their rides to the U. of I. campus.

## the Rubaiyat, Beowulf, and Analytical Geometry

Ann,  
Well, here's the end of another wonderful year. Time has flown.  
Best of luck at Hiram. I hope to see you as part of the "Ohio Gang"  
(U.S. History) next year.  
Lots of luck to a girl who's fun and talented. Keep up your  
music.  
Helen Rogers

With the help of models, Miss Brannon demonstrates the principles of analytical geometry to Peter Doob, Chuck Zbrozek, Vickie Applegate, and Bill Allen.

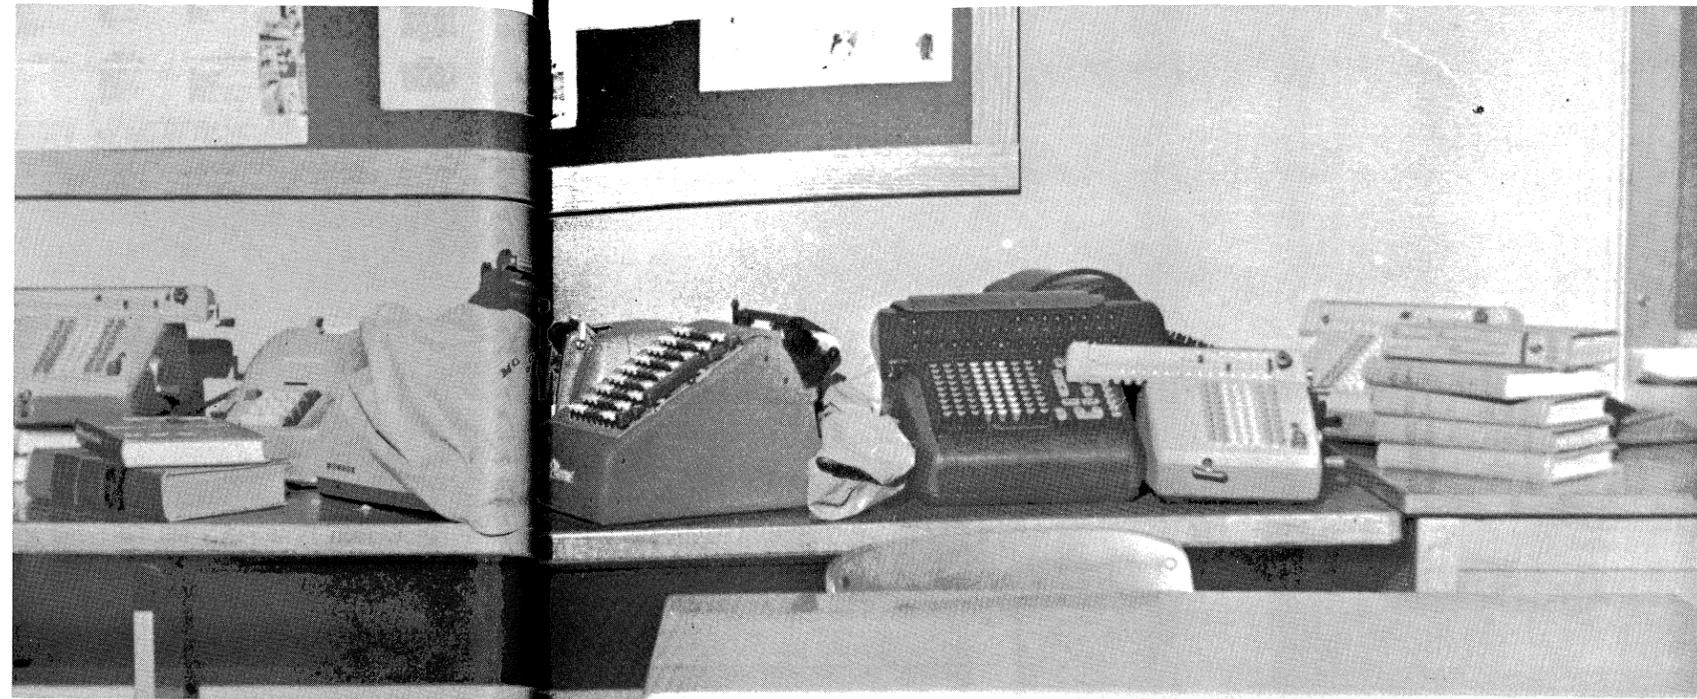

Best wishes for every success in college, Ann.  
It's been a pleasure to have you in class this year.  
Melba J. Brannon

"MUCH HAVE I TRAVELLED in the realms of gold" by Keats is one of the meaningful quotations studied by English Literature students this year. They had the chance to delve into the English masters of literature. Such works as *Paradise Lost*, *Beowulf*, "The Rime of the Ancient Mariner," and *Macbeth* were examined.

"A jug of wine, a loaf of bread, and thou beside me singing in the wilderness." World Literature students immediately recognize this quotation from Omar Khayyam's *Rubaiyat*. The purpose of World Literature has been to study the world's various types of literature, with emphasis on that of the ancient Greek and Roman cultures. Among the classic works studied this year were Plato's *Republic*, Dante's *Inferno*, and Machiavelli's *The Prince*.

THE COMMERCIAL curriculum covers a wide range of related courses. Students planning for jobs in the business world receive an excellent background in such fields as secretarial work, bookkeeping, and the operation of various office machines. A course is also offered in business English.

MANY BOYS were prepared to go into useful trades or technical training in shop classes this year. The courses included metal-working, woodworking, electronics, and mechanical drawing. Assorted pieces of furniture and go-karts were among the projects completed.

Numerous girls who plan to become housewives or homemaking majors enrolled in cooking or sewing. In cooking classes the girls learned to pick the most nutritious foods, to prepare the foods attractively, and to decide upon the correct table setting. The girls learned to make various articles of clothing in sewing classes. Superior garments were shown in the display case.

## Patriotism Is Evident

WHAT PRICE physical fitness? Girls were seen around the halls with dripping wet hair. They had not been drenched with a bucket of water; they had been swimming in P.E. class. Swollen eyes and sprained knees were no indication of prize-fighting; the girls had probably been hit by a volley ball or kicked by a vicious soccer player. Also enjoyed were baseball and rope-jumping.

Boys in P.E. also had a fun-filled year—broken bones, skinned noses, and pulled muscles. The boys got these various afflictions from wrestling, weight-lifting, and soccer. They also developed skills in basketball, football, and softball.

Girls look on in disbelief as one of them actually appears to have hit the ball over the net.

## Horizons of UHS Students

THE MUSIC, ART, AND DRAMA departments had a culturally stimulating program this year. Many interesting productions and exhibits were shown—the product of many hours of work on the part of the students and the teachers. Band, orchestra, and chorus members worked almost unceasingly, learning new numbers, practicing for the State Music Contest, and drilling for concerts. The lovely sculptures, paintings, sketches and handicrafts which were shown in the display case were products of the art students. The production of experimental shows in the drama class included plays of Euripides, Brecht, and Anouilh.

The aims of these three departments are to give the students a sampling of the arts and to help guide them in their choice of a career.

THE LOVELY Miss Sherre Shaff reigned as Urbana's Homecoming Queen of 1962. The festivities began as she was crowned by Jim Booth, one of the general chairmen of Homecoming. Miss Shaff's attendants were Miss Lisa Brems, junior, and Miss Cathy McKnelly, sophomore.

This year's parade, included the queen and her attendants, riding in flashly convertibles; the marching band, the cheerleaders, the majorettes, several decorated cars and cheerwagons, and the three class floats, including the grand prize-winning Senior Float.

General Chairmen for this Seventh Annual Homecoming Parade were Jim Booth, Bonnie Adams, and Chuck Middleton.

The day's festivities were climaxed by a victory over Decatur and a Homecoming Dance in the high school gym with the U.H.S. Dance Band providing the music.

Seniors Rosemary Walton and Dick Gronlund pause from the whirling dance for refreshments.

AS IN PAST YEARS, the Junior Class was responsible for the Junior-Senior Prom.

First, the juniors faced the problem of financing this most-important dance of the year. The hard-working juniors solved this problem by holding a pancake supper, which netted over three hundred dollars. Other money-making projects included the collection of class dues and the selling of cookies and candy during lunch hours.

Next came the weeks of choosing an appropriate theme and deciding on a centerpiece and the decorations. Then these diligent juniors worked hard to carry out the theme, decorate the large junior-high gym, make refreshments, engage a dance band, and select programs. The juniors spent many long hours working on this dance, but were rewarded by the result—a glorious '63 Prom.

Junior boys took over beating the batter and serving the pancakes to hungry crowds.

TALENT WAS DISPLAYED by students in the annual PTA Talent Show, December 1, 1962.

Nineteen numbers were included in the show. There were six dance teams, two of them ostriches and hoods; a dance duet; and a dance solo, ranging from modern dance to the cha-cha. The UHS Madrigals and the Modern Jazz Combo were featured. Two of their numbers were "Night and Day" and "Latinette." Songs such as "The Seine" and "Swing Low" were performed by four vocal soloists, a duet, and a quartet. Masters of Ceremony John Fritzen, Dick Gronlund, and Steve Harkness ably controlled the show and added humorous sketches to round out an exceptionally fine show.

THE ANNUAL MUSICAL SHOW Stage Show 1963 was presented through the combined efforts of the UHS Dance Band, Madrigals, and Stage Show Dancers. Robert Shaffer, professor of music at the University of Illinois, arranged the music for the Dance Band.

Songs from musical comedies such as *Kismet* were performed by the three groups. Numbers by the Dance Band included "A Tommy Dorsey Medley," "Mack the Knife," and "Eagle Beaver." As a special feature, Madrigals and the Stage Show Dancers joined together in "Would You Like to Take a Walk?" The show had a balanced repertoire of widely-varying kinds of numbers.

## Talent-laden Students Sang, Danced, Played

Donna Smutz sang "Doing What Comes Naturally" in the PTA Talent Show. She also sang in Stage Show 1963.

The three Stage Show Dancers returning from last year were Debby Stillwell, Sherre Shaff, and Bridgette Wyncoop.

The Jazz Combo, represented here by Dick Gronlund, Jim Booth, and Jane Sexton, was one of the supports of Stage Show 1963.

Hillbillies and popular folk singers Sherry May and Nancy Kamman performed in the PTA Talent Show.

Loring Prosser sang and played the guitar at the 1962 PTA Talent Show.

A plot to murder thousands and the assertion that there is oil under Paris are important to the plot of the play. At first the characters may have seemed odd because they were petting imaginary dogs, talking to imaginary people, and going down into bottomless sewers. The setting of the play is in Paris and includes a complete French café and a chateaux basement. Scenery this year was exceptional and was considered the best ever by the cast and the audience. All who saw the play enjoyed it very much.

## At Urbana—Fresh, Sophisticated Comedies

Frederick (Lee Chesney) looks yearningly at Isabelle (Janie Atwood) who only has eyes for Frederick's twin brother Hugo (Lee Chesney).

WISTFULLY ROMANTIC, SATIRICAL, FANTASTIC—these were the moods of the Spring Play *Ring Round The Moon* by Jean Anouilh which was presented April 5-6. The *London Times* called it an "enchanted little fairy tale of laughing . . . grace, its sentiment masked by cool, brittle, elegant mockery." The involved plot included a ballet dancer who masqueraded as the niece of a society man, an industrialist who tried to buy his daughter a husband, and identical twins, one who was shy and sensitive and the other who was heartless and aggressive.

Many of the quick, gay scenes were done to the beat of the tango, the waltz, and the fox trot as couples danced in and out around the trees, the pillars, and the pavilion at a ball in a winter-garden.

## A Friend from Across the Sea

ASMERON KIDANE, nicknamed "Andy" for the benefit of non-linguists at Urbana, was our AFS exchange student this year from Ethiopia. Andy lived with the M. B. Russell family; Richard Russell, a senior, was Andy's "brother."

The talk Andy gave in assembly helped us to know him and his native Ethiopia better, especially since the talk was supplemented with color slides. Andy also made interesting contributions in all of his classes, and participated in track.

Andy Kidane, with his warm smile and shy manner, will be well-remembered by students at Urbana.

## AFS Promotes Global Good Neighbor Policy

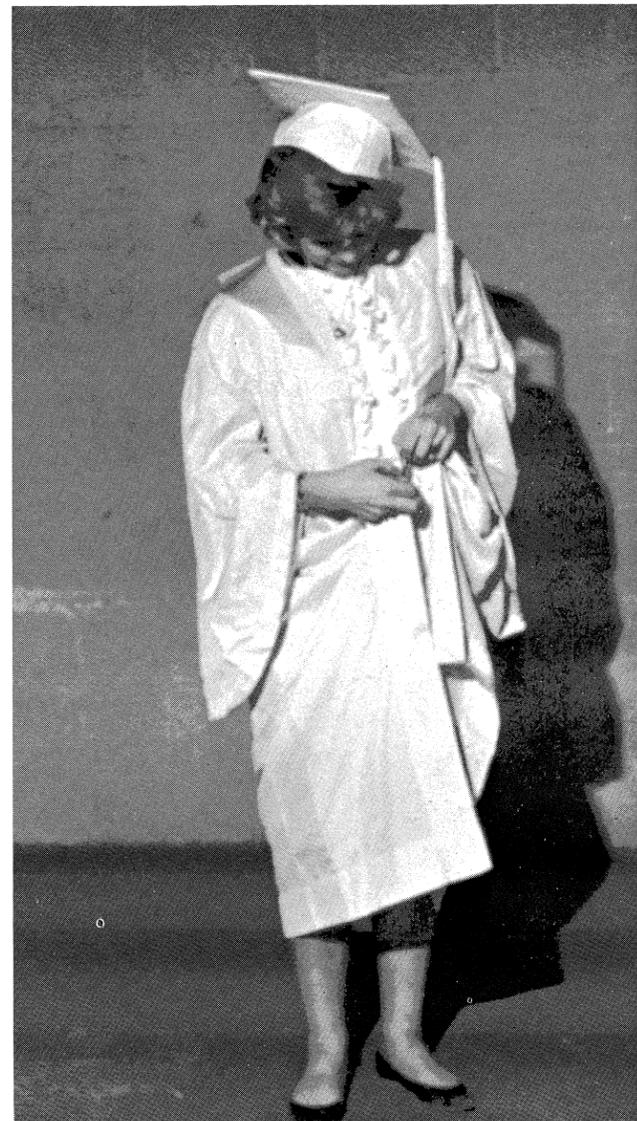

AS IN THE PAST several years, American Field Service was again an important part of the school year. The most noticeable signs of AFS activity were Nancy Booth, Asmeron Kidane, and chocolate. The main objectives of the AFS committee were to bring a foreign student to Urbana and to send a U.H.S., junior to a foreign country.

In order to accomplish these goals, the committee, under the faculty guidance of Miss Marie Bauer and Mr. Taylor Thomas, had to raise \$1300. Once again, AFS chose to sell chocolate as their main money-raising project. U.H.S.'ers didn't eat turkey for Thanksgiving: they munched AFS chocolate. In all, the chocolate sale netted over \$1100. The committee also sold World Friendship Shares in an effort to promote interest in AFS. The committee had to screen juniors to find the four best-qualified juniors to go abroad this summer; they also screened families to find housing for the foreign student who will live in Urbana next year. The New York office made all final decisions concerning both phases of the program.

Nancy Booth spent the past summer in Norway, and through her lively descriptions and professional-type pictures, the entire student body had an opportunity to learn about Nancy's "adopted" home.

In the native Norwegian dress, Nancy Booth waves the flag of Norway.

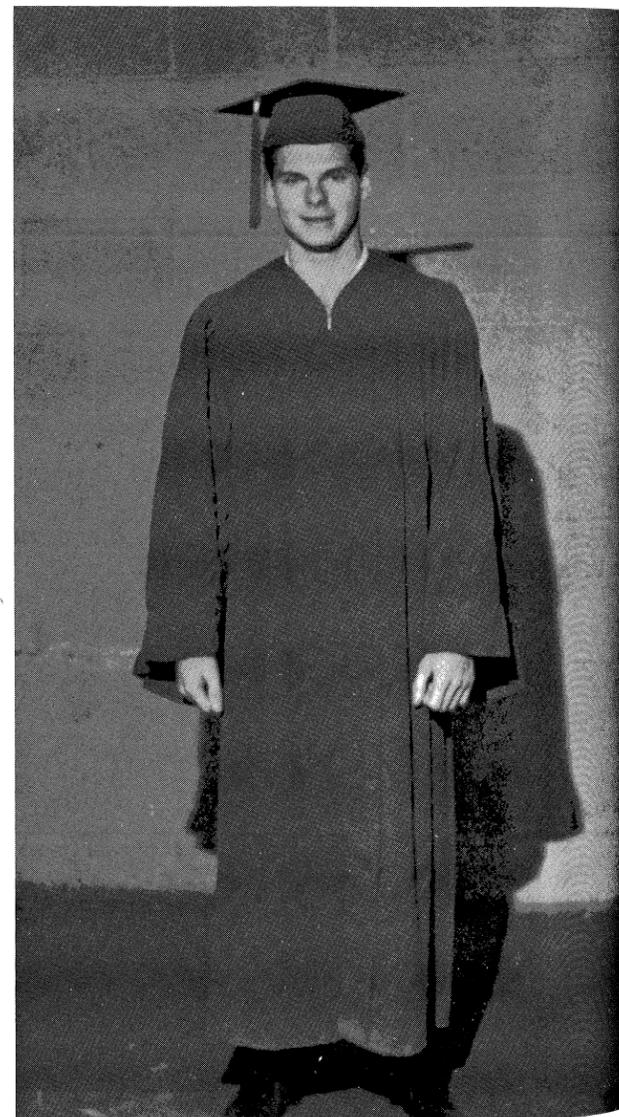

"Hey, Chris, 'Pomp and Circumstance' has already started."

THEN GRADUATION DAY was here again, and our seniors contemplated four years at U.H.S. One boy remembered, perhaps, the time he was kicked out of study hall for throwing apple cores. A girl recalled the spring day while daydreaming she answered that J. D. Salinger was the president's press secretary. Some remembered dedicated teachers who taught them not only the plural of piano or the capital of Kansas but also respect and tolerance of other opinions. As the first bars of "Pomp and Circumstance" rang out, even the most sophisticated perhaps sighed just a little.

## Remember When . . .

"No need to worry now, Bob; you've made it."

Proud parents, excited brothers and sisters, and envious underclassmen watch as seniors graduate.

## Final Exams, "Pomp and Circumstance," Graduation!

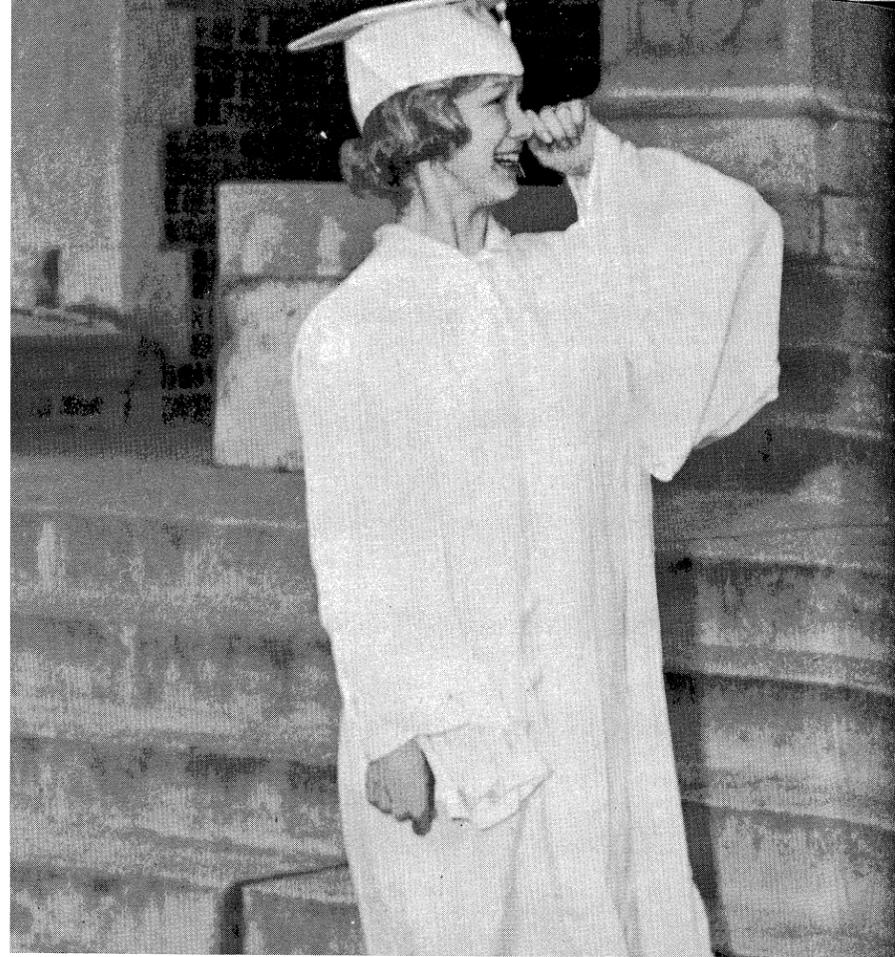

Principal Braun delivers a short address to the graduating seniors of 1963.

GRADUATION! Seniors had many wonderful times in high school, but they're ready to go on to bigger and better things. Never before had they had so much fun as that senior year, but the high-school routine fenced them in.

By second semester even sensible seniors went slightly crazy, and the password seemed to be: "I can't *wait* until graduation!" The homework load, the four-year-old routine, the approaching pressures of decisions about this next year finally got the best of them.

To some, graduation meant that they could finally get married; to others it meant a job and independence; for others, college will be waiting in the fall. For all graduates there will be a new way of life ahead. The thought is rather frightening but exciting nevertheless. There will be plenty of time to remember that graduation day brought an end to one way of life; now, bring on the new!

Chris gives UHS a last tearful look.

## Through A New Door

Mr. Thompson congratulates Bob on his new alumnus status.

I'M HAPPY. I'M SAD. I laugh. I cry. I'm finished. For the last four years I'd raced against the tardy bell. I'm free, on my own. But, do I want to be? I'll be facing the world in a way which will be new to me. My work, my worries, my fun, my headaches, my successes will be my own. I'll be only an I.B.M. number on a card in a file in a cabinet. Do I sound frightened? If I do, it is because I am frightened. I used to be so sure of myself, so positive that *I* would succeed. Now, I am not so sure. High school with its set routine and familiar faces was security. How can I be sure what next year will bring?

ROSEMARY DIVISION EDITORS—Jill Harrison, Activities Editor; Jacquie Hermling, Class Editor; Kate Flanagan, Highlights Editor; Connie Van Cleave, Copy Editor; Richard Russell, Music Editor.

ROSEMARY AD STAFF—Margaret Phebus, Carla Schriber, Susie Schriber, Sally Wright.

## Staff Slaved to Meet Deadlines--But the Result

ROSEMARY EDITORS—Mrs. Carol LeSeure, Sponsor; Dane Bridgewater, Editor-in-chief; Scott Myers, Ass't. Editor; Jim Booth, Associate Editor.

The 1963 *Rosemary* staff presented Urbana High School with a new type of yearbook—a kaleidoscope to help students remember all phases of life at UHS. For the first time, the *Rosemary* describes the various classes, which represent so many hours of work on the part of every student and teacher, as well as the extra-curricular activities. Also for the first time individual pictures of underclassmen were used rather than homeroom pictures. Still another first is the employment of color in this, the 1963 *Rosemary*.

## Was Well Worth the Work: The 1963 Rosemary

In January, the staff co-sponsored the winter semiformal dance, "Fire and Ice." Diana Deere, Miss Rosemary, and her four attendants, Nancy Booth, Chris Frey, Sue Sexton, and Sherre Shaff, were crowned amid the red and Silver decorations.

For the fifth year, Mrs. Carol LeSeure was the helpful sponsor and patient advisor of the *Rosemary*. An infinite amount of time was spent by the entire staff, who worked with one main purpose in mind—to make this the most memorable *Rosemary* ever.

ROSEMARY MANAGERS—*Front row:* Sandy Brownfield, Business Mgr.; Carla Schriber, Ads Mgr. *Second row:* Susan Johnston, Ass't. Business Mgr.; Nancy Kamman, Ass't. Ads Mgr.

ECHO EDITORS—Chris Nelson, Nancy Booth, co-editors-in-chief; Mr. Stanley Hynes, advisor.

In order to maintain the high standards of journalism set by last year's *Echo*, which was a 1963 Quill and Scroll International First Place Award Winner, the *Echo* staff spent much time and exerted much energy.

"By the Way," a feature designed to recognize students who have done outstanding work in various activities, was again a regular section of the *Echo*. Hermie Grinklebender, the Armenian political expert, became the *Echo's* age reporter.

This year's *Echo* contained more articles of interest to all students. Many clever feature articles were included, and the activities of Urbana High School students were outlined in each *Echo*.

The *Echo* staff busily interviewed individuals, wrote copy, sold ads, took pictures, and worked on layouts so that Urbana High School would have a first-rate newspaper.

ECHO REPORTERS—Front row: Ginny Taylor, Marguerite Harkness. Second row: Julie Nadeau, Alison Chapin, Peggy Hageman. Third row: Phil Knox, Tim Theesfeld, Jack Tuttle.

Quill and Scroll is the International Honorary for high school journalists who have done outstanding work on a publication. Members of Quill and Scroll in Urbana were juniors and seniors who were in the upper one-third of their classes scholastically and who had done superior work on either the *Echo* or the *Rosemary*. They also were recommended by supervisors of their respective publications and approved by the secretary-treasurer of the national society. Each member was given a Quill and Scroll pin and a card signifying that he was a member of the society.

## Energetic Student Council Helps Improve School

STUDENT COUNCIL OFFICERS—*Front row:* Diana Deere, Pres.; Barb Allman, V-Pres. *Second row:* Nancy French, Sec.; Nancy Booth, Parliamentarian; Judy Parkinson, Trea.

As in the past, Student Council was composed of one elected representative from each homeroom, but this year other interested and able students could also join.

The Council sponsored many projects this year. Among these were the orientation of sophomore, the sale of activity tickets, and the handling of class elections. Student Council again helped to raise money for the AFS program and sent delegates to various state and national conventions. A new project was an exchange program, in which several UHS students visited other Illinois high schools and pupils from these high schools visited UHS.

Working as part of the Tri-High Council, the Tri-High Dance was held in Urbana this year. The annual leadership banquet and a leadership workshop were also results of Urbana, Champaign, and University High Schools working together.

Student Council co-sponsored the winter semi-formal dance in January. It also presented the Vice Versa Dance in March.

TIGER'S DEN COUNCIL—*First row:* Bill Allen, Junior Chrm.; Marilyn Tinkham, Publicity Chrm.; Tom Freebairn, Senior Chrm.; Judy Parkinson, Sec.; Chuck Burt, Trea.

On any Saturday evening one might walk into Urbana's Community Building and find Urbana High School students dancing, playing ping-pong, relaxing or just enjoying themselves. This organization is called the Tigers' Den, one of the few high school-run youth centers in the state of Illinois.

The Den is run by a council composed of nine sophomores, nine juniors, and ten seniors, who are elected from their respective classes. Tom Freebairn was this year's student chairman, while Oscar Adams acted as the group's adult sponsor. Oscar is assisted by a council of business and townspeople.

A very nominal fee is charged for entrance into the Den. Membership cards, sold for twenty-five cents each, allow the student to enter the Den as many times as he wishes during the semester for an additional charge of a dime.

The Den sponsored several dances this year. Among these were a Homecoming Hop, a holiday dance called the Hades Dance, and the Valentine's Day Dance “Love Makes the World Go 'Round.” The Hades Dance was this year's hard times party.

## "U" Club Members Strive For and Reach . . .

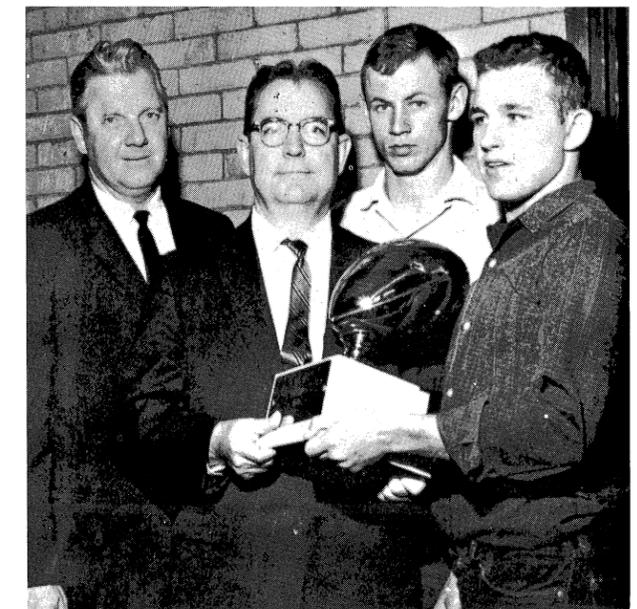

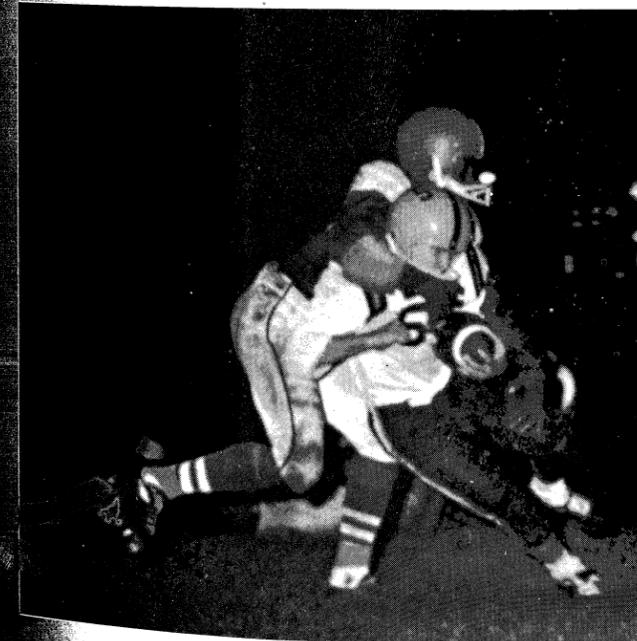

"U" Club is the organization to which lettermen in all sports have the opportunity to belong. The club seeks to form one unit from all athletic activities in order to maintain the highest standard of athletic competition and to promote better understanding between the coaches and their teams. In order to be eligible to join "U" Club, a boy must have lettered in a sport, either by actively par-

ticipating or by being a manager.

In May, the club sponsored the annual "U" Club Dance at which new members were formally initiated.

This year's officers are Chuck Burt, president; Loring Prosser, Senior Vice President; Mike Jones, Junior Vice President; Tom Freebairn, Secretary; Wally Rebman, Treasurer.

Clutching the ball, Ronnie Edwards still has hopes of a touchdown.

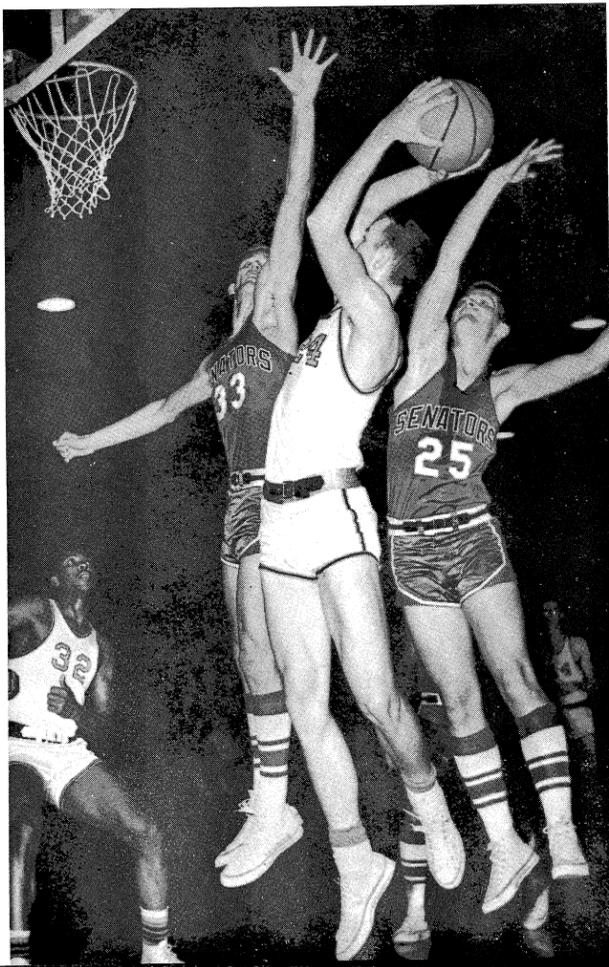

The Big 12 trophy is presented to Mr. Braun by victorious Coach Smitty, with Co-captains Tom Freebairn and Wally Rebman.

## A Well-Earned Goal

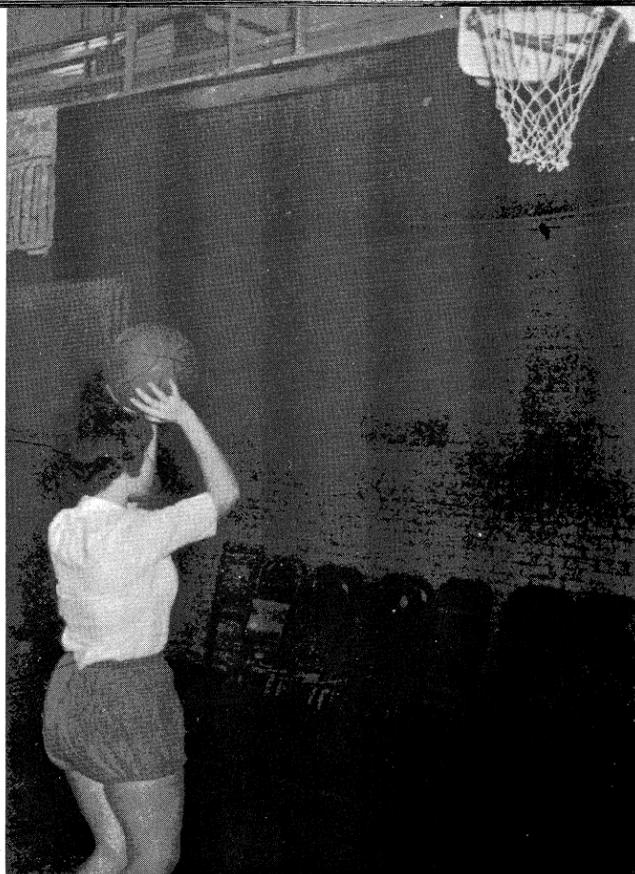

Howard makes an easy two-pointer as Champaign players un- fully try to stop him.

Koch's right in there trying, even though he's being pinned in from both sides.

The Girls' Athletic Association is a club for active girls who are interested in competitive sports. The club held an informal initiation for new members in the fall. Then the activities began. Almost every day, members had the opportunity to swim, to bowl, to play basketball or volleyball. GAA held a basketball tournament in order to interest other students in the club and played volleyball games with junior high students.

At the spring banquet, awards were presented and new officers were installed. Mrs. Joanne Smith sponsored the club for the second year.

GAA MEMBERS—*Front row:* Judi Dykes, Joyce Lain, Mary Slade, Sue Roark, Jo Dunfee. *Second row:* Judy Stanner, Robin Wilson, Lois Becker, Judy Copenbarger. *Third row:* Judy Powers, Karen Bachert, Linda Lyng, Theresa Polston, Sue Bayles, Colleen Cash, Sharon Sudkamp. *Fourth row:* Sally Wright, Lane Olson, Sandy Gilliland, Dawn Olson, Merry Jackobs, Janet Cooper, Celia Smith, Margaret Phebus.

ART CLUB OFFICERS—*Front row:* Mary Lou Wardlow, Sec.; Kit Filbey, Pres. *Second row:* Maribeth Meade, V-Pres.; Josie Dunfee, Publicity Chrm.

The Art Club was active once again this year. At regular meetings, the members had art-work sessions, participated in group discussions, and heard guest speakers. Under the leadership of Mrs. Ruth Ross, the club visited the Krannert Art Museum in Champaign and the Art Institute in Chicago. Members of the club attended art lectures and saw exhibits during the Festival of Arts at the U. of I. In order to raise money, the club made and sold Christmas corsages.

A new club was introduced to Urbana High last year. This club was JETS, the Junior Engineering Technical Society. The aim of this club was to promote an interest in the fields of science, engineering, and mathematics. The club was sponsored by Miss Brannon, of Urbana High's Mathematics Department, and several members of the University of Illinois College of Engineering.

This year's project was to add memory cells to the computer completed last year. Dr. D. Bitzer, a professor at the University of Illinois, was the club's technical advisor.

The club's major problem was raising enough money for the costly project of computer building. Funds earned from the JETS car wash were used to help pay for the expensive equipment.

## Bueno! Bon! Bonus!--Clubs Mix Fun, Learning

Spanish Club, open to all students with an interest in the Spanish language, culture, and people, had a full and enjoyable year. They learned a great deal by listening to guests who had been to Spanish countries and by seeing movies on Spain. During Christmas the members enjoyed breaking the pinñata and singing carols in Spanish.

SPANISH CLUB OFFICERS—*Front row:* Cindy Pazmino, Pres. *Second row:* Lyn Radebaugh, Sec.; Jane Sexton, V-Pres. Absent—Patty Moore, Trea.

"I promise to contribute whatever I can to the understanding of the French language and culture."—was part of the oath new members of Phi Kappa Kappa, Urbana High's French club, took at their initiation ceremony in October. But the evening was not all so serious, they discovered, for they were also required to create French costumes and hats from assorted materials concealed in brown paper bags as part of the ceremony.

Other activities during the year included a puppet show given in French by club members, the annual banquet, and the traditional Christmas party at which a bûche de Noël, or Christmas-log cake, was served. Made from club sponsor Mrs. Françoise Stravinsky's own recipe, it was a "big hit" with the club.

The Latin Club was active again this year in helping its members learn something about Roman history and culture. Main activities of the year included a Christmas caroling party and a Roman banquet, at which members dressed in classical togas and "did as the Romans did."

LATIN CLUB OFFICERS—Jane Dennis, Pres.; Marty Wagner, '61-'62 Pres.; Vickie Applegate, Trea.; Nancy Balbach, Nancy Ross, Aediles; Camille Smith, Publicity Chrm. Absent—Chuck Zbrozek, V-Pres.

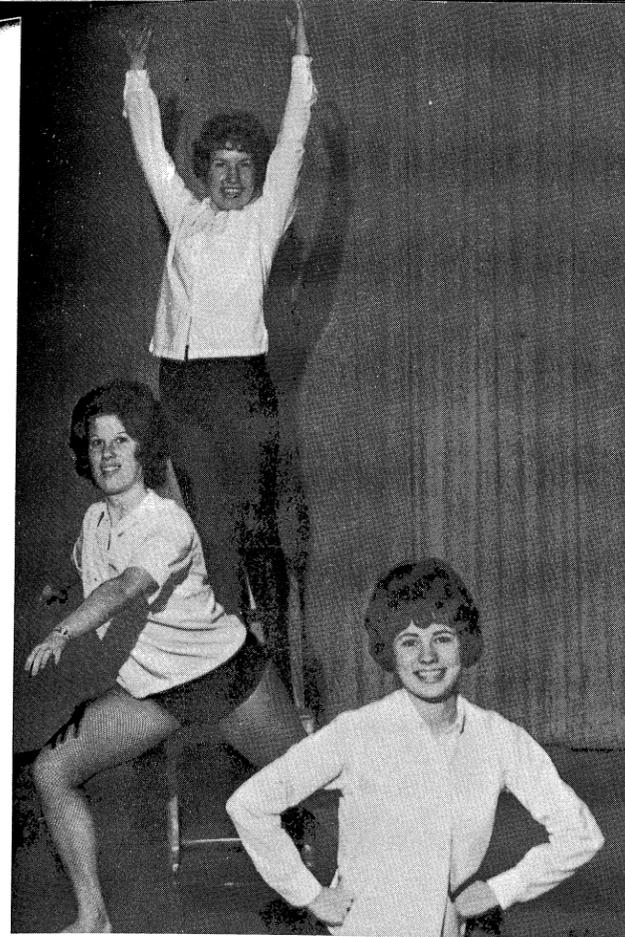

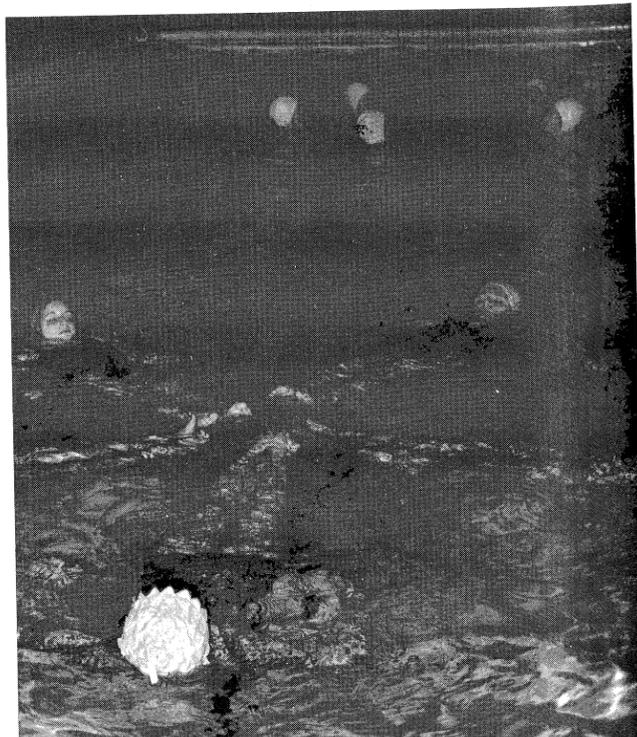

TERRAPIN MEMBERS AND OFFICERS—*Front row:* Sue Gaylord, Trea.; Nancy Booth, Sec.; Kathy Byers, V-Pres.; Rosemary Walton, Pres. *Second row:* Carolyn Leach, Lyn Radebaugh, Dee Olver, Susan Bayles, Lisa Brems, Karen Keller, Barbara Rowe, Susan Johnston, Irene Vassos, Cheryl Blankenship, Martha Wagner, Frances Cedusky, Janet Leming, Mrs. Smith, sponsor.

## Terrapin and Orchesis Members Practiced

Two groups of Terrapin members practice routines for their spring show, "The Wizard of Oz."

Terrapin, Urbana High's water-ballet club for girls, was one of our more active clubs. Members were chosen for their ability to carry out specified water stunts and strokes. At the formal initiation, practical jokes were played on new members which seemed hilariously funny to all except the initiates.

Soon after initiation, members were hard at work, practicing in order to attain skills used in the spring water show, "The Wizard of Oz." They attended synchronized swimming shows in the hope of improving their own skills by watching the techniques of others. While preparing for the show, the members not only swam for hours at a time, but also painted scenery, designed costumes, selected music, and arranged for lighting. Mrs. Joanne Smith was the sponsor of this year's busy Terrapin club.

Bridgette Wyncoop, Kathy Dilley, and Sherre Shaff rehearse for the Orchesis show, "Dancerama."

Orchesis, Urbana High's modern dance club, is specifically for those who enjoy dancing. New members were chosen for their grace and their ability to do all routines. They were initiated at an October pizza party.

The club centered around the annual show which was presented in April. This year's show was called "Dancearama." The members did their own choreography and practiced their dance weekly. Other preparations included designing, making costumes, and painting scenery. Car washes and bake sales were given to raise money for the show.

Dances included in this year's show had various themes. Among these were Vaudeville and Parisien themes. Orchesis members, under the direction of Mrs. Lenz, are to be congratulated for the high-quality show which they produced.

Urbana High's Future Teachers of America was one of the largest such groups in Illinois, with 96 enrolled members, and, with its many and various activities, it was one of the busiest.

Many members attended FTA regional workshops, of which was held in October. The officers were present at the state convention. These meetings were found to be helpful to those attending, and, as accounts of discussions were given at monthly meetings, to other members as well.

During one interesting meeting, scrapbooks were made by FTA members and distributed to children in hospitals for Christmas. A joint meeting with Champaign was held in February. This meeting included a potluck and a special education demonstration.

One again, spring found the seniors in the group trying to combat the spring fever of grade school children. The seniors had the chance to cadet teach, to see how classes are run so that they could decide whether or not they want to teach.

FTA's activities this year were indeed profitable to Urbana's future teachers.

Future Homemakers of America is the national organization of girls studying homemaking in high schools of the United States, Puerto Rico, and the Virgin Islands. As an integral part of the homemaking program, FHA provided opportunities for students to have additional experiences in planning and carrying out activities related to homemaking. The national organization is composed of chartered state associations which are made up of local chapters.

The FHA goal this year was "Discovering myself and my worth to others." To achieve this goal, programs on charm were presented to the Chapter. FHA'ers enjoyed doing favors for others. At Christmas a food basket was sent to a family in the community. In September, a pizza party was held, and in December, a Family Christmas Night was enjoyed. Initiation of new members came in February. April brought Daddy-Date night, and May brought the Mother's Tea. In June, a breakfast was given to honor the graduating seniors. FHA trained leaders by having the members participate in all Chapter activities. The club was sponsored by Mrs. Hazel Hasty.

Anyone holding two credits in a business education course was eligible to join Urbana High's Commercial Club. The object of the club was to promote interest in and understanding of commercial work.

Some of this year's activities included having guest speakers and going on field trips. Through such activities members became acquainted with various businesses in the community, learned of job opportunities in the commercial field and characteristics of good business workers.

Diversified Occupations is part-time vocational training which is open to juniors and seniors. The D. O. program enables capable students to receive a high-school diploma and on-the-job training simultaneously. The students, after extensive consideration, are placed in jobs for a minimum of three hours a day. They also receive one hour of related classroom instruction daily. They receive regular beginner's wages until completion of training.

The Camera Club was organized in order to assist students interested in photography in developing skills and techniques. Under the direction of sponsor Mr. Max White, they learned the correct procedure for the complete processing of a picture.

At the Urbana Free Library, the club exhibited photographs which had been taken by the members. In the spring, members went on a camera club field day. Pictures for the *Echo* were taken and developed by experienced camera club members.

CAMERA CLUB MEMBERS—Don Willis, Harold Ravlin, Bruce Robertson, Ron Perry, Lee Chesney, Richard Colb.

## Camera, Library Clubs Sponsored Useful Projects

The first meeting of the Library Club was a picnic at Crystal Lake Park. There were games and plenty of food for everyone.

The club held a paper drive in October to raise money for their trip to Turkey Run in the spring. They also had a paperback-book fair during Book Week in November. There were five tables loaded with paperbacks from which the students could buy books. The money they made was used for the expenses for the rest of the school year.

The club held its Christmas party in the library in December. Everyone brought either a gift or money for a basket for a needy family. They had movies and Christmas music in addition to refreshments.

They had a Gym 'n' Swim on the second Monday of each month. Those attending could either swim or play basketball in the gym.

Library Club members received either a pin or a letter at the end of the year.

Sandy Starr serves Sherry May at the spring breakfast which was given in honor of the S.K. seniors.

More than half the female population of UHS forms the largest club—the Social Klub. The "Big-Little-Sis Party," held in September, enabled the sophomore girls and other new girls to get acquainted with veteran S.K. members. Entertainment was provided by Betsy Scott, the junior majorettes, and Donna Smutz.

This meeting started the S.K. ball rolling, and a few weeks later, S.K. sponsored a record hop after a football game. The club also sponsored the Homecoming Dance at which the UHS Dance Band played.

Two nicely-decorated Christmas trees were the result

of S.K.'s annual tree-trimming party. Doughnuts were served to the girls as they tried to decide where each ornament should hang.

In May, the seniors were feted with a farewell breakfast planned by newly-elected officers. This year's officers were Sherry May, President; CeCe Ruppert, Vice-President; Bonnie Adams, Secretary; Connie Van Cleave, Treasurer; Nancy Ross, Senior Representative; and Irene Vassos, Junior Representative.

Once again, Miss Fisher, acting as sponsor, helped to make the club's year a success.

Delta Sigma and Thespians were composed of students who were interested in and who helped with the dramatic productions of Urbana High School. The points which must be obtained in order to join these clubs were earned by participating in plays, either on the cast or on committees which included props, lighting, make-up, tickets and scenery. To be eligible for Delta Sigma a student needed five points; ten points were necessary for membership in Thespians. The initiation of new members was held in January.

The main projects of the two clubs were the spring play and the fall play. Members of the clubs journeyed to Normal to see the production of *The Madwoman of Chailot*, presented by the University Theater of the Department of Speech at Illinois State Normal University. This trip helped them immensely in their own production of *The Madwoman*.

Under the expert guidance of Edward Herson, member of Urbana High's two dramatic societies had an interesting and fruitful year.

Band Directors: Mr. Book, Varsity Band Director and Mr. Jorgensen, Concert Band Director.

The Urbana High School Concert Band, under the direction of Robert Jorgensen, this year performed on four separate occasions.

A fall ensemble program, a winter concert, and two performances in the spring each featured this ninety-seven piece organization which has become one of the finest of its kind in the state.

Through the combined efforts of the band, the orchestra, and the chorus, Urbana was again well represented at the State Music Contest which was held this year in Charleston, Illinois.

## Marching Band Highlighted Half-Time Festivities

The marching band in half-time formation.

This year's Marching Band consisted of over a hundred band members from both Concert and Varsity Bands.

As in the past, the band performed for each of the home football games as well as one away game. The trip this year was to Mattoon, where both bands shared in the pre-game as well as half-time festivities.

Formations varied from a trackman in a starting position to a salute to dances, including the twist.

# Football Tigers Gained Conference

Urbana's 1962 team had a big assignment to fill. With only eight returning lettermen from the strong '61 team, Urbana had one of the toughest schedules in the state. Led by co-captains, Wally Rebman and Tom Freebairn, practice began with much emphasis on finding boys willing to work. After many long sessions and two intra-squad games, Head Coach Warren Smith was ready to field his Tigers.

Rantoul's trip to McKinley Field resulted in a 7-6 victory for the Tigers. Although Urbana had nine first downs and their opponents six, neither team could generate much of a scoring punch. Sprung loose by end Bob Hovde's key block, Elmer Jamerson returned a punt 45 yards for Urbana's only touchdown. Bill Pritchett kicked the winning conversion. One bright spot was the running of Ron Edwards. Starting the game as the Tigers' second team left half, Edwards led all rushers with 57 yards gained.

The second game of the year was with highly-regarded Decatur MacArthur. Led by All-State halfback, Rudy Phillips, MacArthur controlled the first half. Urbana came back to score early in the third period and cut the General's lead to 12-6. The defense stopped MacArthur cold to set up the Tiger's fourth quarter drive. Urbana was halted

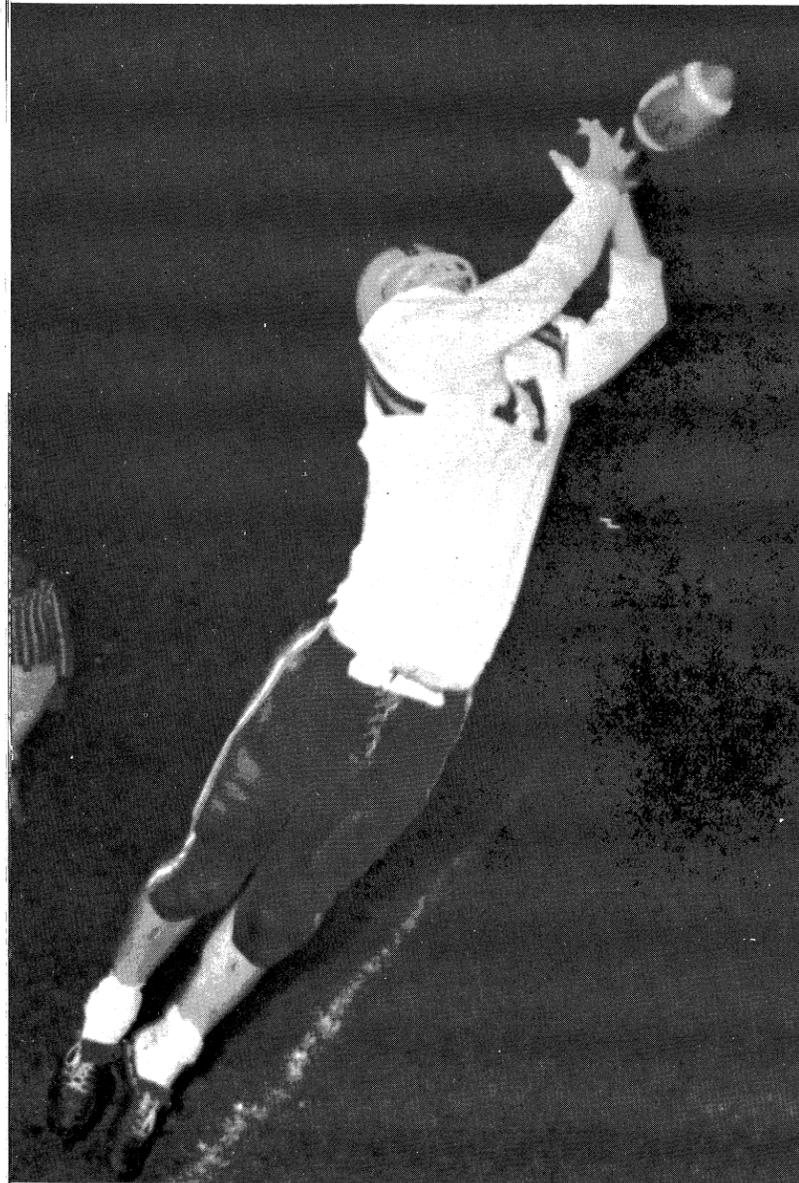

# Championship

on the one yard line but scored a safety when MacArthur intentionally downed the ball in the end-zone. The game ended 12-8 as the Decatur team ran out the clock.

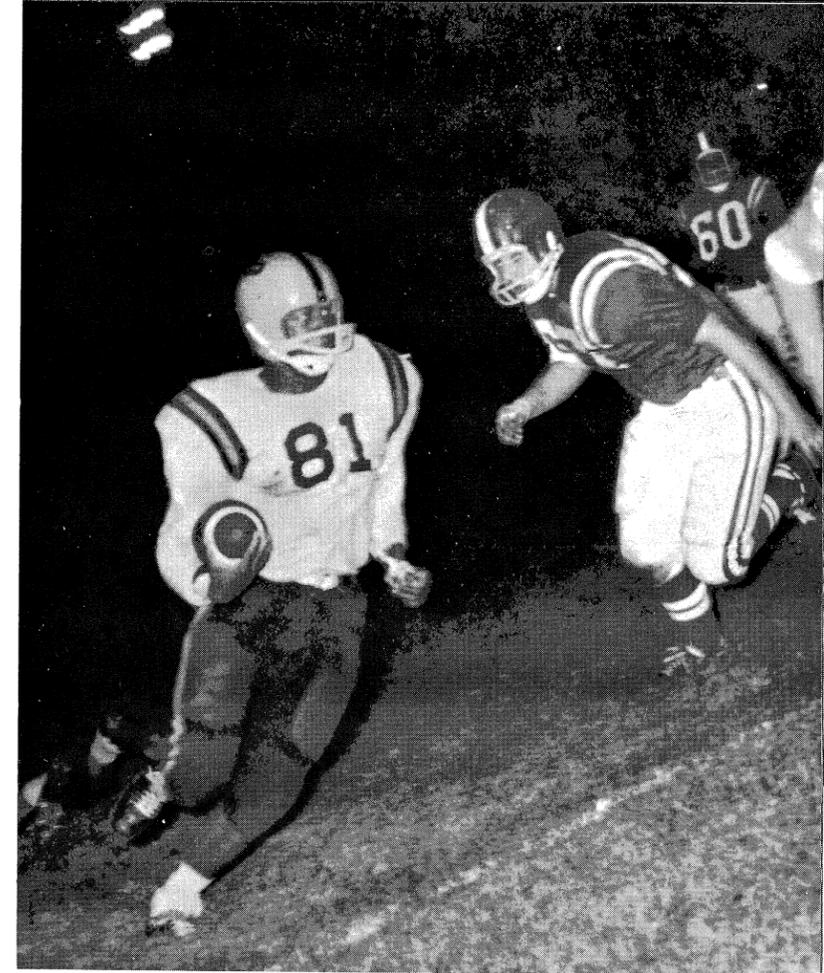

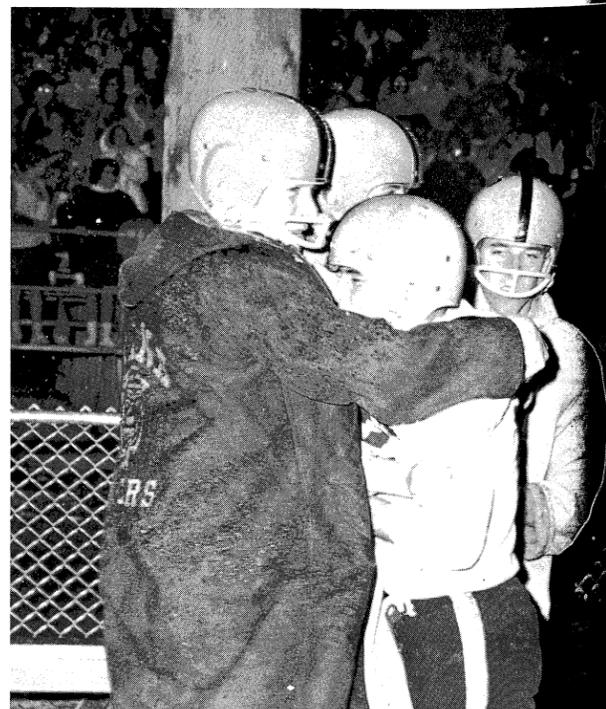

Although hurt by the loss of halfback Jamerson, who broke his leg in practice, the team finally hit its form against Danville. A Danville fumble in the first quarter set up the first score. Roy Smith crossed the goal-line on an end sweep and Pritchett made the extra point. In the second period, "Wildman" Pritchett accounted for two touchdowns and a conversion to make it 20-0. Defensive guard Bill Baker stole the ball from a Danville back and returned it 55 yards for the touchdown. Danville scored twice, but Roy Smith broke loose again to preserve Urbana's lead. The final score was Tigers 33, Danville 13.

Centralia, always a southern power, was the Tiger's next foe. The teams battled to a 0-0 first half although Urbana consistently out-gained Centralia. Two scores by Smith put Urbana ahead 13-0. A new threat developed as Chuck Burt hit Tom Freebairn twice for 46 yards in the air, but the Tigers couldn't score again before the end of the game.

End Tom Freebairn grabs one of many passes he caught.

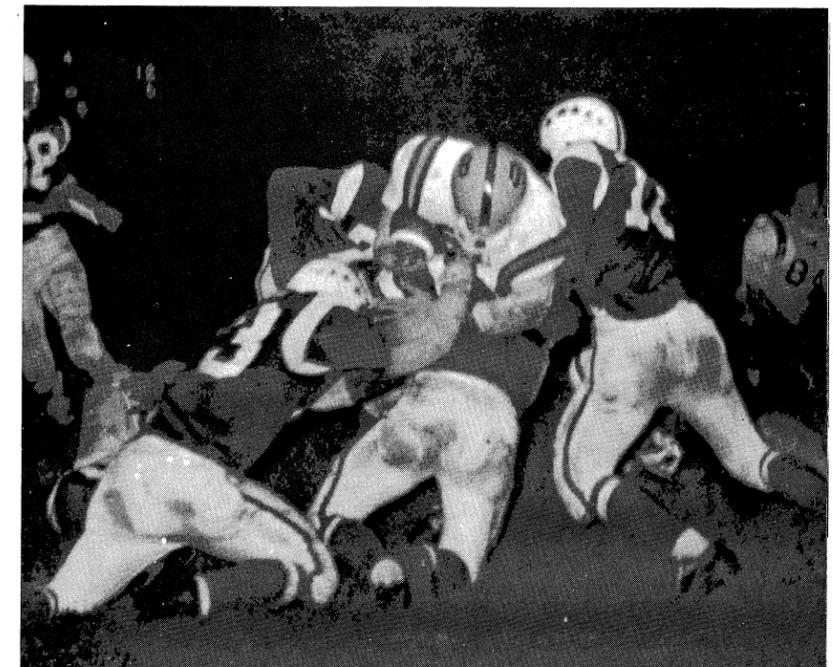

Exuberant bench cheers teammates.

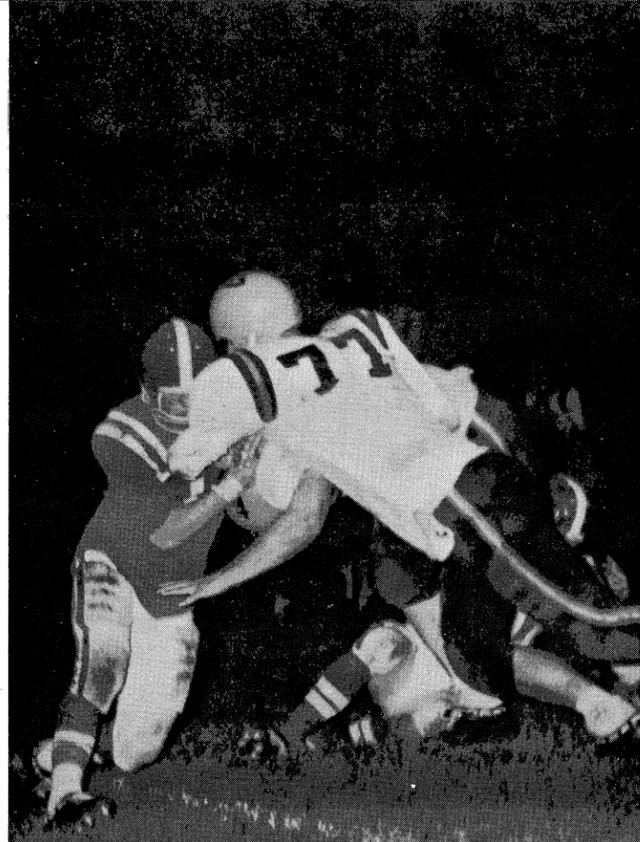

Looking upfield, Roy Smith starts off on another end sweep.

Quarterback Chuck Burt grinds out yardage up the middle.

## Tigers Beat Co-Champ Reds

Urbana kept its conference record perfect by defeating Bloomington 20-13 in a hard-fought game. Behind 6-0 the half, Urbana roared back to score twice in the first quarter, first on a line plunge by Pritchett and then on a pass from Burt to Freebairn. In the fourth quarter, Burt went over himself on a four yard run. Good line play sparked two scores as tackle Mike Renfrew and end Bob Hovde both recovered fumbles in the second half.

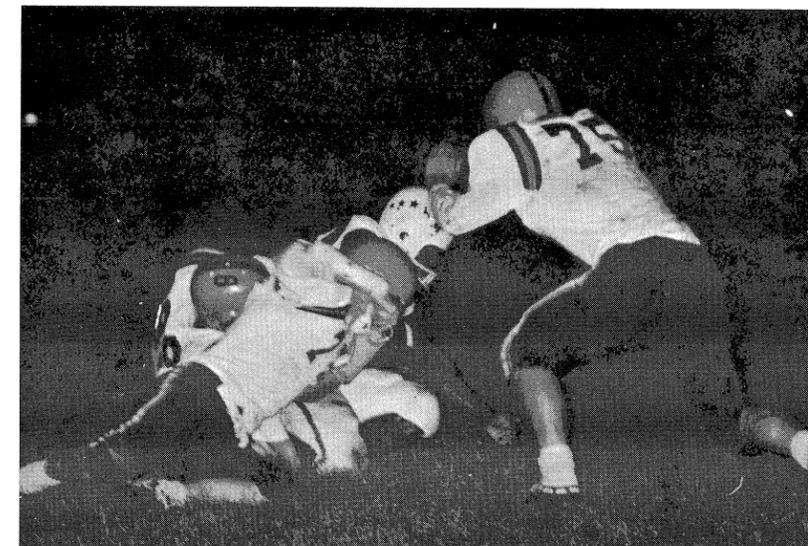

Homecoming was celebrated at Urbana by a 14-13 victory over Decatur in a game that did much to decide the Big 12 Championship. Decatur came into the game ranked in the top ten in the State ratings and with a winning streak of nine games over two years. The Reds took the lead in the second period on a pass for a touchdown. However, the Tigers came back to score on a 71 yard run by Pritchett and again as Freebairn recovered a fumble and sped for 62 yards. Fullback Pritchett booted both extra points for what was to be the winning margin. Decatur drove for a touchdown and the extra point was good to end the evening's scoring.

The game at Danville Schlarman provided the regulars with a well-earned rest. Playing only the first 14 minutes

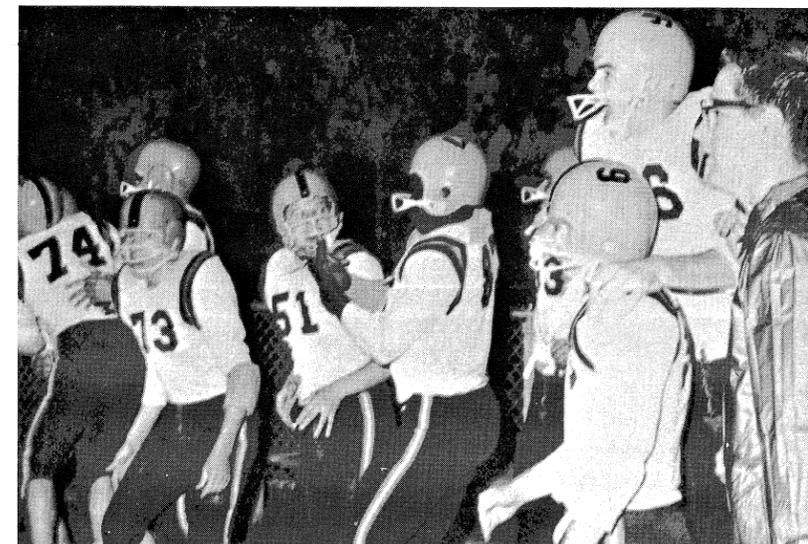

the first team scored four times as Chuck Burt passed to Tom Freebairn and Bill Pritchett romped over for three T.D.'s. The reserves then took over to do some scoring of their own. Butch Bennett connected with end Dick Parks for two touchdown passes and Frank Ashby tallied on a 45 yard punt return. Defensive linemen L. C. Owens and Dan Cedusky trapped a Schlarman ballcarrier in the end zone for a safety to complete Urbana scoring. The Hilltoppers' lone score made the count Urbana 47, Schlarman 6.

A good Mattoon team proved to be ready for the Tigers when it took a 26-7 decision. The Tigers ran true to form for a while but couldn't seem to keep their offense going. Once again down 6-0 at the half, Urbana came back to score on Roy Smith's touchdown. Mattoon refused to quit, though and scored another three times. Halfback Smith was some encouragement to Urbana fans. He turned in one of his best games of the season on both offense and defense.

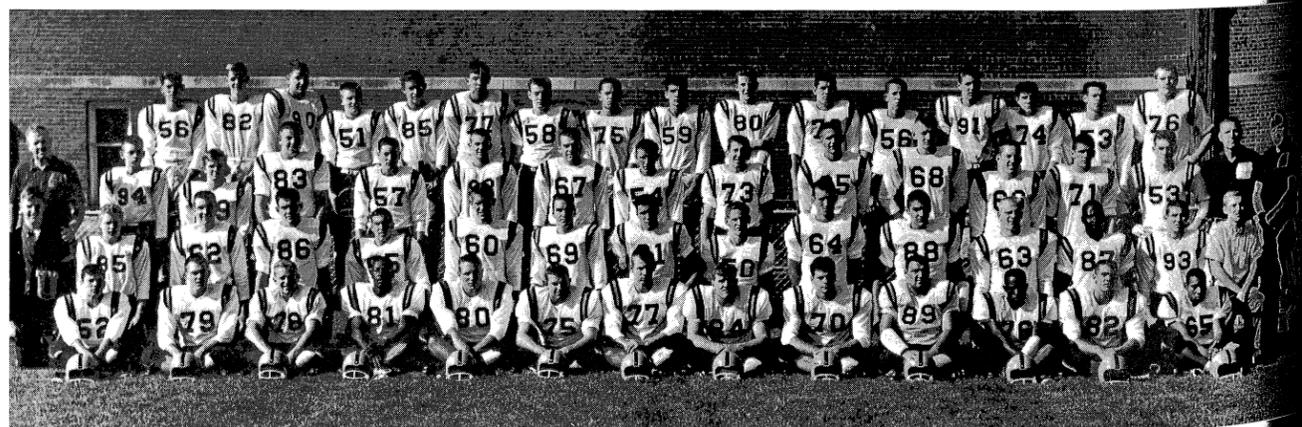

November 9th brought the game for the Big 12 title. Powerful Champaign was 4-0-1 in conference action while Urbana and Decatur were both 4-1. The Maroons had been ranked second in the state and were said to have an unstoppable offense with passing, speed, and plenty of power.

Roy Smith picks out soft spot on ground to fall after being tripped up.

The first half of the game turned out to be a defensive battle. Champaign gained practically no yardage while Urbana drove but couldn't score. Champaign began to falter in the third period as the Tigers marched 68 yards for a touchdown. Smith took the ball the last few yards to put Urbana ahead. At the end of the quarter Pritchett climaxed another drive with a T.D. and extra point. The fourth quarter brought the Champaign spread in a last attempt to launch an offensive. However, the Tiger defense was prepared for this and regained control of the ball. The second team played the last half-minute to end the game Urbana 20, Champaign 0. The vaunted Champaign offense had made only two first downs all night. Urbana had become the only team to win the Big M title 3 times in six years.

At the Fall Sports Banquet, Tom Freebairn received the Dick Pittman award for the outstanding lineman of the year and Bill Pritchett was named Most Valuable Player. After being presented with the Champaign game ball, Coach Smith announced that Randy Moore and Mike Renfrew were next year's co-captains. Seniors Chuck Burt and Tom Freebairn were elected to All-State.

Smitty checks Kevin Barrymore's number at State Cross-Country Meet.

Loring Prosser, Number One Tiger runner, crosses the finish line first again.

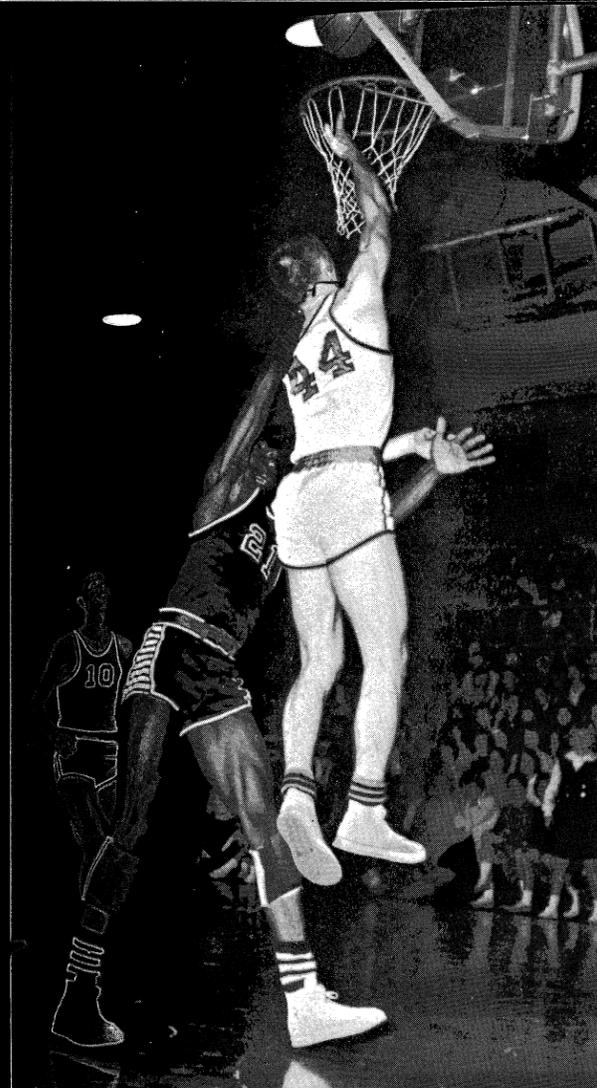

Coach Gene Armer fielded his finest Cross-Country team ever in 1962-63. The times turned in by the seven Varsity members were the fastest recorded in Armer's reign. The Tigers were expected to be tough, and they lived up to advance billings. Bolstered by Loring Prosser in his first year of Cross-country, the Tigers were a smooth blend of experienced seniors and talented underclassmen. Besides Prosser, the Tigers were led all year by Captain Dick Gronlund, sophomore Mark Schmidt, and senior Kevin Barrymore. The Tigers won every dual meet this year and also copped the Paris Invitational, the Big 12 Conference and the District championships. In the process, they defeated Champaign four times. Loring Prosser set a new course record at Blair Park of 10 min. 24 sec. to break the old mark. The leading underclassmen, including Tom Judd, Ken Mattox, Mike Jones, Fred Goglia, and Bill Allen besides Captain-elect Schmidt, will certainly form an outstanding nucleus for next year.

Myers attempts to prove that he can score without glasses in Champaign victory.

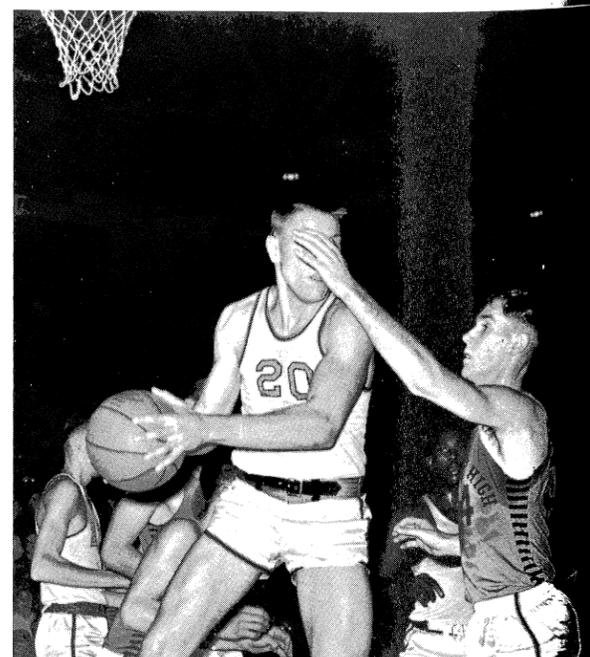

Look! Up in the sky, it's a bird; it's a plane . . .

Bolstered by the return of three starters from last years Sectional champions, Urbana's 1962-63 basketball team finished with a respectable 13-13 season. The Tigers, like many teams, had their ups and downs. Their ups included a second place finish in the 6-team Mater Dei Holiday Tournament and a mid-season rush that netted nine victories in 11 tries, including 5 of 6 Big 12 Conference triumphs.

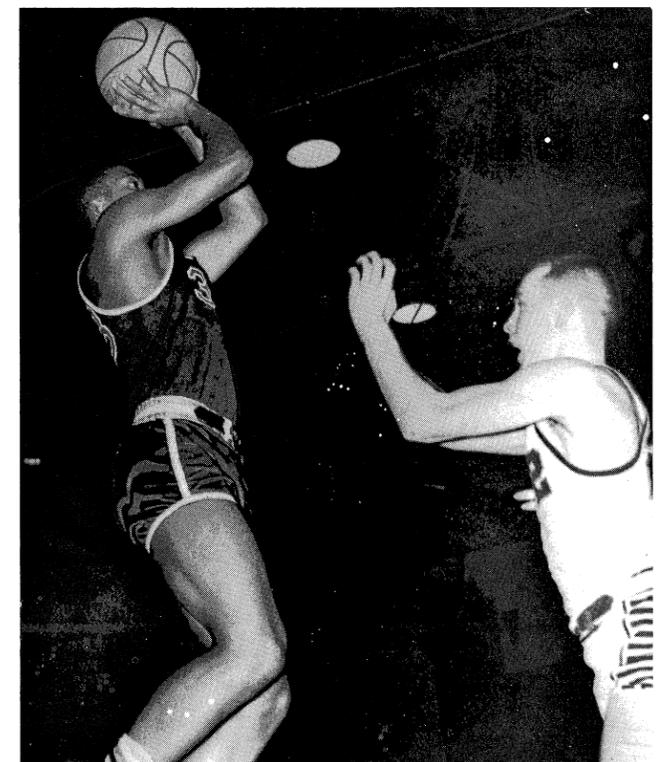

Although the Tigers dropped their season's opener at Rantoul by one point in overtime, the future looked bright for the cagers. Then co-captain and top scorer Jim Booth suffered a shoulder separation, and the short-handed Tigers dropped 5 of 7 games. Booth returned in time for the Mater Dei Tournament, and the Tigers caught fire. Led by the scoring guards Jim Booth and Scott Myers, and the rebounding-scoring of Chuck Burt and Charlie Howard, the team bombed East St. Louis Assumption, Johnson City, and host Mater Dei before dropping a tough 72-62 tilt in the finals to Springfield Lanphier.

"Peek-a-boo" says Burt as he prepares to trigger a fast break against Uni High.

Charlie Howard fires away as an opponent contemplates Chuck's belt buckle.

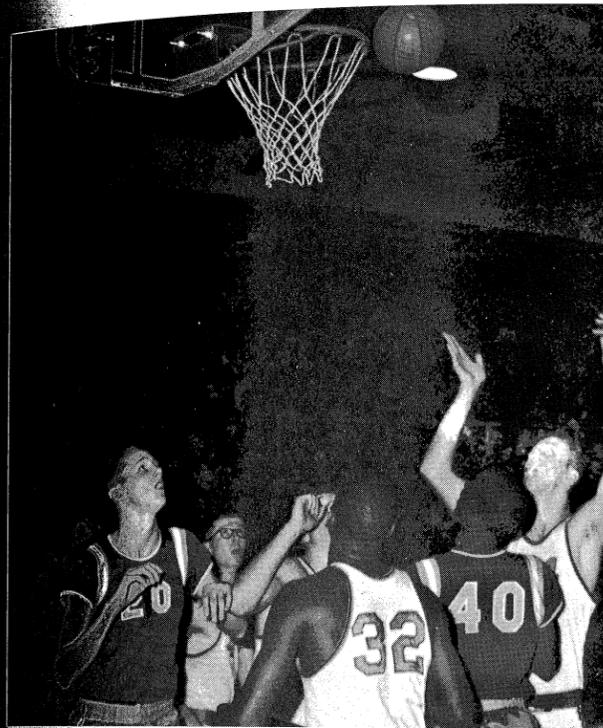

Booth rides piggy-back to two more points.

Back home the Tigers picked up where they had left off at Mater Dei by rapping Champaign for the fourth straight time in two years, 55-51. The red-hot Tigers whipped Urbana, Lincoln, Bloomington and Monticello in succession as the team jelled into mid-season form. However the team suddenly hit a cold streak and lost 5 of 8 remaining regular season games.

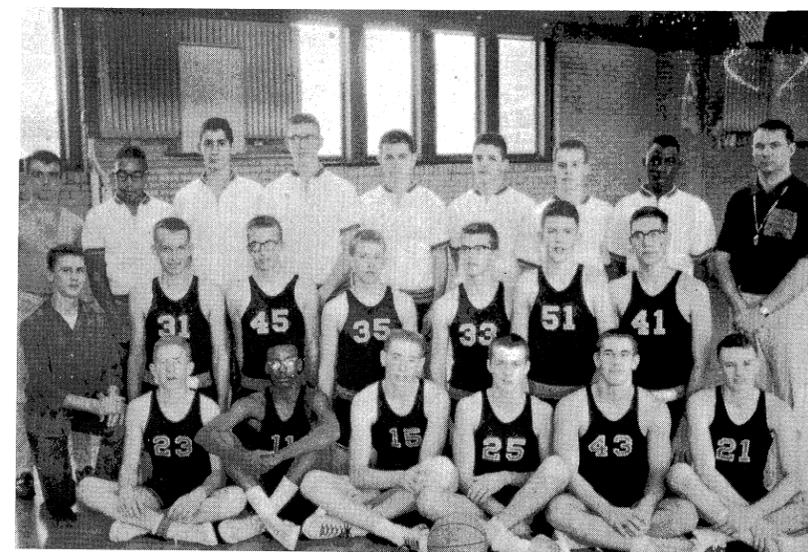

In the Regional, Urbana failed to defend their championship, losing to Unity 61-49 after beating Unity 62-47. Basketball continues to improve at Urbana. Next year's team should be no exception. With only one regular starter, Charlie Howard, the team should be short on experience but long on talent. Besides Howard, Mike Allen, Bill Allen, Jerry Treat, Larry Stevenson, and Tom Treat will head up next year's squad.

This year's rebounding trophy went to Charlie Howard. The George Widing Free Throw Trophy went to Tom Treat for the second straight year.

Burt grabs another rebound for the Tigers.

Everybody watches as Myers' shot hangs on the rim.

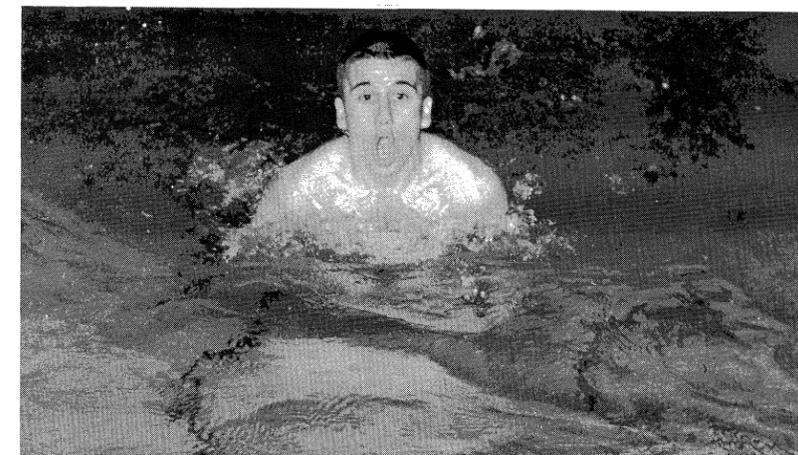

Another long practice lap.

The 1963 swimmers suffered mainly from inexperience. Having lost most of last year's record-breaking team, the tankers had only three returning seniors. Although the team won only three meets, the Tigers were no push-overs. Led by Captain Jack Keller, the team improved continually a year long through hard work and experience. With Keller, Steve Meier, Paul Beaty, Bill Noyes, and Howie Scheib, the underclassmen were the bright spots of the club. The underclassmen gained valuable experience for next year and should provide a strong nucleus for 1964.

Urbana's wrestlers proved to be a team with several strong individuals but lacking in overall depth. Led by Captain Jim Slade, the team compiled a fine 8-2 dual meet record. The wrestlers opened the season with a 21-19 victory over Champaign and continued with victories over Mattoon and Decatur. After dropping a match to Rantoul, in which five starters didn't wrestle due to injuries, the Tigers won five of their next six meets including another victory over Champaign. Included in the streak were 27-21 and 31-8 victories over Bloomington, 27-16 over Danville, and a revenge 33-8 triumph over Rantoul. With Dick, Jim, and Marty Slade, Wally Rebmann and Glenn Mueller undefeated going into the tournaments, Urbana copped second in the Big 12 and District meets and third in the sectional. Dick Slade and Glenn Mueller advanced to the State Meet, but an injury prevented Marty Slade from competing. Coach John Gremer will have a strong, experienced squad next year headed by the Slades, Frank Ashby, Butch Brown, Dave Marriott, and John Chancy.

## Urbana Tigers To Defend

Urbana continued to enhance its reputation as a top track squad and as one of the better teams in the State in 1963. Although this year's team may have lacked the depth that has become one of Coach Gene Armer's trademarks, it certainly didn't lack the usual number of outstanding runners. Captained by Loring Prosser, one of the state's better 880 men, the Tigers were bolstered by such stalwarts as discus thrower Chuck Burt, shot putter Bill Pritchett, miler Dick Gronlund, high jumper and pole vaulter Jim Booth, quarter miler Tom Judd and half miler Bob Hovde. In addition to these boys, such runners as Mike Jones, Rick Lyman, Mark Schmidt, and Bob Jorgensen added valuable points and depth to the squad. Also included in the field events were Mike Renfrew shotput and discus, Mike Ashby and Dick Parks, pole vaulters. The Tigers, as has been their wont, were particularly strong in the field events and longer races.

# Cheerleaders Added Pep and Spirit to UHS

Sherry Clemins, Jean Stanley, Linda Jenkins, Margie Kitzmiller, Carol Ogata.

Urbana High was fortunate to have five vivacious cheerleaders to urge their athletic teams on. Chosen in tryouts before the whole school, the five were Sue Sexton, Sherre Shaff, Diana Deere, all back for their second year, and Judy Parkinson and Martha Pettinga, the only underclassman in the group. These cheerleaders, along with reserve cheerleaders, decorated the gymnasium before games and kept enthusiasm at a peak all year long. In addition to practicing during the whole year, the varsity cheerleaders also supervised the reserve cheerleaders' activities.

This splendid *Rosemary* is largely a history of your class. Four years ago you entered the Urbana High School and each year you have played an increasingly larger role in its activities. No future class can take your place. Although your records may be surpassed, your deeds exceeded, you have earned a very special place in the hearts and memories of the students and faculty of the Urbana High School.

May you cherish memories of many good times and pleasant associations in Urbana High School. I hope that you are sorry to leave the Urbana High School for that would indicate many pleasurable and worthwhile experiences here. Even youth, however, can only fleetingly enjoy youth and soon you will be looking forward to the adult role you must play in life. I wish you success in all your endeavors.

After rousing campaigns the elections brought the junior class an active slate of officers. The slate read: Nancy French, president; Jim Smith, vice-president; Carol Olson, secretary; Judy Scouffas, treasurer; and Linda Jenkins, publicity chairman.

Class rings and the Prom were the Highlights of the year for the class of '64. As soon as the class rings arrived in October, the juniors felt like upperclassmen. With many bake sales and lots of hard work the juniors gave the seniors a magnificent Prom that they'll never forget.

Losing books, forgetting locker combinations, and wandering through the halls in bewilderment were the signs of sophomores. Despite all their problems, the sophomores showed their enthusiasm by having a roaring election. The outcome was: Gill Glading, president; Tim Theesfeld, vice-president; Sandy Starr, secretary; Joe Rank, treasurer; and Carol Ogata, publicity chairman.

The largest class of U.H.S., the sophomores were well-represented in clubs and sports, and many were initiated into Lambda, the sophomore honorary.

Music Editor Rich Russell shows Sports Editor Scott Myers a particularly funny caption. Editor-in-Chief Dane Bridgewater goes through the file with Assistant Sports Editor Bruce Scotton. Lynn Bowser, a friend dragged in from the halls, checks the spelling of a questionable word.

THE ROSEMARY STAFF worked many late nights and gave up other activities and fun to produce this 1963 yearbook. Because of its new format much more thought and imagination was needed. Realizing that Urbana High needed a modern yearbook to stay in step with the improvements of facilities and teaching techniques, the *Rosemary* was renovated with a new larger size, the use of color, and the addition of an introduction which covered phases of school life not before included. We hope that this '63 *Rosemary* will set a precedent for future *Rosemarys*, and give you a new concept of a yearbook.

Speaking for the staff, we were glad of the opportunity to produce this *Rosemary*. Despite various frustrations and the ubiquitous deadlines, the work was exciting and the experience broadening.

I would like to thank all those who worked so hard on this *Rosemary* and to thank those who gave me the opportunity to edit it.

Editor-in-Chief

*Dane Bridgewater*
