Tiger Team Is Undefeated

Coach Warren Smith's 1964 Tiger Football Team was possibly our first team in seventeen years with no major weaknesses. Incorporated into the fighting unit were a defense which allowed opponents only six touchdowns, an offense which was extremely versatile with good depth, and an exceptional attitude towards personal improvement and the unity of the team. With these assets, the Tigers earned, against very tough teams, a perfect winning record, nine out of nine games, to become the Big 12 Champs.

Six tremendous players provided good running ability, excellent blocking, and consistent passing ability to secure Urbana's triumphs. Ralph Waldron, quarterback, who led the diversified attack, earned his place as an All-State Football Player by his passing, running, and fantastic blocking plays.

All-State football player, Ralph Waldron breaks away for a long gain.

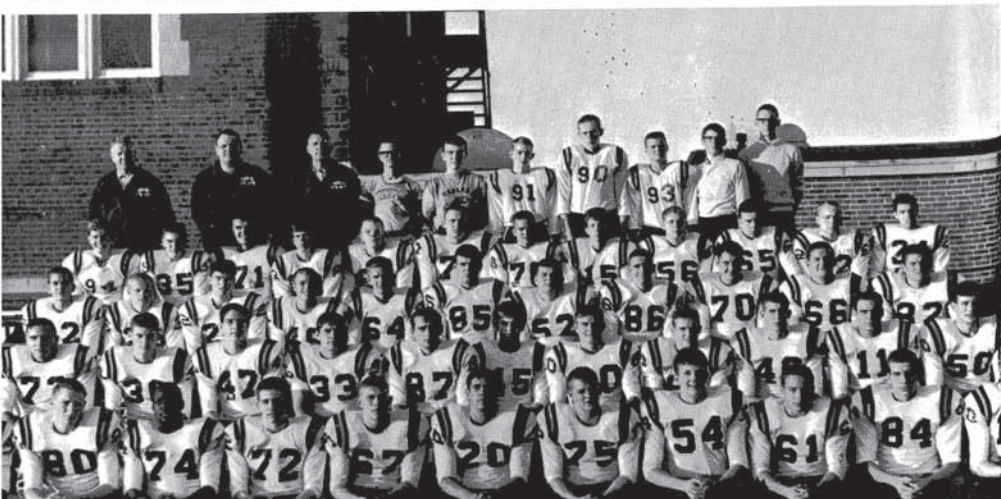

Driving forward, Mike Sheets heads for a hole in the defense.

Drills pay off.

Behind Waldron were Mike Sheets (a three letter winner), Bill Lillard, Charlie Bariether, and Brian Ford. When scoring was needed, these players came through with the points. Mike Casey and Tom Tresslar were two of the biggest ends that the Tiger's have had at one time.

The offensive line, one of the top ones that our school has seen, sprung the backs loose by their explosive action and hard hitting. 170 pound Paul Jacob, who was the top man at the guard position, was an example of the advantage showed by the line's speed. In the line, which could open those mammoth holes, were Joe Hewkin, Tom Tresslar, Rex Renfrew, L. C. Owens, Dan Franklin, and Dike Bialeschki.

The Urbana Tigers— a Superb Team

Quickness and pursuit were the qualities of the Tiger defense, which successfully held opponents to 564 yards rushing and 447 yards passing. Kim Kimberlin, who was voted an All-State linebacker, proved to be a threat to ball carriers. Ralph Waldron, Joe Hewkin, L. C. Owens, Mike Casey, Rex Renfrew, Dike Bialeschki, Brian Ford, and Charlie Briether made hard, sure tackles to seal escape routes, and Mike Sheets, Tom Tresslar, and Paul Jacob stopped ball-carriers repeatedly. As an example as to what the defense could do, against a potent offense at Lincoln, they allowed only 34 yards in Lincoln's 34 plays.

Good leadership from Captains, and Seniors plus interest in football kept the morale of the team at a high peak as shown by their victories over undefeated Centralia, Springfield, Bloomington, and the once defeated Champaign team. In practice, the team ironed out mistakes that were made in the first two games, and then met the challenge of the rugged Big 12 competition to become the third undefeated Urbana team in school history.

Tiger teamwork is our most important asset.

Gang tackling pays off

The sophomore football team was one of the most promising that Urbana High School has seen. Undefeated in all of their games, the team proved to be the superior one in the Urbana area. One of the biggest upsets was over the Champaign Maroons. Champaign's sophomore teams undefeated for 55 consecutive games fell twice to the merciless pounding of the Tigers! Another great game was over Mattoon with the score continuing to rise when the reserves went in. Captains of the sophomore football team were Jim Primmer and Brad Humes. The top backs were Nick Freeman, Junior Pelmore, Brad Humes, and Jerry Lyman, and holding in the line were Rusty Graybeal, Jim Primmer, and Ron Smith.

Cross-Country Team Wins 8 Out of 11.

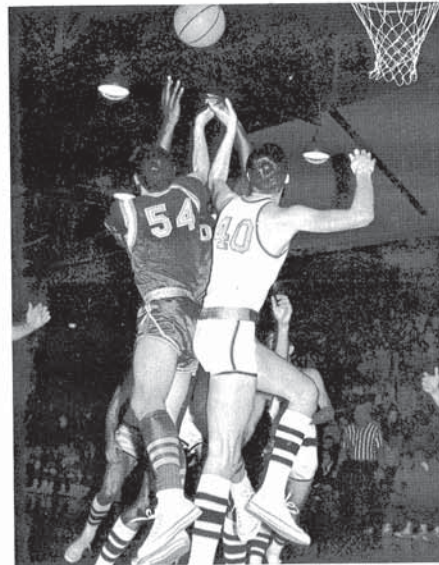

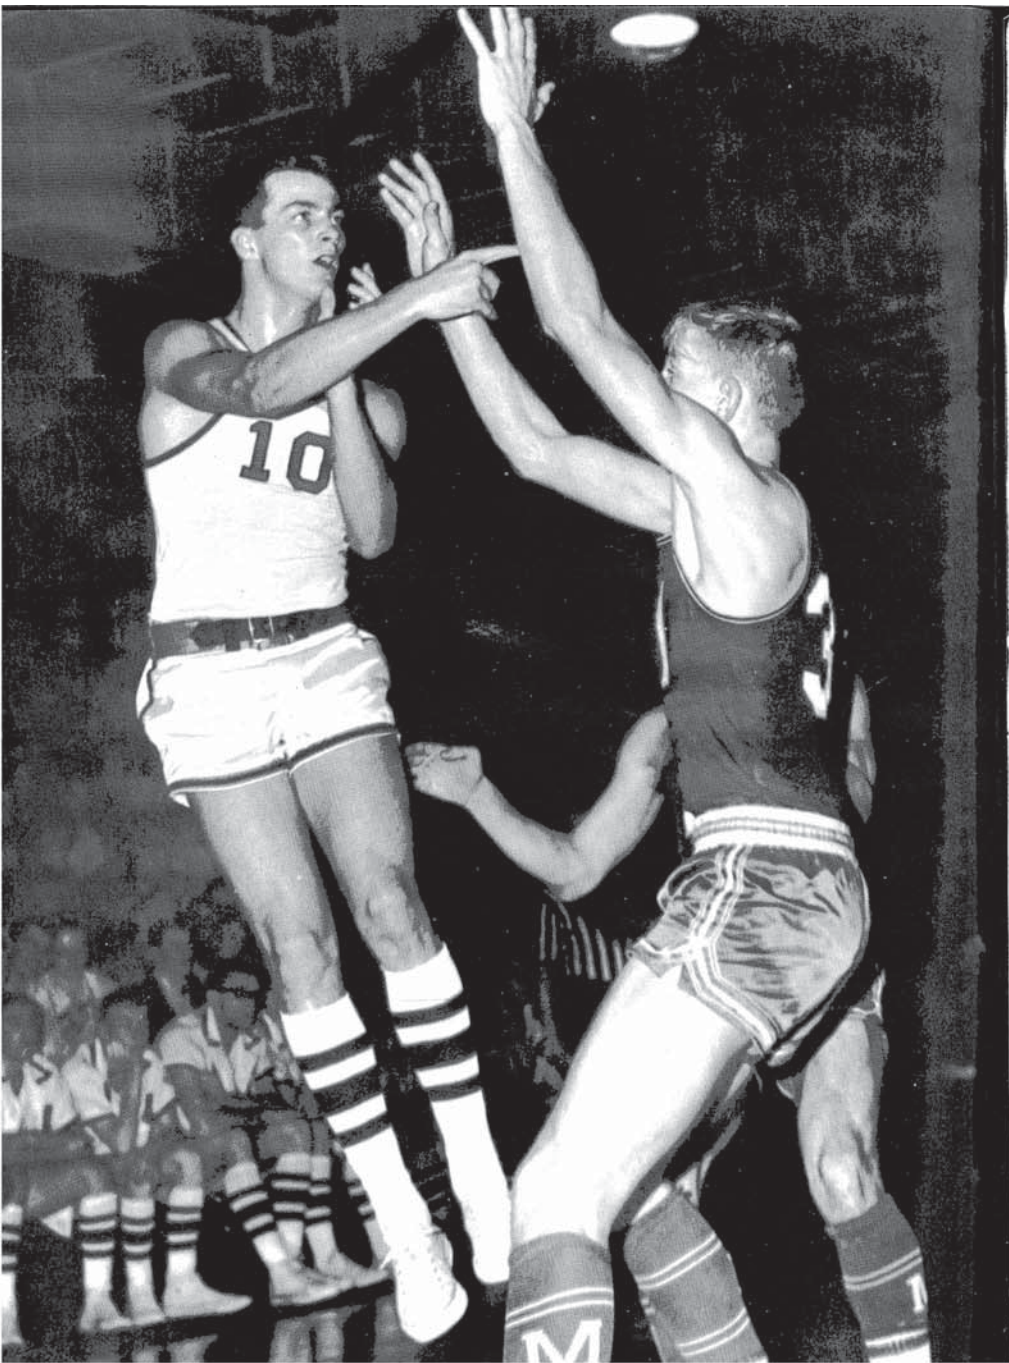

Once again Coach Gene Armer and a U.H.S. cross-country team, through exhausting practice, produced a winning season. Out of eleven dual meets, the Tiger harriers brought eight victories to U.H.S., and they placed second in the district cross-country meet and seventeenth in the state. In the conference meet, Mark Schmidt led the pack winning first with a record time of 9:23:1. Other outstanding seniors were Kirk Cureton, Dave Hodgman, and Marty Slade. Sophomore Alan Taylor was the first man among the sophomores and juniors with George Faber, Dave Parkinson, Lewis Childress, and Stan Dilley following closely. The 1965 cross-country team worked out in the summer heat and the chill of early winter to uphold Urbana's tradition of fine teams.

The 1965 Urbana High School basketball team won 16 games and lost 9 finishing 3rd in the Big 12 conference and having beaten rival Champaign in an early season win. Every night seemed like a good one as the Tiger's brilliant outshooting brought in victories. In addition to a high hitting percentage, the cagers were able to pick the ball from off of the boards with fine rebounding form. Captains Ralph Waldren and Jerry Treat provided the leadership necessary to mold the team into a working unit. Many times Waldren drove through crowded ranks to slip the basketball around, under, and over opponents then into the basket, and Treat was a consistent performer under the basket as well as outside of the key. Seniors Richard Pursley, who dribbled the ball through many tight situations, Richard Briscoe, Jack Chandler, and Geoff Mautz gave the team its depth.

Tiger's Win 16 of 25

The 1965 team contained several surprising individuals from the Junior and Sophomore classes. Don McDonald, the team's highest scorer with 16.6 points a game, was known to the Urbana sports fans as Lucky McDonald due to his accurate hitting talent, and pumping in beautiful turn-around-jump shots, Mike Casey earned a reputation as excellent center material. Sophomore, Larry Johnson and Clarence Winfrey gained valuable experience working in important games and did much to bolster the strength of Urbana.

Basketball is the second sport in which the 1964-1965 Sophomores won the Big 12 Championship. The Tigers lost only once in 18 games with two of their victories being over rival Champaign. Captains of the sophomore team were Jerry Lyman and Larry Johnson, Johnson being transferred to the varsity squad after the first few games. The main scorers were Jerry Lyman, Bill Armon, Bob Birt, Steve Leithleiter, Nick Freeman, and Junior Pelmore. These boys blended in a well-balanced team which liked to run, work the ball in near to the basket, and work together. Other valuable players were Joe Valerine, Gordie Herbert, Gary Runyan, Landon Walker, Scott Parker, Dave Larson, and Ed Kuester.

Coach Gremer's 1964-1965 wrestling team closed the regular season with a record of 1 win and 8 losses. While the team did not win many meets, there were outstanding highlights for individual wrestlers. Paul Jacob, team captain, won 8 out of 9 matches pinning 4 opponents for the maximum score. He later avenged the single loss by out-pointing the Danville victor in the Conference tournament. Louis Fincham won 5 and had 1 pin, and Joe Hewkin won 4 with 1 pin in regular season meets. Marty Slade, John Chaney, and Rick Brown each won 3 matches.

Coach Stan Summers arranged a tough schedule for the 1965 Tiger Swimming team to which the team reacted with good spirit and fine individual efforts. Captain Bill Noyes usually led the group in the 400 and 200 yard freestyle, while senior, Steve Gilbert, and junior, Paul Brown held off opposition in the breast stroke. Besides Noyes, Kirk Cureton, Smitty Hopkins, Paul VanArsdell, Bob Mussey, and Dave Lockard put in fine efforts in the Freestyle. Bill Munse, a junior, was a top contender in both the backstroke and the crawl, and perhaps the most versatile swimmers on the team were Ted Beyers and Bob Scott who proved themselves in the four different strokes of the individual medley relay. Nick Hastings and Paul Bennett were especially good in the butterfly.

Tigers Are on the Right Track

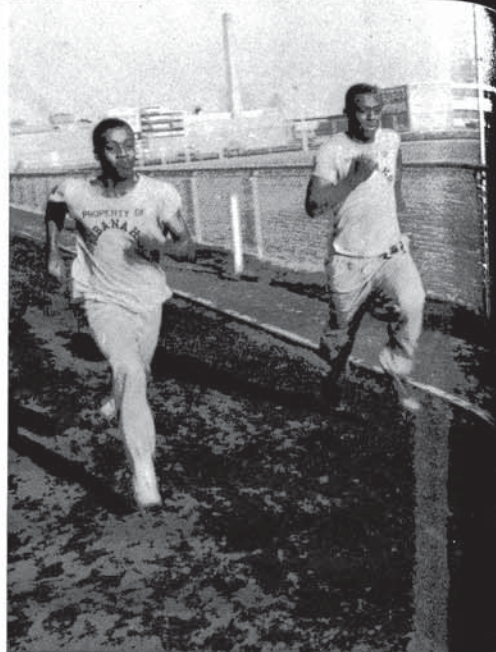

The 1965 track practice got a late start with winter weather lasting into the first days of spring. At the beginning of the track season, when this book was printed, the Tiger team showed promise with strong returning individuals and excellent newcomers. Seniors who were outstanding for their three years in high school were Mark Schmidt, Kirk Cureton, and Ralph Waldron—middle distance, Mike Sheets—shot and discus, and John Colson and Bill Brown—sprints. Track captain, Charlie Bariether took control of the 440 in early practices, and Clarence Winfrey and Bill Lillard worked on the other sprints. In the hurdles were Robert Hamm, Mike Casey, and Bill Brown. In the field events, some competitors were Evan Holmes, and Dan Franklin—pole vault, Bob Smith, and Gerald Wood—high jump and broad jump, and Rex Renfrew and Tom Tresslar adding to the discus and shot put. After practicing in the tight cornered Urbana Armory, the Tiger team placed second in the first meet of the season, the Oak Park Relays.

Four returning lettermen made this year's Golf Team a very successful one. Lettermen Lou Casagrande, Larry Merrick, Don MacDonald, and John Chaney held four of the top five positions throughout the year. The many challenges needed to fill the fifth spot, however, showed the strength of the team.

Late March saw the golfers trudge out to a rain-soaked field to spray shagg balls in all directions. Finally the weather warmed up, and golf balls began to fly a little straighter, and the scores were a little lower. As May came in, the team prepared for the District and Big Twelve meets.
