Believe in your dreams
Don't ever under estimate
The power of your dreams,
For anything is possible,
No matter how it seems.

In each of us there lies the strength
To make our dreams come true,
To do what seems impossible
And to make a difference too.

It only takes a simple dream
To start us on our way
Our achievements of tomorrow
Are the dreams we have today.

There are four rungs on the ladder of success:

Plan Purposefully,
Prepare Prayerfully,
Proceed Positively,
Pursue Persistently!

Mother, Eloise Haynes*

On July 16, 2003, God came for one of his angels. Sis. Eloise Haynes stepped from this life on earth into eternity. She left many wonderful and precious memories with her children, friends, and "play" daughter, Sis. Audrey Keaton Mock.

Wynita, if mom could speak to you today, her advice would be, "Don't ever give up on God and he will never give up on you. Trust in him with all your heart and lean not on your own understanding, in all your ways acknowledge Him and He will direct your path."

We are proud of you and may God continue to keep and bless you on this journey!!
