Debutante Hillary Fears

My very beautiful and very intelligent daughter,
Hillary Corinne Fears.

Congratulations on your selection as a
"Debutante for 2006." God gave you to me as a very
tiny, 1 pound, 11 ounces infant, along with your 1 lb 6
oz. twin sister, Heather. You were so small I could
hold both of you in the palm of my hands. Hillary, even
then, I knew you were strong. I knew you would
survive and thrive. Growing up, you were always
determined-minded. Keep that same determination as
you cross over into adulthood and move on to college
and medical school.

Life has so much to offer. You are on your way to
building a wonderful future. Be careful in the choices
you make. Continue to strive for excellence in
everything you do. Always exercise good judgment.
Keep your eyes on your goals and you will reach them.
Don't forget, if you take your eyes off your goals, all
you will see are obstacles.

My daughter, I know that one day I will call you,
Dr. Hillary Fears.

Remember to always live a good, honorable life so
when you get older and think back, you will enjoy it a
second time. Always keep your words soft and sweet,
just in case you have to eat them.

Finally, my baby daughter, I love you more than you can
ever imagine. I am very proud of your accomplishments. You
have both my prayers and support.

Your mother,

Cynthia Diane Fears

To my twin sister, Hillary Corinne Fears.

You go girl !!!!

I love you sis.

Heather Christine Fears

Hillary, we are with you in spirit and we are watching you from the windows of heaven. We are very happy and proud of your accomplishments.

With love,

Your grandparents, Ivory and Earnestine Bew

To Hillary... Our "Growing" Butterfly

The Angelic Butterfly (Kind Angel)

I found safety in my cocoon for many years, sheltered from the hurts life threw my way.

I've been growing one day at a time, to become the beautiful, angelic creature I'm meant to be within the haven of the cocoon.

Then one day, with lots of hard work and determination, the cocoon cracked and the Angelic Butterfly emerged stronger than ever before.

As the wings slowly unfurl, so many dreams, long forgotten, are beginning to be realized.

As the comfortable fear melts, and feelings are felt, the wings are fully expanding to reveal the true beauty.

As the butterfly is beginning to take flight and soar to new heights once thought impossible.

With the help of God, and the Angels, the only way for this butterfly to go (as all butterflies go)

Is UP! UP! UP!

LOOK OUT WORLD...
The Angelic Butterfly
