### No Charge

For the nine months, I carried you growing inside me, no charge.  
For the nights I sat up with you, doctored on you, prayed for you, no charge.

For the toys, food and clothes and for wiping your nose,  
there is no charge.

When you add it all up, the full cost of real love is no charge.

For the nights filled with gray and the worries ahead, no charge.

For advice and the knowledge and cost of your college,  
no charge.

For the time and the tears and cost through the years,  
there is no charge.

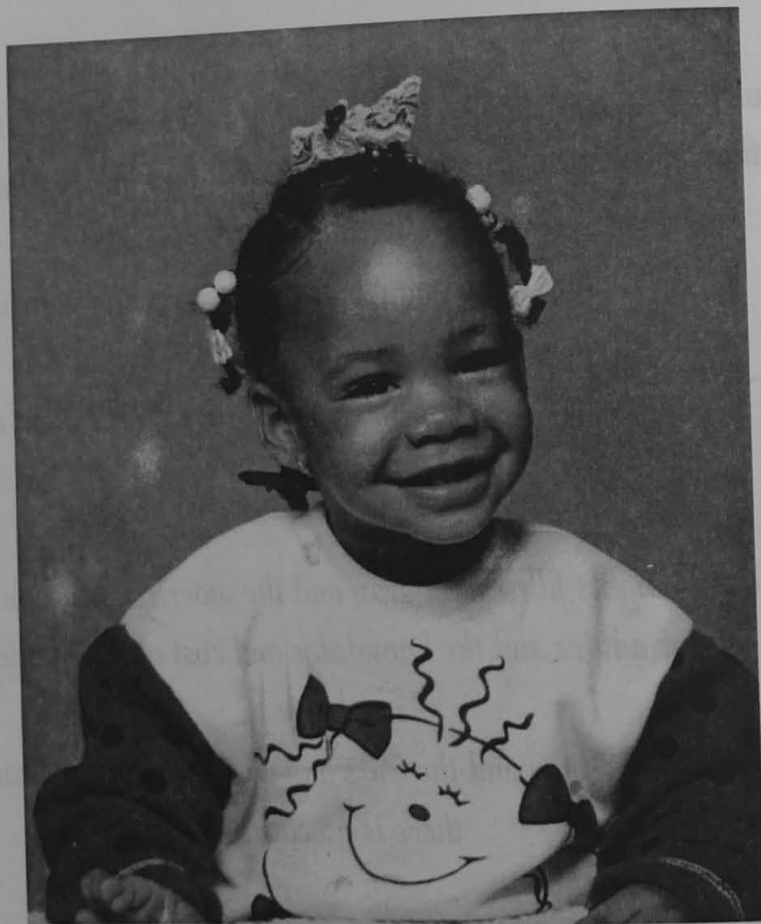

When you add it all up, the full cost of my love is no charge.

For My Godchild  
Wynita

As pure as the winter's first snow. . . . .  
You are a vision of innocence blessed from afar.  
Sent to this earth for us all to love  
A cherished, adorable gift from above.  
A child of the angels and Godchild to me.  
The dearest of treasures there ever could be!

From the Corbin-Bailey Family

God's love is all around us  
in so many simple things,  
In the colors of a sunset,  
in the warmth  
that sunshine brings,  
In the blessing  
of those people  
who can brighten up  
our days  
With the kindness  
in their hearts  
and with their thoughtful  
caring ways.

Love,  
Aunt Cathy

### WAY TO GO

You have it going on  
Hold your head up  
and stay strong!  
The path that you have taken  
can't possibly steer you wrong!  
Spread those wings  
Dance around  
Strut your stuff all over town!  
You have earned your place  
It's all yours now  
Never let them tear you down!

May continued success keep coming your way!

Love Uncle Bill

## Congratulations Wynita

The dawning of a new era for you, a time to grasp what life has to offer. To accomplish anything your mind want to, to grow, to learn, to prosper.

To enter the world with your great desires and make a difference on this earth. To realize you can do anything you want, using your potential and your worth.

The future is yours to live how you will, and make the most of the talents the Lord has installed.

I congratulate you, Wynita, on how much you have grown. And pray the Lord watches over you, as you venture into the unknown.

#### Remember

Remember that a little love goes a long way  
Remember that a lot ... goes forever  
Remember that friendship is a wise investment  
Life's treasures are people ... together  
Realize that it's never to late.  
Do ordinary things in an extraordinary way.  
Have health and hope and happiness  
Take the time to wish upon a star  
And don't ever forget .. for even a day ...  
How very special you are.

I can't believe that it's finally your time. Words cannot express how very happy I am for you. I guess I wasn't too bad of a mentor (movie night, missed curfews, house parties, etc.) I really want you to enjoy this night and embrace the ceremony because it is truly a symbolic of your transition into womanhood. This is a joyous occasion for all who have gathered to support you. Please look out into the crowd and know that each and every one of us is here for you, tonight, and from here on, we will stand behind you in whatever path you choose for your life. (Hopefully that path leads to TSU).

Love SOOOOOOOO Much
