Work Hard: Hard work is the best investment a person can make.

Study hard: Knowledge enables a person to work more intelligently and effectively.
Have the spirit of conquest: thus you can successfully battle and overcome
difficulties. In all things do your best: the person who has done their best has done
everything. The person who has done less than their best has done nothing.

Remember to "Trust in the Lord with all your heart, and lean not on your own
understanding: In all your ways acknowledge him, and he shall direct your paths.

Proverbs 3:3-6

TO QUOTE MAYA ANGELOU

This is what I wish for you—

"How important it is for us to recognize and celebrate our heroes and she-ros!"

"One isn't necessarily born with courage, but one is born with potential. Without courage,
we cannot practice any other virtue with consistency. We can't be kind, true, merciful,
generous or honest."

"Love is that condition in the human spirit so profound that it allows me to survive and
better than that, to thrive with passion, compassion, and style."

"Life loves to be taken by the lapel and told: I'm with you kid. Let's go."
