Brian Ford's situation: "Shall I run around him and make him look bad or run over him and make him look worse?"

The Urbana Tigers "did it again." Impressively! The offense, including the best backfield in Urbana history, rushed for a total of 2670 yards. Of that total, 2170 yards were gained by backs Bill Lilliard (550 yards), Brian Ford (623 yards), and All-State halfback Charlie Bareither (997 yards). To relieve the pressure on these three break-away threats, blossoming quarterback Herb Sliger threw well-placed passes to ends Jim Primmer, Mike Casey, Don Carter, and Doug Koch. Sliger proved especially effective in the Danville game, completing 8 of 10 tosses for 143 yards.

Defensively, the Tigers were the toughest ever, allowing only 437 yards rushing in 245 attempts for a 1.8 yards per carry average and a 48.5 yards per game average. Against such a stingy line, opponents took to the air but completed only 39 of 125 passes.

This year Urbana was picked as favorite in the Champaign game—a rarity. But unlike their rivals, Urbana did not allow an upset, steam-rolling to a 19—0 lead before Champaign managed to score. The victory brought Urbana its second Big 12 crown and second win over the Maroons in a row. This was also the Tiger's fifth conference championship in 9 years and the third victory over Champaign in 4 years. How did they do it? "Unselfishness," said Coach Smith. He also praised the leadership of co-captains Dan Franklin and Brian Ford.

Bareither displays deftness off, as well as on, the playing field.

Urbana's sophomore team showed good potential despite a 5—4 record. The team had good moments, but rugged opposition, mistakes, and inconsistent play accounted for most of the losses.

A standout for the young Tigers was halfback Danny Morris. A bruising runner, Danny led the sophomores in rushing and touchdowns. The team was quarterbacked by Blake Weaver who, along with backs Dave Dilley, Chuck May, and Danny Bareither, gave the sophomores a crunching ground attack. Exceptional players in the line were ends Greg Foster and Ardell Webb, and linemen Tom Dickinson, Larry Henderson, and Pat Walsh.

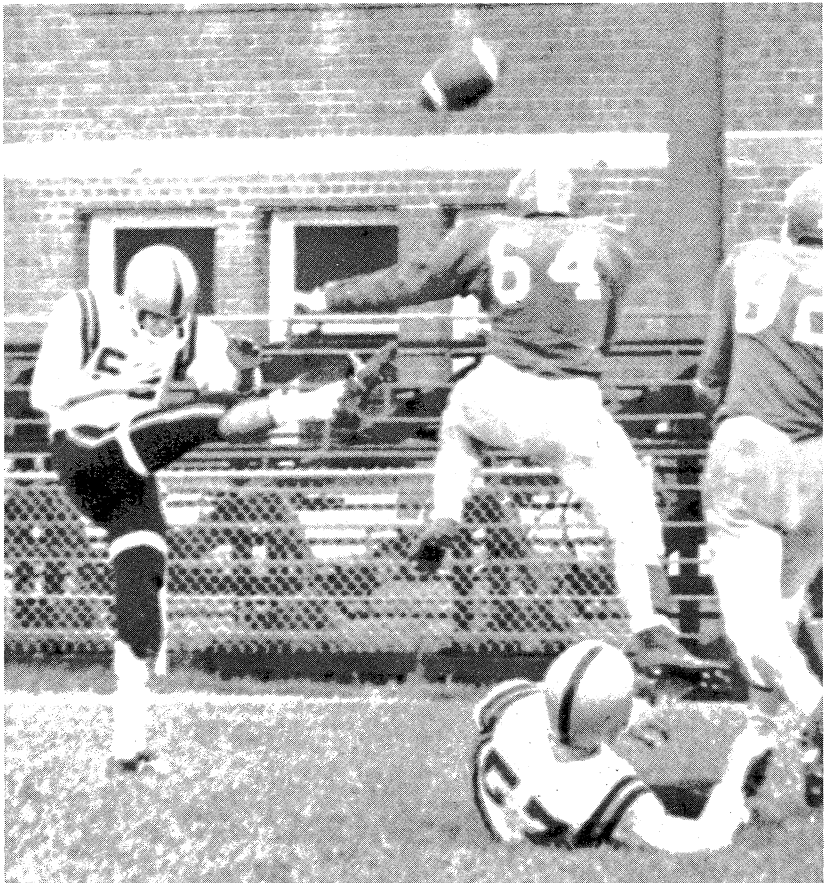

Outstanding end, Greg Foster, sprints for the goal line.

Cross Country Team Shines

Urbana's 1965 cross-country team proved to be one of the finest, if not the finest, of Coach Gene Armer's career. To achieve this description, the harriers accumulated an impressive list of accomplishments.

They were undefeated in 12 dual meets, including 2 shut-out victories over Champaign and 2 near-perfect victories over last year's Big 12 champion, Danville. They placed second out of 31 teams at the Peoria Invitational, possible the toughest early-season invitational in the state. Using their second team, they placed first at the Mattoon Invitational and had 4 in the top 20. They won the Big 12 Championship crown, picking up the first 2 places. And they won the district meet, scoring a record low of 21 points, the nearest competitor being some 70 points away.

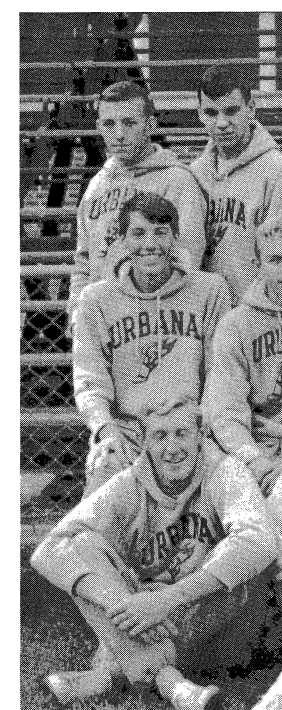

Urbana's success was a result of hard individual work over the summer, great desire during the official season, and the outstanding leadership of returning captain, Alan Taylor. So well did the team perform that Coach Armer felt that this was the best group with whom he had worked. "They always did what I asked," he was quoted as saying.

Tigers Gain Berth in Sweet Sixteen

Balance, shooting, and speed were key factors in a great season for the 1965-66 Tiger basketball team. Each of the starting five gained scoring honors in at least one game, and early in the season their pre-game averages were within 2 or 3 points. As the season progressed, however, scoring responsibilities fell more heavily on forwards Larry Johnson and Don McDonald and center Mike Casey. Urbana made good use of the speed of its two guards, Clarence Winfrey and Jerry Lyman, who pressured opponents into a great many errors. Adding to Urbana's strength were Jerry Wells, Gary Ruppel, and Bill Armon.

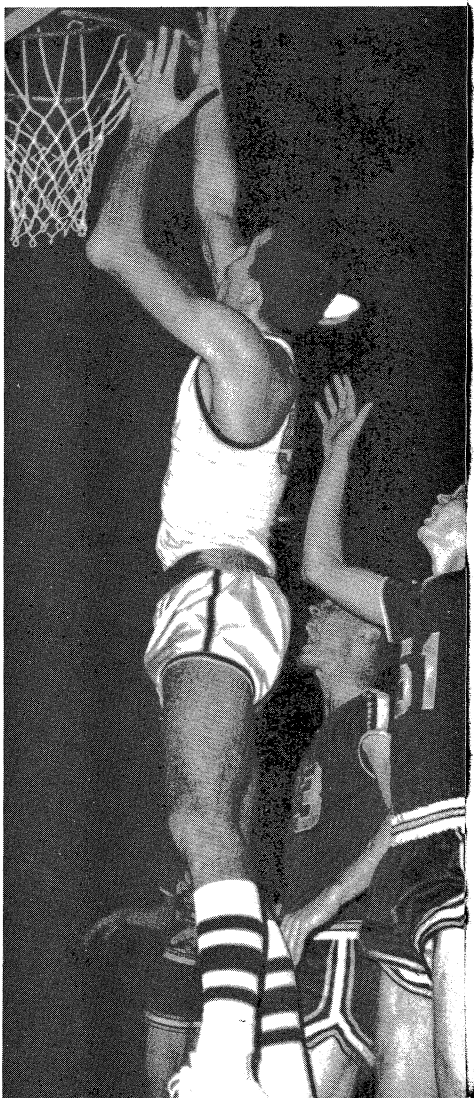

Close losses suffered early in the season managed to keep the strong Urbana team from gaining its first Big 12 Championship in 20 years. In fact, close contests, victorious and otherwise, were a characteristic of this team, as 12 of their games were decided by 6 or fewer points. The season was highlighted by victories over strong Schlarman, Springfield, and Lincoln teams, and two victories in three games over Champaign.

The real prowess of the Tigers was exemplified as they powered their way through Regional and Sectional tournaments and into the Sweet Sixteen. A new school and team spirit was evident as the tournaments began and the Tigers crushed Uni High 105—58, setting a new school point record. A victory over a talented Bellflower team preceded an Urbana win over Champaign in the finals of the Regional tournament. A week later the Tigers shaded state-rated Schlarman 69—67 and then beat Armstrong 63—54 to earn a Sectional trophy and a berth in the Sweet Sixteen.

Explosiveness gave the Sophomore Tigers the reputation of an exciting team, while steady rebounding, defense, and quickness gave them a fine 12—6 record. Their ability to score quickly while keeping opponents from scoring was never more evident than in their first Springfield game. Leading precariously at the half, the young Tigers stormed back with 36 points in the third quarter, scoring 26 of those before Springfield managed a point! A team with tremendous individual talent and team potential, Coach Dave Casstevens' Sophomores could well be molded into one of the best varsity squads ever.

The Urbana wrestlers, although young and inexperienced, compiled a fine and respectable season record. Leading the Tigers was captain Lou Fincham who was unbeaten in regular competition and who won the conference and district 112 pound class championships. Although the team did not achieve such an outstanding record as has been experienced in some years, the efforts of the underclassmen grapplers predict strong teams to come. Coach John Gremer's 1965-66 team will undoubtedly provide the nucleus of a team which will return the Big 12 wrestling power to where it belongs—U.H.S.

This year the Urbana swimmers displayed their usual individual strength, as well as an unusual team power. Although losing several meets by close margins, the Tiger tankmen managed seven wins out of twelve meets and a fourth place conference finish. Pacing Coach Stan Summer's team were standout seniors Bill Munse and Bob Scott, juniors Ted Byers, Nick Hastings, Dave Lockard, and Paul Brown and sophomore Bruce Bowser.

Tigers Take Up Tennis

Tennis was added to the list of spring sports this year at UHS, and Coach Stan Summers hopes that it will develop into an Urbana strength. Many of the team members have enjoyed the sport during summer vacations and are more than happy to be able to play in high school competition.

Coach Gene Armer (right) and assistant Herb Sliger prepare for another great season.

The 1966 Tiger Track Team, one of the finest in school history, should successfully round off a fantastic year of sports at UHS. Proof of this prediction is already evident as the Tigers flexed their muscles in two large meets, the newly organized Central Illinois Relays and the MacArthur Invitational Track Meet. In the CIR, held in the U. of I. armory and co-sponsored by UHS and CHS, the team swept all four relays to out-score the nearest contender (CHS) 48 1/2 to 30. But that was only a warm-up, for at MacArthur a week later they amassed 79 points to the 36 of second place CHS.

Standouts for the Tigers are captain Charlie Bareither in the 220 and 440, Chuck Warwick in the 880, and John Lockard in the mile. The excellent early season times of these three boys rank them high in state competition. Others who show great promise are Alan Taylor, John Mamer, Bill Enlow, Dave Parkinson, and Mike Eastin in the middle distances and Gary Ruppel, Jim Primmer, Clarence Winfrey, Bret Sutton, Bill Lilliard, and Mike Casey in the sprints and hurdles. Brad Humes should be strong in the discus, and Herb Tiedemann and Rex Renfrew in the shot. In the pole-vault Dan Franklin and Dan Sherrod should do well, in the long jump Clarence Winfrey, and in the high jump Mark Childress.

The *Echo* experimented with make-up this year, eliminating column rules, giving the paper a less cluttered look. Distribution was changed to the classroom resulting in greater sales. The *Echo* created a Page of Issue Award which was credited to the division editor who received the greatest number of points based on certain standards. The fifteen staff members worked harder and as a result, the *Echo* showed great progress.

Along with Girls' State and Boys' State, DAR and SAR Citizenship Awards, Urbana High School had a new Senior honor this year, the Elks' Leadership Award. Delegates to Girls' and Boys' State were chosen on the basis of scholarship, interest in government, and interviews. The recipients of the DAR, SAR, and the Elks' Awards were elected by the vote of the Senior Class, which based its choice on good citizenship and leadership abilities. Senior Julie Petty and Junior Jerry Lyman fought to defend their respective classes in the Hatchet Oration on Class Night.

Student Council Broadens Activities

This year Student Council made a special effort to include all students in its activities. They held an orientation program for new students and made a catalogue of students special interests. Exchanges took place throughout the year with other schools in the state. At Christmas, the Student Council sponsored a food and clothing drive for the needy. Student Council also sponsored several dances.

American Field Service

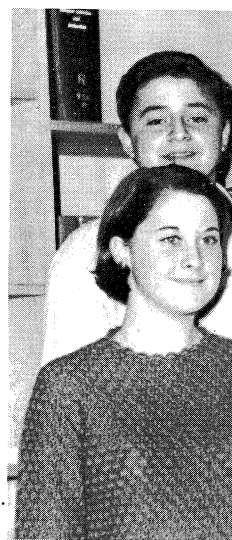

As in the past years, Urbana High School was fortunate to have a successful A.F.S. committee. The cultural exchange program brought to U.H.S. Francie Wuyts from Belgium and for the first time enabled two local students to go abroad. Barbara Bennett spent last summer in Turkey and Bob Mussey spent the past school year in Switzerland. In order to continue the program next year, the A.F.S. committee sold donuts, held Bermuda Day, and sold candy with help from the Junior High School.

SK, F.H.A., Den Council Provide Varied Activity

Again this year, the Social Klub began its activities with a Big-Little Sister Party which helped the sophomore girls become acquainted with Junior and Senior girls. During the football season, two hops were held with proceeds going to A.F.S. and Student Council. This spring the annual SK Breakfast was held for the Senior members.

F.H.A. started the year with a cookie bake to arouse interest in their organization. It was successful and 37 members were initiated in February. At Christmas, the members and their families

had a pot-luck supper. In order to raise money for field trips, they sold taffy apples to hungry students and teachers.

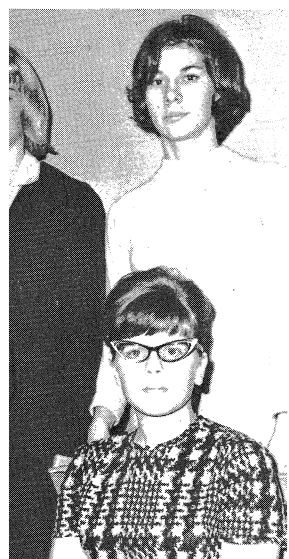

Den Council has worked hard this year, cleaning and repainting the interior of the Community Building. Bands and combos added to the atmosphere to encourage students to come to the Den. In the fall, the Den Council sponsored the Homecoming Dance and at Christmas, gathered food for the underprivileged.

The Library Club is designed to give library working experience to any student who is interested. This year the 40 members again held the Paperback Book Fair and the paper drives. Something new was a dance, "Mardi Gras à Go-Go," to raise money to send two library assistants to the Library Science Workshop at Indiana University. During the school year, members attended S.C.L.E.C.I. and I.S.L.A., the regional and state student librarian organizations.

FTA members kept busy with monthly meetings and various special projects. The year began with initiation which was followed later by movies and panel discussions. The club is sponsored by Miss Marie Bauer. This spring seniors became Cadet Teachers, observing and assisting teachers throughout Urbana schools for a period of six weeks.

The French Club started the year with the initiation of forty new members. The annual picnic was held this spring at Hessel Park, and next year's officers were elected there.

Venezuela seemed to draw a great deal of attention from Spanish Club members. Two guests told of life in that country, providing two of the programs between the club's social events. Terrapin's 22 members turned to comedy for their show. The show was presented four times and consisted of 14 numbers which portrayed various comic strips and television shows ranging from Dick Tracy to the Addams' Family.

Orchesis, too, used the ghouls of the Addams' Family as a basis for one of its 18 dances in the 1966 show. For the first time, placards were used to introduce the numbers which portrayed the nation's night life. Another first was that of boys taking part in a dance.

"Oh Dad, Poor Dad, Mama's Hung You in the Closet and I'm Feeling So Sad", "A Thurber Carnival", and the annual spring play. "A Thurber Carnival" was taken to the state speech contest in March.

The Folksong Club, sponsored by Mrs. Karen Armstrong, was a new organization this year. It provided an opportunity for interested students to hear and observe folksingers. They also learned the background of many folk songs.

This year the orange-plumed Tiger Marching Band moved through their formations, entertaining crowds at Champaign and Springfield, as well as at the home games. Over fifty numbers were performed during the season, including those

played in local parades and on Band Day at the U of I. Homecoming was highlighted by popular selections which ran from "Supercalifragilisticexpialidocious" to "Goldfinger".

Quill and Scroll is the international honorary society for journalists. The members are those juniors and seniors who work either on the *Echo* or *Rosemary* staffs, who rank in the upper third of their class, and have the recommendation of their sponsors.

The photographers took hundreds of pictures to satisfy the needs of both *Echo* and *Rosemary*. Many hours were spent in taking, developing, printing, and drying the pictures necessary for the numerous deadlines of the two publications.

The Urbana chapter of JETS, the Junior Engineering Technical Society, served as a stimulus to students interested in math and science. The advisor, Mr. Paul Smith, helped members on projects for the state science contest.

JETS CLUB OFFICERS: *Front Row left to right:* Cynthia Malmstadt, Sec.; Elgin Summerfelt, Sgt. at Arms; *Back Row:* Dave Larson, Treas.; Larry Johnson, Pres.; Bill Armon, V-Pres.

People

Superintendent Ray Braun

The Urbana High School is the proud possessor of a splendid addition. The capacity of the school has been increased to accommodate six hundred more students and in providing for them, facilities have been added which will furnish a better education for thousands of students in ensuing years. We owe a debt of gratitude to the Board of Education for the initiation of this addition and to the citizens of the school district for their approval and support.

Congratulations to the Staff for this excellent Rosemary and best wishes to the students of Urbana High School. To the Seniors of 1966, let me wish a happy and successful life full of wonderful and satisfying accomplishments.

BOARD OF EDUCATION—*Front row:* Mrs. Ruth Burnham; Dr. Lowell B. Fisher, Pres.; Mr. Harold Miller, Secy. *Back row:* Mr. Jack D. May; Dr. Norris L. Brookens; Dr. Peter E. Yankwich; Mr. Lyle Grace.

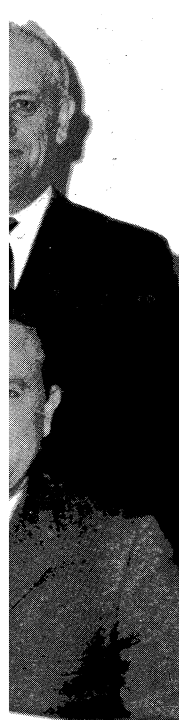

Principal
Ralph S. Davis

To the Seniors of '66

Your class has been a part of many of the events you will remember, and because of the devoted and energetic efforts of your Rosemary staff, remembering will be easier.

You will undoubtedly remember many things, but certainly you will recall the achievements of your athletic teams, the excellent academic records established by many members of your class and maybe even the toil and fun you had in achieving this milestone. Surely, you will reflect that during your years at U.H.S. you saw our school grow and the new addition being planned and finally you saw its completion.

As you leave, remember one other thing, in the years ahead, do the things which will bring honor and esteem to you and to your Alma Mater.

MISS SARAH JANE FISHER

As busy as ever with her responsibilities as Dean of Girls and Assistant Principal, Miss Fisher still found time to serve as sponsor of S.K., Chairman of the Activity Calendar and Faculty Committees, Chairman of Scholastic and Honor Societies, and Co-Chairman of the Guidance Committee, handling college scholarships, and testing. Miss Fisher received her A.B. degree from the U. of I. where she was a member of Mortar Board and Kappa Delta Pi. She received her M.A. from Columbia University in New York City. This year, Miss Fisher has been elected to "Who's Who of American Women Educators". For the past two years, she has been the State President of the Illinois Association of Women Deans and Counselors.

Lincoln Square Hosts Junior Prom

The junior class elections produced capable officers in Paul Brown, president; Danny Smith, vice president; Sigrid Johansen, secretary; Betty Graham, treasurer; and Elgin Summerfelt, publicity chairman.

As in other years, the juniors put most of their effort into work on the prom which was held in Lincoln Square Mall. Their main money-making project was the sale of Stanley Products, supplemented by a candy sale and a car wash last summer.

Sophomores Continue to Commute

The class of '68 was led by president, Guy Maynard; vice president, Tom Moyer; secretary, Lynda Wingler; treasurer, Julie Murphy; and publicity chairman, Rhea Licht.

They, like last year's sophomores, trudged to the Junior High for many of their classes. They were completely "high school" in their energetic money raising projects, including two bake sales and a spaghetti supper. All were successes and will help to pay for next year's homecoming float and Junior-Senior Prom.

Mrs. LeSeure's gentle prodding, lost layouts, last-minute picture taking, endless typing, frantic late, late nights before a deadline, skipped meals, gumdrops, unfinished homework, missed basketball games—all became a part of our lives as Rosemary Editors. Perhaps had we known in September what October through May would bring, we would have been less confident and optimistic about what is now a completed Yearbook. Nonetheless, what's done is done—we present the 1966 Rosemary for your enjoyment.
