Financial Report

The project is currently operating within the limits established by the approved extended budget. The joint board after approving bills to be paid issues a monthly financial statement is issued. Included with this statement of progress is also the proposed budget for Phase II. The total amount which is greater than that originally anticipated, reflects the overall success of the project, and those additional elements necessary in achieving the center's goals.

Statistical Report

Circulation continues to make phenomenal strides. Circulation for our first month of operation was thirty-seven, present circulation for one-half of the month of August is two hundred and twenty-two volumes. Attendance at special programs is always high. To date, "A Soul Experience", has has the greatest attendance with 358 people.
