Our regular story time and movie hour continue to draw large crowds. A reporter who was in to do a story from a local newspaper found the number of people in attendance amazing.

"The Honeys", a local senior citizens group is now making use of the library. They meet in the library every other Thursday at 1:00 P.M. They have requested that we have more large print books.

On Saturday, July 24, the director participated in the regional conference of the National Council of Negro Women. Mrs. Christine Johnson was guest of honor and she, along with the other ladies was quite impressed with our library exhibit. Mrs. Johnson and members of the National Council have asked that they be placed on our mailing list for our dedication ceremony.

Our meeting this month with the State Librarian, Mr. Alphonse Trezza was both informative and beneficial. Phase I of our revised budget has been extended as requested to December 31, 1971.

Total Book circulation for the month: 189

Total story hour and culture study attendance: 362
