Compiled by Noah Lenstra

Scope of collection: This collection includes newsletters published by local organizations, businesses and government entities, including Churches, University Units, Hospitals, Park Services, Museums, Neighborhood Groups, Advocacy Groups, Youth Groups, School Groups, and any other group from the Champaign County area.

NOTE: THIS COLLECTION IS BEING REGULARLY UPDATED. PLEASE CONFIRM WITH ARCHIVES STAFF FOR CURRENT AVAILABILITY

Date range of collection: 1912-2008, with most newsletters coming between 1970 and 2008, with ongoing collection of newsletters from local organizations. Date range of every newsletter is found in parentheses after the entry. Date ranges are approximate. The Archives may not hold every newsletter in a particular date range.

Note on arrangement: Newsletters are arranged by title of the organization, and not the title of the newsletters themselves. For example, "Center Post" published by the Americana Healthcare Center is found under "A" and not "C."
