

## Climate of Community and Police Relations: Champaign-Urbana, IL

This survey is being conducted by Champaign-Urbana Citizens for Peace and Justice (CUCPJ). It intends to get a general sense of resident attitudes towards the Champaign, U of I Campus and Urbana Police departments and officers. Any of your identifying information will be stripped from your survey in order to protect your identity. With that said, feel free to answer honestly. Your answers will provide us insights that will help shape an upcoming community forum on how to improve and restore relationships between the various police departments and the community. The Community Forum will be held on April 15th at Salem Baptist Church from 5:30-8:30 and we hope to see you there!

If you have any further questions about this survey or the upcoming community forum please feel free to contact Regina Pritchett at 617-388-2615.
