**A MESSAGE FROM THE PRESIDENT
OF GAMMA UPSILON PSI SOCIETY...**

Dear Cotillion Supporter,

Thank you for your continued support of our annual Cotillion Ball. For 32 years your financial support has provided scholarships for more than 400 debutants. Many former debutantes have returned to the Champaign-Urbana community with college degrees and are productive members of our community.

In its infancy, thirty-two years ago, the men of Phi Beta Sigma Fraternity sponsored the first Cotillion in the Champaign-Urbana area. In 1974, Kathryn Humphrey and Margaret Smith organized a group of community women to assist the Sigmas with the Cotillion. Since 1977, this organization, Gamma Upsilon Psi Society, has been the sole sponsor of the Cotillion. Within the past ten years, Gamma Upsilon Psi members are proud to have helped start Cotillions in Danville, IL and Marietta, GA.

Patricia McKinney Lewis

Today, with the grace of God, we continue to promote academic excellence and higher learning. Tonight, we proudly present 13 young ladies and introduce them to society as debutantes 2004. Please join us as we applaud their accomplishments and congratulate them as they pursue their future endeavors.

I genuinely hope you will enjoy the pageantry we have planned. Gamma members have diligently worked to produce a quality Cotillion. Each year, we have experienced an exhilarating, thrilling, dazzling, effervescent, magnificently electrifying, sensationallly invigorating Cotillion. Eyes have not seen and ears have yet to hear what is in store for your enjoyment tonight.

Thank you to the escorts, parents, family members, and friends who assisted the debutantes this year. We appreciate your dedication and commitment making this year's Cotillion a success. **GOD HAS A BLESSING WITH YOUR NAME ON IT!**

In all things, to God be the Glory for all He has done for us and brought us through to this year. God always gives us more than we deserve. We give Him all the praise, the honor and the glory.

Thank you,

Sincerely,

PATRICIA MCKINNEY LEWIS

All your dreams and future goals can come true, if you look to the Lord for guidance and strength, work hard and keep focused.

Trust in the Lord with all thine heart:
And lean not unto thine own understanding.
In all thy ways acknowledge Him and He shall direct thy paths.
Proverbs 3:5-6

Seek ye first the kingdom of God, and his righteousness:
And all these things shall be added unto you.
St. Matthews 6:33

Congratulations Debutante Karen Michelle Carter!

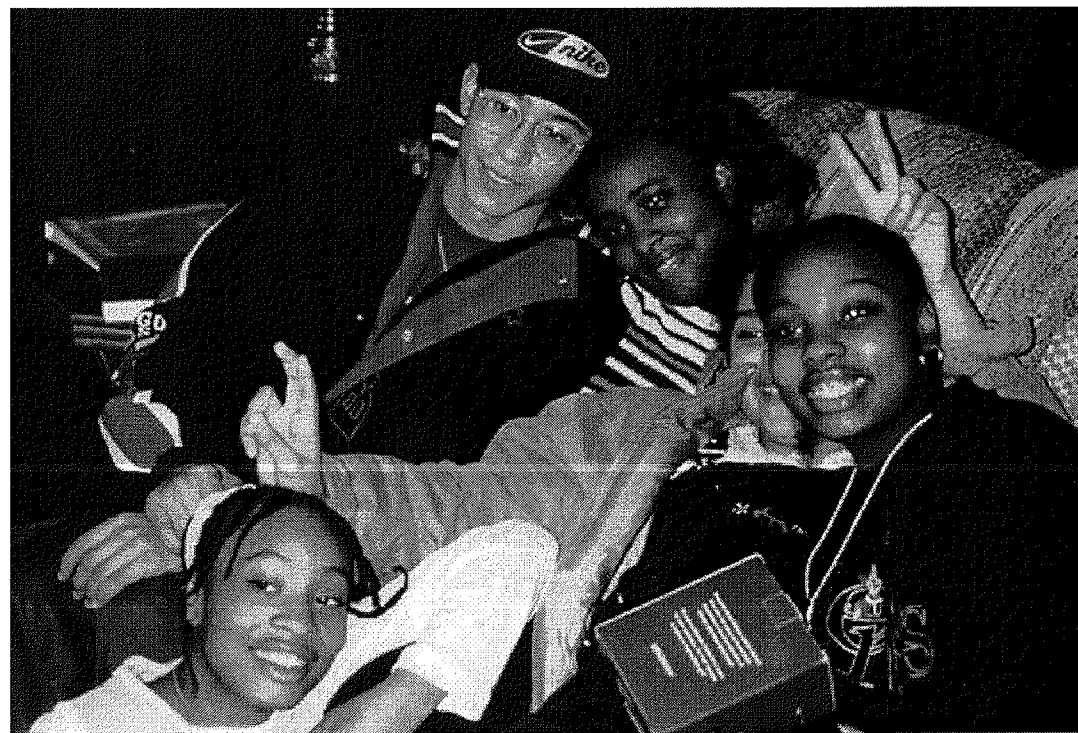

Karen,

I have known you even before you were born. When your parents asked me to be your God mother I have always considered this an honor. Like when a mother first finds out that she is going to be a mother for the first time. You are our first God child; it has been wonderful to watch you grow up from a little girl into the beautiful young lady. Even in today's world where you could have taken another path. You should be very proud of your success. I want you to always remember this bible verse, "I can do all things through Christ who gives me my strength." (Philippians 4:13). As you go on your life's journey, you will have road blocks. I want you to always stop and remember this bible verse, and it will get you through the blocks.

Love Always,
From Your God Parents

Grandparents Memories

I remember.....your crying from 10:30 p.m. - 2:00 a.m. every night (2 weeks - 9 months old)

I remember.....having to pay for a tutor so that you could learn to read so that I could stop reading our mail to you (2 ½ years old).

I remember.....your Granddaddy making your Aunts take care of you while Mom was at work (til age 3).

I remember.....I remember taking you to Kohl's and you wanted a ballerina outfit and I refused to buy it. I got you a dress for Sunday Service. You were so mad that you told Granddaddy that I had an attitude problem (4 years old).

I remember.....your trip to Arizona and Uncle Todd leaving you in the car while he ran inside the airport and him returning to find that his car was involved in an accident with you as the driver (4 years old).

I remember.....coming home for lunch and the kitchen floor was flooded with water and when I asked you who did this, you said Granddaddy (4 ½ years old).

I remember.....you trying to run over a boy with his own bike because you wanted to continue to ride it. Thanks Granddaddy for seeing Kimera's intentions and picking the boy up in time (4 ½ years old).

I remember.....you going to a restaurant with Uncle Todd and when the server asked for the drink orders, you said "I'll have a beer" (5 years old).

There are so many other times that you brought a lot of laughter to our hearts. You know we love you with all that is written within us. We are so proud of you. You will continue to be in our prayers and hearts.

We look forward to you calling us from college to say "Hi and send more money".
Oh yes, Tet says she loves you.

I Remember

- I remember.....when you asked for "Furkin Flaits" (Frosted Flakes) for breakfast (12 months old).
- I remember.....the "What is Potty?" book that we read to you 1,000 times (18 months).
- I remember.....the "period" that you wanted so bad (2 years old).
- I remember.....the pad you made with tissue (2 years old).
- I remember.....the books that we read to you over and over and over (2+ years old).
- I remember.....when you took off your diaper at my college basketball game (2 years old).
- I remember.....how you would stand next to the washer and dryer waiting for your first bra to be cleaned (3 years old).
- I remember.....I remember the Christmas when you told Santa you were wearing a bra instead of telling him what you wanted for Christmas (3 years old).
- I remember.....the first letter you wrote me (3 1/2 years old).
- I remember.....the potato that you flushed down the toilet (4 years old).
- I remember.....the letter you wrote that prompted a parent/teacher conference (5 years old).
- I remember.....when you opened the neighbor's mail and told everyone that her bills were overdue (5 1/2 years old).
- I remember.....the day your Granny returned from the beautician and you waited until she fell asleep to recomb her hair using gel, barrettes and hairpins (6 years old).
- I remember.....when you told me and my boyfriend that I should "drop that zero and get yourself a hero." (6 years old)
- I remember.....every Friday when your Granny would let you pick out your own clothes and you would wear ALL of your favorite clothing items at one time (7 years old).
- I remember.....when you and I would spend all day and night at Barnes and Nobles reading and eating in the café (8 years old).

And ten years later, you have developed into a beautiful young lady. I brag about all your accomplishments. Words cannot convey how proud I am and how much I love you. You were reading and writing before you turned four years old and now you are embarking upon the next educational and personal level in your life. You are a wonderful young lady and you will always be my first baby. Thank you, for the deposits that you made in my life.

Debutante Kimera Nicole Coburn

You are taking another step into your God-Ordained destiny. You have great favor over your life. Like Jeremiah, the Lord formed you in the womb and knew you before you were born and He sanctified you.

God's Plan for your life;

Jeremiah 1:10

*"See, I have this day set you over the nations and over the kingdom,
To root out and to pull down,
To destroy and to throw down,
To build and to plant."*

Deuteronomy 1:11

*"May the Lord God of your fathers make you a thousand times more numerous than you are,
and bless you as He has promised you!"*

For those who are in God, failure is not an option!

Romans 8:37

Yet in all these things we are more than conquerors through Him who loves us.

Isaiah 54:17

*No weapon formed against you shall prosper, And every tongue which rises up against you
in judgement You shall condemn. This is the heritage of the servants of the Lord, and their
righteousness is from Me: Says the Lord*

Debutante Tamara Giboney
From: Morris Parker (aka YOYO)

Virtuous Woman

You have the characteristics of a "Virtuous Woman". The qualities I see in you are those of a role model. I personally can say that because in everything that you do, you acknowledge God. You are not ashamed of the gospel of Jesus Christ. You will tell anybody that Jesus is the head of your life. You are a leader for this day and time. You are a good example for young women who are coming up into maturity and need one of their own peers to look up to.

Another reason why I can say you have the characteristics of a "Virtuous Woman" is because in your youth, you found a job to provide for yourself. You are still continuing to pursue your education with the will to succeed. You are being a big sister to a younger sister, and a middle sister to an older sister. You try your hardest to be the daughter that your mother wants you to be. You are being a friend to the friendless. I personally can say that I can see that Jesus lives in you.

One more characteristic I can see that you possess, is your willingness to never give up, no matter how hard a situation may be. Even in situations when it seems like there's no way out, you never frown. You always carry a smile and a cheerful look upon your face. That's one of the last qualities I see in you, but it's certainly not the least of them. All of those characteristics and qualities combined makes you the image of a "Virtuous Woman" that live inside you!

Congratulations Debutante Tamara!

"Believe in Yourself"

Set your standards high
You deserve the best.
Try for what you want
And never settle for less.

Believe in yourself
No matter what you choose.
Keep a winning attitude
And you can never lose.

Think about your destination
But don't worry if you stray
Because the most important thing
Is what you've learned along the way.

Take all that you've become
To be all that you can be.
Soar above the clouds.
And let your dreams set you free.

God Bless you . . . from

To: "Lara Jean" (as Pa-Pa used to say):

Many times in life we struggle with our past and fail to walk in our potential future. Let me make a profound statement. . . . "Your past has nothing to do with what God can do for your future!" God wants to bring you into the present and develop you a great future! Take time for Jesus Christ, He has the keys to Heaven. Be Blessed Nika, Baby Wayne, and I love you, but most of all God loves you best!

Where has all the years gone? It seems like only yesterday when we held you in our arms for the very first time. Now you have grown up and become a beautiful, responsible, intelligent, Christian, young black woman. We are so proud of you! And we know that you'll be successful at what ever you choose to do. Just remember to but God first and believe in yourself because the sky is the limit!

My little precious Te' Asha – Poo,

I am very proud of you more than words can say. You've always been so strong and determine to do whatever your mind was set to do. (You couldn't wait to come in the world). You were born three months early, weighing in at two poiund and thirteen ounces, had heart surgery and lungs collapsed, but God kept you through it all. At fourteen years old we lost your dad, your great-grandmother Viola, and a friend of yours, but you stayed streng through it all. I know your Dad is looking down from heaven and he's just as proud of you as I am remember the values we instilled in you and keep God first and let him direct your path!

Love you very much,
Your Mommie and Little sister Te' Aunna

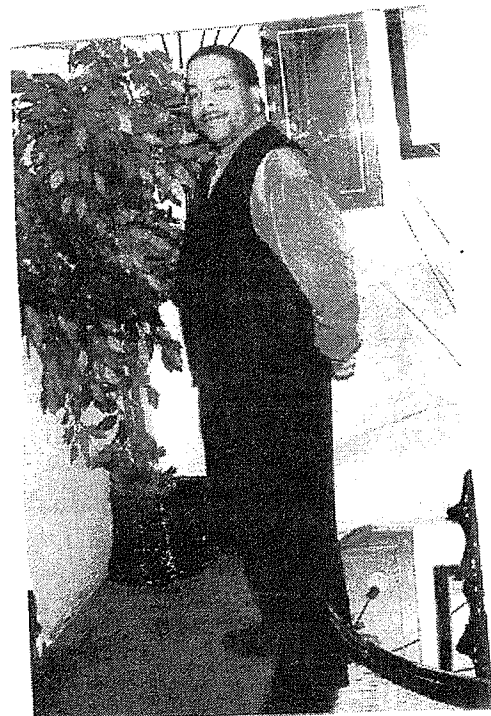

"Keep me safe O God for in you I take refuge I said to the Lord you are my Lord; apart from you I have no godd thing..."

Psalm 16:1-2

"God has taken me to a place where all my tears are turned to joy and a smile is worn on my face. I know it hurts you to not see me but this is the way it's meant to be. Lif I know is so very precious and death we still don't understand. But God will help you day by day. He'll be right there to hold your hand in times of fears and tears of sorrow, in times of heart felt mourn. In times when we tend to forget that death comes to all who were once born. I know there are times you need me and you cry yourself asleep. I have confirmation with God that by Grace and Mercy he will keep you safe from harm for the world can be cruel to the touch. He will always let you know that your Mom and I Love you so very much. You'll always be "Daddy's Little Girl!"

Your Guardian Angel,

Daddy

To my Precious Granddaughter,

The Lord really heard my prayers as I prayed over your 2lbs. and 13 oz. Body. We all worried about whether or not you would survive. It took a lot of energy from me and the rest of the family struggled greatly at birth, but a surprise came when you came home to visit me in your eighth month in Mississippi, you were so big and energetic that you did total destruction to my house "as usual" that I couldn't even be upset! I was so overwhelmed to see you overcome a struggle so big by the grace of God! That there showed me that you were strong enough to pull through any struggle and you showed me again after January 2001, when your father and my mother passed on you pulled through again! You are one amazing young lady and it makes me proud to be your Grandmother. I'm not afraid of you leaving and moving away to Georgia and being on your own because you were already a little woman before your time anyway! So go on sour as high as you can, but don't you ever come down.

Love,
Grandma (Ma-Ma)
Ardelia Brown

Debutante Te' Asha Jones

Te' Asha,

I am so proud of you!! I knew you were going to turn out to be a beautiful & intelligent young lady. Whenever the going gets tough think about how far you've come and never give up. I wish you the best in continuing your future. I love you so much and always remember your BIG sister will always be there for you whenever you need me.

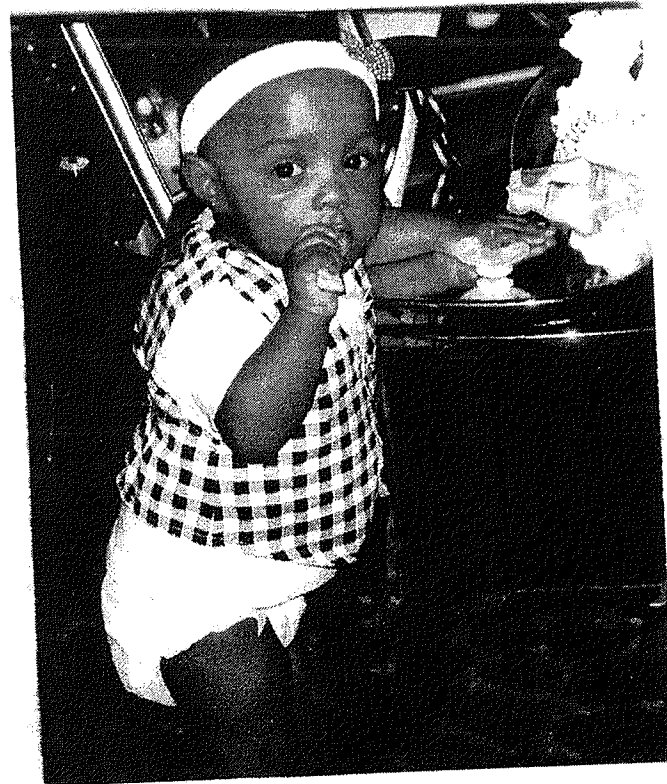

Love, Nani

Te-Te,

I am going to miss you when you go away to college but I know you will not forget about me, and I won't forget about you. I wish you the best of luck and happiness!

Love you very much,
JaRiyah (Ma-Moo)

Debutante Te' Asha Jones

Te' Asha,

I have enjoyed watching you grow from an infant to an intelligent young lady. You learned at an early age to be yourself.

What I love most, is that you are always a leader never a follower. Always quick to give a warm smile, and a helping hand, that would brighten anyone's day.

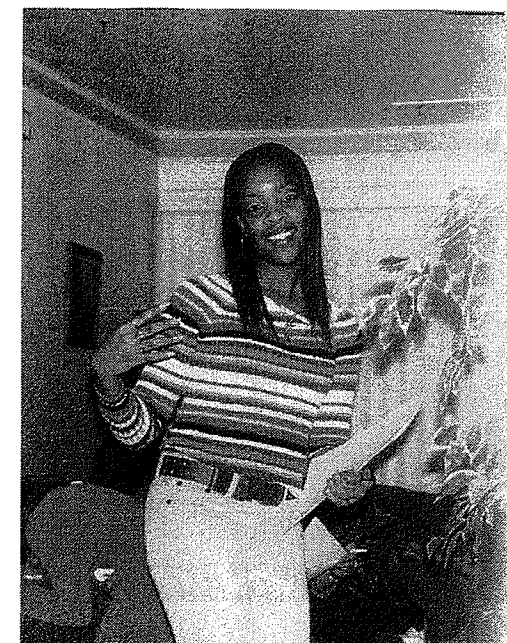

Keep your head up, because you've made a giant step in the right direction. It warms my heart to know you stayed on the right path. Even though a large obstacle suddenly hit your path.

Even though that (special loved one) is not here. He's smiling down on you in Awe. (My baby made it).

Our hearts search for meaning, yearn for peace, and live for hope. So may this happy celebration let the sun rise in your heart, warm you with love, and light your pathways to a wonderful future.

Love

Auntie Marilyn, Michael, LaMarcus, Kortinee', Mariah, and Calvin

Congratulations T-Baby!

Te'Asha,

We are so proud of you continue to be a strong independent, black woman, the world needs a lot of those! Remember that you are a champion and to keep reaching for the stars. We can't wait til' you get to Georgia!

Love your uncles,
Dell and Darrel
(Decatur, GA)

TO MY BEAUTIFUL NIECE
Te'Asha Jones

We are so proud of you and love you very much. It's no wonder that you've developed into a respectful, beautiful young lady. With the type of character and dedication you possess to walk with the LORD and successfully continue your education immediately, countless blessings will be yours. Continue to seek and honor the LORD in ALL YOUR WAYS and HE will forever favor you and honor your faithfulness.

The highway to success is not a straight path. You will approach a curve called FAILURE, a street called DANGEROUS DETOUR, a loop called CONFUSION, speed bumps call FRIENDS, red lights call ENEMIES, caution lights called FAMILY and flats called JOBS. If you always remember to have a spare called DETERMINATION, an engine called PERSISTENCE, insurance called FAITH and a driver called JESUS, you will make it to your destination titled, "SUCCESS".

WITH SO MUCH LOVE, MORE THAN YOU CAN IMAGINE,

*Your TEE-TEE & Family,
Aunt Destree, Uncle Lawrence, Lexus, Lawrence II*

Te'Asha,

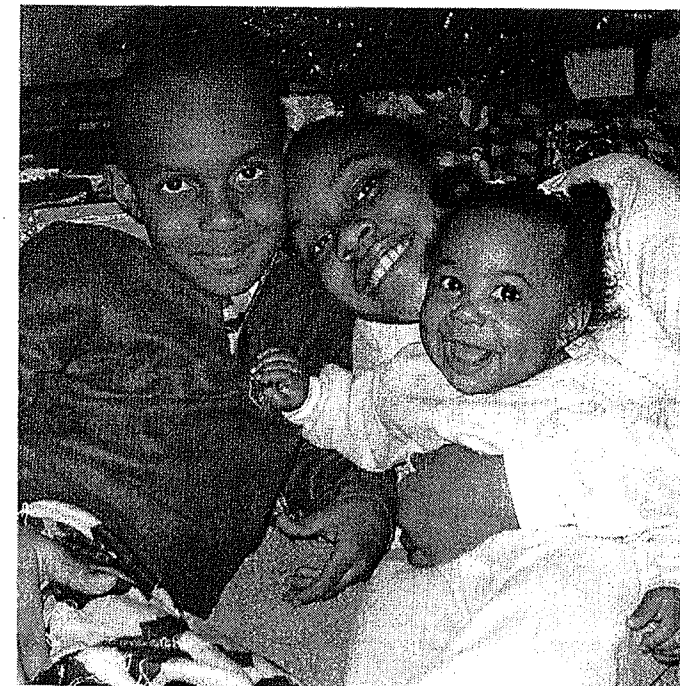

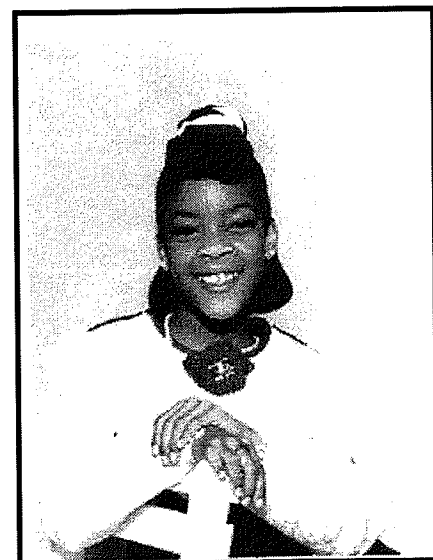

You have grown into a wonderful young lady. We are so proud of you and want to congratulate you on your success thus far. Continue to follow your dreams, and remember that your FAMILY will always be there for you.

Always keep God first and he will direct your path.

Love and Kisses:

Be A Winner

Hold fast to your dreams, as they can come true
When you do the best that you can possibly do
To win you must believe that you will not fail
Perseverance is the breeze that fills your sail

Although the unexpected may rock your boat
Winners will weather the storm remaining afloat
Conceive it, believe it, and know that you can
Continue step by step according to plan

Stand up and be counted so that the world will see
That you believe in becoming the best you can be
Accept the challenges of life and you'll continue to find
That winning is the spirit of living
... it's merely a state of mind

Te'Asha I am so proud and happy for you that have the opportunity to be part of this wonderful experience. I wish you the best in your future endeavors and wherever you go, never forget that you have a cousin that is always here for you.

Just a minute

*I only have just a minute
Only sixty seconds in it,
Forced upon me - can't refuse it,
Didn't seek it, didn't choose it;
But it's up to me to use it,
Give account if I abuse it.
Only just a little minute
But eternity is in it.

To My Great Niece:

You are all grown up now and it seems like time has gone by fast. A black author Jessie Carney Smith once wrote:

"We don't know that things can be done, that dreams can be fulfilled, that great accomplishments can be realized, until somebody takes that first step and show the way"

Therefore remember:

Trust in the lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy path.

We are safely home in Heaven, though I know you miss us so.
The love we have always felt for you, within our heart still flows.

Our spirit's will remain with you every single day, appearing as a

We're in the gentle rains that fall, and in the morning dew. All you see that's
beautiful reflects our love for you.

We didn't mean to cause you pain, our time had simply come. The work that
we were meant to do on earth had all been done.

Keep Believing In Yourself

There may be days when you get up in the morning and things aren't the way you had hoped they would be. That's when you have to tell yourself that things will get better. There are times when people disappoint you and let you down, but those are the times when you must remind yourself to trust your own judgments and opinions, and to keep your life focused on believing in yourself and all that you are capable of. There will be challenges to face and changes to make in your life, and it is up to you to accept them. Constantly keep yourself headed in the right directions for you. It may not be easy at times, but in those times of struggle you will find a stronger sense of who you are, and you will also see yourself developing into the person you have always wanted to be. Life is a journey through time, filled with many choices; each of us will experience life in our own special way. So when the days come that are filled with frustration and unexpected responsibilities, remember to believe in yourself and all you want your life to be, because the challenges and changes will only help you to find the dreams that you know are meant to come true for you.

Whitney, as you embark on another step of your young adult life, we hope you will remember these words of encouragement: "Stormy weather is inevitable! The onslaughts of the adversary will occur as long as you are faithful to the Lord and yourself. With vigilance, Christian unity and unfailing trust in the Lord, you can 'keep on keeping on.'" A line from one of the songs of our past says, "Don't let nobody turn you 'round'! Keep on walking. May God continue to bless and be with you throughout your life.

Work Hard: hard work is the best investment a person can make.

Study hard: knowledge enables a person to work more intelligently and effectively. Have the spirit of conquest: thus you can successfully battle and overcome difficulties. In all things do your best: the person who has done their best has done everything. The person who has done less than their best has done nothing.

Remember to "Trust in the Lord with all your heart, and lean not on your own understanding: In all your ways acknowledge him, and he shall direct your paths."

CONGRATULATIONS!

This is only the beginning! You can't go back to where you've never been, so look forward to where you would like to be in life.

An important word for life's vocabulary is **attitude!** Your attitude determines your altitude, so be a good steward. An attitude is more than a fact. A fact cannot be changed; an attitude can. Maintain a good attitude at all times, at all cost.

Exercise your mind. Memorize challenging passages. The mind, like a muscle, must be flexed. It becomes trustworthy when trusted and dependable when depended upon. "Let the Word of Christ dwell in you richly in all wisdom" (Colossians 3:16).

The storm of life are raging
The winds are blowing strong
But keep your head up
And just hold on

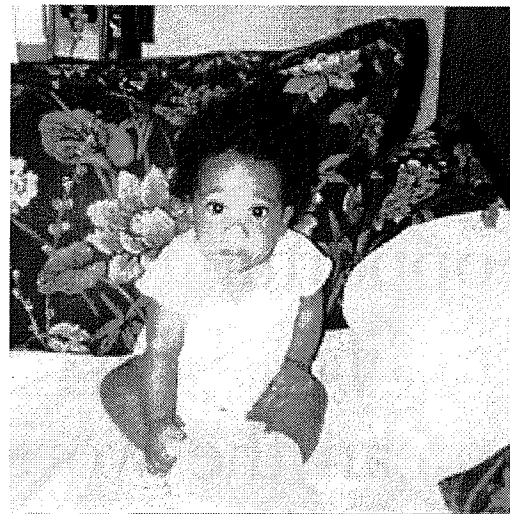

Trouble don't last always
There will be a brand new day
Just give it over to Jesus
And he'll help you through it all
He said he would answer
All you have to do is call

Tests, trials, and temptations
Are all going to come
But he has promised his children
He'll never leave us alone

So keep your head up
And continue to hold on

Some things have to be dug for; some things have to be waited for; some things have to be called for; and some things have to be worked for. But there are other things that have to be prayed for. Many of the highest values and greatest riches of life lie behind the door to the Great Vault that will open only when you insert your key of prayer.

God will take you as high as He wants you to go; He will make you whatever He wants you to be; and He will lift you above your own horizon to fulfill His true vision for you. Follow Him. "With God, all things are possible" (Matthew 19:26).

Before you lies a great purpose. Seek to fulfill it. On the road of purpose you'll find it to be a great journey. Savory each step on your way. Each turn will bring something new. meet each ostacle as a challenge arise and never accept defeat. Should you tire along the way rest, but get up tomorrow is a brand new day. It's okay, I know the Lord will be with you every step of the way. Always remember to pray, his hand will guide you ever step of the way.

And now may the Lord bless thee and keep thee. The Lord make his face shine upon Thee and be gracious unto thee (Numbers 6:24-25)

Keep on asking it will be given to you.
Keep on seeking and you will find.
Keep on knocking, the door will be opened.
For everyone who keeps on asking receives
And he who keeps on seeking finds
And to him who keeps on knocking the door
will be opened.

Love Always,

Sheree,

Remember these things in life. Life can seem like an ocean sending situations, and people to knock you off your feet and turn you every which way, there will be many days when a storm seems to brewing its way to make ya stop or send you running the other way. Even though these things may come about, stay the course and seek God through and out and his grace and mercy shall follow you. As you go through life don't be afraid to make mistakes for it is when we truly learn. I am truly proud to see the beautiful young lady you have become. The years passed so in the blink of an eye. No matter how old or grown you think you are you'll will always be my grandchild. I want you to know I love you and no matter how far you may go. I'll always hold you near and ear to my heart.

*Love,
Nanny*

Keep the Lord first in all your endeavors and believe in yourself no matter what happens and you WILL succeed.

In Loving Memory of our Mother and Daughter "Kim Sibley"

August 13, 1969 – May 22, 2003

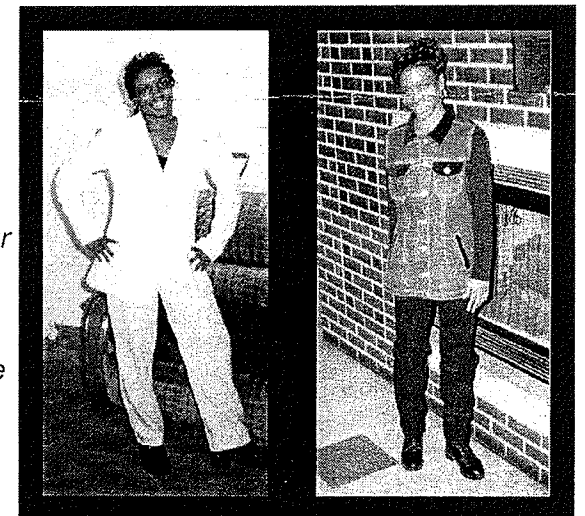

We knew little that morning, that God was going to call your name. In life we loved you dearly, in death we do the same.

It broke our hearts to lose you, you did not go alone; for part of us went with you, the day God called you home.

You left us peaceful memories, your love is still our guide; and though we cannot see you, you're always at our side.

Our family chain is broken, and nothing seems the same; but as God calls us one by one, the chain will link again.

We love you Kimmie and will forever miss you.

The Sibley Family ~ Glen and Ann

Sheree,

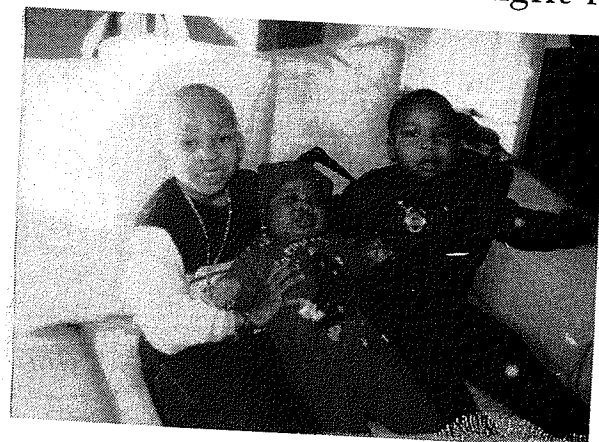

If ever there's a moment when you need a friend to listen,
If ever someone can reach out to dry the tears that glisten,
I'll Be There
If ever you have special needs and hope someone will see them
If ever you have secrets and would like a friend to free them,
I'll Be There
If you just need encouragement to help you on the way,
If you just need a cheerful voice to pull you through the day,
I'll Be There
If you need one who cares a lot and thinks about you often,
If you need one who shares your hopes - your worries strives to soften,
I'll Be There
If you would like to be yourself with someone who respects you,
if you need one who understands how all of life affects you,
I'LL BE THERE

Love Always
Your Sister,
Shayla

Sheree,

Remember this and place it in your heart. From now until forever.
The stars exist. So you may know how high your dreams can soar,
and when you pray that's the Key of the morning, and at night it
puts a bolt on your door.

Love
Aunt Connie

Shantel,

I am so proud of you, I knew that when you reached the stages of being able to take control of your life and do what you desired, that you would take it and run the right way with it. You have showed me exactly what I wanted to see through various years. You have grown to be a very responsible beautiful young woman, but you yet have things to accomplish in life. Remember Prayer is the best way out of any trials and tribulations.

~Love Mom~

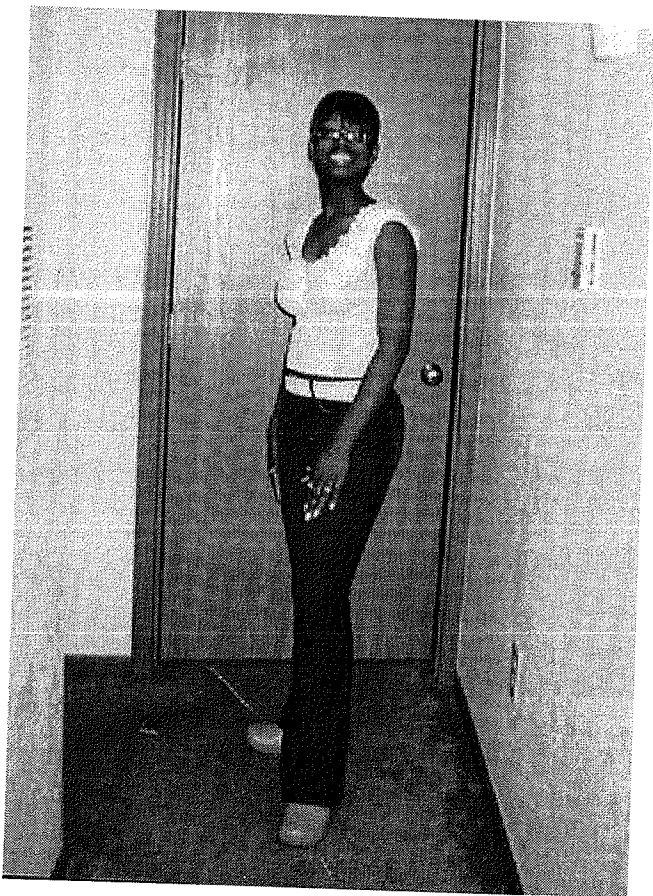

To God be the glory for a beautiful intelligent daughter and sister God has blessed us with. God has shined upon you! Let him be your guiding light, and everything you do and everything you touch will surely turn to gold. We love you and there is nothing you can do about it.

Love: Dad, Sharveze, Savanna, Jonathan, and Tina

Shantel: Congratulations on being apart of the 2003-2004 Cotillion Ball. I have watched you grow from a beautiful little baby into a beautiful intelligent young woman. You have many trials and tribulations to conquer in the world ahead of you, but keep your head up and pray and your prayers shall soon be answered. Don't let anyone or anything take your mind off the right track. You have come this far in succeeding keep striving and do you best. Always remember your fravorite tee tee has a listening ear!

I look at you as a mature young woman with the world at your heels, waiting for you to travel the roads of success. All your dreams will come true, just stay strong and put your faith in the Lord. Your strength as a independent woman will take you a long way. May the Lord bless you now and everyday in your future.

"To a wonderful daughter" Markia (KeKe)

Markia,

We are very proud of you, and all the things you have accomplished this far. We watched you grow up into this very respectful and beautiful young lady, and who has never forgotten to put God first in everything you've done. You have been a very fine example for what young ladies should be in the future. Your younger sisters and little brother look up to you because they know a fine leader when they see one. A great leader you are. We love you very much. You have made us some very proud parents because even through our parenting you have always shown us great respect. Never give up when times get tuff never quit. Just pray because prayer changes things.

"Always fall on your back because as long as you can look up, you can get up."

-- Les Brown

Prayer Always brings forth great results!!

Love,

Ke-Ke

Hold on to your dreams
Believe in God
Let Him be the light to show the way
And He will shine on you one day
This world is very cold
It favors not the young or old
Life is hard and so unfair
Unless you believe that someone cares
Someone who's there rain or shine
Sharing your dreams, your heart and your mind
Step by step, straight ahead
Though the road be hard to tread
What you get is what you do
And you'll find out that
Love is truly stronger than hate
All you need is your faith and your dreams
This world goes round and round
Sometimes this world can get you down
Just don't give up, don't dismay
What goes around, comes around they say
And if the sun should fail to shine
Dreams are the sunshine of the mind
Dreams are the wings of the mind
You can climb, anytime you like
Hold on to your dreams
No matter how hard it may seem
Hold on, be strong, keep moving on.
I'm proud of you!

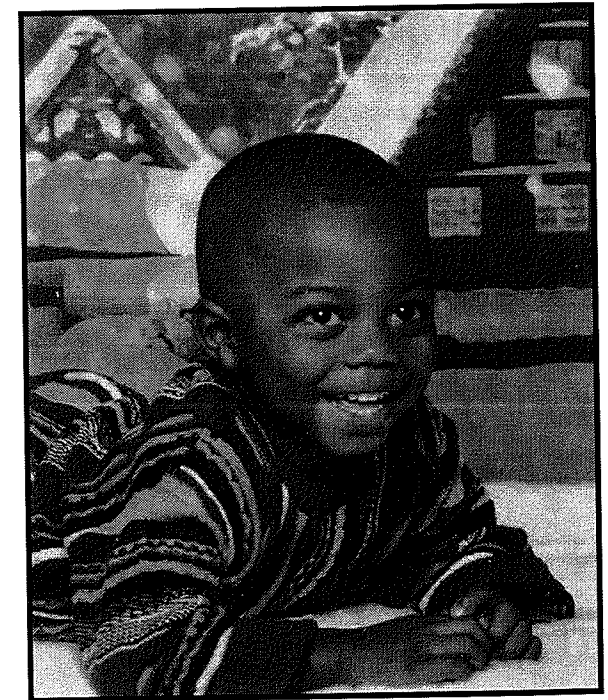

Love,
Uncle Trevor

Congratulations Markia!

I watched you grow up from a little girl to a respectful and intelligent young woman. I am so proud of your accomplishments. I know getting to this point wasn't easy, but you made it this far because of your parents and the prayers of the saints.

Kee Kee, because of your faithfulness to God and the Alpha & Omega Ministry, God is prospering you like never before. You can't be faithful to God and God not reward you. As you enter into college, don't forget where God had brought you from. Continue to let God use you like never before. Remember this is only the beginning and the best is yet to come!

Love you,
Sis Beverly Jackson Colette,
Kyra, Angel, and Isaiah

To Markia,

We have seen you go from “Lil Ke-Ke” into the young lady you are today. We are proud of you and we know that this is just a beginning.

You are a real role model to our daughters. A young lady that has proven that you can be a “good girl” and still succeed.

You are truly a gleaming example of what a young lady should be. They say everything that glitters ain’t gold. . .but in your case it is.

Congratulations!

Pretty women wonder where my secret lies.
I'm not cute or built to suit a fashion model's
size

But when I start to tell them,
They think I'm telling lies.

The span of my hips,

The stride of my steps,

I'm a woman

Debutante Tiffany Williams

CANAAN MISSIONARY BAPTIST CHURCH

CONGRATULATIONS!

Tiffany Williams

You are a very unique person because of God's exclusive design for your life. No one can stand where you stand, know what you know, feel what you feel, be what you are, or do what you do because there is no duplicate of you! If there is to be any competition in life, compete with your own yesterdays and rise above them in knowledge, skills, and abilities.

You will never have to compete for success because it is relative, individual, and personal. Success is a personal relationship with God, a progressive responsibility to God, and a perpetual reliance on God.

Always remember that a successful life is 100% unshakable faith in the constant presence of God. We pray that you will talk with Him frequently about your plans, your needs, and the desires of your heart.

Congratulations Tiffany!

Tiffany, as you pursue your goals as a young adult, we offer words of encouragement at this time. "Don't forget your faith in God." Remember the material things will sometimes rob you of joy. You must press on in good times and bad times. Like the words from an old hymn, "I'm pressing on the upward way new heights I'm gaining everyday. Still praying as I onward climb, Lord plant my feet on solid ground." God will plant your feet on higher ground if you trust Him and let Him be a part of your life. May God continue to bless and be with you throughout your life.

CONGRATULATIONS!

Three beautiful Canaan Young Ladies

Whitney Keaton

As you make your debut into the world of opportunities, make the Church a part of your life. The Church may be likened to the dressing room of a great theater. Here is where you put on the garments of praise and find the props that are needed out on the stage of life. The Church is where you are equipped, prepared, and cued for the next act along life's way.

William Shakespeare said, "All the world is a stage and all the people in it are players." The world is a stage, but don't walk out on the play. The world needs those who play the small parts, for usually it is to those who play them well that the larger more important parts are given.

Along the road of life, stop at frequent intervals to enter the Church to worship God and depart with a determination to serve the people whom God loves. Above all, "Remember your Creator in the days of your youth." Reflect on the blessings that are yours, blessings you didn't earn but received because of God's love for you. The greatest blessing of all is the Gift of Eternal Life. May you ever be reminded that God's Holy Spirit indwells you to empower, energize, and enable you to accomplish your goals as you obediently follow His directions.
