every step of the way

Bearcave Productions. *2007
Sampler*. 2007. Original Song,
Performance and Cakewalk
Sonar Music Production.

More than just a **free and open studio** of tools, **volunteers and staff coach members** through every hurdle of a project: both technical, artistic and emotional.

Christian Vandemar and William Butler. *Viva Mexico*. 2007. Adobe Photoshop Print.

peer mentoring

Oscar Herrera. *Vamos Todos*. 2009. Song, Performance, Fruity Loops and Cakewalk Sonar Audio Postproduction, Script, Performance, Production and Adobe Premiere Video Postproduction.

“When young people deemed ‘at-risk’ are still assumed to be faceless, nameless and powerless, the **Howard Area Computer Clubhouse** *provides needed opportunities for youth to make their mark and take a stand on issues* that are important to them.”

-Deidre Searcy,
Senior Associate,
Education Development Center

“True appreciation for art and creativity at **Howard Area’s Computer Clubhouse** enables the **most effective technology education** and motivation for underserved young people.”

-Carolina Kaufmann,
Education Technology Manager, The Art
Institute of Chicago

**1527
Morse
Avenue**

“Beyond learning computer [skills], young people at **The Computer Clubhouse** learn marketable skills in project design, project management, teamwork, marketing and communication.”

-Barton Hirsch, Professor, Northwestern University
