North First Street is working on a mission statement. I thought you might want to know.

Also my students are giving a presentation about development scenarios in the neighborhood at LOL on the 11th at 1:30.

Mission Statement

North First Street Association is a network of business owners, nonprofit leaders and concerned residents dedicated to assisting those who live and work near North First Street. Our purpose is to create a historic business district that supports a vibrant and culturally diverse community.

Goal 1: To promote local culture and neighborhood history

Goal 2. To encourage interaction and exchange between neighborhood residents, businesses and nonprofits

Goal 3. To attract resources to the area

Goal 4. To build capacity of small businesses and neighborhood organizations
