UC2B Policy Committee and Technical Committee

What is UC2B?

UC2B is an intergovernmental consortium of the University of Illinois and the cities of Urbana and Champaign. UC2B was created to provide fiber-optic broadband connectivity to the community's anchor institutions, fiber-to-the-home connectivity in underserved neighborhoods, improved access/support to public computing centers, and a sustainable adoption and educational outreach program. The cities and University signed an intergovernmental agreement to create UC2B.

Policy Committee

The Policy Committee oversees the broadband construction and operation. The Policy Committee meets the 1st and 3rd Thursdays of each month from 11:45AM to 1:00PM at the Douglass Branch Library. **Upcoming meetings** are May 6, May 20, June 3, June 17, July 1 and July 15, 2010.

Members:

University: Mike Smeltzer, Abdul Alkalimat
