Hi!

My name's Igy. I was born in June of 1957 to represent the International Geophysical Year, that big science project you've been hearing about. Until December of 1958, I'll be helping scientists from eighty nations on, oh, ever-so-many problems about this world, the atmosphere, and even the universe. Of course, my very special interest is in the stars. If you've peeked ahead, you may have noticed that I've sprinkled my very favorite stars throughout this book.

... And now, if you'll hop on my cloud, we'll float back through the shining reveries of '57-'58.

## Dedication

Because he makes Beowulf, Macbeth, and all the other characters of English literature so real . . . because he teaches us with questions and stimulating discussions . . . because he devotes so much time and effort to our school newspaper, the *Echo* . . . because he smiles and speaks each day outside his classroom door . . . and, most of all, because he takes a personal interest in us, each and every one . . . we are proud to dedicate the 1958 ROSEMARY to Mr. Stanley Hynes.

**C. C. LOEW, Superintendent**

### *To the Senior Class of 1958:*

As you completed your last year in Urbana High School, man-made satellites whirled in space. You will complete your education and live out your adult lives in a new age—the Age of Space. Man's knowledge will be extended in all fields. In all of this you will share, make a contribution, and bear part of the responsibility. To say the least, your lives should prove interesting and stimulating.

Good wishes go to you, members of the Class of the 1958 Geophysical Year.

C. C. Loew  
Superintendent

**R. H. BRAUN, Principal**

### *Seniors of 1958:*

The year 1958 is a year of challenge because of wonderful and fearful advances in science. The year 1958 will be remembered as the year the free world was awakened from its complacency and lethargy by Soviet success in launching the first Earth satellites.

In 1958, youth as a whole continued to be blamed and berated for the sins of the few. Those of us who have dealt with young people for many years feel that most of them are growing in maturity and judgment. The seniors of 1958 exemplify the youth who are serious and intelligent, yet have the sparkle and humor characteristic of the young. I am confident that you will meet the challenge of the future.

May you deserve and be rewarded by all of the good things in life.

RAY H. BRAUN  
Principal

*The 1958 Rosemary*

In addition to competently carrying out her duties as sponsor of S.K., teacher of secretarial training, and chairman of the Activity Committee, Miss Fisher is always eager to devote her attention, with understanding and cheerfulness, to every girl at U.H.S.

MISS SARAH FISHER, Dean of Girls

Class Officers: Ted Lowry, Steve Thomas, Karl Smith, Chuck Beaird, Jerry Canaday

## Stars of the First Magnitude

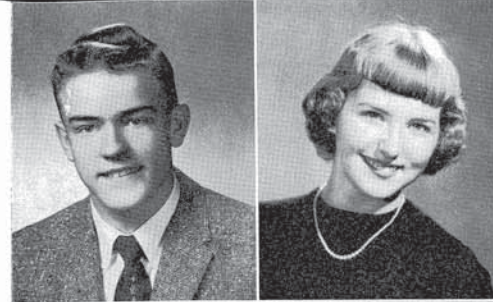

After campaigning in the fall by one party, the "Five-Eights," and an independent, these senior boys began their duties as class officers: President, Jerry Canaday; Vice-President, Chuck Beaird; Secretary, Karl Smith; Treasurer, Steve Thomas; Publicity Chairman, Ted Lowry.

In the homecoming parade, the senior float displayed the theme, "Ride On to Victory," and a huge tiger whose reins were held by the lovely queen, Sandra Schwab. High light of the football season was the night Urbana trampled C.H.S. in a 19-0 victory!

Later in the year the senior boys on the basketball team fought like true Tigers, earning for U.H.S. the title of champions of the Regional Tournament. The seniors were also proud of those who helped place the U.H.S. cross-country team fourth in the state, and of those five members of the wrestling team who went to the state finals at Arlington Heights. Many seniors won honors for their class and for the school at music and speech contests.

When the spring activities came into view, the seniors suddenly realized that the year was almost over and that they would soon be leaving Urbana High. When they attended Baccalaureate, enjoyed Senior Skip Day, danced at the Prom, and finally walked across the stage to receive their diplomas, it was with a little sadness. They were grateful to their patient teachers, coaches, deans and principal for guiding them through their four years of high school.

Now the seniors are ready to face the future and to accept new challenges with enthusiasm. To the future seniors of U.H.S., the class of '58 wishes many, many happy memories.
