The moment which is lost, is lost forever."

ADVERTISEMENTS

We depend greatly on the businesses of our community. We get a coke after school, we get our hair cut every other week, and we dry clean our clothes; our fathers work for this company or that, and we have summer jobs. We feel that we are part of the great world of business and we are grateful to our advertisers for their patronage. We ask you, the readers, to remember the advertisers who have helped make this book possible.

FOR A *True Picture* ...DEPEND UPON A MASTER

No matter where they are used—in year-books, literature, or advertising—poorly reproduced illustrations give many readers the same impressions as paintings of a “ham” artist when compared with the works of a master. That’s why so many schools, colleges, and universities, as well as prominent advertisers, insist upon fine engravings—as produced by master craftsmen at G. R. Grubb & Co.—for true reproductions of all illustrations. For nearly forty years this company has been serving such institutions and business firms in every section of the country—and its reputation has become more enviable every year. You, too, can depend upon.....
