OFFICERS

Reiber Hovde, Vice-President; Laurel Hovde, President; Judy St. Clair, Secretary; Dick Rush, Treasurer.

The formal initiation ceremony was the first big program of the year for "El Pasatiempo." After the ceremony, there was a potluck and Spanish program by the initiates. The evening concluded with the traditional breaking of the *pinata*.

In March "El Pasatiempo" sponsored a fiesta as a money-making project. It resembled a carnival in many ways, for booths were set up for souvenirs, "fishing," and target-throwing. Special music, skits, and refreshments also highlighted the *fiesta*.

Pan-American Day was observed by a program with special guests. Many of the club members attended the Pan-American Convention at Quincy.

The busy year concluded with the election of new officers and an outing at Crystal Lake Park.

At the first meeting, in September, officers were elected. The "Sixty-Four Cent Question" was the theme of the second meeting. In January, the club sponsored a bake sale at Tepper's Hardware Store to raise funds for the Annual Banquet. The scene for the banquet in February was set in Old Rome. The guests wore costumes representing gods and goddesses or characters in Roman history.

Second-year and former Latin students were served by the freshmen "slaves." "Pyramus and Thisbe," a farcical scene from *A Midsummer Night's Dream*, was given as entertainment. Prizes were awarded for the most original and the most authentic costumes.

The final meeting of the year was a picnic in May at Mrs. Robins' home.

In 1929, the National Thespian Society was established at Fairmont State College, West Virginia. The group took its name from *Thespis*, the Greek originator of drama. The organization is an honor society in the sense that students are granted membership for having performed outstanding work in dramatic arts, and for having met the membership qualifications. When one has earned twelve points by acting and/or by working on committees, he is eligible for membership in Troupe 161 at Urbana High School.

In April of 1957, Mrs. Sarah Kerslake, the new Thespians' sponsor, accompanied the troupe to Chicago where they saw "The Desk Set."

The Glass Menagerie

The Glass Menagerie, a memory play by Tennessee Williams, is concerned with three people and the effect a gentleman caller makes upon their lives.

First, there is Amanda, a faded Southern belle, who cannot face the grim reality of her present drab situation in life. She tries to relive her gay youth through her daughter, Laura. However, Laura is a crippled, sensitive, painfully shy girl, whose only happiness comes from withdrawing into her protected dream world of little glass animals. Tom, her brother, remains with his family only out of pity for Laura's plight, for he is frequently involved in bitter arguments with his mother.

Hope flashes through the family when Tom brings home a young man to dinner. Amanda, ecstatically pictures him as the long-awaited gentleman caller for her daughter. Through his outgoing, brash manner, the young man awakens in Laura a happiness and enthusiasm for life, only to tell her that he is engaged to be married. This disappointment leaves Amanda bitterly disillusioned and Laura quietly sinks back into her realm of little glass animals, having once more found reality too painful.

Science Fiction Club

OFFICERS

Cathie Lanier, Vice-President.
 Claire Booth, President.
 Victor Lukas, Secretary-Treasurer.

The Science Fiction Club was organized just this year. Since the club started, the main project has been to start a Science-Fiction Club Library. This library will be a collection of science-fiction books and magazines.

The meetings are held every other Wednesday in the month. At some of the meetings, stories written by members of the club are read. At other meetings, discussions on different science-fiction movies, stories, and books were held. The biggest meeting of the year was the one when the members tape-recorded H. G. Wells' *War of the Worlds*.

The new club was sponsored by Mr. Hynes and Mr. Miller. The officers were: President, Claire Booth; Vice-President, Victor Lukas; and Secretary, Cathie Lanier.

After a year of yearning and saving, the Travel Club members made their long-awaited trip to Washington, D. C., and New York City.

Sponsoring the Homecoming Dance and a dance for the Sweet Sixteen Carnival helped considerably in earning over \$1600.

On Thursday, April 18, over forty members and six chaperons left on a six-day trip to Washington and New York City. Arriving in Washington, the second day of their trip, the members toured our Nation's Capital. Then they boarded a train Saturday evening for New York City.

The tired but happy travelers wearily boarded the home-bound train Monday evening, full of wonderful memories.

G.A.A. started the year with a play day, attended by several schools in the Champaign-Urbana district.

Under the leadership of their president, Nancy Gregerson, they began a new money-making project, selling Urbana High pennants.

The club was ably sponsored by a newcomer to the physical education staff, Mrs. Betty Jean Poetker.

This was their first year for tennis as a regular sport. Archery, volleyball, badminton, and bowling were some of the first-semester activities from which they had a choice.

As the second semester began, they introduced basketball and swimming and also continued with their bowling.

In May, the Annual Awards Banquet was held. At this time awards were presented, new officers installed, and new members initiated.

The officers of '57 leave this year, hoping the G.A.A. will progress even further in the future.

Library Club members serve the students and teachers during the school year by assisting them in obtaining library materials, showing movies, or operating other equipment. This year, its service was greatly improved because the move into the new addition gave them better working facilities.

In addition to this, the club was very active in state and regional organizations. It published three issues of *Hi-Li News*, a regional newsletter; also, it initiated the action which led to the organization of a state association and the adoption of its constitution at the Illinois State Normal University on October 6, 1956.

The club sponsored a paper drive in November and a bake sale in February to earn money for social activities such as the annual spring trip to Turkey Run.

The members of Der Wissenschaft Verein were very fortunate to have various speakers and movies dealing with engineering, chemistry, and physics. During the year, the members exhibited blueprinting, experiments with magnetism, chemical magic, and aspects of electronics. To conclude the year, the club took a spring trip to Chicago, where they visited the Museum of Science and Industry.

Selling hot baked potatoes, Tiger mascots, taffy apples, Kleenex, and greeting cards provided activity and fun for the members as well as money for the varied chapter activities.

F.H.A. celebrated its eleventh birthday in April by recognizing National F.H.A. Week. A television program helped publicize the event.

Projects undertaken by the F.H.A. members were on the national, state, and local level. Local activities included a Christmas party, Mothers' Tea, Family Fun Night, Senior Breakfast, and summer trip.

During the year Mrs. Paul Wood, Mrs. Walter Seth, and Mrs. Edward Williams acted as Chapter Mothers, assisting Mrs. Hazel Hasty, sponsor, and Mrs. Ruth Dow, co-sponsor.

The Art Club, reorganized early in the second semester, had a short but very active year. The group of thirty-three members met every first and third Wednesday of the month. Each member had a choice of projects in enameling, ceramics, painting, drawing, and many other unusual art forms.

The Art Club also helped other clubs in school by designing and painting posters and sign boards for special activities. Trips to the Contemporary Arts Festival at the University of Illinois and other art exhibits highlighted the year.

Mrs. Anita Unruh, in her first year at Urbana High, sponsored the club in an enjoyable and profitable year.

"When the going gets tough
The tough gets going."

This is the motto that the "U" Club selected to represent them.

The "U" Club is an organization of all major letter winners, sponsored by the athletic director, Gene Armer, and all the other coaches of Urbana High School. Its main purpose is to promote a closer relationship between the athlete and coaching staff, and to promote leadership and better sportsmanship.

The officers elected for their year were Larry Mackey, President; Rick Toth, 1st Vice-President; Ronnie Moore, 2nd Vice-President; Jim Russell, Secretary; and Ted Lowry, Treasurer.

The social event of the year for the club was the annual "U" club dance, held in May. At this time all new members were formally initiated into the organization.

The "U" club was well represented in many U. H. S. club activities as well as sports.

Tryouts for pledges were held at the YMCA pool in Champaign due to a delay in the filling of Urbana's pool. Five freshmen, two sophomores, one junior and one senior passed the necessary stunts and strokes to become members.

Annual Tree Trimming

Social Klub, one of the most popular and most populated clubs at Urbana High School, is more commonly known to the students as SK. Miss Sarah Fisher, Dean of Girls, is the sponsor of this all-girl organization. All high school girls are eligible for membership, and each year a large percentage join the club.

To begin the year's program, a Big-Little Sister Party was held the week after school started. Freshmen and new students were paired with SK members as their big sisters. Everyone enjoyed the afternoon of record dancing, games, and refreshments.

Frequently, SK had get-togethers after school where they listened to records and enjoyed refreshments. One of the get-togethers was a Valentine party where they served Valentine cookies and nut cups.

SK sponsored two hops after the football games this year. The out-of-town visitors were invited, and they had an opportunity to meet the students of Urbana High.

During the Christmas season, members of the club adorned the main entrance hall and the cafeteria with Christmas trees. They were both beautifully decorated with ornaments designed by Miss Bauer's geometry class.

In May, climaxing the year's activities, the annual senior breakfast was held in the high school cafeteria. The breakfast is sponsored by the new SK officers in honor of the graduating seniors.

Future Teachers of America

The Agnes Nelson Future Teachers of America Club has just completed its fourth year at Urbana High School.

Under the sponsorship of Miss Marie Bauer, the membership has grown from 16 to 33 in just four years.

The purpose of the club is to acquaint the members with the opportunities in the teaching field and to cultivate the qualities of a good teacher. The members work closely with the Urbana Teachers Association, performing such services as planning an exhibit for American Education Week, helping in various capacities at teachers' meetings, and helping entertain national officers.

In their senior year, the members are privileged to go out into the grade schools and junior high in a cadet teaching program.

Camera Club

Photographers

Row 1: R. Hovde, Vice-Pres.; F. Hubbard, Pres.

Row 2: Mr. Reiley, W. Smith, Treas.; M. Anderson, D. Findlay, Sec.; Mr. Miller.

This year the Camera Club, under the co-sponsorship of Mr. Reiley and Mr. Miller, increased its membership twenty per cent. Nearly every kind of photography from portraiture to candid was studied by the members of this active club. The club also made extensive repairs on the *Rosemary* camera, and built a new darkroom in their new clubroom, 309. The officers this year were: President, Fred Hubbard; Vice-President, Rieber Hovde; Secretary, David Findlay; and Treasurer, Willis Smith.

Diversified Occupations

Diversified Occupations is cooperative part-time vocational training. The D.O. co-ordinator interviews and counsels students regarding the results of preference and aptitude tests. Then placement is made with a carefully selected co-operator in industry who trains the student on the job for a minimum of three hours per day. The student also receives related instruction in classroom work for one hour each day. This allows the student-learner to receive training for a skilled trade before leaving high school. He also receives a beginner's wage when he starts his training, and upon completion of training, receives his regular graduation diploma from high school.

Pep Club

The Pep Club, organized this year, was formed to unify the Urbana High School's cheering section at basketball games.

With Mrs. Cornelison and the varsity cheerleaders as the driving force behind the idea, over two hundred students joined the club and cheered at all the home basketball games. All members were given cards which admitted them to a reserved section of choice seats at the games.

Toni Altenbernd was elected chairman, and other members took turns checking cards at games.

Tigers' Den Council

OFFICERS

Row 1: Jim Russell, Senior Chairman; Janet Bickers, Junior Chairman.

Row 2: Helen Burns, Secretary; Carol Maris, Publicity Chairman; Don Viseur, Treasurer.

All students look forward to the Tigers' Den for their week-end recreation after a hard week in school. They take special interest in the Tigers' Den, mainly because it is one of the few remaining self-governing and self-supporting youth centers in the state.

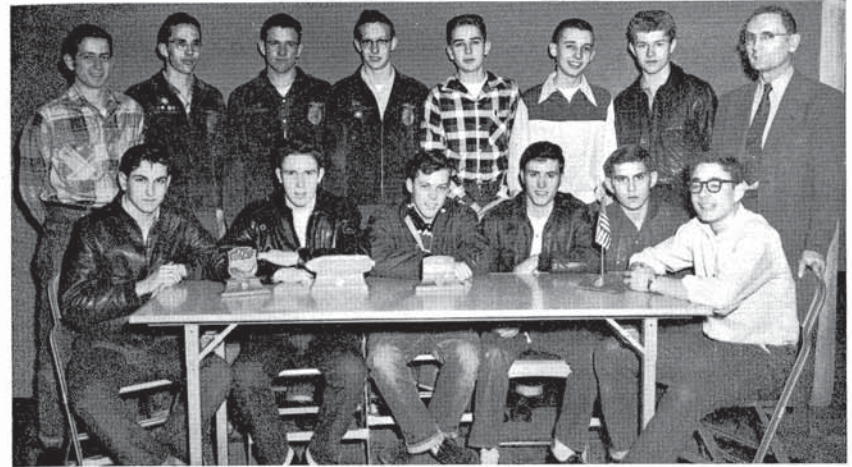

The Tigers' Den is governed by a council made up of representatives from each class. Two meetings a month are held to carry on the business of the youth center.

Although dancing is the chief recreation, members find a great deal of enjoyment in playing ping-pong, cards, shuffleboard, listening to the radio, or watching television.

The large orchestra dances this year included the annual Freshman Welcome Dance, the Thanksgiving Dance, Holiday Dance, and the Graduation Dance to climax the year.

F.F.A. is a club for boys who are interested in farming and taking vocational agriculture in high school. This year, as in the past, the Urbana boys had to go to Champaign for classes. F.F.A. has many activities and contests over the year. The contests in the fall are the milk, meat, and livestock judging. This year, the milk-judging team won for the second time in a row. The team then went to Waterloo, Iowa, for the National Milk Judging Contest. The Public Speaking Contest and Parliamentary Procedure Contest are held in the spring.

This year, since it was the Chapter's year to go to the National Convention at Kansas City, four carloads of boys went for four days. They enjoyed it so much that they hated to come home when it was over.

Every year, the chapter sponsors a donkey basketball game with the proceeds going to charity. Also, at Christmas they help needy families.

The F.F.A. has many money-making projects such as a soybean plot on land donated by Mr. Eisner.

Orchestra

The Urbana High School orchestra, which is the youngest member of the music department, meets five days per week.

In the fall, the orchestra with the addition of woodwind, brass, and percussion players combined with the Champaign High School orchestra under the name of the Twin City Orchestra for several rehearsals. They played a program for the opening of the meeting of the East Central Division of the Illinois Education Association on October 12 at the University of Illinois auditorium.

In the district contest at Georgetown, the newly organized group did very well with the violin quartet receiving an excellent rating. Several of the orchestra members played with the Big 12 Orchestra at the contest in Champaign on March 30.

In the spring the orchestra, with the addition of woodwind, brass, and percussion players, played several selections at the Urbana High School Spring Music Festival.

Chorus

The U.H.S. choral department has had an interesting, busy, successful musical year.

All four choirs—Freshman Girls, Selected Sophomore Girls, Mixed Chorus and A Cappella—performed for the Thanksgiving and Christmas Assemblies and the Christmas Vespers.

Second semester, nine ensembles, six soloists, Selected Girls Chorus, and A Cappella Choir were entered in contests.

Several selected people participated in All-State Music Contest in Springfield and Quincy. The Mixed Chorus sang in Big 12 at Champaign.

The A Cappella Choir performed for the dedication of the new addition on April 7.

The Mixed Chorus, combined choruses, and A Cappella Choir participated in the Music Festival. The Easter assembly, given on April 16 by the A Cappella Choir and ensembles, featured "God's Trombones."

An awards banquet was held on May 14. One of the highlights of the year was the "Pops" Concert featuring all the ensembles and choirs in the department.

The year concluded with the A Cappella Choir singing for baccalaureate.
