Foreword

No eager, anxious freshmen faces greeted U.H.S. in September, for this year for the first time Urbana High was a three year school. This is only one of many changes which have come to U.H.S. this year. It is our hope that the 1961 *Rosemary* will reflect these changes and recall happy memories for many years to come.

Dedication

He came to Urbana High School in 1956 and quickly worked his way into the hearts of all UHS students. He has displayed enthusiasm and good will in all of his capacities at UHS, from working on the AFS committee to helping with sports events. We will always remember him for his help and understanding in serving as our senior class sponsor. Finally, he has not just taught us world history and sociology, he has made them come alive for us. It is for these reasons that we, the class of 1961, dedicate the *Rosemary* to Mr. Taylor Thomas.

HOMEcoming QUEEN, SHARON SCHWAB

HOMEcoming

Miss Sharon Schwab reigned over the festivities of Homecoming 1960. She was crowned by football captain, Archie Clemins, immediately preceding the parade. Miss Linda Ostema, junior, and Miss Bonnie Adams, sophomore, were her attendants.

The marching band and the majorettes headed the fifth annual Homecoming parade. The queen and her attendants riding in convertibles, the three class floats, the cheerleaders, and various decorated cars were also in the parade.

Nancy Russell, Betsy Lyman, and Dick Thornes were the general Homecoming chairmen. Float chairmen were Sharon Schwab, Yo-Yo Hopkins, and Pete Johnson, seniors; Sally Gallagher, K. C. Ogata, and Rick Adams, juniors; and Marty Wagner, Jim Booth, and Scott Myers, sophomores.

Climaxing the exciting events of Homecoming was the Homecoming Dance held in the high school gymnasium after the game.

Once again the Student Council sponsored the American Field Service program at UHS. It is through this program that Urbana High School is able to bring a foreign student to Urbana for a year and to send a UHS junior abroad for the summer. Kathy Hansen was the general chairman of this year's program.

Thirteen hundred dollars was needed to finance this year's program. The sale of AFS chocolate bars netted 90% of this amount. The rest of the sum was obtained from donations and from a bermuda day during which students paid for the privilege of wearing bermudas to school.

Several assemblies were held during the year at which Gary Storm told about his AFS-sponsored trip to Switzerland and Eva Unger, Urbana's foreign exchange student from Vienna, told of her native Austria.

AFS COMMITTEE

Mr. Thomas, Kathy Hansen, Miss Bauer, Sally Gallagher, and Pete Wallace

This year Urbana High was lucky to have Eva Unger from Vienna, Austria, as its foreign exchange student. During her stay here Eva lived with the Robert Mussey family whose daughter, Carol, was a junior at UHS.

At the half time of our first home football game, Eva was escorted onto the field to receive the key to the city of Urbana from Mayor Stanley Weaver while the band played a Viennese waltz.

For years to come everyone at UHS will remember Eva's fun-loving and vivacious manner.

Stage Show 1961

Judy French

Preparations for Stage Show 1961 began almost as the curtain went down on Stage Show 1960. All year long, coordinators Robert Jorgensen, James Partridge, Elton Curry, Gerald Gross, and Joseph Giewartowski worked to produce a polished, professional show. Centered around the Dance Band, Stage Show presents the best of Urbana High's musical talent. Music for the Dance Band was arranged by Robert Schaeffer of the U of I Music Extension. Judy Kimbel did the choreography for the Stage Show dancers.

Once again the Student Council was an active, integral part of life at Urbana High. The Council, composed of one representative from each homeroom, is sponsored by Mr. Ralph Davis.

The first project of the year for Student Council was new student orientation day in September. The handling of class elections in the fall and the guidance conference in the spring, the maintaining of the student lounge, the collection of toys for underprivileged children in conjunction with the United States Marine program, "Toys for Tots," and the handling of various smaller projects occupied much time for Student Council members.

The Student Council sponsored the Christmas dance, "Chanson de Noel" and conducted the activities of vice versa week in March. This week was climaxed with the annual vice versa dance, "Just Me and My Guy."

The Urbana Student Council was very active in the Tri-Hi Council, whose members represent all of the student councils in Urbana and Champaign. This year the Tri-Hi Council helped to repair the Salvation Army outpost in the city and presented the Tri-Hi dance, "Kubla Khan."

Several council members attended the district convention in Bloomington. In April, Nancy Risser and Sally Gallagher attended the state convention in Chicago. This summer president-elect Nancy Risser will be Urbana's delegate to the national convention in Oklahoma City, Oklahoma.

The 1961 *Rosemary* attempts to capture the spirit and life of Urbana High through "Reflections of the Year." This theme is carried out on all the division pages by the use of a mirror image on the left hand page.

Joann Meyers, Rosemary queen, and her four attendants were crowned at the annual Christmas dance, "Chanson de Noel," which was once again co-sponsored by the Rosemary staff. The gymnasium was decorated in colors of red, white, and pink. A beautiful flocked tree which reflected light from rotating spotlights was the center of attraction.

All year long the staff was busy taking orders for Rosemarys, snapping pictures, writing copy, and planning layouts in order to turn out an interesting and informative Rosemary. In the meantime ad staff members were out harassing local businessmen in order to sell ads to finance the publication.

This was Rosemary's third year under the expert guidance of Mrs. Carol LeSeure, sponsor.

This latter award represents a new step forward for the UHS newspaper. For the first time the *ECHO* was chosen by the National Scholastic Press Association to receive its publication, Scholastic Roto, for distribution monthly with the *ECHO*.

For the sake of efficiency, two new staff positions were added. A close look at various departments and organizations at Urbana High was given in a new feature, "Close-Up."

Tigers' Den

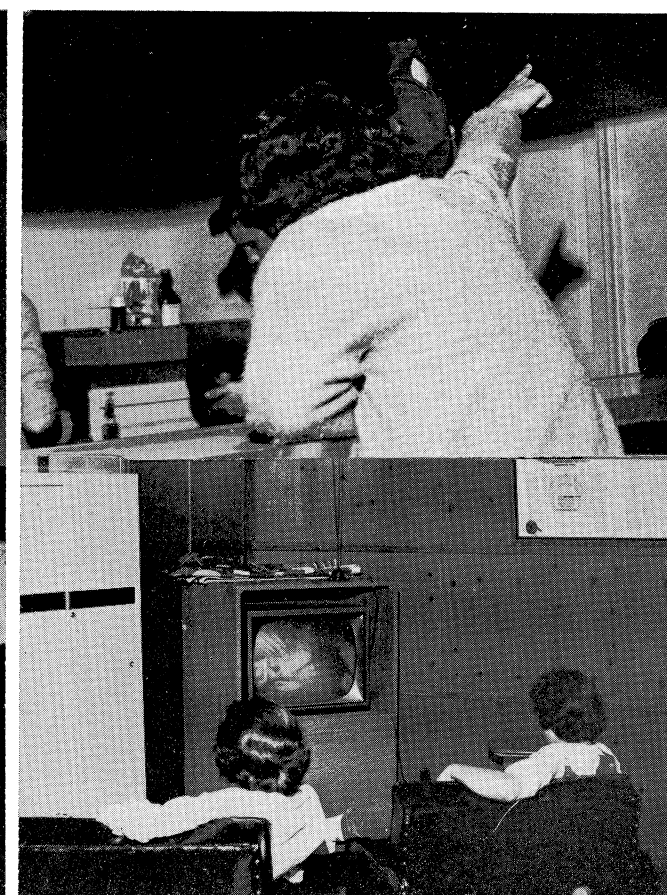

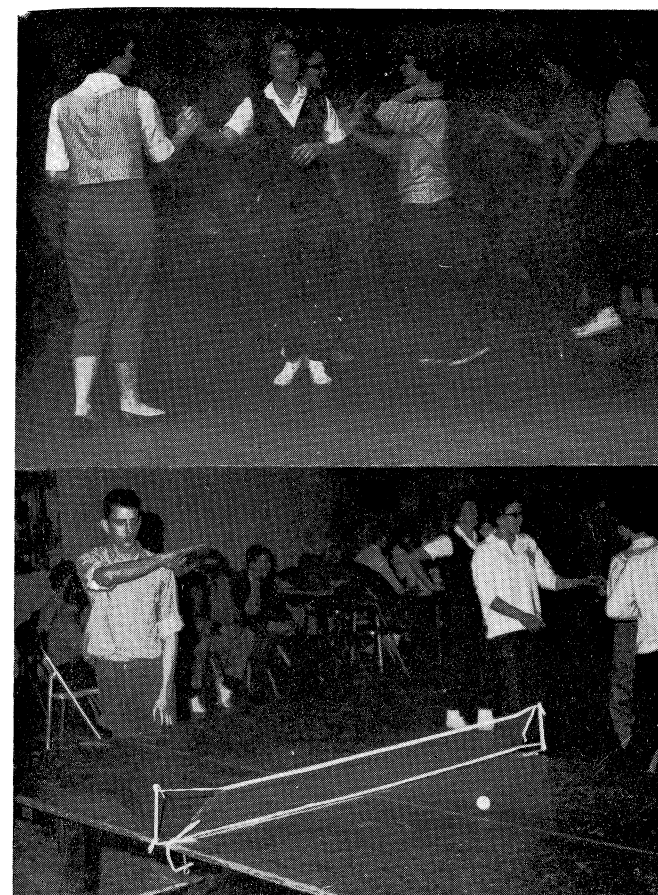

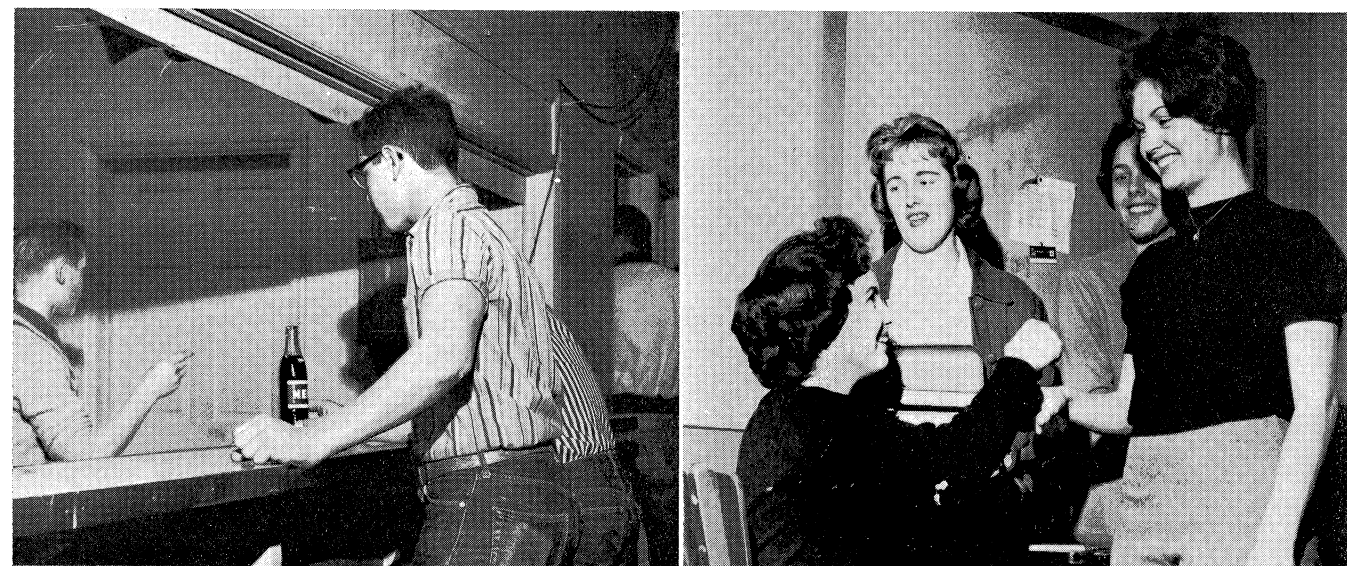

Anyone venturing into the Community Building on a Friday or Saturday evening between 7:30 and 11:00 will find Urbana High School students dancing, watching television, playing ping pong, and thoroughly enjoying themselves. This building is the home of the Tiger's Den, the youth center for students at UHS.

The Den is run by a youth council composed of ten seniors, nine juniors, and nine sophomores. This group is advised by Oscar Adams who is assisted by an adult council.

A membership card costs twenty-five cents, with an additional charge of ten cents for each evening spent at the Den. Admission for those who are not members is twenty-five cents.

Dances held by the Den this year included a back to school dance, the homecoming dance, a Christmas holiday dance, a Valentine's Day dance, and a graduation dance honoring seniors.

French Club

Strains of "Il est ne, le divin enfant" greeted many surprised ears on a snowy evening last Christmas when the French Club tramped through the snow to sing French carols at several homes and hospitals. After the caroling, members went to the home of Marty and Bill McCloy to warm themselves with hot chocolate and doughnuts.

Early in the year Gary Storm talked to members and showed slides of Switzerland. In December, members met at the home of Mrs. Stravinsky to sing French songs and to sample French pastry baked by Mrs. Stravinsky. Costumed French Club members ate by candlelight and crowned a king and queen at the French Club banquet in February. Officers for the coming year were elected at the annual spring picnic in May.

Latin Club

Rome lived again when Latin Club members dressed in togas for their annual Latin Club Banquet last February. In December the Latin Club held a Latin-Spanish Christmas party in conjunction with the Spanish Club. Members attended their annual picnic in the spring.

Spanish Club

"El Pasatiempo's" first big program of the year was a combination scavenger hunt and wiener roast held in Carle Park. Students were formally initiated in November.

Many members attended the Spanish-Latin Banquet at Christmas. Henrique Calle sang a Spanish song, accompanied by Tony Leal on the guitar, and everyone joined in singing Christmas carols in Spanish. Highlighting the program was the breaking of the pinata and the ensuing scramble for the candy which the pinata had contained. Members gained a glimpse into the lives of Spanish-speaking neighbors to the south when they viewed slides of Mexico and South America at several of their meetings.

To raise money for the club treasury, Spanish Club compiled and sold supplements to the TIGERECTORY.

The Girls' Athletic Association is the organization for girls at Urbana High who are interested in sports. The girls meet after school to swim, play basketball, and bowl. This fall the club members went to a play day in Jamaica. During the year the members participated in the State GAA bowling and basketball tournaments. F.H.A.

Future Homemakers of America is an organization enabling girls at UHS to learn more about the various fields of home economics. The UHS chapter is sponsored by Mrs. Hazel Hasty.

The active FHA year began with a program titled "Cookie Capers" at which old and new members assembled to bake and to get acquainted. During the fall the club raised money by selling taffy apples. To carry out this year's theme, "More Family Togetherness," demonstrations were given on the following topics: "Flower Arrangements for Our Home," "Fam-

ily Fun with Gift Wrapping," and "Looking Our Best for Our Family." The Christmas season was highlighted by a Christmas dinner for the girls and their families. The chapter also gave a Christmas gift basket to a deserving family. This year the UHS chapter was asked to write the feature article for the spring issue of the State News Letter, the Illinois FHA magazine. Other activities during the year included "Daddy Date Night," a style show, a Mother's Tea, and the traditional Senior Breakfast at the end of the year.

The Future Teachers of America at Urbana High School performs a dual function: It encourages an interest in the profession and provides information concerning it.

At Christmas members assembled scrapbooks for children in local hospitals. Champaign FTA members were guests at the January potluck supper. Throughout the year the club heard many interesting speakers tell about informative aspects of teaching. Miss Marie Bauer was the club's sponsor.

F.F.A.

Future Farmers of America is an organization for boys interested in farming and vocational agriculture in high school. In addition to carrying out experiments on special plots of land, the boys raise crops and livestock for projects and various contests held during the year. The boys belong to the Champaign F.F.A. Chapter whose sponsor is Mr. J. Arthur Twardock.

D.O.

Diversified Occupations is cooperative, part-time vocational training open only to juniors and seniors. After taking preference and aptitude tests, the applicants are interviewed and counseled by a D.O. Coordinator. Then the students are carefully placed in jobs according to the results of the tests for a minimum of three hours a day. Each student also receives one hour of related classroom instruction daily. Until completion of training, students are paid beginner's wages. Mr. McAllister is in charge of the organization.

Library Club

Library Club seeks to encourage students to make fullest possible use of library facilities and to acquaint interested students with library science as a profession. Meetings were held on the second Monday of each month.

The year's activities included an awards program, a faculty tea at Christmas, a farewell breakfast for the seniors in the spring, and several parties. The highlight of the year was a trip to Turkey Run.

Art Club

Art Club gives interested students an opportunity to dabble in art and to work on personal art interests. Members meet each Monday afternoon after school to work in projects which range from silver and copper enameled jewelry to mosaics. During the football season, the members made and sold pompons to raise money for jewelry-making materials. The club's sponsor was Mrs. Susan Nelson.

Camera Club

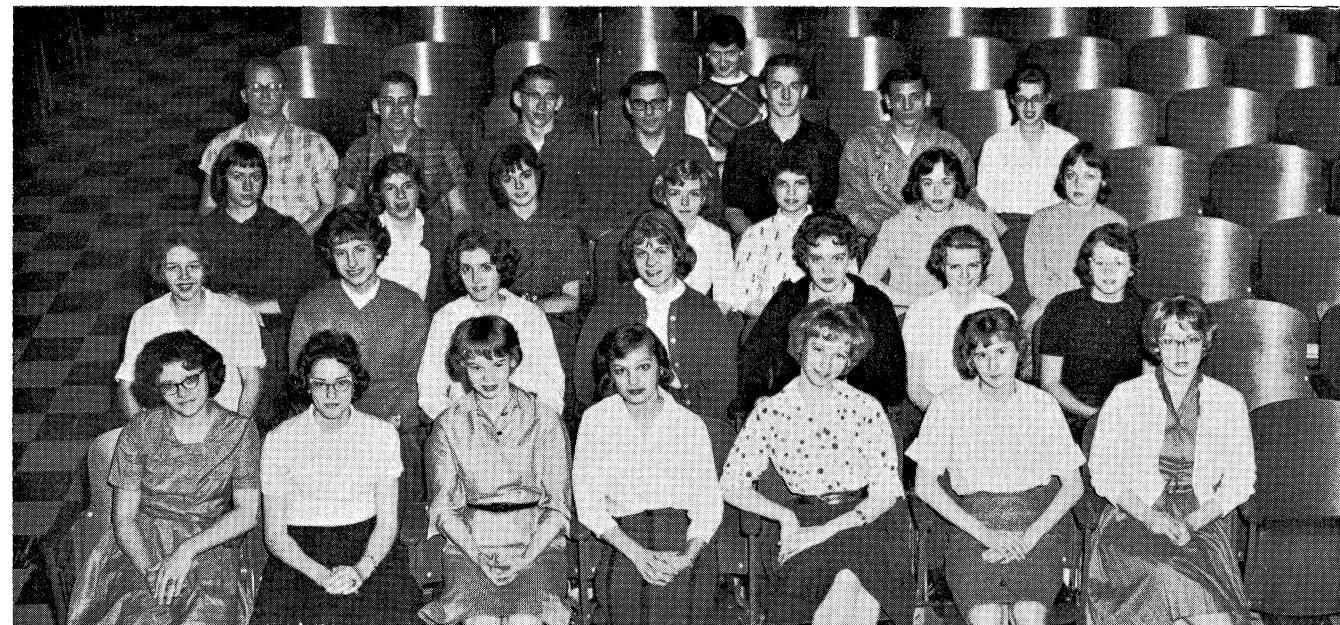

If you had seen harried individuals hurrying about with little black boxes under their arms this year, chances are that these were members of Camera Club.

This busy club took and developed many of the pictures for the ROSEMARY and the ECHO. In order to raise money for new equipment, the club took and sold pictures of the students. The club highlighted its year by holding a Winter Wonderland photography contest. Other activities during the year were a picnic and a tour of the Courier's dark room.

Delta Sigma and Thespians

Delta Sigma and Thespians are the two dramatic societies at Urbana High. Points earned through acting in plays or working behind the scenes in production committees may be applied toward membership in the organizations. Five points are required for Delta Sigma membership, while twelve points are required for acceptance into the National Thespian Society. The two organizations have the same officers and meet jointly.

Orchesis

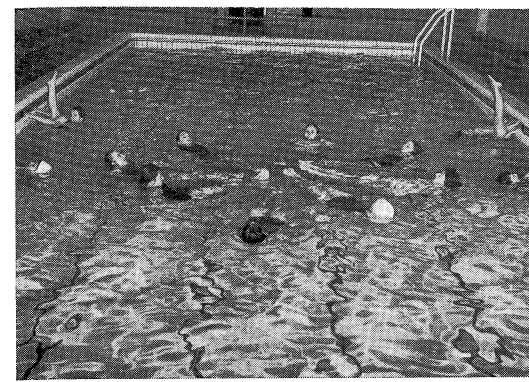

Orchesis, the modern dance club at UHS, admitted eight new members this year. Each new member met the standards required in tryouts which were held in November.

The theme of the annual show this year was "Best of Broadway." The girls performed to tunes from various Broadway plays.

Members met every Tuesday after school to practice their dances and to work out the many problems involved in performing. The girls themselves did all of the choreography and designed their own costumes. The sponsor of Orchesis this year was Mrs. Dieken.

TERRAPIN

Months of hard practice and planning culminated on April 10, when Terrapin members raised the curtain on their annual water ballet show. This year's theme was "Holi-Daze." Each routine was based on one holiday in the year.

At try-outs on October 25, prospective members were asked to display their ability to swim and to do water stunts. Eight girls were accepted on the basis of their grace and smoothness in executing these stunts. They were formally initiated on November 11. The club's sponsor was Mrs. Chronister.

BAND

Besides the concert bands, the Urbana Music Department maintains the Dance Band, the Dixieland Combo, and the Modern Jazz Combo. The Dance Band, composed of 25 to 30 members, plays mostly for school affairs but takes one or two outside engagements a year. Music for the band is arranged by Robert Schaeffer of the U of I Music Extension. The Modern Jazz Combo and the Dixieland Combo played for various school functions throughout the year. These music groups help to make a well-rounded band program and give the students a chance to become acquainted with good jazz.

FOOTBALL

Whether the Tigers won or lost, any team that took them on this year knew that they had been in a ball game. The Tigers compiled a 3-5-1 record and the respect of all opponents for hard-hitting and a never-give-up spirit. As defending Big 12 champions, the Tigers were the prime target for all foes and came through admirably. Urbana beat Stephen Decatur, Georgetown, and Danville Schlarman and were barely topped by conference champion Mattoon and arch-rival Champaign.

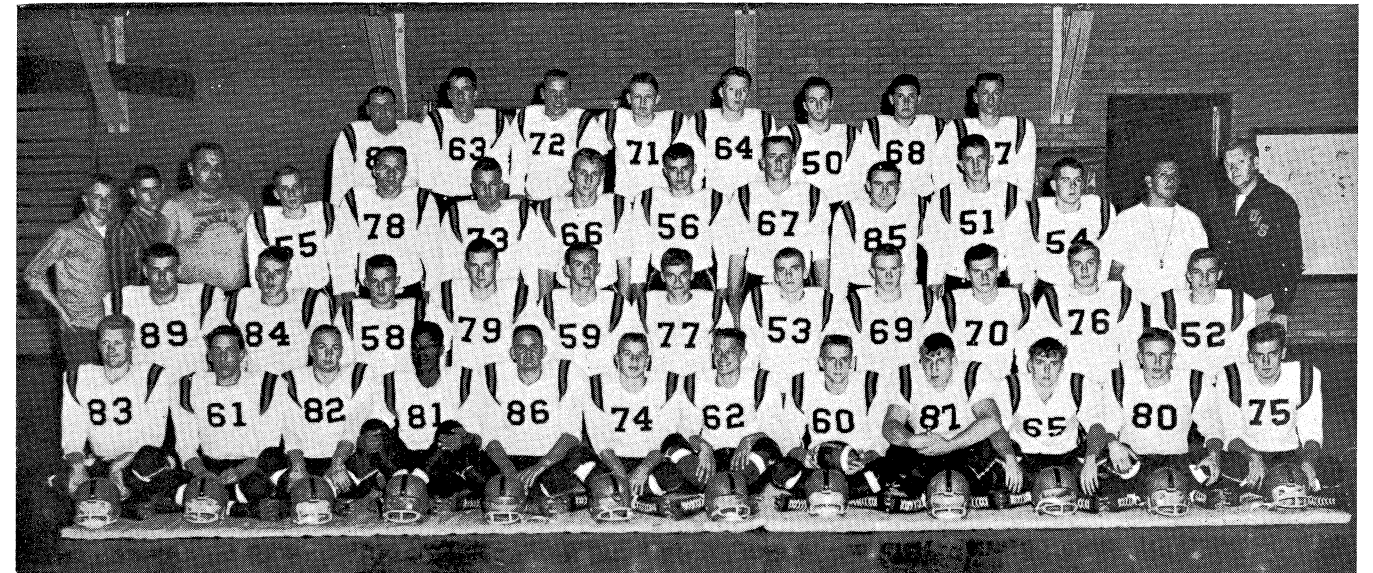

Against Decatur, the Tigers parlayed a fine running attack and 148 aerial yards by quarterback Buddy Hult into a 20-13 win. Mattoon beat Urbana in the final minute on a pass interception that was run back by the Green Wave for a touchdown.

MOST VALUABLE PLAYER AWARD

Kirk Westlund, an end in the Urbana line this year, won both the Pittman Award and the Most Valuable Player Award for 1960.

FOOTBALL

The Maroons of Champaign nipped Urbana 13-6 and came away complaining that they had never been hit so hard. The Tigers were indeed Tigers all year.

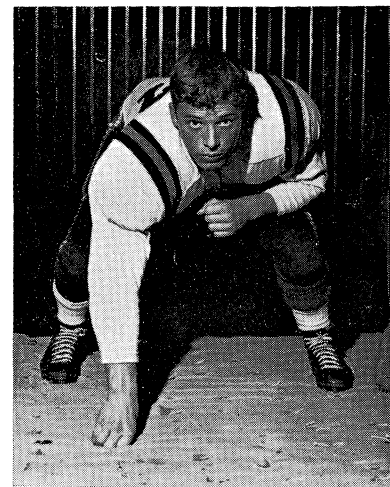

Guided by head coach Warren Smith and by captain Archie Clemins, the 1960 Tigers had all the ingredients of a fine team: one of the state's largest lines, a fine passing attack, and powerful runners in the backfield. The 1960 season opened with ten returning lettermen, and in 1961 Urbana will greet twenty-four letterwinners. The UHS squad will be captained by Wally Rodgers and Gary Halberstadt. At the season's end, senior end Kirk Westlund became the first Tiger in history to win both the Most Valuable Player award and the Dick Pittman trophy for the most outstanding lineman.

SOPHOMORE FOOTBALL

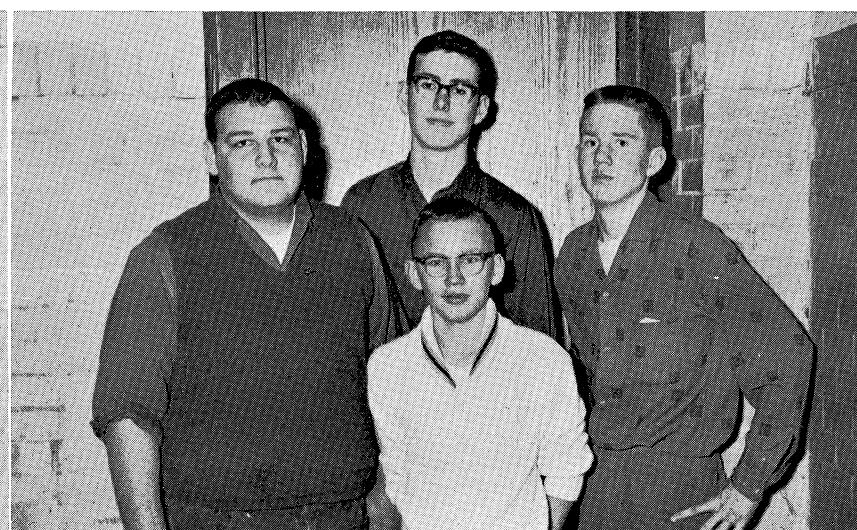

The Sophomore Football Team had a good season this year, posting a 6-2 record. Led by their new head coach, Dean Cramer, they showed a passing attack that has not been seen around Tiger football in a long time.

Some of the players on the team developed very quickly and showed great potential. If they continue in this pattern for the next two years, they should be able to produce a winning combination and follow the traditional Tiger victory trail.

CROSS COUNTRY

Eight Tiger harrier lettermen, headed by captain Don Dial, enjoyed another impressive season. For the fourth successive year the harriers went undefeated in dual meets. In seven of this year's dual meets, the Tigers won with perfect scores. Also this season, the cross-country team accounted for the Big 12 championship and a share of the district crown. Led by number one runner and next year's captain, Bob Keller, the Tigers placed fifth in state competition, the highest finish by any team outside of Chicago and its suburbs. Coach Armer considered this year's squad one of the finest. Next year the only returning letterman is Bob Keller.

BASKETBALL

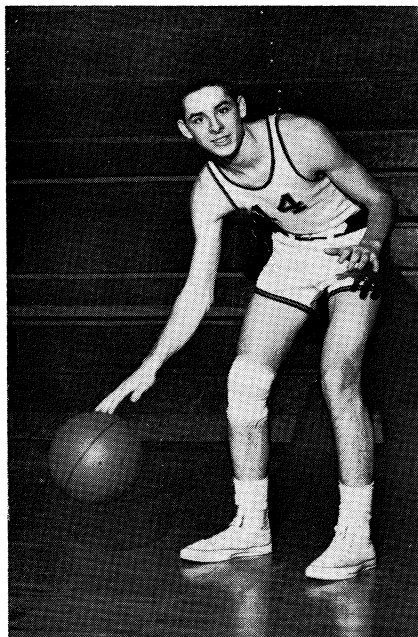

The Tiger cagers' 15-10 record was one of the finest in Urbana basketball history and their second-place finish in the Big 12 was the highest for UHS in 22 years. Highlights of the year were wins over Decatur, Springfield and Champaign. This year's victories marked the first time Urbana had beaten Decatur on the Reds' floor in 20 years; the 53-46 victory over CHS was the first win in 13 consecutive games, and the Solon loss was Springfield's first conference defeat of the year. The only other teams to beat Springfield were Clinton and Thornton of Har-

vey in the State quarter-finals. Head coach Oscar Adams awarded letters to 13 cagers, among them co-captains Gary Storm and Steve Shoemaker. Shoemaker's 17.3 points per game is the highest average for a player in Urbana's history. Next year's co-captains Jim Booth and Bob Mock will join one other returning letterman. Bob Richardson and Storm shared the George Widing free throw award with identical .802 percentages. It was Richardson's second award in as many years.

WRESTLING

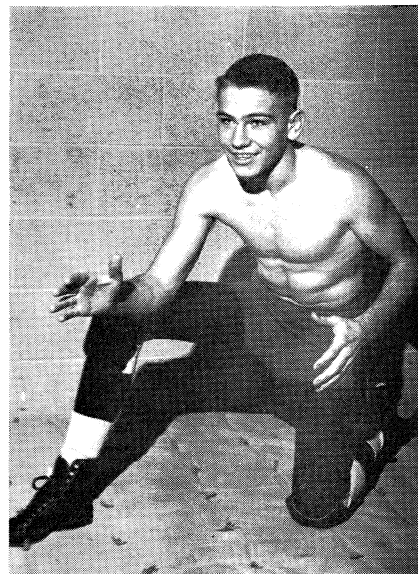

Injuries plagued the Tiger grapplers throughout the 1960-61 season, but nevertheless, Urbana captured the district crown and second places in both conference and sectional meets. Captain Tom Tinkham headed the list of six returning lettermen that presented a fine nucleus for coach Bob Raudonis. Six front-line wrestlers, half of the entire team, were injured at crucial points in the season. Tinkham, Bill Marshall, Terry Thomas, and Tom Bebout were injured just prior to the post-season tournaments; Bebout suffered a broken leg on the eve of the state meet. Tigers Phil Thrasher, Jim Karlberg, Bebout, and captain-elect Ron Pryor all qualified for the state meet, and Pryor advanced to the semi-finals. At season's end, Bill Thrasher was voted Most Valuable Wrestler; Bebout was voted Most Improved; and Wally Rogers received the award for most pins. UHS ended the season undefeated in dual meets and will return 11 of 17 lettermen next year.

SWIMMING

Coach Richard Thompson anticipated a young squad that lacked experience with captain Don Thorne among only five returning lettermen. However, the Tiger tankers set new records in six events and gave excellent reason to count on a fine team next year. The Urbana swimmers were 3-3 in dual action, took third place in the Big 12 meet, placed sixth in a stiff district field, and advanced two individuals and a relay team to the state meet. Next year, eight of nine lettermen return and the Tigers should be a powerhouse in central Illinois. Lee Carrington will be captain of the tankers next year.

TRACK

The 1961 Urbana track team was the finest in the history of UHS. Gene Armer's Tigers went to the state meet with the best chances of scoring in many years. Pacing the trackmen all year were two individuals who became the greatest in their events in UHS cinder annals. Quarter-miler Thom Walters ran the 440 faster than any other high school runner in Illinois history. Captain Bob Hubbard developed into the top hurdler Urbana has ever seen. He entered state competition with outstanding prospects of winning the highs and good chances in the low hurdles. In addition, a crack Tiger mile quartet possessed the fourth best time in Illinois going into state action. Urbana was undefeated in all meets other than the state. The Tiger cindermen successfully defended their district and Big 12 titles and also won the Paris Relays, Oak Park Relays, Urbana Open, Shelbyville Open, Normal Relays, and dual meets with Champaign, Danville, Decatur Eisenhower and Decatur MacArthur. All victories this year were by top-heavy Tiger totals.

GOLF

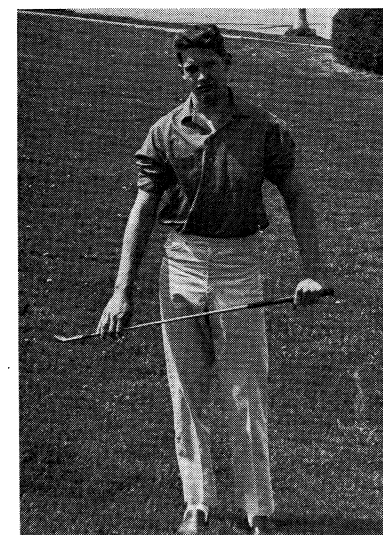

Coach Oscar Adams' 1961 Tiger golfers had a tremendous year on the links and suffered only one loss. They had excellent chances of winning state honors. Paced by three returnees from last year's state runner-up squad, Urbana topped Danville by three strokes in the district meet. Senior Dallas Peters was medalist, and along with Buddy Hult and Bill Parks, the other two members of last year's tourney team, has paced UHS all year. Joining the three par-breakers on the 1961 tournament squad were Bob Vedder and Joe Williamson. Both played good golf all year. Also numbered among the top Urbana golfers were Jack and Ed Keller, two of the five returning lettermen. Next year, Adams will have four lettermen around which to build another outstanding team.

SENIOR CLASS

CLASS OFFICERS

Row 1: Pete Johnson, publicity chairman; Lee Radebaugh, secretary.
Row 2: Yo-Yo Hopkins, president; John Smetana, vice-president;
Bob Larson, treasurer.

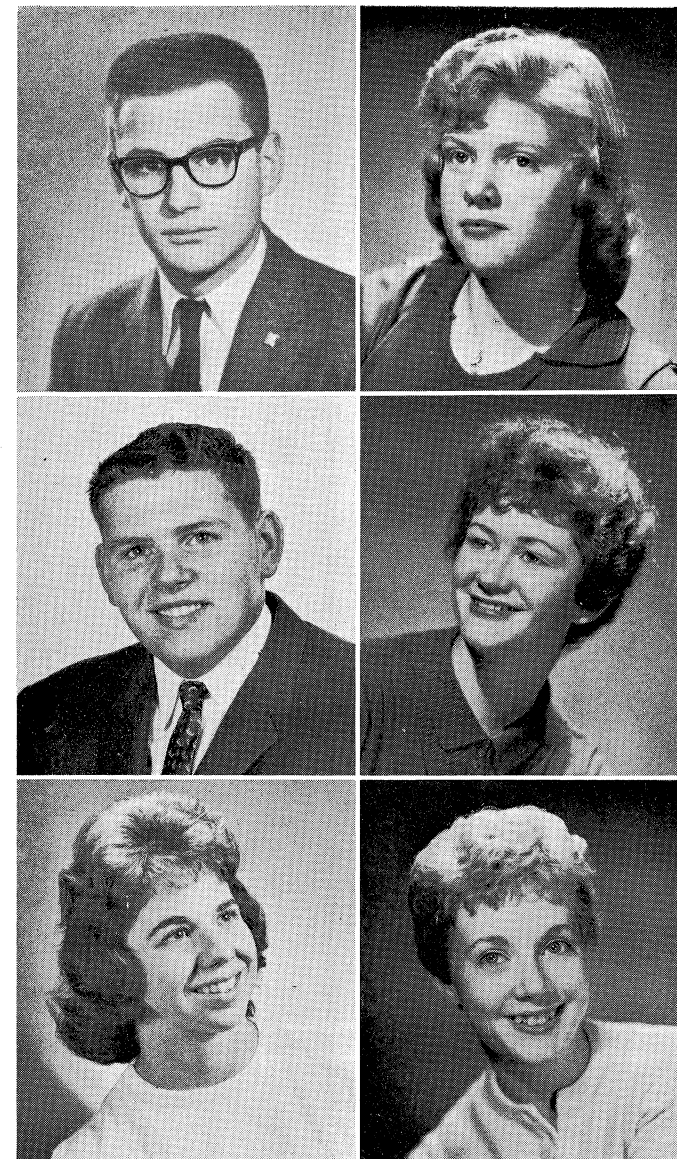

The seniors started their busy year with the election of an all-boy slate of officers. President was Yo-Yo Hopkins; Vice President, John Smetana; Secretary, Lee Radebaugh; Treasurer, Robert Larson; and Publicity Chairman, Pete Johnson.

School spirit was at a peak among the seniors, for the class of '62 can boast that they held the Spirit Jug for two consecutive years.

The seniors on the basketball team were largely responsible for Urbana's first victory over Champaign in thirteen games.

The AFS program, started at UHS when the Class of '61 were freshmen, owes a large part of its success to the work of active seniors. This year under the AFS program, Eva Unger, foreign exchange student from Vienna, Austria, was brought to Urbana to spend a year, and Gary Storm, an outstanding member of the senior class was sent to Switzerland for an unforgettable summer.

The seniors climaxed their active, fun-filled year by presenting Class Night, which this year had the theme of "Route '61."

JUNIOR CLASS

CLASS OFFICERS

Seated: Sandy Langhoff, publicity chairman; Diane McGill, treasurer; Sally Gallagher, president. *Standing:* Mary Lavenhagen, secretary; Nancy Risser, vice-president.

From the day early in the fall when they received their class rings until the night when they presented the prom, the juniors were busy working for their class and for their school.

Most of the year's activities were aimed toward raising money for the prom. Successful fund-raising campaigns included noon-hour candy sales, bake sales, coat checks at the basketball games, and a pancake supper in March.

The final election count showed that all junior offices had been filled by girls. President was Sally Gallagher; Vice President, Nancy Risser; Secretary, Mary Lavenhagen; Treasurer, Diane McGill; and Publicity Chairman, Sandy Langhoff.

Because this year was a Presidential election year, the juniors were especially active in civics classes. Not only did they follow the election closely, but they also debated some of the campaign issues in class.

Searching for rhetoric vocabulary words was not limited only to seniors this year. Due to the new team-teaching system in the English Department, many juniors studied rhetoric as well as English literature.

Juniors whose scholastic achievements were outstanding were nominated for Psi, junior scholastic honorary.

All year long busy juniors contributed their time and talent to extracurricular activities. Junior boys out for sports added their part to the fine records achieved by UHS teams this year. Junior Thespians took major roles in every play given by the dramatics department.

Truly this year was an exciting and enjoyable one for the class of '62.

SOPHOMORE CLASS

CLASS OFFICERS

Dan Cedusky, publicity chairman; Steve Shull, vice-president; Tom Freebairn, secretary; Chuck Burt, president; Chuck Zbrozek, treasurer.

Although the class of '63 was once more the "plebe" class at UHS, they were not "plebes" in their accomplishments.

The sophomore Homecoming float, "We'll Bug the Raiders" captured first prize in the Homecoming parade.

The sale of ball point pens and pizza tickets redeemable at the Italian Village added dollars to the class treasury.

The sophomore boys teamed together to usher in an all-male ticket of class officers. Chuck Burt was elected President; Steve Shull, Vice President; Tom Freebairn, Secretary; Chuck Zbrozek, Treasurer; and Danny Ceduskey, Publicity Chariman.

Sophomores seemed to invade every classroom this year. Some entered the sacred domain of rhetoric and English literature, while others took math courses that ranged from Algebra I to analytic geometry.

Many sophomores learned to drive under the careful instruction of Oscar Adams, Bill Leinenweber, and John Gremer.

Much sophomore time and energy have been contributed to the clubs and activities of UHS. Certainly the sophomores have achieved a record of which they may well be proud.

Board of Education and Superintendent's Staff

Reflections of the year bring thoughts of my good fortune that brought an opportunity to join the school system of which the Urbana Senior High School is a part. These reflections renew warm feelings of appreciation that ought to be expressed again and again for the graciousness of students, members of the school staffs, Board members and citizens. These many thoughtful acts more than fill a total complex of welcome and friendship.

Reflections of the year transcend a year. We reflect in halls and classrooms that whisper institutional recollections of over three-quarters of a century. Let us listen carefully, for these traditions tell us of heroes who chose to die that we might be free, of how success is won, of the good lives of the many. Let us choose the best of this past that we might know how to choose the best of the future.

MR. JAMES CHERRY, Superintendent

To the Seniors of 1961

MR. RAY BRAUN, Principal

Each year we suffer a grievous loss when the members of our senior class are awarded those precious diplomas and are graduated with a few words of advice, admonition, and farewell. And yet we would not have you remain with us. You are blessed with the fire and ambition of youth and you have an exciting world before you. It is also a complex, dangerous world and you need to make progress toward establishing a place for yourselves.

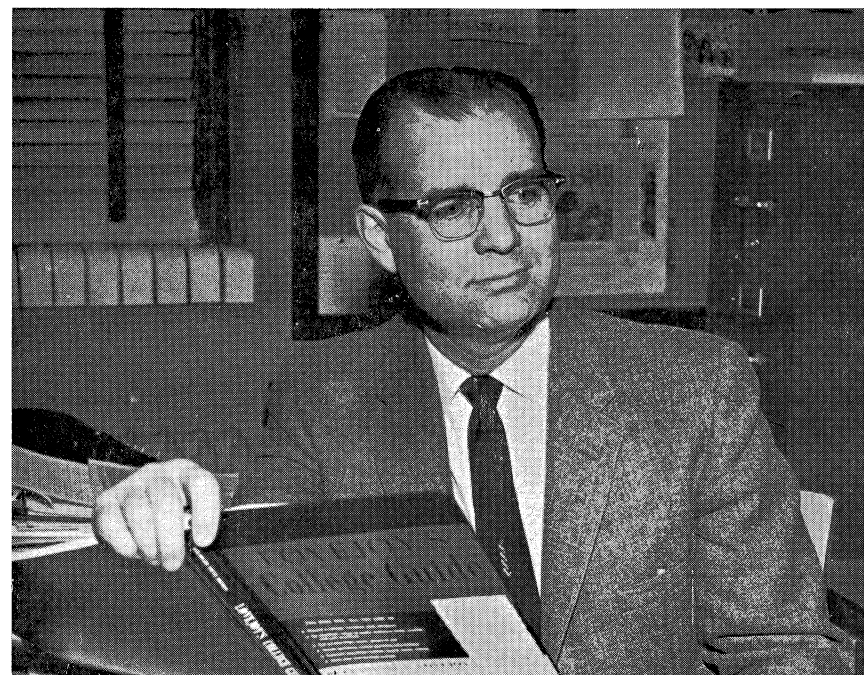

Don't be content with your present accomplishments. The complacent and the contented rarely have lofty goals. Strive to make your graduation the beginning and not the end of your attainments.

I wish you success and happiness in all your endeavors.

MISS SARAH FISHER, Dean of Girls

In addition to cheerfully administering her duties as Dean of Girls, Miss Fisher gives much time to serving as sponsor of S.K., Chairman of Scholastic and Honor Societies, teacher of secretarial training, and Chairman of Calendar and Activities Committee.

MR. RALPH DAVIS, Dean of Boys

Not only does Mr. Davis serve as Dean of Boys, but he also devotes much of his time and energy to sponsoring the Student Council. A friend to everyone, he is always willing to lend an ear to any problems a student might have.

Time Tells the Tale

Just as classrooms and buildings have become more modern and functional, so have means and methods of producing engravings.

But hand-in-hand with modernness go tradition and experience...and fine engravings for yearbooks have been a tradition with us for 48 years.
