FFA.

Future Farmers of America is an organization for boys interested in farming and vocational agriculture in high school. In addition to carrying out experiments on special plots of land, the boys raise crops and livestock for projects and various contests held during the year. The boys belong to the Champaign F.F.A. Chapter whose sponsor is Mr. J. Arthur Twardock.

D.O.

Diversified Occupations is cooperative, part-time vocational training open only to juniors and seniors. After taking preference and aptitude tests, the applicants are interviewed and counseled by a D.O. Coordinator. Then the students are carefully placed in jobs according to the results of the tests for a minimum of three hours a day. Each student also receives one hour of related classroom instruction daily. Until completion of training, students are paid beginner's wages. Mr. McAllister is in charge of the organization.

Library Club

Library Club seeks to encourage students to make fullest possible use of library facilities and to acquaint interested students with library science as a profession. Meetings were held on the second Monday of each month.

The year's activities included an awards program, a faculty tea at Christmas, a farewell breakfast for the seniors in the spring, and several parties. The highlight of the year was a trip to Turkey Run.

Art Club

Art Club gives interested students an opportunity to dabble in art and to work on personal art interests. Members meet each Monday afternoon after school to work in projects which range from silver and copper enameled jewelry to mosaics. During the football season, the members made and sold pompons to raise money for jewelry-making materials. The club's sponsor was Mrs. Susan Nelson.

Camera Club

If you had seen harried individuals hurrying about with little black boxes under their arms this year, chances are that these were members of Camera Club.

This busy club took and developed many of the pictures for the ROSEMARY and the ECHO. In order to raise money for new equipment, the club took and sold pictures of the students. The club highlighted its year by holding a Winter Wonderland photography contest. Other activities during the year were a picnic and a tour of the Courier's dark room.

Delta Sigma and Thespians

Delta Sigma and Thespians are the two dramatic societies at Urbana High. Points earned through acting in plays or working behind the scenes in production committees may be applied toward membership in the organizations. Five points are required for Delta Sigma membership, while twelve points are required for acceptance into the National Thespian Society. The two organizations have the same officers and meet jointly.

Orchesis

Orchesis, the modern dance club at UHS, admitted eight new members this year. Each new member met the standards required in tryouts which were held in November.

The theme of the annual show this year was "Best of Broadway." The girls performed to tunes from various Broadway plays.

Members met every Tuesday after school to practice their dances and to work out the many problems involved in performing. The girls themselves did all of the choreography and designed their own costumes. The sponsor of Orchesis this year was Mrs. Dicken.

TERRAPIN

Months of hard practice and planning culminated on April 10, when Terrapin members raised the curtain on their annual water ballet show. This year's theme was "Holi-Daze." Each routine was based on one holiday in the year.

At try-outs on October 25, prospective members were asked to display their ability to swim and to do water stunts. Eight girls were accepted on the basis of their grace and smoothness in executing these stunts. They were formally initiated on November 11. The club's sponsor was Mrs. Chronister.

BAND

Besides the concert bands, the Urbana Music Department maintains the Dance Band, the Dixieland Combo, and the Modern Jazz Combo. The Dance Band, composed of 25 to 30 members, plays mostly for school affairs but takes one or two outside engagements a year. Music for the band is arranged by Robert Schaeffer of the U of I Music Extension. The Modern Jazz Combo and the Dixieland Combo played for various school functions throughout the year. These music groups help to make a well-rounded band program and give the students a chance to become acquainted with good jazz.

FOOTBALL

Whether the Tigers won or lost, any team that took them on this year knew that they had been in a ball game. The Tigers compiled a 3-5-1 record and the respect of all opponents for hard-hitting and a never-give-up spirit. As defending Big 12 champions, the Tigers were the prime target for all foes and came through admirably. Urbana beat Stephen Decatur, Georgetown, and Danville. Schlarman and were barely topped by conference champion Mattoon and arch-rival Champaign.

Against Decatur, the Tigers parlayed a fine running attack and 148 aerial yards by quarterback Buddy Hult into a 20-13 win. Mattoon beat Urbana in the final minute on a pass interception that was run back by the Green Wave for a touchdown.

MOST VALUABLE PLAYER AWARD

Kirk Westlund, an end in the Urbana line this year, won both the Pittman Award and the Most Valuable Player Award for 1960.

FOOTBALL

The Maroons of Champaign nipped Urbana 13-6 and came away complaining that they had never been hit so hard. The Tigers were indeed Tigers all year.

Guided by head coach Warren Smith and by captain Archie Clemins, the 1960 Tigers had all the ingredients of a fine team: one of the state's largest lines, a fine passing attack, and powerful runners in the backfield. The 1960 season opened with ten returning lettermen, and in 1961 Urbana will greet twenty-four letter-winners. The UHS squad will be captained by Wally Rodgers and Gary Halberstadt. At the season's end, senior end Kirk Westlund became the first Tiger in history to win both the Most Valuable Player award and the Dick Pittman trophy for the most outstanding lineman.

SOPHOMORE FOOTBALL

The Sophomore Football Team had a good season this year, posting a 6-2 record. Led by their new head coach, Dean Cramer, they showed a passing attack that has not been seen around Tiger football in a long time.

Some of the players on the team developed very quickly and showed great potential. If they continue in this pattern for the next two years, they should be able to produce a winning combination and follow the traditional Tiger victory trail.

CROSS COUNTRY

Eight Tiger harrier lettermen, headed by captain Don Dial, enjoyed another impressive season. For the fourth successive year the harriers went undefeated in dual meets. In seven of this year's dual meets, the Tigers won with perfect scores. Also this season, the cross-country team accounted for the Big 12 championship and a share of the district crown. Led by number one runner and next year's captain, Bob Keller, the Tigers placed fifth in state competition, the highest finish by any team outside of Chicago and its suburbs. Coach Armer considered this year's squad one of the finest. Next year the only returning letterman is Bob Keller.

BASKETBALL

The Tiger cagers' 15-10 record was one of the finest in Urbana basketball history and their second-place finish in the Big 12 was the highest for UHS in 22 years. Highlights of the year were wins over Decatur, Springfield and Champaign. This year's victories marked the first time Urbana had beaten Decatur on the Reds' floor in 20 years; the 53-46 victory over CHS was the first win in 13 consecutive games, and the Solon loss was Springfield's first conference defeat of the year. The only other teams to beat Springfield were Clinton and Thornton of Har-

vey in the State quarter-finals. Head coach Oscar Adams awarded letters to 13 cagers, among them co-captains Gary Storm and Steve Shoemaker. Shoemaker's 17.3 points per game is the highest average for a player in Urbana's history. Next year's co-captains Jim Booth and Bob Mock will join one other returning letterman. Bob Richardson and Storm shared the George Widing free throw award with identical .802 percentages. It was Richardson's second award in as many years.

WRESTLING

Injuries plagued the Tiger grapplers throughout the 1960-61 season, but nevertheless, Urbana captured the district crown and second places in both conference and sectional meets. Captain Tom Tinkham headed the list of six returning lettermen that presented a fine nucleus for coach Bob Raudonis. Six front-line wrestlers, half of the entire team, were injured at crucial points in the season. Tinkham, Bill Marshall, Terry Thomas, and Tom Bebout were injured just prior to the post-season tournaments; Bebout suffered a broken leg on the eve of the state meet. Tigers Phil Thrasher, Jim Karlberg, Bebout, and captain-elect Ron Pryor all qualified for the state meet, and Pryor advanced to the semi-finals. At season's end, Bill Thrasher was voted Most Valuable Wrestler; Bebout was voted Most Improved; and Wally Rogers received the award for most pins. UHS ended the season undefeated in dual meets and will return 11 of 17 lettermen next year.
