Echo

New paths of thought, new inspirations, new goals — these were the aims of the 1962 ECHO staff as they initiated the series "Thoughts for Youth." Articles were contributed by outstanding men in the fields industry, labor and art. Such famous men as George Meany, president of the AFL-CIO; Mr. J. C. Penny; and Mr. Earl Warren, chief justice of the Supreme Court presented their views on both their fields of endeavor and the world situation.

A series of original cartoons by UHS students were also a new feature of the ECHO, adding a balance

of humor as well as filling up odd-shaped spaces.

Reporters for the ECHO were selected on the basis of their ability to present information concisely, correctly, and dependably, and with a maximum of originality. They were chosen with the hope that they would support the tradition which had won the ECHO, under the guidance of Mr. Stanley Hynes, a First Place Rating from Quill and Scroll for excellence in high school journalism for the third time in three years.

Tigers' Den

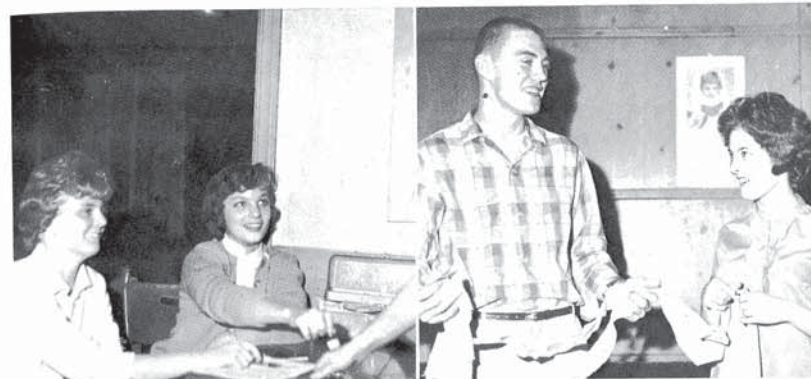

The Tiger's Den, open from 7:30 to 1:00 on Friday and Saturday evenings, provides UHS students with a place to dance, play ping pong, watch television, relax, and just plain enjoy themselves.

The Den is run by a youth council composed of nine sophomores, nine juniors, and ten seniors who are elected from their respective classes at large. Oscar Adams acts as the group's sponsor and is assisted by an adult council composed of local townspeople who represent the various schools and businesses.

A membership card costing twenty-five cents allows a student to enter the Urbana Community Building as often as he pleases during the semester for an additional charge of one dime. Admission for those who are not members is twenty-five cents.

This year the Den sponsored special dances which included a back to school dance, a hard times hop, a holiday dance called "Mistletoe Mist," a Valentine's dance, and a graduation dance honoring the senior class. Entertainment for these dances was provided by the UHS dance band and Wayne Carr's Orchestra.

Dancing at the Den ran wild this year as students participated in the "Twist," the "Horse," the "Mash Potatoes," the "Coffee Grinder," and assorted and sundry "Stomps." Ninth grade students were also allowed to attend the Den on a trial basis.

Latin Club

Rome lived again as Latin Club members donned their togas and attended the annual Latin Club banquet which featured real Roman food. During the year, stimulation of interest in ancient Roman civilization was provided by a speech on the Roman Navy by Professor Starr and a visit to the classical museum at the University. In December, the club went Christmas

caroling, and in February they feted their sponsor, Mrs. Mabel Dobyns with an "Unbirthday" party which included an "Unbirthday" gift and an "Unbirthday" cake. Highlight of Latin Club's busy year was the annual "Picus nicus," an informal affair in the Spring at which new officers were elected.

Phi Kappa Kappa or French Club as it is more commonly known, was the largest of the language clubs this year. It was so large that it required a school bus for the members to go Christmas caroling and 400 French doughnuts and five *Bûches de Noel* as refreshments for the Christmas party.

French Club began the year with its initiation in October, a formal affair followed by an informal period of French games and refreshments. Some of the next meetings included slides showing a collection of French art treasures and a panel on various ways to travel to Europe during the summer.

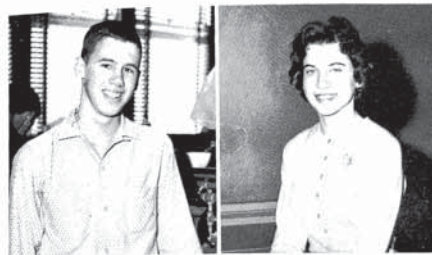

The highlight of the year was the French Club banquet which included, in addition to French food, the presentation of a French play by members of the club. At the end of the year, members hopped on their bicycles for the "Tour de France", a bicycle hike and picnic to Hessel Park modeled after the famous races in France. It was at this meeting that new officers were elected.

Sponsors of the club throughout the year were Mrs. Stravinsky and Mrs. Thomas.

Chemist Hart at Work

Chemistry Club

Chemistry Club was one of several new clubs this year. It was begun with the purpose of providing both extra material for students especially interested in chemistry and an opportunity for them to spend more time in the lab experimenting.

Members of Alpha Chi Sigma, a fraternity on the University of Illinois campus for junior, senior, and graduate students in chemistry, were responsible for the formation of the club. They volunteered, as a part of a service project, to spend one afternoon each week at the high school

speaking on topics related to chemistry. The UHS students who became members of the club were permitted to request speeches on the topics which interested them most, and the result was symposiums on such varied subjects as spectrochemistry, classical experiments in chemistry, aspects of biochemistry, and chemical bonding.

In addition to the talks presented by the men from Alpha Chi Sigma, members of the club spent time doing individual research and experimentation in chemistry with help from Mrs. Carolyn Conrad, their sponsor.

Jets

JETS, the Junior Engineering Technical Society, is a new club at UHS this year. The club was organized as part of the state program in hopes that it would promote interest in science, engineering, and mathematics. Members of the club, with the help of their sponsor, Miss Brannor, and members of the University of Illinois staff, spent the year working on a digital computer.

Camera Club

The main purpose of the Camera Club is to provide an opportunity for those interested in photography to learn about cameras and camera operation and to learn how to take good pictures and how to develop film.

This year club members sold felt Tiger pins during football season and sold pictures to the football team in an effort to raise the money to buy some new equipment. Club members were also busy taking pictures for the *Rosemary* and the *Echo* with the help of their sponsor, Mr. White.

Commercial Club in Action

Commercial Club

The Commercial Club was a new club at Urbana High this year. It was organized in order to promote interest and understanding of the commercial courses offered at the high school, to inform people about the opportunities offered by commercial work, and to promote careers in commercial fields. The club also stresses the char-

acteristics of a good business worker and the importance of commercial workers in business and governments. Members are required to have earned at least two credits in commercial courses and to maintain a grade average of "C." The sponsors of the group are Mrs. Kabler and Mrs. Romans.

Social

Social Klub is both the largest and one of the oldest. Originally S.K. was organized in order to provide a club which all the girls in the school could join. That this purpose has been carried out is evidenced by the fact that the only restriction on S.K. membership is "Girls only!" In addition to this purpose, S.K. has more recently devoted itself to acquainting new girls and the sophomore girls with the other girls at UHS.

In October of the year, the sophomores were each assigned to an upperclassman "Big Sister." At the "Big-Little Sister Party" the girls had a good chance to introduce themselves informally and the new students had an opportunity to ask questions about the mysteries of UHS.

During football season, S.K. spon-

At Christmas, S.K. had its traditional tree trimming party which resulted in two glittering trees in the high school halls. The club also donated ten dollars to the Student Council for food for the Christmas baskets for needy families.

In the spring the club held an afternoon hop. The year's activities ended with the annual farewell breakfast in honor of the senior girls who were S.K. members.

"U" Club

Urbana boys out for sports keep their eyes on "U Club," for once they have won a letter, either for active participation in a sport or for acting as a manager, they are eligible to become members of this organization. The winning of this coveted honor requires long hours of hard work.

"U Club" seeks to form one unit, composed of the athletes in all UHS sports, in order to main-

tain the highest possible standards of athletic competition and to promote better relationships between the athletes and their coaches.

In the spring, the girls have a good reason for keeping their eyes on "U Club" too, for spring is the time of the annual "U Club" dance. This year the formal initiation of new members was held in conjunction with the dance.

G.A.A.

The Girls' Athletic Association is an organization for the girls at Urbana High School who are interested in sports and who enjoy friendly athletic competition. During the year, G.A.A. members met regularly after school to swim, bowl, play volleyball and basketball, and learn to fence. The girls took part in the G.A.A. bowling and basketball tournaments.

G.A.A. began its year by welcoming new members in an informal initiation and finished it with a banquet in the spring at which awards were presented for activity in the club and officers for the coming year were announced. Mrs. Smith, a new teacher at UHS, was the club's sponsor.

F.T.A.

The Future Teachers of America performs a dual purpose at Urbana High School: it encourages an interest in the teaching profession and provides information on teaching.

In November, eleven members of FTA attended a conference on Special Education in Springfield. The chapter officers attended the state convention in Aurora, and all of the girls went to the regional conference which was held in Aurora.

During the year FTA members spent time making scrapbooks for the children at Burnham Hospital as a Christmas project and listening to speakers talk about teaching. Miss Gail Pierce, a recent graduate of both Urbana High and the University of Illinois, provided one of the most

interesting talks when she spoke on her personal impressions and experiences with teaching.

Each year the months of February and March see the senior members of FTA loaned out to the teachers of Urbana as paper graders and helpers. This is the program of cadet teaching where each girl who wants the experience is sent to a teacher in the Urbana School system for a period of six weeks as a student teacher. She is allowed to observe classes, to help with grading, and perhaps, if she is very lucky, to do some actual teaching. Club members and their sponsor, Miss Marie Bauer, agree that this teaching experience is extremely valuable in helping girls to decide whether or not teaching is going to be their career.

F. H. A.

The Urbana High School Chapter of the Future Homemakers of America is but one branch of a national organization which has as its purpose the preparation of girls in the extensive field of home economics.

The active FHA group included programs on parliamentary procedure and hair styling in its schedule and also listened to a talk by the fashion consultant at Robeson's Department Store. At Christmas time the club held a pot luck supper, filled a basket for a needy family, and made tray favors to send to the children at Mercy Hospital. Members of the club attended the Section 16 Rally for FHA organizations at Farmer City, and Marilyn Shelton was elected Vice-President of

Recreation for the section. FHA held its formal, candlelight initiation on February 1. They also entertained their mothers and fathers at special meetings. At the end of the year FHA held the traditional Senior Breakfast honoring the FHA members who were graduating.

The Urbana High FHA Chapter earned money this year through a candy sale, several taffy apple sales, and a brownie sale.

The organization, which is sponsored by Mrs. Hazel Hasty and has as chapter parents Mr. and Mrs. Walker and Mr. and Mrs. Sleeter, was honored for the second year in a row when it was asked to write a feature article for the State News Letter.

Future Farmers of America is the organization for boys who are interested in farming and who are taking vocational agriculture in high school. Besides carrying out experiments on special plots of land, the boys raise crops and livestock for projects. The boys

take part in various agricultural contests which are held during the year. They belong to the Champaign FFA chapter which is sponsored by Mr. J. Arthur Twardock.

DO

Diversified Occupations is co-operative part-time vocational training open only to juniors and seniors. After taking preference and aptitude tests, the applicants are interviewed and counseled by the D.O. Coordinator. According to the results of the tests, the

students are then carefully placed in jobs for a minimum of three hours a day. Each student also receives one hour of related classroom instruction daily. Until completion of training, students are paid beginner's wages.

THESPIANS AND DELTA SIGMA

Delta Sigma and Thespians are the two dramatic societies at UHS. Students may earn points for membership by participating in the cast of a play or by working on committees; five points are required for Delta Sigma membership and ten for membership in the National Thespians Society. The two clubs meet jointly and have the same officers. This year members of Thespians went by train to Chicago to see the musical "Bye, Bye, Birdie." The trip was the highlight of the year.

Terrapin

Grace and smoothness in performing stunts and strokes were the criteria used last fall in choosing six new members for Terrapin, Urbana High's water ballet club for girls. These girls were informally initiated at a party which combined swimming and a chile supper.

Throughout the year, the girls practiced after school and in the evenings in order to present their annual show. This year the show's theme was "Attic Antics." Numbers were written about all the things

one can find in a musty old attic. They included "Rats and Mice," "Mops and Brooms," and even "Old Love Letters." This year for the first time some of the numbers contained as many as eight girls.

In preparation for the show the girls were divided first into committees for tickets, lights, and props, and then into groups of two to write and direct the numbers. The show was presented on April 10, 11, 12, and 13.

Orchesis

Dixieland, jazz, and Latin rhythms were combined in the annual Orchesis show on April 6. Using the theme "We've Got Rhythm," members of Orchesis, the modern dance club at UHS, performed in costumes depicting squirrels, clowns, and even Martians. The girls did their own choreography for the show, and they practiced every Wednesday afternoon after school under the guidance of the sponsor Mrs. Jo-

anne Smith.

Orchesis admitted six new members at the beginning of the year. Chosen on the basis of their rhythm, knowledge of dancing, poise, and coordination the girls performed a dance taught them and a dance which they had composed. The initiation was an informal "Welcome to the Club" pizza party at the home of president Mary Boggess.

"... and where is Room 59?"

District Music Contest

For the first time in several years, Urbana was host school for the annual District 11 High School Music Contest. Under the direction of UHS band director

Robert Jorgesen, Urbana students spent a busy day acting as judges' assistants, doorkeepers, office workers, and messengers.

"Here goes! Wish me luck!"

"Ahhh... It's over. What a relief!"

1962

How about those mothers who patiently worked all day?

"How'd ya do? ... a 1st! ... sharp!!!"

Pooped!

Vocal, band, and orchestra solos and ensembles entered from schools in the area were judged and given ratings of Superior, Excellent, Good, Fair, and Poor. All events receiving a Superior rating were eligible to advance to the State Music Contest in Clinton on April 14. Urbana received forty-one Superior ratings, the most of any school entered in the Contest.
