WITH THE ARRIVAL of spring, classroom routine grows dull for such avid James Bond fans as Tim Rasmusson.

ALL FALTERS as late hours creep up on Ellen Quintan.

*“Faces in crowds, laughing and windblown leaf faces.
Faces lost and wondering
where to go this afternoon or tomorrow morning...
faces of music in gay song
or a twist of pain...
faces beyond forgetting, written on
with dreams of man surpassing himself.
Some of them are worth a long look now
and deep contemplation later.”*

Carl Sandburg
