Administration

**R. H. BRAUN**  
Principal

You will be remembered as the senior class which provided the leadership for one of Urbana High School's most productive and wonderful years. As I write this, I recall the innovations and advances in our academic program, successes in music and athletics, an outstanding student council, an unusually good school paper, and a host of other gratifying and pleasing accomplishments.

My most poignant memory, however, will be of a senior class of many poised and capable young people, not overly impressed with themselves, and therefore much more impressive to others. Though good-natured, hard-working, dependable and mature, you also possessed the spark of fun-loving, mischievous youth.

Seniors of 1959, I hope that your graduation from Urbana High School will give impetus to further accomplishments and achievements. May you enjoy a long, happy, and worthwhile life.

To the members of the Senior Class of 1959

About the time you were born, the atomic bomb had not been made. Television was a toy in the laboratory. Penicillin was to be made available for medical use shortly. The first jet airplane was just taking the air. The following years saw many inventions, major and minor wars, and the world divided into hostile and competing ideological camps.

No one can say what the future holds in store for you. However, it is certain to be exciting and challenging, and as full of changes as the past has been. It will be an interesting period.

Good wishes go with each of you for good health, happiness, and the realization of your highest potential.

As Dean of Girls, Miss Fisher has many responsibilities: sponsor of SK, chairman of scholastic and honor societies, co-chairman of the Guidance Committee. Also she is an efficient and cheerful friend, always ready to help those with questions or problems.

Although busy with his duties as Dean of Boys, Mr. Davis still finds time to serve as advisor to the Urbana High Student Council as well as advisor to the Student Council State Board. He is a patient, helpful counsel to every boy at U.H.S.
