Small Band Has Added Flexibility

After performing in a sunny Labor Day parade, the marching band plunged into a season of bleak 7:30 A.M. practices and rained-out performances. Nevertheless, the band countered the weather with the sound of the Tijuana Brass, Latina, and TV commercials. Meanwhile, officers Marilyn Terrill, President; Adolphus Sibley, Vice-President; Eddie Bain, Secretary-Treasurer; and Joan Kulwin, sophomore representative, were feverishly making plans and devising money making projects for the tour.

Instead of the previous year's 140 members, 66 made the Band a more manageable and flexible group, especially in concert season. Aside from the spring tour, they performed in U. of I. Band Day, Christmas, Spring, and Senior Concerts, and Commencement.

BACK ROW: Adolphus Sibley, Sheila Malone, Mark Holstein, Lynn Yeazel, Patty Bash, Dave Bergman, Bonnie Joop, Steve Amsbary, Mike Hendricks, Hattie Lenoir, Joan Kulwin, Linda Meyerholz. Led by the drum major and majorettes, the band covered almost as much ground as the football players.

Annual Picnic Held for Initiates of Baton Club

CREATIVE frenzy in a vacant garage resulted in a Homecoming float.

Braving an autumn evening for the traditional initiates' picnic, Baton Club started another successful year. A clever homecoming float was the project completed during night work sessions.

Spirit was always high whether the club was making posters or providing food for the International Supper. Males low on funds enjoyed the switch of Baton Club's Vice-Versa. As a climax to a busy year Baton Club sponsored "Bells Are Ringing" for the traditional Spring Musical.

Canvas Board: Art and Snowballs?

Signs reading "Go-Go Van Gogh," painting smocks, berets and other unusual clothes adorned CCHS Picassos this year as Canvas Board held its annual initiation. The art honorary attempted to challenge artists by providing advanced studies of art and its history, as well as the usual artistic fun and frolic.

Orchesis Dances Among Wrestlers

Every Thursday at four-thirty, Orchesis members attempted to hold meetings in the Girls' Gym while fighting off the wrestling team. Under the leadership of sponsor Mrs. Ward, Orchesis members danced for a PTA meeting and put on a program in May. A contemporary dance concert at the U of I was a big event for many of the members, for it gave them a chance to gather techniques from others.

Wig'n'Paint Re-enacts 100 Years

of Progress

Take between 50 and 100 students with talents ranging from acting to set designing, add one Little Theater, mix in Mr. Greg White's sponsorship, and the ingredients combine to form a great dramatics club, Wig'n'Paint. During the course of the year, this group directed their tremendous energies towards producing such works as "Charley's Aunt," and Stunt Show, "100 Years of Progress." Also included on the agenda were a drama festival and a Contest play. All this furious activity was rewarded when spring brought the annual trip to Chicago.

St. Nick Visits French Club Party

Combining their initial efforts on a float "tres belle", French Clubbers displayed hidden talents in the true French spirit. Thrilled by the appearance of Saint Nicholas at their very own Christmas party, members were led by Mrs. Kellogg, club sponsor, in singing "Joyeux Noel" and playing a rousing game of charades. In addition to many diligent hours spent preparing for the International Supper, members also assumed the role of French ambassadors as they endeavored to expose the ignorant masses to French culture.

Fiestas Spread Spanish Influence

Spanish Club, sponsored by Mrs. Gladys Leal, contributed their usual tacos, flan and tortillas for the International Supper. Club members celebrated Christmas with a fiesta which included a traditional piñata filled with goodies. Slides from Spanish-speaking countries were shown throughout the year and conversing in the native tongue helped to spice up the business part of monthly meetings.

"IF AT first you don't succeed—try, try again" is Arna Leavitt's motto as she attacks the piñata.

Festive Saturnalia for Latin Club

Once again, the Saturnalia celebrations at Christmas time became a red letter day on the calendars of all good Latin Club members. Under Miss Lois Bottenfield's guidance, a grab bag of gifts highlighted the gathering. With the help of a refreshment stand at the Salem Basketball game, they financed a spring pizza party and the Italian dishes at International Supper.

C-Club Beauties Liven Stunt Show

EXCUSED from PE, some C-Club members find time for study.

Known as the "men" with the "C"s on their chests, C-Club members displayed their athletic prowess off the field as well as on. Following the custom, C-Clubbers could be seen swinging ropes and restraining crowds at home varsity basketball games. Members of the honorary club also added life to the Stunt Show and planned the traditional C-Club Dance. With their athletic year nearly completed, C-Club celebrated the long-awaited return of spring with a picnic.

Popcorn Balls Finance GAA Events

Led by president Diane Borri, GAA members played their way through another sporty year. Activities such as fencing, bowling and basketball were mixed in with a slumber party and popcorn ball sales to keep all good GAA members on their toes. Under their new sponsor, Mrs. Jean Hovde, members attended activities, earned points, and were honored at the Initiation banquet that ended the year.

True to their high ideals, the forty gym leaders ironed navy shorts and white blouses early on Monday mornings while taking a peek at officiating rules. Cheer Block Big First for CCHS

Weary chants of CCHS loyalty poured forth from raw throats as Peparoon buses returning from away games approached the circle drive. Nurturing school spirit was the goal of Peparoons and scheduling buses was only one of their many tricks.

Monday and Tuesday nights after school one could find them outside sponsor Mrs. Baer's room, creating new joys for the poster scene. A new idea and a real crowd-thriller was the Peparoon block section for the Homecoming game, which read, "Homecoming '67" and "Beat Schlarman." Under the direction of senior Patty Page, these activities and many others made this year one of the peppiest ever.

Decatur Reds Invaded

by Busload of Spirited Pepettes

"OUR BOYS will shine!" rises from fifty-one throats, and though pom-poms aren't always

together, the idea comes through loud and clear, and even the team seems to get the picture.

Late skirt material, fifty-two girls in a Decatur drive-in at once, an injured Pepette and a wait at a hospital—these will long be remembered by Mrs. Mary Major's Pepettes. Marching in the halls before the Urbana Assembly and wading through oceans of mud while "going on a Tiger hunt" would also be on the list. But at the top would undoubtedly come the agonies of getting up and dragging out to the field, amidst rollers and stringy pom-poms, to practice the latest routine. Yet all seemed worthwhile as voices in the crowd followed the swinging pom-poms to the tune of the Fidelity.

"LEFT, RIGHT, left, right," and the Pepette beat goes on for Lou Ann Bates, Mary Swift, and Glen Kastelic.

Old Cheerleading Outfits Up-dated

Monday nights after school often found six dedicated cheerleaders taping sinister slogans on various lockers. Such jingles as "Split the Rail-splitters" greeted athletic members of the student body the next morning. Other activities included in the long hours of pre-game preparation were the choosing of new slacks, sweaters and shorts, as well as endless practices. With sponsor Miss Pat Bruch, the girls attended a summer camp and the Blue Island and Centralia Tournaments.

Unit Four Under Director Berner

New to the Unit Four school system this year was Dr. Marshall K. Berner, Superintendent of Schools. Dr. Berner, who came to us from Belleville, Illinois, views his new position with anticipation.

Assistant Superintendent for Business, George P. Hankinson is in charge of the Unit Four budget, including the payroll of teachers and non-academic staff members. Dr. Robert Cooley, Assistant Superintendent for Instruction, is responsible for the Unit Four academic program.

Typical of the challenges met by the school board was the October ninth meeting, which was attended by many interested parents. The board provides time for an open discussion to encourage communication with parents.
