0	MacArthur	6
32	Mattoon	12
34	Urbana	18
13	Eisenhower	8
27	Danville	0
19	Urbana	7
38	Decatur	0

Acquiring momentum as the season progressed, Central's sophomore football squad continued a fine tradition by posting a 6-1 record. Following their opening loss, the sophs, under coach Gene Ward and his assistant Paul Seaman, came back strong as they defeated Urbana twice among their many impressive victories.

One of the strong points of the team was the backfield, which found versatile Eddie Chin quarterbacking the offense. Complementing him were halfbacks Dave Elliott and Alby Hoss and speedy tailback Pete Vriner, all contributing to the team's success. Among the more outstanding young linemen of the team were Jerry Gorman, John Levanti and Dave Ashby.

Under the careful guidance of the two coaches, the sophomore squad gained experience which served as an introduction for many young men to football.

**SOPHOMORE** Pete Vriner teams up with Bob Henry and Dave Elliott to gain against Stephen Decatur.

### JUNIOR-VARSITY SCOREBOARD

25	Eisenhower	12
26	Danville	13
13	Decatur	13
6	Bloomington	6

**VIKING** defense futilely tries to block Dave Elliott.

## of Their Ability

Hampered by a shortage of available juniors and seniors, the junior varsity squad came to share the skills of many of the members of the sophomore squad. Mixing effectively the talents of all, Coach Tom Gher directed the team to a respectable 2-1-2 mark.

Having a 25-game J.V. winning streak broken in their opening encounter, the jayvees rebounded to finish the season without a further loss. Playing a number of close games, the game with Stephen Decatur displayed the hardest-fought effort of the squad. There, trailing 13-7 with barely 20 seconds remaining, Eddie Chin picked up a Decatur fumble and ran it 20 yards for the score which achieved the tie.

In their final effort of the season, the J.V. scored once in the second quarter to take the lead. They held the lead till the last period when Bloomington scored to tie the game ending the J.V. season.

**SOPH.** Eddie Chin is detained by Danville player.

FRONT ROW: Marc Cutright, Charles Wilson, Marc Changnon, Terry Lafoe, John Hecker. ROW TWO: Jeff Edwards, Alfred Marfort, Marty Schroed-

er, Tom Good, Dan Bone. BACK ROW: Bruce Garret, Keith Taylor, Chuck Bayne, Dave White, Sam Ayers, Gary Baker, Coach Schooley.

BRUCE GARRET represents Central at State meet.

DAVE WHITE is greeted by Mr. Pittman and Mr. Due as he finishes his last lap.

CHARLIE DUE makes sure Champaign gets off to a good start.

## Harriers Gain First Win Since 1965

WITH or without shoes, junior Chuck Bayne helps to boost Champaign's score.

Arousing fresh interest in the sport, the Maroon cross-country team concluded their season in a spirited fashion, copping third in both the Conference and District meets. Working under new coach Fred Schooley, the harriers recorded a rather modest 1-6 record for their dual meet season, having victory often elude them by a narrow margin of points.

Realizing the rewards of scampering nightly throughout Hessel Park, however, the Maroons ran well to place third in the Conference. Climaxing their season, they outran in the District every team by which they had previously been defeated except Big-12 champ Danville.

Pacing the Maroons much of the season was junior Bruce Garret. Finishing third individually in both the Conference and District, Bruce was the lone Champaign representative in the State meet which was staged at Urbana.

Juniors Alfie Marfort and Tom Good also led the Maroons. Alfie paced Champaign runners in a number of dual meets, and he and Good were consistently among the top Maroon finishers. Other lettermen included senior Gary Baker, junior Chuck Bayne, and sophomore Marc Cutright, who placed tenth in the

# Grapplers Press for Conference Title

Faced with the prospect of only two returning lettermen from last year's Big 12 championship squad, Central's grapplers met the challenge head-on. Converting the girls' gym into a modified sauna bath, the squad sweated the pounds off while replacing them with mat experience and strategy. Evidencing the fine teaching of coach Don Pittman and his assistant Tom Gher, the wrestlers compiled a 5-2 midseason dual-meet record.

Captain and defending 180-pound state champion Bob Shelby led the team with a 10-0-0 record which included nine pins. Among them were the two fastest pins on the squad in times of 26- and 43 seconds. 133-pounder Tim Mecum held the next-best record at 10-2. Others with fine individual records included Bob Jackson (165), Steve Griffith (127), Dean Ingelman (154), and heavyweight Mike Levanti.

Kicking off their season in the CCHS quadrangular with Granite City, Peoria Richwoods, and Savannah providing the opposition, the Maroon matmen copped third, trailing second-place Savannah by one point. After a dual-meet setback at the hands of Rantoul, the grapplers

reeled off three straight wins. The close Urbana meet Champaign won after Shelby pinned his opponent to tie the team score at 19-all and Mike Levanti decisoned the Urbana heavyweight to gain the victory.

After being narrowly defeated by Bloomington, the grapplers traveled during Christmas vacation to Granite City for the Holiday Wrestling Tournament there. Somewhat disappointing, they took tenth as a team with no one advancing to the finals except Shelby, who took a first.

After taking a breather, the matmen returned to action by winning both of their engagements in a three-team meet with Shelbyville and CC of Bloomington. At that point, with the season past the half-way mark, the grapplers began the final polishing of their moves for the rest of the season and the state tournament.

Backing the varsity throughout the season was the JV squad which turned in fine performances while preparing for spots on next year's varsity. Holding the leading individual jayvee records were juniors John Murray and Kip Mecum.

## Intramural Develops New Interests

"Aces" "69'ers" "Jets." Neither mod combos nor a brand of tennis shoes, these were three of the teams entered in the winter intramural basketball program. Although among the most popular, basketball was only one of eleven intramural sports offered to CCHS'ers throughout the year, with others ranging from gymnastics and weight lifting to bowling and tennis. With all students eligible for most sports, the main goal of the IM program was greater all-round physical fitness for the participants.

Supervising the intramural program, in addition to Mr. Carl Wolfenbarger, Head of IM Athletics, was a student-staffed Intramural Board. Composed of twelve students, the Board had one student to supervise each sport offered, as well as two whose duty it was to select officials for the contests.

In most intramural activities, normal high school rules for the sport were followed. However, some changes due to safety factors as well as time and space limitations were necessary.

WEIGHT lifting challenges underclassman.

CLYDE Turner p

JOHN ROGERS presses toward masculinity.

JEFF EDWARDS shows his strength on the rings.

## Cagers Successful at Midseason

Establishing a predominantly underclass nucleus, the Maroon varsity basketball team chalked up a noteworthy 9-4 mark for the first half of their season. Facing top-rated and well-regarded opposition, the cagers' varsity ability was soon proven, as their four losses were by a total of only 13 points.

Head basketball coach Lee Cabutti, in his thirteenth season at CCHS, was joined this year by new varsity assistant Coleman Carrodine. The team's decision over Rantoul gave Cabutti his 100th home victory as basketball coach at CCHS.

Building their attack around seniors Larry Jackson, Jerry Kurasek, and Bruce Elliott and juniors Clyde Turner, Dave White, Joe McNeal, and Arberry Barnes, the Maroons began early to play aggressively to force the opponents into mistakes.

Opening their season at the Rich East Turkey Classic, the Maroons took their first two encounters by comfortable margins before barely being edged by Blue Island Eisenhower for the title. Clyde

Turner, 6-6 junior and only returning season-long starter from last year's Elite-Eight squad, put in a high of 32 points in that contest.

Opening the conference schedule, Central marked its first Big-12 victory with a tinge of revenge over Springfield. After being handed their first conference loss by Lincoln, Big-12 leader at midseason, the cagers upped their conference mark to 2-1 by defeating Danville as Dave White poured in 24 points.

In perhaps their best showing of the first half of their schedule, the Maroons traveled to Stephen Decatur where they upset the highly-ranked Running Reds. Pacing the Maroon scoring was outstanding senior Larry Jackson with 28 tallies.

Following a somewhat disappointing showing at Centralia, the team returned home only to be narrowly defeated by arch-rival Urbana. Definitely not out of the conference race at that point, the Maroon cagers also had the state tournament looming ahead as a challenge.

Barnes, Bob Mulcahey, Dave White, Clyde Turner, Dave Henry, Larry Jackson, Terry Tanner, Bruce Elliott, Gary Fonville.

51	Edwardsville	56
51	Urbana	56

Highlighting the first part of their schedule with an encouraging victory over rival Urbana, Central's sophomore basketball squad strove for continued improvement during the remainder of the season. Lacking extremely outstanding individuals, the sophs worked together diligently under their coach Charles Due and his new assistant Fred Schooley in an effort to improve their 2-6 midseason mark.

After opening their season with a victory over Rantoul by a narrow one-point margin, the sophomores were unable to win again before the Christmas vacation, losing a rough string of six straight. Returning from the holiday break, the team practiced hard and keyed themselves for Urbana, emerging from the contest a victor by five slim points. This win became the sixth consecutive decision for coach Due and his CCHS sophomores over Urbana.

Leading sophomores included playmaker-sharpshooter Steve LaRocque and vital scorers and rebounders Dan Carlier, Dave Elliott and Eddie Chin. In addition, as the bigger members of a relatively small squad, sophs Bob Henry and Doug Allen served as principal rebounders while playing an important role in the scoring effort.

## Swimmers Directed by New Coach

Building a team mainly around sophomores and juniors, Central's swim team rebuilt its squad after losing all but one letterman from the previous year. Led by new coach Dick Mulvihill, the swimmers trained and conditioned hard so that, despite their 1-4 midseason record, they displayed marked improvement over the start of the season and held promise for the immediate future of Central swimming.

Staging their meets in the new pool at Centennial High, the swimmers also held their daily morning workouts there, arriving back at CCHS at the end of first hour. In addition, they lifted weights two nights a week after school in the weightroom to prepare their bodies for the physically grueling sport.

The team seemed to be strongest in the freestyle sprints and individual medley events. Seniors making vital contributions to the team's efforts were John Rogers in the breaststroke and 50-yard freestyler Craig Hays. Also, playing increasingly important roles on the team were Don Delbert, a freestyler, and backstroker Dave Wax, both sophomores.

Composing the largest representation on the team, however, were the junior members. Led by letterman Chris Bland, whose specialties were the butterfly and individual medley, others included Bob Carpenter in the breaststroke and individual medley, Steve Mill, 200- and 400-yard freestyler, and John McCulley, a diver who also swam the butterfly.

**THERE** was much creativity displayed at Central.

this year. Ricky Ibaugh and Scott Nunn expressed their individuality through unconventional attire.

"Hey Sophomores!" ... Silence ... The traditional cheer at Central High was heard, or not heard, again this year. The sophomores' good intentions were appreciated in their attempt to decorate the third floor hall during Beat Urbana Week. Throughout their first year of high school, sophomores found the status of low man on the totem pole not as impressive as being last year's junior high leaders. Their new role as Indians, not Chiefs, meant that sophomores had to make an all-out effort to become a true part of school fun and academics. They eagerly studied new subjects and joined clubs for enjoyment and service. At the top of the class of 1970 were President, Steve LaRocque; Vice-president, Alan Yordy; Secretary, Kay Nelson; and Treasurer, Cheryl Jacobson; sponsors were Mr. Wilfred Vandevender and Mr. Gerald Webb.

**AS WELL** as the plaque, school respect is trodden upon by uninformed sophomore, Roger Ferguson.
