requests inspire energetic rehearsals

"Sing along with McNish" must have been the motto of the A Cappella choir during this past year. Eighty-five clear voices, combined during fifth hours, produced the now familiar strains of "Windy" and "Cherish." Learning songs was only a part of the activities; the members had hardly a moment to spare with providing entertainment in area schools and towns and selling candy to help support the cost of the concert tour. Only the anticipation of the tour eased the tensions during tryouts for next year's Madrigals, Troubadours, and Vocalettes.

Spirit presides over sleep, weather

Marching Band definitely proved to be for the enthusiasts only as temperatures dropped to 14° during football season. At 7:30 in the morning, practicing formations would not seem to be one's first desire—but Central Band members did not lack in spirit or number. They performed at football and basketball games and at pep assemblies. This year, Band members accompanied the A Cappella choir on tour.

They sold candy and calendars to help raise the money needed for the spring tour and musical. They sponsored an act in the Stunt Show and the Vice-Versa Dance. Two weekends greatly anticipated were those of the Spring musical "How To Succeed In Business Without Really Trying" and the concert tour to the Ozarks.

House of Representatives Constitution develops independence and results

Creating a stronger relationship between students, faculty and the administration was the basis of all discussion at House meetings. Organizing a scheduled activity period for each week was one of the main projects undertaken this year.

Honor Society Homecoming Hop sufficed dough

In the eyes of Honor Society members the Homecoming Hop which they sponsored proved to be extremely successful. Along with a few customary bake sales, these members labeled with the nickname "bookworms" made enough money to cover the cost of their annual fling, the Honor Society Banquet. Probationary sophomore members were "tapped" in the fall and besides keeping a high scholastic average, became involved in the club's activities and a table at the International Supper.

Student Council Changes bring lively activities

Adjusting to changes in Council as well as throughout the school year might have caused a setback in getting activities under way last fall. But under the leadership of Terri Nally, president, and Mrs. Richmond, sponsor, enthusiasm spread throughout the school. Homecoming, Beat Urbana week, and the District convention in Bloomington were the first of the year's activities. Sponsoring Intra-school exchanges and revising the student Handbook were projects continued this year. Selling Halloween candy and peanut brittle started this fund which will take more than one year to complete. C Club

Athletes, feminine?

Traditionally our athletic heroes proudly displayed their accomplishments through wearing their C Club jackets and letters. This year their originality construed new authority. Before school, after school, or during school, they could be found dominating the senior couches with their masculinity. Their Stunt Show performance, resembling "The Party" of Rowan and Martin's laugh-in completely overwhelmed the audience with its jokes, puns, and go-go dancers. Spring brought plans for the Club dance and picnic.

Pepettes

Pepettes halt . . . 1,2!

Muddy shoes, red knees and short, white skirts were common characteristics of the loyal Pepettes on any Friday morning. Early morning practices under the watchful eye of Mrs. Major helped this collection of senior girls march on to perfection. Caught up in the flurry of withered pompons, the strain of holding back a tear, or yelling their hearts out during a victorious moment, the girls willingly pledged their support to "dear old CHS." The head Pepettes kept the girls in line as they marched at pre-games, half times and pep assemblies. Forming arches, portraying trees, making loyalty lines and creating spirit were some of the goals achieved by all sixty girls.

Wool uniforms gain approval

Previous sophomore cheerleading uniforms were replaced by new wool outfits this year. After school, third floor was this squad's usual habitation and practice area. Varsity Cheerleaders We've got spirit!

Over-crowded bleachers full of cheering fans made spirit-building an easier job for the cheerleaders and Max Maroon. Not only do they remember the excitement at the games, but also mosquito-infested Clark Park where they practiced in the summer and tiring practices after school. Creating a third-prize Homecoming float, cheering at pep assemblies, attending pre-game dinners and banquets added to the fun the squad had together. Climaxing the year, the "delighted seven" were unanimously judged the best squad at the Turkey Tourney. They were also permitted to travel to the Centralia Holiday Tournament.

GAA
**Varied activities
 inspire friendships**

Although sports were the core of GAA, cultivating friendships and planning social activities were equally important. Members had their choice of a variety of sports: bowling, fencing, golf, ice skating and swimming, in addition to the popular seasonal ones. Activities from this year included homecoming, International Supper, campout, slumber party and an Honors Banquet. The highlight of the year was the November GAA Playday among the area high schools: Central, Centennial and Urbana.

Gym Leaders

Seniors strengthen leadership abilities

Attending meetings at 7:30 a.m., although difficult at first, became easier for the Senior Gym Leaders, sponsored by Mrs. Miller. Their responsibilities varied from taking attendance and leading exercises to officiating basketball. The girls, selected upon the basis of grade average, teacher recommendations, and a personal interview, had to maintain high standards of conduct.
