

Honor Society

Good grades gain glory

Illini Chapter of the National Honor Society at Champaign Central High School was chartered by the National Honor Society. To become a member of the honor society one must maintain a 4.75 average as a junior and a 4.5 as a senior. All high school work was figured in this grade average. Requirements for membership included a teacher recommendation, satisfactory citizenship, and participation in an extra-curricular activity. A member must have excelled in leadership, scholarship, and citizenship to participate in honor society.

For a moneymaking project the society sponsored a hop in the girls' gym after one of the football games.

The big event of the year came when in May new members were initiated into the club at the initiating banquet.

Pepettes

Pompoms project pep

Early in the fall the Pepettes practiced often in the morning before school. Some were still in rollers as new routines were learned in the girls' gym. Furry caps and boots were worn by the wisest girls as final rehearsals were held at McKinley and Centennial Fields. With pompoms swinging, the Pepettes marched for half time shows at football games. Out on the field, the pompoms flew in perfect unison to support our team. For the Homecoming festivities, the Pepettes paraded around the school and to the field, singing and yelling as they went marching along.

GAA Athletic activities are adventuresome

GAA members were active this year with a variety of activities from which to choose. Tennis, bowling, archery and swimming were just a few of the sports enjoyed by the girls. Mrs. West, GAA sponsor, assisted the girls in giving a number of parties one of which was a Parent Playnight. The Playnight is held annually for the parents of GAA members.

At the conclusion of the year, the girls were honored at a banquet for their participation in sports.

Enthusiasm runs high as Peparoons cheer at a game.

Peparoons

Peparoons project pep by painting posters

All of the yelling and screaming in the bleachers was probably made by the Peparoons. Besides painting posters to announce and advertise upcoming games, the sophomore and junior girls in the pep club sponsored buses to away basketball and football games. At Homecoming the Peparoons had a parade to Unit 4 football field before the game started. Miss Natvig, the new sponsor this year, started the girls going to support other than the major sports. The swimming, wrestling, baseball, track, and other minor sport teams needed just as much support as basketball and football.

Peparoons are often amusing to Miss Natvig, their sponsor.

One of the largest clubs in the school voted Kim Rubenaker for Max Maroon.

Senior Gym Leaders

Superior seniors set spotless suits standard

Taking roll, checking towels, leading exercises, making out grades, and officiating sports were among the duties of the Senior Gym Leaders. These girls were trained in all 36 activities offered by the physical education department, so that they may take over sophomores, junior, or senior classes. Each leader knows all the workings of the physical education department. A girl is chosen on the basis of grade average, teacher recommendations, and a personal interview in her sophomore year. As a junior she takes an advanced gym class in hopes of becoming a full leader in her senior year.

Girls Gain Guidance

"We are clock watchers." "Attention!" "Left face." "Count off." These were phrases not at all unfamiliar to the Junior Gym Leading Class. This was by far no ordinary organization. Every day during second hour, forty girls learned how to regulate every sport thinkable, how to lead, and how to be in constant control of class. It is through these hours of preparation that many of the girls will be assigned a P.E. class and become a Senior Gym Leader.

Sophomore Cheerleaders

Girls glorify games

Under the leadership of Miss Natvig, the sophomore cheerleaders were an ambitious group. These girls were selected by a group of teachers and students in the fall on the basis of their coordination, enthusiasm, and attitude. Taking turns being squad captain, the girls gained experience in leadership. By traveling to away games the sophomore cheerleading squad supported our teams. The varsity cheerleaders advised the sophomore squad on the basic school cheers. Through many hours of hard work and practice, these girls became an extremely skilled and talented group of girls.

Sophomore cheerleaders Ann McCulley and Donna Tanner make good use of the activity period by practicing in the girls' gym.

Varsity Cheerleaders Squad sparks spirit

Leading the school in spirit were the varsity cheerleaders. Pam Scherer, captain, and the varsity squad were victorious even when our teams were not. The beaming smiles and enthusiastic pep of the cheerleaders encouraged the crowds to cheer their loudest. Excellent sportsmanship was always demonstrated from the hardworking cheerleading squad. The cheerleaders not only kept the spirit high at home games, but supported our teams at away games as well.

The girls spent many strenuous hours practicing and perfecting cheers in the girls' gym. The efforts put into these practices were demonstrated at all of the games.

Spanish Club

Students study Spain

Learning about Latin America, Mexico, and Spain, understanding how the people live, and viewing the beautiful landscapes of these Spanish speaking countries were the advantages gained by the members of this club when they stepped into room 109 at each club meeting. The chance to hear the songs of the Spanish and maybe even sing along with a Trini Lopez record was another advantage. Besides this, Karla Anderson talked about her trip to Mexico, which added variety to the meetings. The club meetings gave gourmet cooks a chance to learn about the unusual Spanish dishes that were served at the International Supper. And of course, the club meetings gave everyone a change to practice communicating with the Spanish language.

Upon her return from an interesting trip to Mexico, Karla Anderson has many stories to tell the Spanish Club.

Society strives to serve Spanish students

If you saw the lights in the Spanish rooms burning early in the morning or late into the evening, it was the members of the Spanish Honor Society aiding fellow Spanish students. If a student came across something in his Spanish homework that puzzled him, he could always count on help in room 003. The Society also took on the challenges of making a new flag and helping out with the International Supper. The Society has given students who excel in Spanish an opportunity to use their exceptional knowledge in helping fellow students and bettering the Society as a whole.

Afro-American

Blacks back Breadbasket

The membership of this club has grown very rapidly this past year. From one of the smallest in the school, it has grown to be one of the most active and largest organizations. One of its main purposes was to discuss racial prejudices and try to solve problems in our community. The group was extremely active under the leadership of co-sponsors Mrs. Brownridge and Mr. Carrodine. Members sold newspapers to contribute to Operation Bread Basket, and took a field trip to Chicago to show their support of this worthwhile project. During the week preceding Christmas, the club sponsored a canned food drive. Students were asked to contribute cans of food which were then given to local needy families. The Afro-American Club celebrated Christmas with a party which was open to the entire school body.

Newspapers were sold to Dan Starwalt and Rick Clevenger by Willie Newburn to help support Operation Breadbasket.

Wig 'N Paint Players present plays for practice, pleasure

Beginning a new year under a new director, Miss Sandra Norris, dramatists went determinedly to work. "The Impossible Years," the selection for the fall production, was highly successful as teenagers identified themselves with the incidents in the play.

New curtains were ordered this year for the Little Theater and arrived around production time so as to make a fresh setting for the fall play and other productions during the year.

There are no real requirements to belong to Wig 'n Paint other than a desire to produce a successful show. Workers for scenery, selling tickets, make-up, lighting, and directing are all important along with acting to keep the interest of the audience during a production.

Wig 'n paint debated to keep their stage storage room from being converted to a student lounge by Student Council.

Helping the less experienced members of the wonderful world of drama was a fun, funny and nerve-racking job for the members of the Order of the Mask. Putting up the set for a play with only a small inexperienced work crew was just one of these tasks. Officers for the order also serve as officers for the Wig 'n Paint club. Leading these novices through the maze of lighting booths, set changes and scene blocking to the successful completion of an opening night was the grand job done by the honorary members of the Order of the Mask.

Key Club Organization offers objective opinions

Key Club's 1970 activities have been many and varied as in previous years. Guatemala school building project was extremely successful. Two schools were completed and a third is on the way thanks to the hard work of many Key Club members.

This year's activities have required many hours of concentrated effort. The building of a house to sell to a needy family required much support from the club which led to fund raising projects such as selling information books on campus. Members celebrated Christmas with a party for the nursing home. This service club has rendered many contributions to the community and services to the community in which they belong.

C Club Sportsmen show stamina

The requirement of this club is to have earned a C for participation in a sport. Meetings were usually held during the new activity period for C Club to discuss fund raising projects and to review football films.

C Club members were busy raising money in many school supported projects such as garage and zip code book sales. Proceeds from these sales went to the Athletic Department and for football. To raise money for basketball, boys sold Maroon bumper stickers.

Boys boast best backing in the bleachers

Many students found it difficult to escape the familiar sight of a senior boy in a unique maroon and white T-shirt. The T-shirt came to represent the 1970 Bleacher Bums. This newly formed organization added needed spirit to all the sports activities. Every Wednesday morning, 40 boys arose early to discuss the weekly business with President Tim Nally. In addition to their morning meeting, activity period came in handy to

take care of business. This organization was privileged enough to have the talented Mr. Schooley as a sponsor for their first year. This was one club whose activities did not stay within the school walls. The weekends proved to be their most valuable time. Between the after game T-Ping and the rather festive parties, the bums kept busy loyally supporting their team.

Improving over last season, the Maroons rolled to an impressive 7-3 record. Champaign Central's offense was led by the outside running threats of co-captain Pete Vriner and Ron Chambers. Co-captain Paul Andrew and Tom Murray provided the Maroons with powerful inside running. This combined with the Maroon's versatile quarterback, Ed Chin, supplied the Maroons with an explosive offense.

The Maroon defense, led by Dave Ashby, John Parks, Doug Allen, and John Levanti, limited the opposition to an average of 9.7 points per game.

Jim Lewis added a new dimension to Champaign football with his soccer-style kicking. His kicking proved to be a vital part of the Maroon offensive attack as he hit on 88 percent of his extra point attempts.

After opening their season crushing Streator 41-0, the Maroons were met by a powerful Joliet squad that capitalized

on Maroons penalties and handed Champaign their first defeat of the young season, 20-7. Traveling to Mattoon, Central faced a surprisingly tough Green Wave. Driving 80 yards late in the fourth quarter, Champaign narrowly escaped with a 14-7 win. Returning home, Central recorded consecutive wins over Danville Schlarman, 47-0, and a homecoming triumph over Bloomington, 41-8. With hopes for a conference championship, the Maroons journeyed to Decatur only to be defeated 14-0 at the hands of a strong Decatur team. Whatever title hopes Central still had were shattered when the Danville Vikings came from behind to hand the Maroons a 19-10 defeat. Bouncing back from defeat, the Maroons defeated Springfield 28-6. In the game that Coach Tom Stewart considered the most important of the year, the Maroons humiliated Urbana 42-14.

Revening last year's homecoming loss, the Maroons of Champaign rolled to a 41-8 win over the Bloomington Raiders.

Champaign co-captains Paul Andrew and Pete Vriner combined for 218 yards rushing and five of the six Champaign touchdowns.

It took the Maroons seven plays to march 54 yards for the first touchdown. Paul Andrew ran four straight plays to the middle of the Raider defense to score.

In the second quarter, the Raiders outscored the Maroons 8-6 with the only Maroon touchdown coming from a 22 yard pass from quarterback Ed Chin to Jerry Gorman. Gorman had to fight two Bloomington defenders for the ball and just barely came down inbounds. After an unsuccessful extra point attempt, the Maroons led 13-0. Bloomington was able to score only once in the remaining time of the half.

The third quarter saw Champaign explode for 21 points. Pete Vriner scored from the four yard line and Paul Andrew scored from the 4-yard and 3-yard line. Jim Lewis added two extra point kicks to enlarge the Champaign lead 34-8.

The final score came with 7:17 remaining in the game as Pete Vriner took a bad throw and ran 58 yards for the touchdown.

Maroons capture 41-8 victory over Bloomington

Jim Lewis tries for another extra point kick.

Central's Mighty Maroons outplayed and outscored the Urbana Tigers on route to a 42-14 victory over their cross-town rivals.

Central kicked the opening kickoff to Urbana and the Tigers made two first downs before being stopped on their own 47-yard line where they were forced to punt. Maroon halfback Ron Chambers found a hole in the Tiger defense and ran 74 yards on the first play for a touchdown. Pete Vriner intercepted a pass and returned it for 18 yards and once again the Maroons had possession of the ball.

With 8:55 left in the half, Maroon quarterback Ed Chin hit a wide open John Parks with a touchdown pass and Jim Lewis kicked the extra point to make the score 14-0. Ed Chin then gave the Maroons a third touchdown with a 29-yard run to make the score 21-0.

The Maroons scored once more in the second quarter on a three yard dive into the end zone by Pete Vriner to lead the Tigers 28-0.

At the end of the game both teams scored two touchdowns giving the Maroons the win over the Urbana Tigers 42-14.

The Maroon victory prevented the Tigers from a third straight victory and gave Maroon coach Tommy Stewart a one game edge over his Urbana counter-part Warren Smith.
