The 1963 football Tigers were both a young and an injury-ridden team. Although he had twelve returning lettermen, Coach Warren Smith had ten offensive and nine defensive starting positions to fill. Co-captain Mike Renfrew and half-back Mike Sheets were the only veterans remaining from 1962's championship squad. Injuries played a major part in shaping Urbana's football fortunes this year. At one time or another, co-captain Randy Moore, Ron Edwards, Mark Montgomery, Kim Kimberlin, Mike Sheets, Dike Bialeschki, Ron Reynolds, and Frank Ashby all sustained serious injuries.

Urbana opened the season with a 13-7 victory at Rantoul's field. Billed as one of the best in Eagle history, the team boasted a fleet offense and a rugged defense. However, Mike Sheets easily penetrated the defense to grab a pass from Ron Reynolds for an early touchdown. Still in the first half, Bill Brown caught a Rantoul punt

and sped 76 yards for Urbana's second touchdown. Dick Parks kicked the extra point. A stubborn Tiger defense controlled the rest of the game as it held Rantoul to 14 yards. The Eagles' only score came after recovering a fumble on the Urbana six yard line.

Once again led by their defense, the Tigers played to a 7-7 tie with Decatur MacArthur. Three times in the first half the Generals had a first down on Urbana's four but couldn't score. Ironically, MacArthur's score was set up by alert Urbana line play. Immediately following Norm Baker's recovery of a MacArthur fumble, a General halfback intercepted a pass and sprinted for the score. On the next series of plays, end Randy Moore made a spectacular catch for a 56 yard gain. Fullback Rick Legue carried for the score and Dick Parks converted.

Danville journeyed to McKinley Field for Urbana's first Big Twelve encounter. Danville tallied

first and led through most of the second quarter. Then, on the last play of the half, Dick Parks hit Randy Moore, who out-maneuvered three defenders to snag the ball in the end zone. Parks' conversion ended the half with the score, Urbana 7—Danville 6. Early in the second half, the Tigers lost quarterback Ron Reynolds due to a foot injury. Urbana's defense held until the fourth quarter when Danville drove for two more touchdowns. The final score was Danville 19—Urbana 7.

Urbana's meeting with Centralia proved to be a defensive battle. Urbana launched a long drive that was seemingly stopped on the 26 yard line. However, on a fourth down situation, Dick Parks booted a 40 yard field goal. The Tigers regained the ball on the Orphan's 24, but couldn't reach the goal line. Parks came in again to account for another three points, this time from 25 yards. On

the next series of downs the Orphans retaliated with a long touchdown run to tie the score 6—6. A mix-up on the second half kickoff cost the Tigers a 2 point safety. Urbana failed to score again as Dick Parks just missed two more field goals. Although they led in statistics, the Tigers lost 6—8.

A large Homecoming crowd watched the Tigers down Lincoln 28—14. Capitalizing on an Urbana mistake, Lincoln took over the ball on the 10 yard line. A few plays later the Railsplitters completed a pass for the score. In the second quarter, the Tigers capped a 75 yard drive as Frank Ashby plunged for the T.D. Parks kicked the extra point. ballplayer in the end zone to put the Tigers ahead 9-7. With only a few seconds left in the half, Ron Edwards caught a screen pass from Ralph Waldron and raced 56 yards to the goal. In the second half Waldron clicked again, this time with Tom Tresslar, to make the score 21-7. Parks added the extra point. Later, Tresslar returned an intercepted pass 78 yards before being nabbed. Ron Edwards claimed the touchdown. The Tiger Reserves allowed Lincoln's final tally in the waning minutes of the game.

Injuries hit the Tigers hard as they lost to Springfield 25-6. The Senators recovered a Tiger fumble on the opening kickoff and scored two plays later to take an early lead. Immediately after the next kickoff, Urbana fumbled again and was hard-pressed to prevent another Springfield T.D. The Tigers evened the score when Frank Ashby recovered a fumble and then ran the touchdown. Mike Sheets, Kim Kimberlin, and Mark Montgomery were all sidelined with injuries during the second half. Minus both linebackers and a tackle, Urbana's defense didn't hold. Springfield scored four more times.

Urbana trounced Schlarman 27-4 in what may be the last game between the two schools.

Sophomore Charles Bareither opened the scoring with a 49 yard dash. Schlarman tied the game in the second quarter on a one yard plunge. Early in the second half, Mike Sheets climaxed a Tiger drive as he went all the way on a 37 yard reverse. After the defense held Schlarman to minus yardage, Bill May led the offense down the field again. Bareither carried for the score. Tiger guard John Butler recovered a fumble on the next kickoff to set up a touchdown pass from Waldron to Edwards. In the final game at McKinley Field, Mike Renfrew tackled a Mattoon player in the end zone for a safety. Later, Mike Sheets intercepted a pass and went for the score. Then, Tom Tresslar forced a fumble, and Brian Ford carried it across the goal line. The Railsplitters managed to score twice in the fourth quarter, and the final score was Urbana 15-Mattoon 13.

Champaign defeated Urbana 12-0 in a game that was closer than the score. On the first play of the game, a Champaign defender intercepted a pass and returned it to the Urbana 5 yard line. The Maroons scored on the next play, a pass of their own. In the middle of the second quarter, Champaign sprung loose a 66 yard touchdown run to end the evenings scoring. Mike Renfrew garnered both the Dick Pittman award M.V.P. award. The senior co-captain was also named to All-State and All-American squads.

Hard work and determination inspired by Coach Gene Armer characterized this year's cross-country team. The harriers, paced by captain, Mark Schmidt, did not lose a single dual meet. Schmidt, adding to his last year's achievements, was undefeated in dual meets and set a new course record at Blair Park. Adding depth to the team were, Fred Goglia, Ron Hine, and Mike Jones, seniors; Steve Hausperger, and Kirk Cureton, juniors; Paul Bennett and Dave Parkinson, sophomores. The solid strength of the tigers rolled over the Champaign Maroons, 15-50, a perfect score. To top off the season, this team, one of the finest that coach Armer has trained, earned both the conference and the district championships.

## Young Tigers Work Hard and Gain Experience

The Urbana Tiger basketball team coached by Oscar Adams played an eventful season this year. The competition was tough, and Urbana suffered many heartbreaks as games were lost by only a few points. One of the close losses was against the Springfield Senators. The Tigers, down by six at the end of the first half, caught fire and pushed the Senators to a close finish; the final gun leaving the score 62—64—Springfield. Similarly against Unity, the Tigers played hard but lost by only one basket. During the entire second half, the Tigers and Rockets were only one or two points apart. Mike Renfrew tied the game as the gun sounded. In the final thirteen seconds of overtime play, the Rockets went out in front by two points to close the scoring, leaving Urbana the loser, 54—52.

## Sophomores Show Promise for Future UHS Teams

The Tigers took their first Big 12 win by defeating the Bloomington Raiders. Bloomington led 20—21 at the end of the half, but following early-half free throws by Larry Stevenson, the Tigers were on their way. Howard, Tresslar, and Stevenson poured on the points to beat the Raiders 53—42. The Tigers showed that they could play efficiently by defeating Rich Central in the Danville tournament. The team put in 29 points in the last quarter with Charlie Howard leading the way with 10 points and 10 rebounds. Again against Lincoln, Urbana showed its strength. Lincoln, rated high in the state standings, was helpless against the Tiger onslaught. Ralph Waldron led the scoring with 23 points as the Tigers pulled ahead to win 75—61.

*Nothing will block this sure Stevenson shot.*

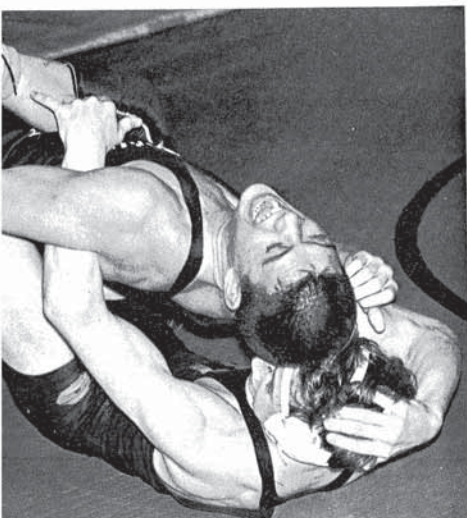

## Wrestlers Send Two to State

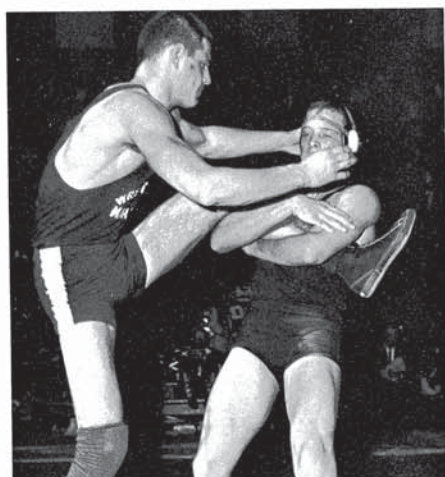

Steve Licht scores predicament in district.

Although the wrestling Tigers won only three dual meets, their record is deceptive. Several close meets were decided by equally close matches which could have gone either way. The wrestlers traveled to Decatur MacArthur's midyear tournament for the first time and won second place. Championships for Butch Brown and Captain Dick Slade in the district paced the team to third place finishes in both meets. The sectional team of Butch Brown, Dick Slade, Mark Montgomery, and Frank Ashby placed seventh out of twenty-two schools and advanced both Butch and Dick to the state meet.

## Swimmers Set New Pool Record

Urbana's 1963-64 swimming team finished the season with a 5-6 record against stiff competition. The swimmers featured several strong individuals including Bill Noyes, and Larry Smith. Backstrokers Steve Meier and Captain Paul Beaty took turns beating each other's pool records. After a slow start, the tankers came back to take their last three dual meets and capture fourth in the conference and third in the district. Beaty, Noyes, and Meier all went to the state meet and won ninth, tenth, and twelfth places in their respective events.

Coach Gene Armer developed an extraordinary track team this year. One of his biggest surprises was that captain Tom Judd could run the 880 like lightning. During the meets, long distance fans watched aghast everytime Mark Schmidt jogged his 4:30 mile. Ralph Waldron kept the 440 and the 880 working for Urbana. In the field events, Dick Parks seemed to be using a sky hook in the pole vault, and Willie Willard and Truman Jackson eliminated opposing competition in the high jump. Chief dash men, Charlie Howard, Bob Jorgensen, and Emmett Freeman left smoking trails as they proved tough competition for Champaign's usual dash armada.

## Wins at Oak Park

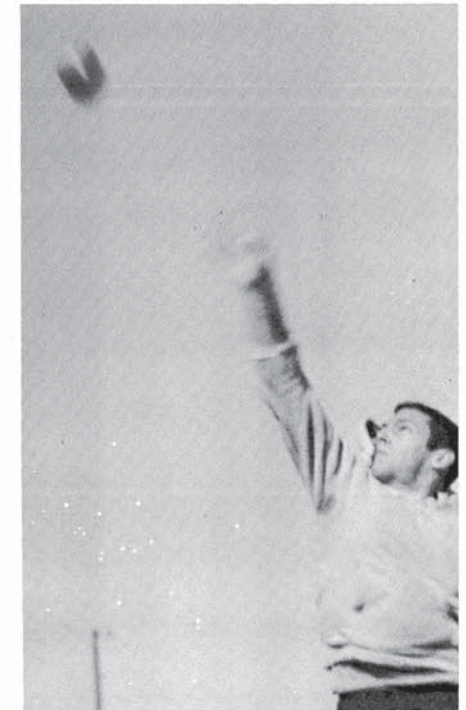

Mike Sheets and Mike Renfrew pushed the shot put towards distant horizons for this year's team, and Sheets and Tom Tresslar discouraged opposition in the discus. The team started the season off big with the championship of Class B schools at Oak Park. Coach Armer started the team working early to prepare for this meet, and the work paid off. At the Paris relays, Urbana won all their relays except one to push the team to the top for this championship. This superior coach and team deserve a lot of credit for the hard work and the excellent results that they have obtained this year.

Of course, the pride of the Urbana track team is in its depth. Athletes such as Charlie Bariether, Brian Ford, Mike Jones, Brett Sutton, John Mamer, Kirk Cureton, Fred Goglia, and Clarence Winfrey took over when the going got tough.

## Balanced Golf Team Becomes Area Power

The 1964 golfers featured a combination of experienced veterans and strong newcomers. The returning lettermen were Bob Fleming, Lou Casagrande, Steve Ruppel, and John Chaney while Larry Merrick was the first of the sophomores to gain a playing berth. Bad weather during the early spring resulted in the cancellation of both meets and practices. Yet Urbana won its first meet  $8\frac{1}{2}$  to  $6\frac{1}{2}$  over Schlarman and tied Danville  $7\frac{1}{2}$  to  $7\frac{1}{2}$ . With better weather and more practices the Tigers became one of the area powers.

## In Memoriam

Among our many fond memories in this *Rosemary*, we include the memory of the late Superintendent of Urbana Schools, Mr. James H. Cherry. We consider it especially appropriate in our tribute to the late Mr. Cherry, who served as Superintendent since 1960, to include his own words on "memories."

"As life slowly fills, memories give us buoyancy . . . Without memories there could be only the present. Even the future is possible only because there is, for each of us, a past. The crucible of the present out of which tomorrow is forged contains always the infusible element of memories."
