Each year a number of students give time to work as aides in 222, the Attendance Office; 218, the Student Personnel Office; and the library. They pick up hourly attendance sheets, deliver counselor appointment notices and other messages. They help shelve books, laminate library materials, and check out books and magazines. Their various services speed up the daily business at U.H.S.

The fall initiation of new members was fun and funny for all, but Terrapin's major effort brought music, music, music to U.H.S. in the March show. Directed by Jennifer Cooper, President, the club practiced twice weekly for two plus hours. At least they were in the water when the pool was cleared. The show opened with a popular **Do, A Deer** and finished with a rousing finale to **Fame**. Other synchronized swimming solos, duets and group numbers highlighted various styles of music popular and dear to people.

Seniors Robert Jerrard, Neil Patterson, Evan Nelson and Dave Frey based the consistent team. Juniors who finished in the top seven were Sam Batzli, Most Valuable Runner; Steve Shaffer, Most Improved; Asa Abellavich and Sanjay Govindjee. John Stergulz' Girls' Team had a truly fine year even though they are not funded. They purchased their own uniforms, traveled in the coach's station wagon, practiced hard and went to State. They finished seventeenth and were one of two downstate teams to place. Anne Coombs won the Sectional and that along with other strong finishers helped the girls to State. Prior to that the girls won all but one invitational and gathered a 6-0 dual meet score.

The girls finished the seventh year of volleyball at Urbana High. The team traveled to State, losing in the first round. Vevera were standouts in the breaststroke and 500 freestyle respectively. The Tigers' depth withstood the handicap of an aging pool to record the best for some time season.
