Being this year's editor has been very rewarding for me. I have experienced many things with the student body, and in this yearbook I have attempted to show those things most memorable so that in future years you can look back and be proud of the past. I would like to thank my staff for all of their time, effort and support. Also I would like to extend a special thank you to my advisor, Mrs. Sherry McClellan, and an extra thank you to Denise Seif. All of them made my editorship much easier.
