COTILLION '75

*We are exceedingly happy to compliment these worthy young ladies for commendations, We found the task joyous.*

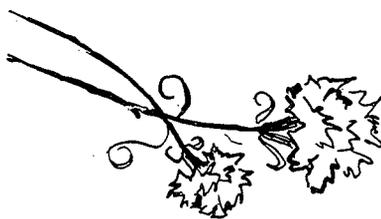

*With the renaissance of Black Awareness, it is indeed fitting to honor those into whose hands the regenerative process will be molded. The heritage of the Afro-American woman is rich, full, and vibrant from the well-spring of her beautiful and oft times painful history.*

*It is our humble aim to instill pride, encourage initiative, and promote education to each young lady who aspires to reach her goal.*

May you go far and wide to pursue all of your wildest dreams to the peak of each tide.  
May you never be sad or full of sorrow. Always be happy and proud. Because for you, there will always be a tomorrow.  
Life with you through the years has never really been a cloud. You always spread sunshine all about. We love you dearly from all of our hearts.  
And today, most of all, we feel exceedingly proud. You've come a long way. And you've got a lot further to go.  
But never get discouraged and contrite, because we will always be there at your side.

LOVE ALWAYS: Mom, Tina, Jerry, Arthur, Barbara

WEDDINGS OUR SPECIALTY

ACKNOWLEDGEMENTS

We extend our sincere thanks to all persons and groups who contributed in any small way to the success of Cotillion '75. To those of you who promoted the idea, and to those of you who patronized this Cotillion by your presence, we say "thanks." By this, we know that our efforts in presenting an affair of this caliber for the betterment of our youth has not been in vain.
