7:00 p.m. - 11:00 p.m.

Champaign, Illinois

*Proudly Present*

*Cotillion '77*

*Live each day to the fullest. Get the most from each hour, each day, and each age of your life. Then you can look forward with confidence, and back without regrets.*

*Be yourself — but be your best self. Dare to be different and to follow your own star.*

*And don't be afraid to be happy. Enjoy what is beautiful. Love with all your heart and soul. Believe that those you love, love you.*

*Forget what you have done for your friends, and remember what they have done for you. Disregard what the world owes you, and concentrate on what you owe the world.*

*When you are faced with a decision, make that decision as wisely as possible — then forget it. The moment of absolute certainty never arrives.*

*Above all, remember that God helps those who help themselves. Act as if everything depended upon you, and pray as if everything depended upon God.*

*S.H. Payer*

DAVID

Dear Philippa,

As you have said to us, a cotillion has  
a three fold purpose:

Parents show their daughter that she's special  
Daughter presents her accomplishments  
Society rewards daughter with the event symboli-  
zing her entrance into society.

We are extremely proud to be your parents,  
and to have had the opportunity to provide  
many little experiences. You have brought  
Joy, Happiness, Meaning to your family, and  
Accomplished unusual achievements during  
your sixteen years.

On this occasion We say -

BE A TORCH

Think Beyond the ordinary,  
have Vision, Faith, Love,  
Happiness, Wisdom, Truth,  
Experiences and Gentleness.  
These Are The Chords Upon Which Greatness is Played.

We love you,

Mom and Dad
