ALICIA

WE MUST LIVE WITH OURSELVES, AND SO WE MUST BE FIT
FOR OURSELVES TO KNOW: WE WON'T BE ABLE, AS DAYS GO BY,
ALWAYS TO LOOK OURSELVES IN THE EYE.

WE DON'T WANT TO STAND IN THE SETTING SUN, AND HATE
OURSELVES FOR THE THINGS WE'VE DONE.

WE WANT TO STAND WITH OUR HEADS ERECT
WE WANT TO DESERVE OUR SELF RESPECT.

GOOD LUCK "WE LOVE YOU"

TO MY FAMILY

YESTERDAY I SAT IN THE CLASSROOM
OF LIFE AND YOU AND EXPERIENCE WERE
MY TEACHERS AS YOU PICKED UP THE CHALK
AND WROTE YOUR MEMORABLE LESSONS
ACROSS THE BLACKBOARD OF TIME.

I SAT, I QUESTIONED, AND I LEARNED
AND TOMORROW YOUR RESPECT SHALL BE
MINE.

THANK YOU FOR ALL YOUR PATIENCE,
UNDERSTANDING, AND ENCOURAGEMENT. I
LOVE YOU ALL.

SINCERELY,

ALICIA

DEAR ALICIA

Whatever paths you follow,
May these blessings come your way--
Cherished friends and loved ones
To brighten every day,
Work that makes you happy,
Rest that makes you strong,
A sense of humor to see you through
Whenever things go wrong,
The strongest faith, the brightest hopes,
That Heaven can impart,
Serenity and wisdom,
An understanding heart,
An awareness of life's beauty,
An answer to your prayers,
And the blessed reassurance
That God understands and cares.

CONGRATULATIONS!!

'May your dreams come true'

May your dreams come true
May life still be kind
May the clouds you see
All be silver lined
May your hopes mount high
And your heart be gay
With your life enriched
In a special way.

May your lips still smile
Though the world may frown
And through the rain
May the sun shine down
May life bless your days
With a peace serene,
And the brightest rainbow
Your heart has seen.

OUR LITTLE GEM

The Little Gem is a chip off the Diamond
Sparkling from the first day of life
We knew by no means you would never be common

We nurtured you with wisdom
And showered you with love
We tried to give you everything
With guidance from God above

You filled our hearts with high esteem
You filled our eyes with tears
You taught us the meaning of Love
Just by watching your Gleam

I know that Dad would be proud
If he could see you now
You seemed to fill his life with sunshine
And never brought a cloud

Tonight Little Gem is very important
For a very Big step you'll make
You know we are behind you everyday
Because we love you in every way

Remember why you're a chip off the Diamond
For this will lead you off the thinnest limb
You are a "Lenoir" in every way
That's why you're our Little Gem.

GOD BLESS YOU SWEETS

DON'T QUIT

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit---
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a person turns about
When they might have won had they stuck it out.
Don't give up though the pace seems slow---
You may succeed with another blow.

Often the struggler has given up
When he might have captured the victor's cup;
And he learned too late
When the night came down,
How close he was to the golden crown.

Success is failure turned inside out--
So stick to the fight when you're hardest hit,--
It's when things seem worst that you mustn't quit.

"GOOD LUCK" baby sis, keep up the good work.
Sorry I can't be with you in person.

Your big brother, Jerry Lenoir

"A Dear Daughter"

Dear Adrienne,

How very fortunate we are to be blessed with such a totally unselfish, spirited and charming daughter.

Your keys to life's doors are your kindness and zeal to learn. May the passage of time serve only to broaden, nurture and refine you. God has already opened the doors, you must maintain the strength and courage to walk through.

We wish you happiness, undaunted faith and attainment of your goals.

Dear Adrienne:

Many of the highest values and greatest riches of this life lie behind the door to the Great Vault that will open only when you insert your key of prayer.

Prayer is not magic. It is simply the way God made the world. Some things have to be dug for. Some things have to be waited for. Some things have to be called for. Some things have to be worked for. But there are still other things -- very vital things -- that have to be prayed for. And these are available only to those who go after them with the key of prayer.

Congratulations, and may God strengthen you to climb till your dream comes true!

Your Pastor, Rev. B. J. Tatum

Dear Adrienne,

To a vivacious, charming

Let adversities be few, but if
they occur, use them to your
advantage.

May successes be yours.

Love,

Dear Adrienne,

It's a fact that many people have had all kinds of argumentive, selfish, strange and difficult sisters.

But you're an exception to the rule. You always shared when no one was sharing. You always helped when no one was helping. You always gave when no one was giving, even if it meant giving your last.

You're one of the most kind-hearted people I know living.

Always strive for the best and remember your best may not always be getting first in things, but as long as you do your best, you'll

Dear Adrienne,

Here is a poem that I hope you
keep close to your heart:

May you have...

Enough happiness to keep you sweet
Enough trials to keep you strong
Enough sorrow to keep you human,
Enough hope to keep you happy
Enough failure to keep you humble
Enough success to keep you eager
Enough friends to give you comfort
Enough wealth to meet your needs
Enough enthusiasm to look forward
Enough faith to banish depression
Enough determination to make each
day better than yesterday!

Stay Sweet - Love, Sonja

Dear Adrienne,

The striving for "education" that is, for improvement of the mind, is not an arduous journey toward any definite goal, but a gratifying and fortifying broadening of our consciousness, an enrichment of our possibilities of life and happiness.

May God Bless you.

Dear Adrienne,

It seems only yesterday, you were just a child and today you are a young woman ready to experience life. This experience can be beautiful if you have the right perspective.

My father has taught me to enjoy life, harm no one and destroy nothing. When this explanation is not appropriate he said, "Nothing proves a failure but a try and nothing stands in your way but the decision.

Good Luck, Experience
and Enjoy Life,
