STATEMENT OF THE OCCASION

On the occasion of our tenth anniversary, we would like to welcome you. We are pleased that you have chosen to celebrate this joyous event with us.

The Gamma Upsilon Psi Society was founded in 1973 as a support group for the local alumni chapter of Phi Beta Sigma Fraternity, Inc. The purpose of this group, Interested Women of Champaign-Urbana Community, was to assist and give support to the men of Phi Beta Sigma with their Cotillion Ball, first presented in 1972.

The Cotillion is open to all minority senior women attending the local high schools. Selection criteria include scholastic achievement, letters of recommendation, and ladylike behavior at school and in the community.

In 1975 the women adopted Gamma Upsilon Psi Society (Gammis) as their official name and since 1977 they have been the sole producers and directors of the Cotillion Ball.

Gamma's purpose is to promote and encourage young ladies of high school age to further their education at an institution of higher learning; be it professional, technical, religious or vocational. Through this community service they aid in better citizenship, civic pride, cultural enrichment and the development of character. The Cotillion aids the Gammis in achieving this goal.

Since its inception in 1973, the Gammis have been under the extremely competent leadership of three ladies; Mrs. Kathryn B. Humphrey, Mrs. Margaret H. Smith and Mrs. Valerian Summerville.

We thank you for your patronage during the past ten years and we solicit your continued support. Again, welcome to our Tenth Annual Cotillion Ball: "It's My Turn".

*In this tenth year of the Annual Cotillion Ball we would like to express our sincere appreciation for your continued support.*

*In 1972 when the Phi Beta Sigma Fraternity began this endeavor, five courageous young ladies decided this was something worthwhile. Since that time 93 debutantes have participated in the cotillion and received financial assistance for furthering their education. These young women have continued their education in various universities and professional schools across the nation. The financial assistance came from your generous contributions in the form of patrons and advertisements.*

*Thank you Champaign-Urbana relatives and friends across the nation for making Cotillion Ball '81 a huge success.*

CONGRATULATIONS BELINDA!

Together we have been through many a test  
Together we have strived to do our best  
Together we learned through repeated trial  
Together we comforted with a smile  
Together we realized you would be sometimes alone  
Together we dreamed the goals of your own  
So now seek what you want without fear  
Because wherever you are you'll always be near  
May trouble be light like the touch of a feather  
And keep in your heart that we'll always be together.

Love,

Byron

WE'RE HERE

You're ours and that's great  
 You're definitely not second rate  
 Life will bring you so much  
 With God you must keep in touch  
 We want only the best for you  
 For only the best will do  
 As life brings you happiness and fears  
 And sadness brings loneliness and tears  
 For you, we will always be here  
 In these, we want to share  
 Only because we truly care  
 When you want someone to trust  
 Remember God and us.

CONGRATULATIONS NINA DENISE,

And always remember:

Success is failure turned  
inside out,  
The silver tint of the clouds  
of doubt,  
And you never can tell how close  
you are . . .  
It may be near when it seems  
afar,  
So stick to the fight when  
you're hardest hit, ---  
It's when things seem worst  
that you mustn't quit.

MAY GOD BLESS & KEEP YOU.

## MY CREED

By Grace H. Freeman

The food that I share with others  
Is the food that nourishes me.  
The strength that I spend for others  
Is the strength that I retain.  
The freedom I seek for others  
Make me forever free.  
The pain that I ease in others  
Shall take away my pain.  
The load that I lift from others  
Make my load disappear.  
The good that I see in others  
My greatest good shall be.  
The love that I feel for others  
Comes back my life to cheer  
The path that I walk with others  
Is the path God walks with me.
