Dear Cotillion Supporter,

In 1972 when Phi Beta Sigma Fraternity (Epsilon Mu Sigma Chapter) began this endeavor, five fine examples of Black womanhood decided that the Cotillion was, indeed, something worthwhile. Two years later, in 1974, a group of interested women began assisting Phi Beta Sigma with the Cotillion--adding a "woman's touch" to the gala affair. By 1975 the women's group had adopted the official name of Gamma Upsilon Psi Society and since 1977 have been the sole producers of the annual Debutante Cotillion.

More than 130 Debutantes have made their entrance into society through the Cotillion in its illustrious 14-year history. Each of those young ladies has received financial assistance for furthering her education at any college, trade school or university of her choice. Many have now obtained professional degrees and are working in their chosen career fields. But, no matter if, how or where they completed their higher education, we are extremely proud of each and every one of them!

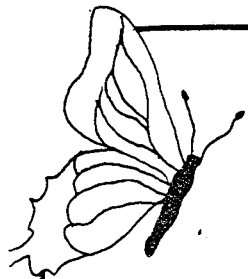

You can feel proud, too. The financial assistance they receive in the form of a scholarship is made possible by YOU! It comes from your generous contributions in the form of patrons, advertisements and ticket purchases.

We thank you wholeheartedly! We would like to express our sincere appreciation for support over these past 14 years and we look forward to your continued support.

See you next year at our 15th Annual Debutante Cotillion.

Sincerely,

The Women Of

STATEMENT OF THE OCCASION

On the occasion of our tenth anniversary, we would like to welcome you. We are pleased that you have chosen to celebrate this joyous event with us.

The Gamma Upsilon Psi Society was founded in 1973 as a support group for the local alumni chapter of Phi Beta Sigma Fraternity, Inc. The purpose of this group, Interested Women of Champaign-Urbana Community, was to assist and give support to the men of Phi Beta Sigma with their Cotillion Ball, first presented in 1972.

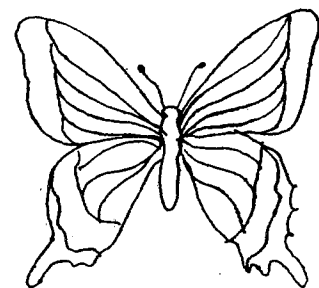

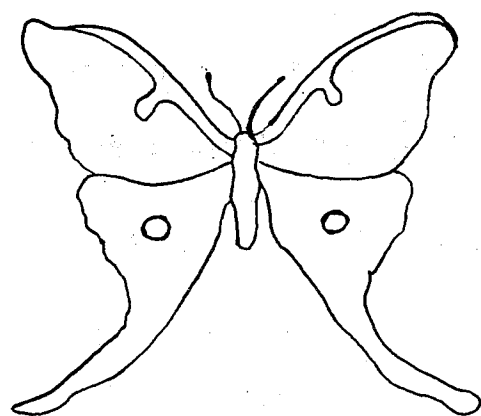

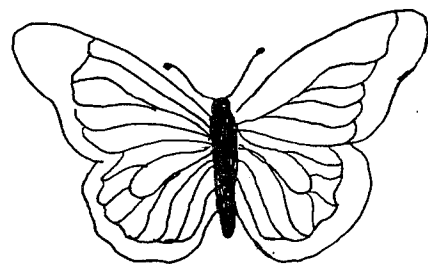

The Cotillion is open to all minority senior women attending the local high schools. Selection criteria include scholastic achievement, letters of recommendation, and ladylike behavior at school and in the community.

In 1975 the women adopted Gamma Upsilon Psi Society (Gammias) as their official name and since 1977 they have been the sole producers and directors of the Cotillion Ball.

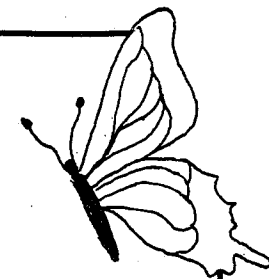

Gamma's purpose is to promote and encourage young ladies of high school age to further their education at an institution of higher learning; be it professional, technical, religious or vocational. Through this community service they aid in better citizenship, civic pride, cultural enrichment and the development of character. The Cotillion aids the Gammias in achieving this goal.

Since its inception in 1973, the Gammias have been under the extremely competent leadership of three ladies; Mrs. Kathryn B. Humphrey, Mrs. Margaret H. Smith and Mrs. Valerian Summerville.

We thank you for your patronage during the past ten years and we solicit your continued support. Again, welcome to our Tenth Annual Cotillion Ball: "It's My Turn".

Black Butterfly

Morning light, silken dream take flight
As the darkness gives way to the dawn.
You've survived.
Now your moment has arrived;
Now your dream has finally been born.

Black butterfly
Sail across the waters.
Tell your sons and daughters
What the struggle brings.
Black butterfly
Set the skies on fire.
Rise up even higher
So the ageless winds of time can catch your wings.

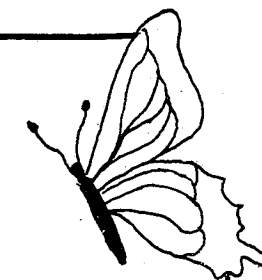

While you slept, the promise was unkept,
But your faith was as sure as the stars.
Now you're free
And the world has come to see
Just how proud and beautiful you are.

Black butterfly
Sail across the waters.
Tell your sons and daughters
What the struggle brings.
Black butterfly
Set the skies on fire.
Rise up even higher
So the ageless winds of time can catch your wings.

Let the current lift your heart and send it soaring.
Write your timeless message clear across the sky.
So that all of us can read it
And remember, when we need it
That a dream conceived in truth can never die
Butterfly.

Now you're free
And the world has come to see
Just how proud and beautiful you are.

Black butterfly
Sail across the waters.
Tell your sons and daughters
What the struggle brings.
Black butterfly
Set the skies on fire.
Rise up even higher
So the ageless winds of time can catch your wings.

To our very personable and affectionate daughter,

Stephanie

You are a very unique person because of God's exclusive design for your life. No one can stand where you stand, know what you know, feel what you feel, be what you are, or do what you do because there is no duplicate of you! If there is to be any competition in life, compete with your own yesterdays and rise above them in knowledge, skills, and abilities.

God will bless your climb up the ladder of success because you KNOW that

Success is a personal relationship with God
Success is a progressive responsibility to God
Success is a perpetual reliance on God

You will never have to compete for success because it is relative, individual, and personal. There are no secrets of success. It is doing all the things you know you should do; it is discovering your best talents, skills, and abilities and applying them where they will make the most effective contribution to your fellowmen.

Success is not confined to any one part of your personality; it is related to the development of all the parts: body, mind, heart, and spirit. A successful life is 100% unshakable faith in the constant presence of God with whom you talk frequently about your plans, your needs, and the desires of your heart.

To three beautiful young ladies from Canaan's Youth Department:

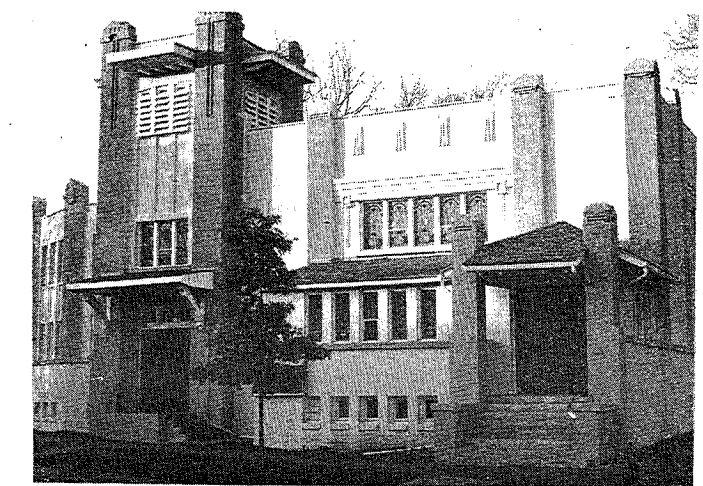

Lenee Edwards

Stephanie Tatum

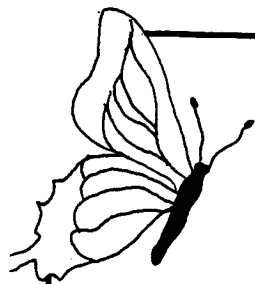

As you make your debut into the world of opportunities, make the Church a part of your life. The Church may be likened to the dressing room of a great theater. Here is where you put on the garments of praise and find the props that are needed out on the stage of life. The Church is where you are equipped, prepared, and cued for the next act along life's way.

William Shakespeare said, "All the world is a stage and all the people on it are players." The world is a stage, but don't walk out on the play. The world needs those who play the small parts, for usually it is to those who play them well that the larger more important parts are given.

As you travel along the road of life, at frequent intervals enter the Church to worship God and depart with a determination to serve the people whom God loves. Above all, "Remember your Creator in the days of your youth." Reflect on the blessings that are yours, blessings you didn't earn but received because of God's love for you. The greatest blessing of all is the Gift of Eternal Life. May you ever be reminded that God's Holy Spirit indwells you to empower, energize, and enable you to accomplish your goals as you obediently follow His directions.

CONGRATULATIONS
STEPHANIE

God loves you, God cares for you,
and God is concerned about every area of
your life.

Life is strewn with opportunities that are
like seeds that take root, grow, and produce.
Make each day an expedition in search of
the opportunities that are especially
designed for your abilities. Above all,
"Trust in the Lord with all thine heart;
and lean not unto thine own understanding.
In all thy ways acknowledge Him, and He
shall direct thy paths." (Proverbs 3:5-6)

Above all you do, continue your education.

Mr. and Mrs. Julian Jenkins

Congratulations Stephanie!

Graciousness is a power word. God ap-
points our graces to be nursed to other
people's weaknesses. The gracious per-
son is the one who takes the dirty end
of the stick and cleans it up before
handing it to another.

those who love the Lord."

An important requirement for successful
living is to know that life is good.
There are troubles, sorrow, and pains.
No one escapes these. But, life has a
greater number of successes, happiness,

Live each day to the fullest. Get the
most from each hour, each day and each
age of your life. Then you can look
forward with confidence and look back
without regrets.

There are moments of happiness for our first baby. However, there is sadness in realizing that our baby has become a beautiful young lady that we must let go. As The Prophet, Gibran, once said, "Your children are not your children. They are the sons and daughters of Life's longing for itself. They come through you but not from you. And though they are with you, yet they belong not to you..."

As we place our trust in God, we know that there is a divine out working for your every dream and need. For whatever you do, wherever you go, God goes before you to lovingly prepare the way. There is no reason for fear or apprehension, for God is in charge of all that concerns you.

Lovingly and prayerfully,

Daddy and Mommie

Obviously there is a holiday in Heaven as God has allowed all these angels to gather in one spot--in breathtaking splendor! DREAM TREE®

ISSUED TO

Dr. P. R. Norman

An original Dream Tree
by
J. E. Tramel, Artist

On a warm sunny day
Under my favorite tree
As a lad
I would play

Daydreaming and
Gazing into the sky
Watching the fluffy clouds
As they drifted by

I would climb those mountains
So high and wide
Though my fondest dreams
I could never hide

I dreamed of silver
I dreamed of gold
I would have neither
I was told

I fooled them all
As you can see
I built myself
A Dream Tree

The
DREAM TREE
It doesn't do anything,
just sits there looking pretty.

Dream Tree is a Registered Trademark of J. E. Tramel.

Dear Daughter

Do not ask to have your life load lightened, but for courage to endure.

Do not ask for fulfillment in all your life, but for patience to accept frustration.

Do not ask for perfection in all you do, but for the wisdom not to repeat mistakes.

And finally, do not ask for more before saying thank you for what you have already received.

Love,

Mommy and Odell

CONGRATULATIONS AND BEST WISHES

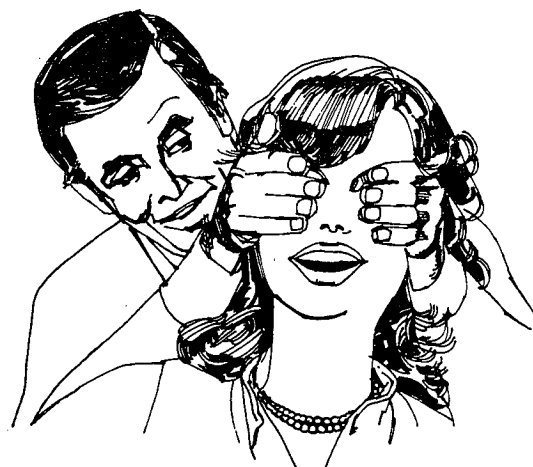

We are all proud of your achiev-
ments and we pray that this is
only the beginning of many victor-
ies in the future. Here is how
it is done:

Trust in yourself, and you are
doomed to disappointment;
Trust in your friends; they will
die and leave you;
Trust in money, and you may have
it taken from you;
Trust in reputation, and some
slandorous tongue may blast it
But--Trust in God, and you are never
to be confounded in time or
eternity.

"They that trust in the Lord shall
be as mount Zion, which cannot be
removed, but abideth for ever (Ps.
125:1).

See Ya Next Year At Cotillion '86

Darryl J. Terry

Thank You Darryl!

Darryl served the Cotillion this year as the Stag Escort. He dilligently attended each practice, learning all the dances, just in case one of the specified escorts was unable to attend--either at practice or this evening. Darryl is a senior at Urbana High School where he sings in the school choir and with the Madrigals. He is also on the basketball and track teams and a member of the Student Senate. He is a member of Canaan Baptist Church where he is active with the Choir and Sunday School. He plans on attending college next year and major in computer engineering. He also plans to continue his musical pursuits.

"Love Will Find A Way"

Are you feeling down and lonely?
Feeling like you can't go on?
Just remember love will find a way.

Tell me are you going through changes;
Time seems like it's passing by?
Just believe that love will find a way.

I see the tears you cry.
I see the pain that's in your eyes.
So many times you were so lonely
And no one seemed to care.
But if your hopes for your tomorrows
Are drowning in your sorrows
Know your heart will show you the way.

Are you trying to find a beginning
Or something just to hold on to?
Always know that love will find a way.

Is it hard this life you're living?
Does the world seem so unkind?
Don't you worry love will find a way.

Some say we've lost our way.
Some say the world has gone astray.
But if you know where you're going
There's nothing you can't do.
'Cause problems will come
And they will leave you.
The world will try to deceive you.
But the truth will always be in your soul

Do you want some joy in your time?
Are you trying to find some peace of mind?
All you need to know is
Love will find a way.

Are you looking for that place to go
Where the truth is all you'll ever know?
All you need to say is
Love will find a way.

See You in
1986!

April 13, 1985

Dear Cotillion Supporter,

In 1972 when Phi Beta Sigma Fraternity (Epsilon Mu Sigma Chapter) began this endeavor, five fine examples of Black womanhood decided that the Cotillion was, indeed, something worthwhile. Two years later, in 1974, a group of interested women began assisting Phi Beta Sigma with the Cotillion--adding a "woman's touch" to the gala affair. By 1975 the women's group had adopted the official name of Gamma Upsilon Psi Society and since 1977 have been the sole producers of the annual Debutante Cotillion.

More than 130 Debutantes have made their entrance into society through the Cotillion in its illustrious 14-year history. Each of those young ladies has received financial assistance for furthering her education at any college, trade school or university of her choice. Many have now obtained professional degrees and are working in their chosen career fields. But, no matter if, how or where they completed their higher education, we are extremely proud of each and every one of them!

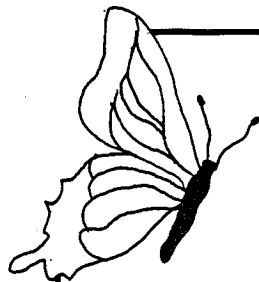

You can feel proud, too. The financial assistance they receive in the form of a scholarship is made possible by YOU! It comes from your generous contributions in the form of patrons, advertisements and ticket purchases.

We thank you wholeheartedly! We would like to express our sincere appreciation for support over these past 14 years and we look forward to your continued support.

See you next year at our 15th Annual Debutante Cotillion.

Sincerely,

The Women Of
Gamma Upsilon Psi Society
