## Silver Shadow

Silver shadow, a glowing shadow.  
Shining brightly for all to see.  
This silver shadow, my future's shadow.  
Trying to tell me of the star I would be.

I remember gazing on this quiet night  
The stars were bright as they could be.  
Wondering if things would ever go right  
And if there was a spot up there for me?

Then one star got brighter by the minute.  
Strange that it seemed to have my name written in it.  
I reached for the star and it kissed me with its light.  
It made me cast a shadow that was silver and bright.

Silver shadow, a glowing shadow.  
Shining brightly for all to see.  
This silver shadow, my future's shadow.  
Trying to tell me of the star I would be.

I never had any real reason  
To thank my lucky stars.  
But now I've got a pretty good reason  
'Cause I know I'm gonna go far!

Oh I believe in magic, I really do.  
With all that's happened, it's got to be true!  
I cast a silver shadow from the kiss of the light.  
I knew that I was destined starting with that night!

Silver shadow, a glowing shadow.  
Shining brightly for all to see.  
This silver shadow, my future's shadow.  
Trying to tell me of the star I would be.

Since I was chosen among the rest;  
I dedicate myself: I'm gonna be the very best!  
And my shadow forever silver will remain  
And the world will always remember my name!

Silver shadow, a glowing shadow.  
Shining brightly for all to see.  
This silver shadow, my future's shadow.  
Trying to tell me of the star I would be.

Dear Cotillion Supporter,

In 1972 when Phi Beta Sigma Fraternity (Epsilon Mu Sigma graduate chapter) began this endeavor, five fine examples of Black womanhood decided that the Cotillion was, indeed, something worthwhile in which to participate. Two years later, a group of interested women began assisting the "Sigmans" with the Cotillion--adding a "woman's touch" to the gala affair. By 1975 the women's group had adopted the official name of Gamma Upsilon Psi Society and since 1977 have been the sole producers of the annual debutante cotillion.

More than 140 debutantes have made their entrance into society through the Cotillion in its illustrious 15-year history. Each of those young ladies has received financial assistance for furthering her education at any college, trade school or university of her choice. Many have now obtained professional degrees and are working in their chosen career fields. But no matter if, how or where they completed their higher education, we are extremely proud of each and every one of them!

You can feel proud too! The financial assistance they receive in the form of a scholarship is made possible by YOU. It comes from your generous contributions in the form of patrons, advertisements and ticket purchases.

In light of the fact that the Reagan administration has been reducing funds available for many Black young people, these Cotillion scholarships are often very much needed and always appreciated by the debutantes.

We thank you wholeheartedly! We would like to express our sincere appreciation for your support these past 15 years and we look forward to your continued support.

See you next year at our 16th Annual Debutante Cotillion.

Sincerely,

The Women Of  
Gamma Upsilon Psi Society  
Champaign-Urbana, Illinois

P.S. Reflect upon the Cotillion's illustrious history on the next 13 pages. It shows from whence we came...with pride and with love.

To my daughter  
Katrina Marie

Where have all the years gone? I remember, not long ago,  
you feeling uneasy about wearing your first pair of heels...  
We have had many obstacles along the way, but (thank God)  
we overcame all of them.

Now you have become a lovely young lady. I am so proud  
that you are my daughter.

Keep your great sense of humor and your deep feelings of  
love and compassion for others intact. And remember:

--Whatever things are true,  
--Whatever things are honest,  
--Whatever things are just,  
--Whatever things are pure,  
--Whatever things are lovely,  
--Whatever things are of good report

If there be any virtue and if there be  
any praise, think on these things.

Our oldest granddaughter and a beautiful young lady. We are very proud of you and all of your accomplishments. Remember to be strong and "pray without ceasing".

Your future will be what you make it, but whatever you decide to do with your future--include God in the plan.

A Black woman is a very unusual creature,  
 There's something special about her feature.  
 She has wit, intelligence, style and grace;  
 But her most important quality is in her face.  
 Her eyes are the eyes of all the ages.  
 They have seen the Black people in all their stages.  
 They have watched them struggle and to fall.  
 And then get up to stand straight and tall.  
 So to you Notasha, tomorrow's Black woman of this nation,  
 You deserve our praise and a standing ovation.
