Urbana is a comprehensive high school with a full offering of courses, extramural courses and extracurricular activities. In a regular curriculum, students may elect any number of vocational classes such as house construction, C.W.T., drafting, PUPS, or auto mechanics. Students who gain part of their credits off campus may participate in the full semester Executive High School Internship program in a Health Assistants study. Others elect to gain credit by serving as aides in various offices. Those students who wish to study in exotic places such as Florida may participate through the Explorer's Post. Not all courses are offered every year, but the offerings are many and varied to try to meet many needs.

1. Kevin Hendricks runs hand-off from QB Hursey. 2. Tigers declare victory over Lincoln. 3. Tito Gomez gives thumbs up for Urbana's first win. 4. All Big 12 Eddie Allen travels for a first down.

## Tigers Key

After forfeiting the opening games to Rantoul and Mattoon because of the teachers' strike, practice on their own paid off for the Tigers.

The homecoming win over Lincoln and the 18-13 upset of Central highlighted the late starting season. The Tigers rallied to win four of their last five games. Seniors Ed Allen and Ken Brasher were All-Big 12 Offense selections and Junior Rob Siders merited an All-Big 12 Defense slot. Bob Robinson, Trent Short, Tony Carswell and Allen were awarded Honorable Mention on defense selections while Siders added an Honorable Mention offense award.
