**A MESSAGE FROM THE PRESIDENT
OF GAMMA UPSILON PSI SOCIETY ...**

Dear Cotillion Supporter,

Twenty-three years ago, the men of Phi Beta Sigma Fraternity, Inc., Epsilon Mu Sigma Chapter pursued a dream that evolved into the Cotillion in the Champaign-Urbana area. In 1974, a group of interested women began assisting the Sigmas. In 1975, the women's group adopted the name of Gamma Upsilon Psi Society, and since 1977, the Gammas have been the sole sponsor of the Cotillion.

Patricia McKinney Lewis

We are thankful to the illustrious men of Phi Beta Sigma Fraternity that they had the foresight to capture their vision and bring their dream to reality.

Today, with the grace of God, we are remembering the dream and celebrating the 23rd debutante cotillion ball. We are very proud that more than 300 debutantes have made their entrance into society through our Cotillion.

You can feel proud, too. The financial assistance we have provided each debutante has been made possible because of your continued support. Your support comes in the form of advertisements, patrons, and the purchasing of tickets. We thank you and appreciate your continued support.

We also genuinely appreciate the dedication and commitment we've had from parents and other family members who have assisted the debutantes over the years.

As president of Gamma Upsilon Psi Society, I would like to thank each Gamma member for her diligence, persistence, and hard work. Gamma members have worked untiringly for years to produce a quality Cotillion. This year we expect nothing less than the exhilarating, effervescent, magnificently electrifying pageantry of which we are accustomed!

Thank you for helping keep the dream alive. We can do all things through Christ who strengthens us.

HAVE A FANTASTIC EVENING!

Sincerely,

**PATRICIA MCKINNEY LEWIS, PRESIDENT
GAMMA UPSILON PSI SOCIETY**

*"A Dream With
Your Name On It"*

as sung by Jennifer Holliday

*"Stay strong," I tell myself when things are going wrong
Those times I long to be a winner as I see my chances growing dimmer,
I hold on to a memory.*

*"Small one," my mother said, "your life has just begun.
You'll see the rage of stormy weather, but there's rainbows there
and things will soon get better.
So hang on." 'Cause...*

*There's a dream out there with your name on it.
There's a wish somewhere just waiting for you.
There's a star in the night whose light will be shining brighter
When that dream with your name on it comes true.*

*Stand tall. Don't you be afraid. You're sure to find your way.
And when that voice that's deep inside you says to take a chance,
That's what you've gotta do.
Follow your heart; go where it leads you.
It's telling you...*

*There's a dream out there with your name on it.
There's a song somewhere to lighten your heart.
There's strength from within that you can depend on
When it seems your schemes are falling through.'*

Good character breeds self confidence! A self respecting person of good character, Pachauncé has the self-confidence to be, "down to earth."

Her altruism touches everyone who's life she enters. A helpful, loving, and gentle lady with a lavish sense of humor.

Our family was blessed the day she was born, and thankful for a beautiful, talented daughter, granddaughter, niece, and sister.

Pachauncé puts God first in her life, and in doing so, she will have the success she so richly deserves. I am proud to be her Grandmother. Pachauncé, I love you.

Lorraine B. Carter

Pachauncé is a dear niece, and kind of young lady that everyone wants in their family.

I am happy to wish her the best, and I know she will succeed in all she undertakes to do in the future. She is a success now in that she possesses those marvelous traits that exudes self-respect, and respect for others. She has a refreshing honesty about her that is sweet and pure as a mountain spring.

She is that gentle breeze one seeks on a warm summer day. A welcomed friend and niece whom I am proud of. I love you Pachauncé.

DAWN MICHELLE CLARK

Baby,

You are at the beginning of the rest of your life. We have taught you to be strong and steadfast. We have taught you to be reliable, responsible, respectable as well as respectful. We have taught you to look, listen and to learn. We have taught you to be courteous and compassionate. We have taught you how to love unconditionally.

Of all of the things we have given you, the greatest gift that we gave was in giving you back to the Lord. Life is not perfect, you will be faced with many trials and obstacles BUT if you put your hands in God's hands and let Him order your steps, you will make it. When you feel overwhelmed with this wide and spacious world, remember the FOOTSTEPS IN THE SAND.

Take the foundation that you have and make the best of the rest of your life.

Love forever,

Mom and Dad

TO DAWN

We have watched you grow from the little girl running around the neighborhood with pigtails and now you have blossomed into a wonderfully bright young lady. Dawn being the soft spoken person that you are I think you will go on with your life to pursue a great career in whatever field you feel most comfortable with. You really put meaning to the phrase "actions speak louder than words". Girl, you know you are more to me than just my cousin, I think of you as my sister, because I feel that I can come to you with anything and you would know just what to say or do. Dawn you are my home for life. I want to wish you the best for your life after Urbana High School, and whenever you need someone, you know you can always count on me.

A mother asked her young daughter to clean her shoes. She worked on them diligently until they were spotless and shiny. To show her appreciation, her mother gave her a dollar. When she went to put the shoes on she found something waddled up in the toe of one of them, it was her dollar wrapped in a note that read "heres yoer dallar. I done it for luv."

All the sacrifices, all the tears with joy with fears, just to see you become the young lady that you are. "Oh how proud I am of you. "I done it for luv."

You were a precious jewel, my firstborn, my gift from God. Words cannot express my love for you. Be encouraged for eyes haven't seen neither ears heard what God hath prepared for them that love Him.

Now here we are. You're all the young lady we expected you to be, all we imagined and hoped for. To you Shonna, with a love that can't be measured.

*A good relationship between
family, friends, and associates
can be boiled down to one
word:*

RESPECT

Dearest Nikki,

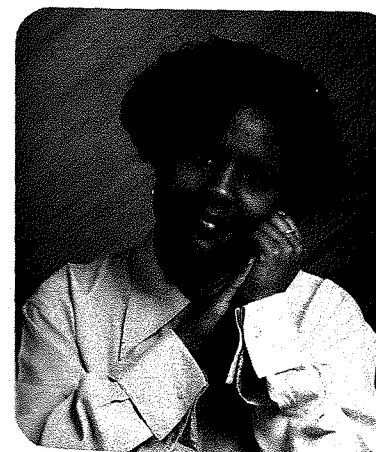

*Seems like only yesterday that you were our "Pom-Pom,"
a cuddly, living doll! The past 17 years have passed quickly - too
quickly for us. You've grown into a beautiful young woman with
great potential. We're proud of you.*

*Without a doubt you will go far! Never forget that we love you very,
very much and that we'll be there for you - whenever and wherever
you need us - as you strive toward your goals.*

*"By humility and the fear of the Lord are riches,
and honour, and life.
Thorns and snares are in the way of the froward:
he that doth keep his soul shall be far from them.
Train up a child in the way he should go; and when
he is old, he will not depart from it."*

Proverbs 22:4-6

That God continues to Bless You and Keep You is our prayer.

Love,
Mom & Dad

To Nicole Elizabeth Lewis

You have always been an attractive person who was a delight to know; moreover, your disposition is yet charming and I am proud of this initial achievement in your life.

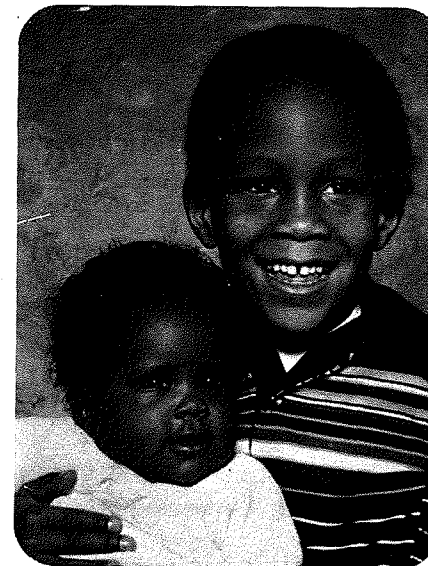

Continue to be guided by the example of your fine Christian parents, and by Philippians 4:8.

"Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."

*Esther Bush Donaldson
Harbor City, California*

To Nik Nik,

Even though I'm your "Big Brother," you've always tried to be the BOSS.

You've always been wise beyond your years and I have high hopes for you. I wish you the best of everything in whatever you do in the coming years.

Stay sweet!

Eric

Dare to Dream

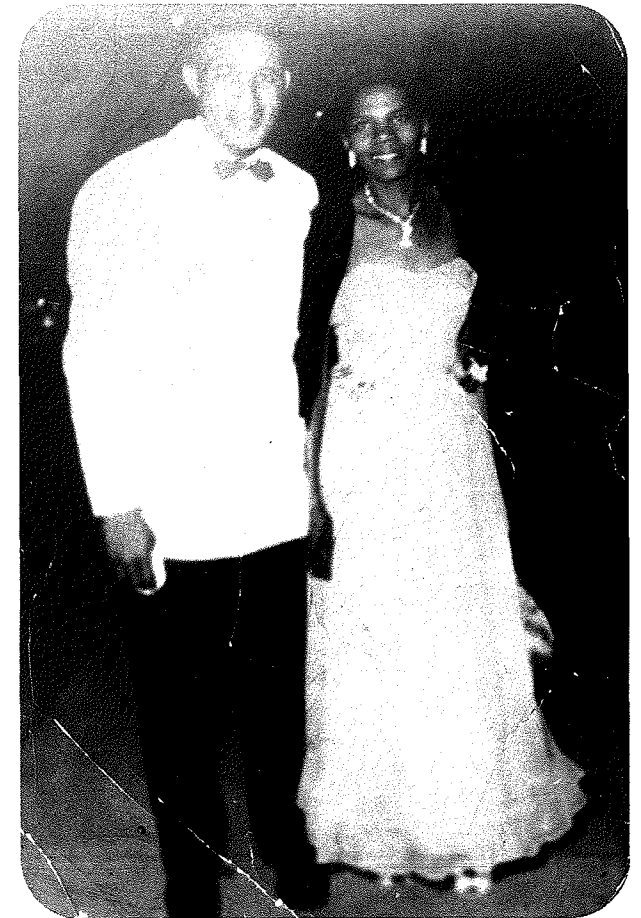

*If it is true
That the sky is the limit
Then why not dare to dream*

*Dreams never die
Often challenged or denied
But dreamers teach dreams to fly*

*From pole to pole
And sea to sea
Are dreamers living their dreams*

*Just look into their eyes
And you'll realize
That those dreamers
Are you and me.*

LOVE

If I speak in the tongues of man and of angels but do not have love, I have become a sounding piece of brass or a clashing cymbal. And if I have the gift of prophesying and am acquainted with all the sacred secrets and all knowledge, and if I have all the faith so as to transplant mountains, but do not have love, I am nothing. And if I give all my belongings to feed others, and if I hand over my body, that I may boast, but do not have love, I am not profited at all. Love is long-suffering and kind. Love is not jealous, it does not brag, does not get puffed up, does not behave indecently, does not look for its own interests, does not become provoked. It does not keep account of the injury. It does not rejoice over unrighteousness, but rejoices with the truth. It bears all things, endures all things. LOVE NEVER FAILS.

1 Corinthians 13:1-8

YOU CAN EVEN CHANGE
TOMORROW

You can even change tomorrow
By the thoughts you think today,
For we form and shape our future
By our thoughts along the way.

Sometimes we never even dream
We can lose some long-sought good
Even throw away our future
By not thinking as we should.

So don't fret about your future.
You're deciding it, right now,
And it's shaping up within you
Let God's wisdom show you how.

Choose just what you want to happen
Dwell upon it give it love.
Picture it in vivid detail
As you're guided from above.

Yes, you can change your tomorrow
By the way you think today.
You need never fear your future—
Choose and shape it in this way.

I am the dark

I am the girl

Dark and rotting

I am the woman

I am the woman

The Foster Care Project

The *Foster Care Project at Girls Incorporated* is dedicated to providing information to prospective foster parents. Information on how you can help, and more importantly, how you can become a foster parent. In Champaign County and indeed in the nation, there is a great need for African-American foster parents. Nationally, nearly 60% of all children in foster care are African-American, yet only about 40% of all foster parents are African-American. If you are interested in becoming a foster parent or if you would like more information on how you can help, call Ray Coates at 328-5097.

DEBUTANTES

These three words represent you:

Education
Persistence
Responsibility

These three words represent your efforts as you continue to excel to heights that you have yet to discover or imagine. The Urban League of Champaign County would like to recognize and congratulate you for your hard work and diligence at a time when positive leadership among our youth is desperately needed. As we approach the twenty-first century the three words mentioned above make up the foundation that is needed for you and your community to succeed in a world that is becoming more technologically advanced by the minute. Educate yourself on the labor trends and other social issues that will effect you and your community and pass that information on to the less informed. Be persistent in this quest, for it will shape the world in which you live. Finally, seek and accept responsibility for the change that is needed in our society, for change only occurs when those seek and accept responsibility for it. Debutantes, we salute you on your day for you have truly earned it.
