One Moment In Time

Each day I live I want to be
A day to give the best of me.
I'm only one, but not alone.
My finest day is yet unknown.
I broke my heart for every gain.
To taste the sweet, I face the pain.
I rise and fall, yet through it all
This much remains...

I want one moment in time
When I'm more than I thought I could be,
When all of my dreams are a heartbeat away
And the answers are all up to me.
Give me one moment in time
When I'm racing with destiny.
Then in that one moment in time
I will feel eternity.

I've lived to be the very best.
I want it all; no time for less.
I laid the plans, now lay the chance
Here in my hands.

Give me one moment in time
When I'm more than I thought I could be,
When all of my dreams are a heartbeat away
And the answers are all up to me.
Give me one moment in time
When I'm racing with destiny.
Then in that one moment in time
I will feel eternity.

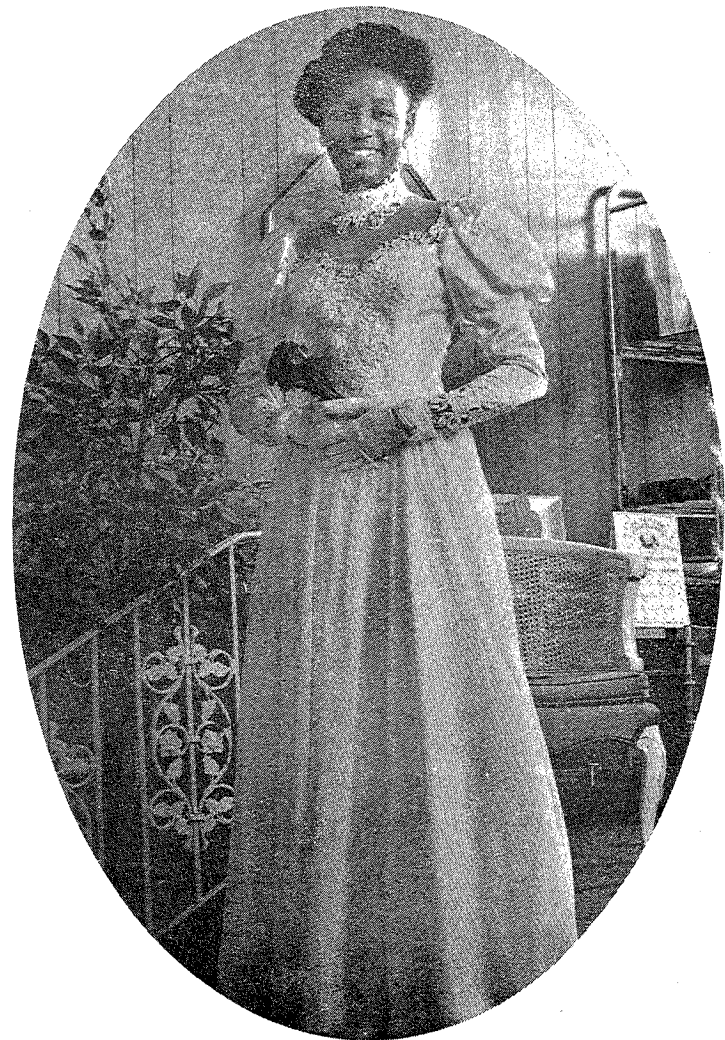

You're a winner for a lifetime
If you seize that one moment in time.
Make it shine!

Give me one moment in time
When I'm more than I thought I could be,
When all of my dreams are a heartbeat away
And the answers are all up to me.
Give me one moment in time
When I'm racing with destiny.
Then in that one moment in time
I will be free.

My eyes are as the sun, Shining with the rays of our love.
You are as the earth, Bronze and Beautiful.
So shall my eyes set upon you.
Do not take from my eyes that which make them shine.
For if you do, then they shall become waterfalls;
Washing away all love and beautify.
And what of the earth when sets the sun forever?
Only destruction comes because no other light
Shines like THE LIGHT OF LOVE.

--Malaika Williams

Miss Ma'am, this poem you wrote is dedicated to you with all the
love in the world. We are the earth and you are our sun. Our
family runs on love and co-operation. We will always be there
for you even when you're away at College. We love you!!

"PRIDE"

YOU MUST BE STRONG, YOU MUST BE RIGHT
TO HAVE PRIDE IN YOUR LIFE.

AS A CHILD BRAVE AND STRONG
LIKE A SOLDIER WHO KNOWS "RIGHT FROM WRONG"

FAITH AND CONFIDENCES MUST BE THERE.
TO HAVE A CLEAR MIND ALL THE TIME AND REALLY CARE.

WALKING HOME "BRAVE AND STRONG" SINGING A SONG
PRIDE. PRIDE. IT'S TIME TO GO HOME.
MIGHT AND BRAVE NOT AFRAID.

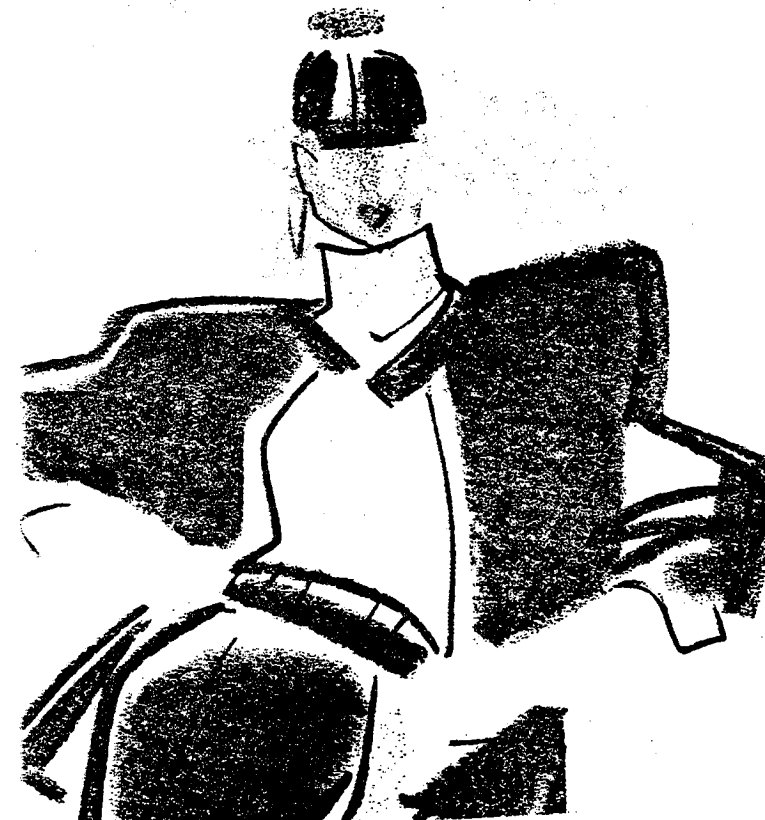

COURAGE AND FAITH CAN'T BE LATE.
WALKING BRAVE WITHOUT HATE
SEEKING PRIDE JUST IN OUR MINDS
THAT'S WHY: 'I WAS BORN WITH SO MUCH PRIDE".

I am an invisible-man. No, I am not a spook like those who haunted Edgar Allan Poe; nor am I one of your Hollywood movie ectoplasms. I am a man of substance, of flesh and bone, fiber and liquids--and I might even be said to possess a mind. I am invisible, understand, simply because people refuse to see me. When they approach me they see only my surroundings, themselves or figments of their imagination--indeed, anything and everything except me.

-Ralph Ellison "Invisible Man"

CONGRATULATIONS AND BEST WISHES

We are all proud of your achievements and we pray that this is only the beginning of many victories in the future. Here is how it is done:

Trust in yourself, and you are doomed to disappointment;
Trust in your friends; they will die and leave you;
Trust in money, and you may have it taken from you;
Trust in reputation, and some slanderous tongue may blast it
But--Trust in God, and you are never to be confounded in time or eternity.

"They that trust in the Lord shall be as mount Zion, which cannot be removed, but abideth for ever (Ps. 125:1).

FROM SAVOY, IL

April Lynette Walker

When things go wrong as they sometimes will;
When the road you're truding seems all uphill;
When the funds are low and the debts are high;
And you want to smile, but you have to sigh;
When care is pressing you down a bit
Rest if you must, but don't you quit!!

"Trust in the Lord with all your heart and
lean not on your own understanding; in all
your ways acknowledge him and He will direct
your paths."

Proverbs 3:5-6

I have to live with myself, and so
I want to be fit for myself to know;
I want to be able as days go by
Always to look myself straight in the eye;
I don't want to stand with the setting sun
And hate myself for the things I've done.

I don't want to keep on a closet shelf
A lot of secrets about myself,
And fool myself as I come and go
Into thinking that nobody else will know
The kind of a man I really am;
I don't want to dress myself up in sham.

I never can hide myself from me,
I see what others my never see,
I know what other may never know,
I never can fool myself--and so,
Whatever happens; I what to be
Self-respecting and conscience free.

BE PROUD OF THE THINGS THAT YOU ARE

By Garnett Ann Schultz

Always be proud of what you are
 Whatever that might be,
 The job that you do, however small,
 So all of the world might see.

Give it your best and make it your own--
 Have faith in your dreams come true,
 Lend a part of yourself in your every plan
 In all that you ever do.

Always be proud of what you've been;
 Be sure that you've lived life well,
 Be proud of the hope that is in your heart,
 Your story that life can tell.

Walk through each day with your head held high,
 And your eyes on that faraway star,
 Trust in tomorrow and surely you'll find
 it's nice to be just what you are.

Always be sure and you'll never fail
 Your future so sparkling and bright,
 Save up a smile for the dark dreary days--
 Success ever there in your sight.

Give God your hand and trust in His way,
 No matter how near or how far.
 Travel your road and in all that you do...
 Be proud of the things that you are.

The Best For You

FROM MRS. RUBY HUNT, YOUR ASSISTANT

Chevella Lavette LeShoure

PEACE

FOR A VERY SPECIAL DAUGHTER

Always remember that happiness is something we create in our minds. It's not something we search for and so seldom find...

It's just waking up and beginning the day by counting our blessings and kneeling to pray.

It's giving up wishing for things we have not and making the BEST of whatever we've got. For it's by completing what God gives us to do that we find real contentment and happiness too. The sky is your limit and your goal is high. So while trying to please others make sure it's really the things you want to do and not let life pass you by.

Love always,

Mom

Chevella Lavette LeShoure

Say Chevella --

I'M SO PROUD OF YOU!

I'm proud of what you have done with your young life thus far.

When I look about me today, I see a vicious and cunning world full of hatred and sorrow, pain and despair, full of love and laughter and people who care.

To get ahead in this world it takes a lot of ambition, and for your accomplishments, my girl, you deserve full recognition.

The temptations in America for a young girl today are overwhelming to the utmost -- our only defense is to pray for a break in the crowd, for knowledge and self-confidence to hold your head proud and with that I dedicate this to you:

To a friend, first, so very dear to me. Then to a sister, the greatest ever to be. A Champ among champs, a Queen among queens... the Greatest Chevella the world's ever seen.

We've shared good times and bad, happy and sad, joy and pain and remained sane.

Through torment and pleasure, regardless of the weather... we survived. I am proud to have a sister that's you. You've struggled hard to make it to the top. You're in an upward motion; keep rising, don't stop. Continue to strive for everything that's dear. Know through whatever I'll always be near.

Your heart is big.
Your future is too.
Think long...study hard...
To be the best within you!

BEST WISHES AND GOOD LUCK!
Your sister -- Cassandra Leshoure

"MOM"

"When the day is cloudy and grey
you smile and you are my sun. When
I'm down, bored and blue, you are
my fun. My love for you is forever
and neverending. You are my beloved
mother and that need no defending."

I love you Mom,
Urs

Urs,

I love you very much. It isn't easy being the other mom, but our paths
crossed when you were in your terrible two's and I was in my terrible twenty's -
I must say - it was love at first sight.

I've always been uncomfortable with the term step-daughter- so I've never
used it - I had no idea that you were exercising that same rule when introducing
me. I have to think that we've grown on each other.

You've taken me through the terrible teens, and I've taken you through the
constant "it's my 29th birthday" stage. I stayed up nights with you, with a lot
of firsts' (1st homecoming dance, 1st prom) cheerleading tryouts, until you be-
came somewhat of a veteran of that field - needless to say - you've turned your
family into regular bleacher bums - but what is love all about.

I'm trying to accept California as the state in which you choose, but
silently I'm saying - why so far?

I send with you the only thing I've ever offered in abundance, and that's
my Love and Blessings - you know we've ruined the Cinderella image.

Love Ya A Whole Lot,
Mamma

I Believe in You

I want to tell you that I believe in you;
I believe in your mind
and all the dreams, intelligence,
and determination within you.
You can accomplish anything.
You have so much open to you,
so please don't give up on what you want
from life
or from yourself.
Please don't put away the dreams inside
of you.
You have the power to make them real.
You have the power to make yourself
exactly what you want to be.
Believe in yourself the way I do,
and nothing will be beyond your reach.

~ Joleen K. Fox
